GRIEVANCE PROCEDURE

A. Definitions

1. A grievance shall mean a complaint by an employee that there has been to him/her a personal loss or injury because of a violation, misinterpretation or inequitable application of Board policy, this Agreement, or an administrative decision affecting personnel.
2. An "aggrieved person" is the person or persons making such complaint.
3. A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.
4. A "day" for the purpose of this Article shall be any day, Monday through Friday, on which the District Administrative offices are open.

B. Purpose

1. The purpose of this procedure is to secure, at the lowest level possible, equitable solutions to the problems which may from time to time arise affecting the terms and conditions of employment of personnel. Such solutions shall in no way alter, modify or otherwise change the terms and conditions of this Agreement. Both parties agree that these proceedings will be

kept confidential at every level of the procedure; however, such confidentiality shall not preclude either the Board or the Association from discussing the matter among its respective membership.

2. Nothing herein contained shall be construed as limiting the right of any person having a grievance to discuss the matter informally with any appropriate member of the administration and having the grievance adjusted without the intervention of the Association. Such adjustment shall be consistent with the terms of this Agreement and the Association shall have the opportunity to be present and to state its view at the time such adjustment is made.

C. Procedure

1. All grievances, beginning at Level Two and processed through Level Six, shall be in writing, specifying at each level the following information:
 - a. a summary of the nature of the grievance;
 - b. contract article(s), board policy(ies), or administrative decision(s) allegedly being misinterpreted, misapplied, or violated;
 - c. remedy being sought; and
 - d. reason(s) for dissatisfaction with decision at previous level.
2. Level One - An employee's problem or complaint will be discussed with his/her immediate supervisor and/or with any other person involved. 3. Level Two - An employee's problem or complaint, after having been discussed with his/her immediate supervisor and/or with any other person involved, shall be submitted in writing to his/her principal within thirty (30) working days of the cause of complaint. A decision must be returned within ten (10) working days. In the event of an unfavorable decision or no decision within the time stipulated herein, the employee may initiate procedures set forth in Level Three.
4. Level Three - Within five (5) days of the unfavorable actions, stipulated in Level Two, the employee shall submit his/her written petition including all pertinent correspondence to the

Superintendent, who shall assign it to the proper administrator. Said administrator shall render his/her decision within five (5) days. An unfavorable decision, or no decision within the stipulated period shall entitle the employee to initiate procedures set forth in Level Four.

5. Within three (3) days of receipt of such petitions and supporting papers, the Association shall refer them to the Superintendent. 6. a. Level Five - Within ten (10) days of receipt of unfavorable action, or in the case of no action at Level Four, the Association may forward, a letter containing a resume of the points at issue including the reasons for dissatisfaction with previous decisions, through the Superintendent to the President of the Board, requesting a hearing before a joint committee of the Board and the Association. The requested hearing shall be scheduled when possible within thirty (30) days of receipt by the Superintendent unless otherwise mutually agreed by the parties.

b. Said committee shall consist of two members of the Board, two members of the Association, and a fifth member mutually agreeable to the parties concerned. The letter should contain a resume of the points at issue including the reasons for dissatisfaction with previous decisions. The joint committee shall render a decision within ten (10) working days or file an acceptable reason for the lack thereof. Nonobservance of the stipulations of the provisions of this paragraph, or the return of an unfavorable opinion, may be grounds for actions set forth in Level Six.

7. Level Six

a. Within five (5) days of the establishment of unfavorable decisions or lack of actions stipulated in Level Five, the Association may submit a letter to the Board requesting that the employee's petition be placed for arbitration. Within ten (10) days of the submission of the request for arbitration, the Association and the Board shall attempt to agree on an arbitrator and shall attempt to obtain a commitment from said arbitrator to serve. In the event that agreement cannot be reached, the Board and the Association shall request the aid

of the Public Employees Relations Commission in obtaining an arbitrator.

