ARTICLE IX

HOURS OF EMPLOYMENT AND SHIFT SCHEDULE

A. Regular hours of employment shall not exceed eight (8) hours in a work day or twelve (12) hours if an officer is regularly assigned to a twelve (12) hour work day, in any twenty-four (24) hour period. For officers regularly assigned to twelve hour shifts a work cycle is defined as a fourteen (14) consecutive day work period, during which the officer will regularly work not more than eighty-four (84) hours, consisting of seven (7) twelve (12) hour work days. Officers regularly working an eight hour day shall have a work week consisting of five (5) consecutive eight (8) hour work days, Monday through Friday, in a seven (7) consecutive day week, for a forty (40) hour work week. All officers, regardless of shift schedules shall have a regular work year of no more than 2080 hours per calendar year.

B. Patrol officers regularly work a twelve (12) hour shift. Starting January 1, 2007, the regular schedule for patrol officers will follow the standard Pitman work schedule, which consists of 2 days on, 2 days off, 3 days on, 2 days off, 2 days on, 3 days off in each fourteen (14) day work cycle. The same schedule repeats itself each fourteen day work cycle. Detectives will work a regular 40 hour, 7 day work week, consisting of five (5) consecutive eight (8) hour days, Monday through Friday. Lieutenants will work the standard Pitman schedule as detailed above, or a regular 40 hour, 7 day work week, consisting of five (5) consecutive eight (8) hour days, Monday through Friday, at the discretion of the Chief of Police.

C. In the event the Borough determines that it is not satisfied, for any reason, with the Pitman schedule for patrol officers, as set forth in Paragraph B above, the Borough will provide the PBA with a minimum of sixty (60) days written notice that the Borough desires to revert to the shift schedule of two (2) days on, two (2) days off, two (2) days on, three (3) days

off using twelve (12) hour shift as it existed for patrol officers prior to January 1, 2007. The Borough and the PBA will meet to negotiate concerning the Borough's desire to revert to the prior schedule. If the PBA and the Borough have not reached an agreement on a new work schedule by the end of the minimum 60 day notice period, the Borough may revert to the two (2) days on, two (2) days off, two (2) days on, three (3) days off, twelve (12) hour work day, schedule. The prior schedule will be implemented using the same terms and working conditions as existed for that schedule prior to January 1, 2007.

D. Consistent with Paragraph C above, it is understood that, absent an agreement between the PBA and the Borough to some alternative schedule, the only work schedules that can exist under this contract for officers regularly working twelve (12) hour shifts will be either the Pitman schedule set forth in Paragraph B above, or the work schedule in existence for patrol officers prior to January 1, 2007.

E. Employees shall be given forty-eight (48) hours notice of any change in the posted work schedule. If a change in the posted work schedule is within the forty-eight (48) hours notice period, the employee will be entitled to three (3) hours overtime as compensation.

F. The official of the Borough having charge of the Department of Police may, in the case of an emergency as defined by the applicable statutes of the State of New Jersey, summon and keep on duty any and all members of the Department as such emergency shall require. In such event the official having authority shall first make a formal declaration of the nature and extent of the emergency, and all members of the Department thus summoned or kept on duty shall be entitled to receive overtime pay, in accordance with the overtime pay schedule set forth in Article X, Section A, for all time worked over the regular hours of work per work day as defined in Section A of this Article.

G. **SHIFT ADJUSTMENT TIME**

(1) Effective January 1, 2007, in recognition of the increase in the total hours of work per year which results from the implementation of the Pitman work schedule set forth in Paragraph B, each officer regularly assigned a twelve (12) hour work day shall be granted an additional nine (9), twelve (12) hour days off (a total of 108 hours) during the calendar year as shift adjustment time. These additional nine (9) days of shift adjustment time off will remain in effect as long as the Pitman schedule remains in effect.

(2) All shift adjustment time will be scheduled, or used, by all officers by December 31st of each calendar year, unless a request for shift adjustment time is denied by the Chief of Police or his designee. If a request for shift adjustment time is denied by the Chief of Police or his designee, and the officer cannot utilize that time by the end of the calendar year, those hours which have been denied will be carried over to the next calendar year. If an officer fails to request use of some or all of his/her shift adjustment time within the calendar year, or fails to utilize shift adjustment time requested by the officer and granted by the Chief of Police or his designee for use within the calendar year the shift adjustment time was earned, the shift adjustment time which was not requested and/or utilized shall be forfeited,

(3) In the event of a conflict between a request to take shift adjustment time and a request for vacation or personal time made by another officer, the vacation or personal time shall be granted and given priority, regardless of rank or seniority of the officer making the request for shift adjustment time.

(4) Shift adjustment time may only be taken in 6 or 12-hour blocks.

(5) If an officer who has scheduled shift adjustment time off, works that time, for any reason, the officer shall be paid at the time and one-half overtime rate for all such previously scheduled time off which is worked.

(6) An officer who has worked overtime has the option of being compensated for that overtime work in his/her pay at the rate of time and one-half, or being credited with additional shift adjustment time (over and above the nine (9) days referred to in Paragraph G(1) above). However, the additional time off shall be credited on an hour for hour basis.

(i) The Department cannot require an officer to take additional shift adjustment time in lieu of overtime pay for overtime hours worked. However, once an officer has chosen to be compensated in additional shift adjustment time in lieu of overtime pay, he/she cannot be paid for that shift adjustment time, by selling it back to the Borough, or otherwise cashing it in.

