## AGREEMENT

This Agreement, entered into this    day of January, 2010, by and between the Township of East Windsor, in the County of Mercer, a Municipal Corporation of the State of New Jersey, hereinafter referred to as the "Township", and the Superior Officer's Association of the New Jersey State Policemen's Benevolent Association, Local #191, hereinafter referred to as the "S.O.A.", represents the complete and final understanding on all bargainable issues between the Township and the Association.

ARTICLE I  
INTERPRETATION & RECOGNITION

A. The Township hereby recognizes the S.O.A. as the sole and exclusive negotiating agent and representative of all the employees in the bargaining unit as defined immediately below for the purposes of collective bargaining, on all terms and conditions of employment and grievances.

B. The bargaining unit, as discussed immediately above, shall consist of all Lieutenants now employed or hereafter employed, excluding the Chief of Police, Sergeants, Detectives, Uniformed Patrol Officers, Animal Control Officers, school crossing guards, dispatchers (radio officers), and all civilian members of the Department. Probationary Lieutenants shall be included for all benefits as set forth hereafter in this Agreement.

C. The title "police lieutenant" or "employee" shall be defined to include the plural as well as the singular and males and females, uniformed members and non-uniformed members assigned to plain clothes.

D. This Agreement shall cover wages, hours of work, fringe benefits, working conditions, grievance procedures, and all other related matters, conditions and considerations of employment hereinafter set forth, and shall be binding upon the parties hereto, and their successors, as permitted by law.

ARTICLE II  
MANAGEMENT RIGHTS

A. Except, and only to the extent, that specific provisions of the Agreement provide otherwise, it is hereby mutually agreed that the Township has and will continue to retain, regardless of the frequency of exercise, rights to operate and manage its affairs in each and every respect. The rights reserved to the sole discretion of the Township shall include, but not be limited to, the right:

1. to determine the organization of the Department;
2. to determine and change the purpose and extent of each of its constituent units and divisions;
3. to exercise control and discretion over the organization and efficiency of operations of the Department;
4. to set standards for service to be offered to the public;
5. to direct the employees of the Department, including the right to assign work and overtime;
6. to hire, examine, classify, evaluate, promote, train, transfer, assign and schedule employees in positions with the Department;
7. to suspend, demote, discharge, or take other disciplinary action against employees for proper cause;
8. to increase, reduce or change, modify or alter the composition and size of the work force, including the right to relieve employees from duties because of lack of work or funds or for other reasons;
9. to determine the location, methods, means, and personnel by which operations are to be conducted, including the right to determine whether goods or services are to be made, provided, or purchased;
10. to establish, modify, combine or abolish job positions or classification;
11. to change or eliminate existing methods of operation, equipment or facilities;
12. to establish, implement and maintain an effective internal security program;
13. to create, modify or delete departmental rules and regulations;
14. to contract or subcontract out work; and to use non-sworn personnel in any lawful manner.

B. Those inherent managerial functions, prerogatives and policy making rights whether listed above or not which the Township has not expressly modified or restricted by a specific provision of this Agreement are not in any way, directly or indirectly subject to the grievance and arbitration procedures contained herein. This shall not limit the parties' right to a determination concerning contractual or legal limits on management's right.

ARTICLE III  
COLLECTIVE BARGAINING PROCEDURE

A. Collective bargaining with respect to the rights and duties of the Township and employees, the resolution of legitimate grievances, rates of pay, hours of work and other conditions and considerations of employment shall be conducted by the duly authorized bargaining agents of each of the parties in accordance with the provisions of the P.E.R.C. Act, as amended. Unless otherwise designated, the Mayor of the Township, the Township Manager, the appointed representative of the S.O.A. or their designee or designees, shall be the respective bargaining agents for the parties.

B. Collective bargaining meetings shall be held at times and places mutually convenient at the request of either party. Whenever members of the bargaining unit (whether agent or designee or designees) are mutually scheduled by the parties hereto to participate during working hours in conferences, meetings or in negotiations respecting the Collective Bargaining Agreement, such member, agent, designee or designees will not be assigned to other duties but shall receive their regular pay.