- b. The arbitrator's decision shall be in writing and shall set forth the facts upon which his/her decision is based. Such decisions shall in no way alter, modify or otherwise change the terms and conditions of this agreement.  - 2) Except as otherwise provided in Subsection b.1) above, all conditions and requirements set forth in Subsections B.4.a.4), B.4.a.5), B.6., B.7., and B.8 herein shall be applicable to this Section - i.e., Adoption.
5. All requests for an additional school year of childcare leave as provided under Subsection B.4.a.1) above, and/or extensions of unpaid leaves of absence under Subsection B herein shall be in writing. Any requests by teachers for unpaid leaves commencing September 1 shall be made by May 1 of the previous school year. In all other cases, employees on unpaid leaves of absence pursuant to this section shall notify the Superintendent at least three (3) months prior to the end of their approved leaves as to their intent to return to work or, if applicable, to request an extension of the leave.
 6. The Board shall provide employees on unpaid disability leave and/or childcare leave with medical insurance coverage up to a maximum of three (3) whole months following the expiration of paid sick (disability) leave.
 7. Time spent on a leave of absence without pay shall be considered as time not in the employ of the Board for the purpose of incremental salary increases. The Board may, however, grant one

(1) incremental increase to an employee on an unpaid leave of absence when that person presents evidence in the form of a report to the administration that sufficient professional improvement has occurred during the leave to justify the increment. Under no circumstances shall time spent on an unpaid leave of absence count toward fulfillment of tenure requirements. No professional staff member on leave shall, on the basis of said leave, be denied the opportunity to substitute in the District.

8. An employee on unpaid leave of absence shall have the right to remain in all current group insurance plans provided that he/she reimburse the Board at a rate equal to the insurance costs.

9. Return From A Leave of Absence Without Pay: All benefits to which an employee was entitled at the time the leave of absence without pay commenced, including childcare leave, unused accumulated sick leave, and credits toward sabbatical eligibility, shall be restored upon return.

C. Sick-Leave Bank: A Sick Leave Bank shall be established for the benefit of all participating members of the bargaining unit. This Bank shall operate in accordance with the following rules and regulations:

1. The Board will pay all costs of administering the Sick Leave Bank. It will keep all records and publish an annual report to the Association prior to September 1 of each year.

2. The Sick Leave Bank is only open to members of the bargaining unit covered under Article I of this Agreement.

3. Anyone in the bargaining unit as defined in Article I may voluntarily join the Sick Leave Bank by contributing two (2) accumulated sick leave days to the Bank during the initial or any subsequent open enrollment period.

4. When the number of sick days in the Bank falls below 300, an open enrollment period will be held during the following September. To remain in the Bank, an employee must contribute one (1) additional sick leave day.

5. Sick Bank Days up to a maximum of six months for each unrelated occurrence may be used for extended or catastrophic illness or accidents subject to the following limitations:

a. A member shall have used all of his accumulated sick leave days.

- b. A Sick Leave Bank member may draw no more than five (5) times the number of days that said employee had accumulated as of the first day of school that year.
 - c. Said member shall not receive sick bank days for the first five (5) sick days following the last day of accumulated sick leave used.
 - d. Said member shall receive full pay for the first thirty (30) days of Sick bank days used and at seventy (70) percent of full pay for the remaining sick bank days used.
 - e. Maternity leaves are not eligible for sick bank days.
6. A member may withdraw at any time; however, he may not withdraw donated sick days.
 7. The Superintendent and the Association President will decide on all applications to the Sick Leave Bank. If an application is denied, the applicant, with representation, may request a hearing of the joint Sick Leave Bank Committee, which shall consist of three (3) members appointed by the Board and three (3) members appointed by the Association. The decision of the Sick Leave Bank Committee will be final and not subject to arbitration.
 8. A member who uses Sick Leave Bank days does not have to replace them.
 9. Members who have not used their six months of sick bank benefits during a single school year cannot automatically extend this benefit from one school year to another. Beginning each school year, an employee unable to return to work must use newly credited sick leave days and must make a new application before any draw upon the sick leave bank.
 10. Employees who are new to the district, or who transferred into the bargaining unit, may join the Sick Leave Bank within thirty (30) working days after the completion of their first year of employment.
 11. Membership in the Bank is automatic from year to year unless a formal withdrawal is submitted to the Business Office by the last day of school in a given year.
 12. The rules and regulations stated above are subject to review and revision by the Sick Leave Bank Committee. Any proposed changes in the rules and regulations are subject to ratification by the Board and the Association.