(ii) The option to be paid at time and one-half for overtime, or to be compensated with time off on an hour for hour basis shall also apply to officers working the regular forty (40) week, eight (8) hour shifts.

(7) The Chief of Police or his designee is not obligated to grant a request for shift adjustment time off if it will create overtime or a staffing shortage on that shift.

(8) Shift adjustment time can be taken in blocks of time up to, but not exceeding, thirty-six (36) consecutive work hours.

ARTICLE X

COMPENSATION FOR OVERTIME

A. Whenever an employee is required to work for any period of time in excess of the regular hours of work as defined in Article IX, herein, this additional time shall be considered overtime. Thus, if any employee is required to work for more than eight (8) hours, or twelve (12) hours if regularly assigned to a twelve (12) hour work day, in any twenty-four (24) hour period, this additional time worked shall be considered overtime regardless of the total number of hours worked during that week. Additionally, if any employee regularly working a eight (8) hour shift schedule is required to work for more than forty (40) hours in any one (1) work week; or if any officer regularly assigned to a twelve (12) hour work day works more than eighty-four (84) hours in a fourteen (14) day work cycle the additional time worked shall be considered overtime regardless of the total number of hours worked during that work week, or work cycle.

[Paragraphs B, C, and D and are only applicable to calendar year 2006. Once the Pitman schedule is implemented effective January 1, 2007, these paragraphs no longer apply].

B. During each contract year, defined as the twelve month period January 1 to December 31, each employee may be required to work up to and including one-hundred and thirty (130) hours of overtime at his regular pay rate. All overtime each employee is required to work in excess of one-hundred and thirty (130) hours during the contract year shall be paid at time and one-half the employee's regular pay rate. Payment of overtime pay shall be made according to the procedures set forth in Sections C to H, inclusive.

C. The Borough shall total, at the end of each month, each employee's overtime for that month, and shall maintain a written record of these monthly totals. At the end of the

contract year, as defined in this Article, the Borough shall tally the total number of hours of overtime each employee worked during that year and shall maintain a written record of these yearly totals.

D. For the contract year of 2006, for the purposes of computing the employee's hourly rate, the Borough shall take the employee's yearly salary, as set forth in Article XI and shall divide this Base "C" salary by 2080. This is the rate that shall be used for all salary computations which require the use of an hourly rate.

E. As of January 1, 2007, for the purposes of computing the employee's hourly rate, the Borough shall take the employee's Base "C", as set forth in Article XI, and shall divide this salary by 2080. This is the rate which shall be used for all salary computations which require the use of an hourly rate.

F. For purposes of computing the detective's and lieutenant's holding an administrative post hourly rate, the Borough shall take the detective's and administrative lieutenant's Base "D", as set forth in Article XI, and shall divide this salary by 2080. This is the rate which shall be used for all salary computations which require the use of an hourly rate for the detective and administrative lieutenant.

G. The provisions of this Article are applicable to all overtime, regardless of the type or nature of work performed during the overtime.

H. As long as the detective and administrative lieutenant continues to work a forty (40) hour work week, eight (8) hours a day, five (5) days a week, Monday through Friday, he shall be paid overtime at time and one-half his regular hourly rate for all hours worked above eight (8) hours in a work day and/or above forty (40) hours in any one (1) work week, as this term is defined herein.

I. No employee shall be entitled to be paid overtime unless such overtime is ordered, authorized or approved by his commanding officer, such order, authorization or approval to be recorded and maintained with the records of the Department in a form to be determined by the Chief of the Department of Police and the Commissioner of the Department of Police, and approved by the Borough.

J. It is recognized that employees may be required to report in advance of the tour starting time, for the purpose of muster at the commencement of a tour and to remain at the termination of a tour for the purpose of report making at the end of a tour. In accordance with this recognition, no overtime shall be paid for a fifteen (15) minute period prior to the commencement of a tour, or for a fifteen (15) minute period at the termination of a tour.

K. The Chief of Police may hold quarterly meetings of the Department at a convenient time. Said meetings will be scheduled to occur on a fixed day in each calendar quarter, or on at least ten (10) days notice. Additionally, the Chief of Police may hold two (2) more meetings of the Department per calendar year, to be scheduled on at least ten (10) days notice. Attendance at these six (6) meetings per calendar year shall be required, and no compensation will be paid for attendance at these six (6) meetings. If additional meetings of the Department are scheduled normal overtime rules will apply.

L. 1. Any officer required to report for duty after completion of a regular shift or prior to the start of his regularly scheduled shift shall receive additional compensation for three (3) hours minimum at time and one-half.

2. Normal and routine shift rotations and changes and shift changes agreed upon between individual officers shall not entitle the officers to such additional compensation.

M. Overtime earned by employees shall be credited as earned, and be paid the pay date following the date credited; except credited officers may elect to have the time credited to their bank of shift adjustment time, as provided in Article IX, Section VI.

N. If an officer is called at other his/her normal shift, including but not limited to, court appearances, and Borough events, shall receive a minimum of two (2) hours pay at time and one-half. This section does not to officers held over immediately prior to their normal shift, or who are required to report immediately prior to their normal shift. In such circumstances, Section I of this Article shall apply.