ARTICLE IV  
NON-DISCRIMINATION

A. The Township and the S.O.A. agree that there shall be no discrimination against any employee because of race, creed, color, religion, sex, national origin, or political affiliation.

B. The Township and the S.O.A. agree that all police lieutenants covered under this Agreement have the right without fear of penalty or reprisal to form, join, and assist any employee organization or to refrain from any such activity. There shall be no discrimination by the Township or the Association against any employee because of the employee's membership or non-membership or activity or non-activity in the Superior Officers' Association.

C. The Township recognizes that employees have legal rights during internal investigations and will not interfere with their attempts to exercise those rights. All legal rights enjoyed by citizens will be observed by the Township during criminal investigations involving employees.

ARTICLE V  
MUTUAL COOPERATION PLEDGE

A. The S.O.A. hereby covenants and agrees that during the term of this Agreement, neither the Association nor any person acting in its behalf, will cause, authorize or support, nor will any of its members take part in, any strike (i.e., the concerted failure to report for duty or willful absence of any employee from his position, or stoppage of work, or absence in whole or in part from the full, faithful and proper performance of the employee's duties of employment), work stoppage, slow-down, walk-out or other illegal job action against the Township.

B. The S.O.A. agrees that it will make every reasonable effort to prevent its members from participating in any strike, work stoppage, slow-down, or other activity aforementioned, and that the S.O.A. will publicly disavow such action and order all such members who participate in such activities to cease and desist from same immediately and to return to work. Nothing herein shall be construed to restrict the employees' rights under the First Amendment of the United States Constitution.

C. Nothing contained in this Agreement shall be construed to limit or restrict the Township in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for injunction or damages, or both, in the event of a breach by the S.O.A. or its members.

ARTICLE VI  
SICK LEAVE

A. (1) All permanent full-time employees covered by this Agreement shall be granted sick leave with pay in the amount of one hundred twenty (120) hours per year.

(2) Any employee covered by this Agreement hired after January 1 of any calendar year shall receive sick leave on a prorated monthly basis for the remainder of that calendar year, and one hundred twenty (120) hours for each full calendar year thereafter.

B. Any amount of sick leave not used in any calendar year shall accumulate to the employees credit from year to year to be used if and when needed for such purpose, with a maximum limit of two thousand (2000) hours.

C. Sick leave may be taken in the event of personal illness or illness in the employee's immediate family or household that requires attendance by the employee, observance of quarantine, or as a result of a disabling injury. For purposes of sick leave, immediate family shall include parent, spouse or child of the employee, or relatives residing in the employee's household. Sick leave may not be used to extend a holiday or vacation.

D. Any employee who shall be absent from work for five (5) or more consecutive working days for sick leave shall be required to submit acceptable medical evidence substantiating the illness.

E. In order to receive compensation while absent on sick leave, an employee shall report his/her absence at least one (1) hour prior to the start of his/her shift, where possible, except where emergent circumstances prevent the employee from doing so.

F. Abuse of sick leave shall be cause for disciplinary action.

G. Employees shall be given a written accounting of accumulated sick leave days on or about February 1 of each year, or as soon thereafter as practicable.

H. Any employee who leaves work as a result of illness shall be credited with actual time worked and charged with sick leave for time not worked.

ARTICLE VII  
TERMINAL LEAVE

I. A. Upon termination of employment other than by retirement, under honorable circumstances, an employee having six (6) years or more of service, shall be entitled to receive as accumulated hours of sick leave pay of forty (40%) percent of the employees accumulated hours of sick leave, up to a maximum of fifteen thousand (\$15,000.00) dollars, computed upon the employee's base rate of pay at the time of termination. If termination occurs during the last quarter of any calendar year and funds are insufficient to provide for payment of all or part of the accumulated sick leave, then the Township may provide for payment of the remaining balance of accumulated sick leave for which funds are insufficient on the first regular payroll date in the following calendar year.

B. The amount of payment shall be equal to the number of hours of sick leave an employee actually has accumulated as of the date of termination, multiplied by the current hourly pay rate for the employee, multiplied by forty (40%) percent up to the maximum dollar number indicated.