13. In the event of a tie vote by the Sick Leave Bank Committee, the employee requesting the use of days will be required to submit to an examination by a physician designated by the Committee. The results of the examination will be submitted to the Sick Leave Bank Committee for re-consideration.
14. Should the Sick Leave Bank terminate, the remaining days in the Bank will be equally divided among the participating employees at the time of termination, but shall not exceed the number of days contributed by that employee.
15. Annually, the business office will make an analysis of the total cost to the Board for the Sick Bank benefit for the preceding three (3) years. Should the cost to the Board exceed the dollar amount that the Board would have spent to participate in the New Jersey Temporary Disability Benefits program for the preceding three (3) years, the Board and the Association agree to reopen for negotiation this section of this Article with the intent of modifying the provisions to keep costs under the cost of the New Jersey Temporary Disability Benefit program.
16. The total cost to the Board shall be computed by adding all monies paid out under Section 5.d. above, during each year covered by this Agreement.

D. Reimbursement for Unused Sick Days:

1. Any employee who has worked at least fifteen (15) full years in the North Hunterdon-Voorhees Regional High School District shall, upon retirement, be reimbursed for all accumulated but unused sick days. The calculation shall be one day's pay for each two unused sick days, calculated from the employee's average salary paid in the final three (3) years of employment.

Payment for accumulated sick leave at retirement shall be a non-elective employer contribution to the Board's Section 403(b) retirement plan. Monies will be contributed to the plan by the Board on behalf of each eligible employee in five equal installments, one in each of the five years following the employee's retirement, each in an amount up to the maximum allowed by law. Funds will be held by the Board until such time as each annual contribution becomes due, and employees shall have no right to or interest in such funds until payment is due. In the event of an employee's death before the date on which the last contribution on his or her behalf becomes due, no further contributions shall be made on the employee's behalf pursuant to this provision. No payment shall be made pursuant to this provision to any employee's estate or beneficiaries under a will.

2. This benefit shall be suspended for any employee for whom charges have been forwarded to the Commissioner of Education for a hearing, and forfeited if such charges are upheld.
3. The maximum benefit under this plan shall be \$25,000, or the individual's entitlement as of June 30, 2000 if that entitlement is higher than \$25,000.

ARTICLE XII

HOURS AND WORK LOAD

A. Professional Staff Members

1. Professional staff members are expected to devote to their assignments the time necessary to meet their responsibilities. All professional staff members shall sign in upon arriving at work each day and shall sign out upon leaving work each day.
2. a. The total in-school work day shall not exceed seven and one-half (7 1/2) continuous hours. No professional staff member shall be required to stay later than 5:00 p.m. for regularly assigned professional duties. Professional staff members who agree to teach beyond the seven and one-half (7 1/2) hours shall be reimbursed at the rate listed in Schedule I. Class trips initiated by the professional staff member or for which the professional staff member volunteers are not reimbursable as an extension of the work day.
 - b. Professional staff members having less than a full teaching load shall work only the fractional number of hours per day corresponding to their fractional pay: one-fifth (1/5) for one and one-half (1 1/2) hours; two-fifths (2/5) for three (3) hours; three-fifths (3/5) for four and one-half (4 1/2) hours; four-fifths (4/5) for six (6) hours. Teaching time will thus be: twelve (12) mods per six-day cycle for one-fifth (1/5); twenty four (24) mods per six days cycle for two-fifths (2/5); thirty six (36) mods per six day cycle for three-fifths (3/5); forty eight (48) mods per six day cycle for four-fifths (4/5). Duty assignments will be: two (2) mods per six day cycle for one-fifth (1/5); five (5) mods per six day cycle for two-fifths (2/5); seven (7) mods per six day cycle for three-fifths (3/5); ten (10) mods per six day cycle

for four-fifths (4/5). Any professional staff member working three-fifths (3/5) or more shall have a forty (40) minute duty-free lunch within the hours of his working day even when this precludes assignment of a duty. The preceding stipulations do not apply to professional staff members when employment is calculated in days of the week rather than hours of the day.

- 3.a. The daily teaching load shall not exceed six periods of pupil contact, excluding homeroom and a.m.duty. No teacher shall be assigned more than five teaching periods per day, but a teacher may volunteer to assume a sixth teaching period in lieu of a nonteaching duty. When a non-tenured teacher is involved, an offer and acceptance of a voluntary sixth teaching assignment shall be made in the presence of the Association president or one of the three Association vice presidents. Each individual voluntary assignment to a sixth teaching period shall sunset at the end of the school year and require a posting and bid for consideration in the following school year. Any opportunity for a sixth period assignment shall be posted to enable all interested professional staff unit members to apply. A sixth assignment shall not be used to create a reduction in force situation. Teachers shall be assigned ten(10)curriculum and instruction periods per week, of which at least one (1) shall be assigned each day. A split teaching period shall be considered as one (1) period of pupil contact.
- b. Full time professional staff members shall have no less than five (5) periods per week of planning and preparation time.
- c. The term pupil contact shall mean those periods of time when a teacher is assigned to be with students. There are two types of pupil contact. - 4.a. The term period shall mean a block of time not less than (40) minutes or greater than (48) minutes. The term period may be equated with terms used in other scheduling systems provided they fall within the specified lengths of time stated above. For example, in a modular schedule 2 modules of time would equal one period. (A mod could vary in length from 20-24 minutes.)
- b. Under modular scheduling (108 mods per six (6) day cycle) with retention of a 75-80 minute C & I (activity) period at the end of the day, the teacher's assignment shall not exceed 60 mods of classroom teaching per cycle except when teaching courses for which more than 12 mods per cycle have been assigned. All teachers may be assigned a maximum of 72 mods of instructional pupil contact, and no more than 12 mods of supervisory duty. A teacher may choose an additional classroom teaching assignment in lieu of his supervisory assignment. If this option is chosen the teacher may be assigned a maximum of 84 mods of instructional pupil contact except when teaching courses for which more than 12 mods have been assigned. If a teacher has large group instruction, large group being defined as a combination of classes meeting jointly for instructional purposes, the teacher will receive credit for the number of mods assigned to the course as determined by the pupils' schedules. The mods gained by the teacher under large group instruction, will be used as additional resource center assignments.
- c. Full time professional staff members shall have no less than twelve (12) mods planning and preparation time per six-day cycle.
8. Whenever possible, teachers shall not be required to change teaching stations more than two (2) times during the school day.
9. Professional staff members shall have a duty-free lunch period equivalent to that of the students. Under a modular schedule two (2) consecutive mods shall be provided for all professional staff members for lunch at an appropriate time of day; i.e. between 10:30 a.m. and 1:30 p.m.
10. Professional staff members may leave the building during their duty-free lunch period and at other times after notifying the administrator in charge.
- 11.a. Professional staff members may be required without additional compensation to attend two (2) parents nights in 2003-04, and three (3) parents nights in 2004-05 and thereafter, provided that the dates are published in the Board approved School

Calendar, and provided that, if there is more than one(1) parents night in the same semester in the same building, the nights shall be on different days of the week. These parents nights shall not be used for parent-teacher conferences.

- b. Professional staff members may be required to remain after the end of the regular work day without additional compensation for the purpose of attending faculty or other professional meetings two (2) days each month. These meetings shall begin no later than ten (10) minutes after the student dismissal time, and every effort should be made to prevent meetings from exceeding 60 minutes. If additional time is needed students shall be dismissed early. One of the two (2) meetings mentioned above shall be considered a faculty meeting and one shall be for curriculum and instruction. Four (4) additional meetings per year may be called at the discretion of the building principal.

12. The notice of any regular meeting shall be given to the professional staff members seven (7) days prior to the meeting. An agenda shall be given to the professional staff members one (1) day prior to the meeting. Professional staff members shall have the opportunity to suggest items for the agenda.

Except in cases of emergency, five (5) working days notice shall be given prior to permanent changes in starting and quitting time and/or permanent change of building assignment.
4. ESP shall be assigned their duty stations by the administration.
5. ESP working more than five and one-half (5 1/2) hours per day shall be guaranteed one-half hour, without pay, for lunch. ESP may take two (2) fifteen-minute breaks during their work day. Breaks shall be taken when circumstances permit, subject to the approval of the immediate supervisor. These breaks should not be combined into one (1) thirty-minute break, nor should they be taken immediately before or after the ESP lunch.
6. ESP may leave the building during their duty-free lunch period after notifying their immediate supervisor, unless extenuating circumstances require their presence. In such cases the lunch period shall be re-scheduled.
7. ESP accepting work at student activity events shall be paid in accordance with Schedule B of this contract or at rates of pay established by the sponsor and the principal for events not included in Schedule B.
8. One designated Association representative from each school will be permitted to attend regular monthly Association meetings during working hours.