C. "Honorable circumstances" shall mean termination other than for disciplinary reasons, and other than resignation while under suspension for disciplinary reasons, and shall include the requirement that an employee give sufficient notice to permit two (2) full working weeks on the job prior to termination, not including any use of accumulated sick time.

II. A. Upon "Service Retirement" or upon "Ordinary Disability Retirement" or upon "Accidental Disability Retirement", all of which are defined more specifically by the Police and Fireman's Retirement System, an employee shall receive a lump sum payment as supplemental compensation for each full hour of earned and unused accumulated hours of sick leave which is credited to them on the effective date of their retirement.

B. The supplemental compensation payment to be paid shall be derived by multiplying the employee's regular straight time hourly rate upon the effective retirement date by fifty (50%) percent of the employee's number of accumulated hours of sick leave which the employee has at the time of retirement.

C. All payments for accrued and unused hours of sick leave shall be computed over a ten (10) week period, with the employee receiving five (5) payments on a biweekly basis. In no event shall the total payments exceed the sum of twenty thousand (\$20,000.00) dollars prior to January 1, 2012, and effective January 1, 2012 and thereafter fifteen thousand (\$15,000.00) dollars. Beginning January 1, 2010 for new employees, the maximum payment shall not exceed the sum of fifteen thousand (\$15,000.00) dollars. If termination occurs during the last quarter of any calendar year and funds are insufficient to provide for payment of all or part of the accumulated sick leave, then the Township may provide for payment of the remaining balance of accumulated sick leave for which funds are insufficient on the first regular payroll date in the following calendar year.

III. A. In the event that an employee elects to defer payment of accrued hours of sick leave, said employee must notify the Finance Director prior to filing for retirement. Each retiree must withdraw all money deferred by him/her not later than three (3) years from the date of their retirement. There shall be a maximum of nine (9) withdrawals. The Finance Director shall be notified thirty (30) days prior to each withdrawal. The retiree will be responsible for payment of taxes on all money withdrawn from the deferred payment program. A 1099 tax form will be provided to all retirees who participate in the deferred payment program.

IV. A. Any payment due under this article shall be made to the employee's/retiree's estate upon their death.

ARTICLE VIII  
BEREAVEMENT LEAVE

A. Each employee shall be granted a maximum of five (5) days leave without loss of pay at any one (1) time in the event of the death of any member of the employee's immediate family.

B. "Immediate family" shall be defined to include the employee's spouse, child, parent, brother, sister, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandparent, or any other relative of the employee living in the employee's household.

C. In the event of the death of an employee's aunt, uncle, niece nephew, grandparent-in-law, or cousin, an employee, when scheduled to work, shall be granted one (1) day off with pay, plus two (2) additional days if needed for travel in excess of 150 miles from home to the point of destination.

D. In the event of death of a fellow member (active or retired) of the East Windsor Township Police Department, the Chief of Police shall grant an appropriate number of employees sufficient time to attend the funeral.

E. After expiration of five (5) days of bereavement, an employee may request use of accumulated sick leave in order to extend the bereavement leave period due to extenuating circumstances. Such requests shall be made to the Chief of Police for good cause, and be subject to the approval of the Chief of Police, who shall not unreasonably withhold permission.

ARTICLE IX  
LEAVES OF ABSENCE

A. Other leaves of absence with pay or without pay may be granted by the Township in accordance with New Jersey and federal laws including the Family Leave Act N.J.S.A. 34:11B-1 et seq. and the Family Medical Leave Act, 29 U.S.C. Section 2601, et seq., as each may be applicable.

B. Other leaves of absence with pay or without pay may be granted by the Township for good reason. Such leave of absence shall not be unreasonably or arbitrarily denied.

ARTICLE X  
INSURANCE PROTECTION

A. The Township shall provide the health care and life insurance protection designated below. The Township shall pay the full premium for each employee (active or retired) and, in cases where appropriate, for family plan coverage. "Retired", as used in this Article, refers to an employee who has exercised rights under the terms of the New Jersey Police and Firemen's Retirement System in one of the following categories and under the following conditions:

If such an application is made, the Council shall request a report from the Township Manager on the circumstances of the accident or disability that led to the employee's disability retirement, on the employee's work history and performance evaluations, on the term of the employee's service to the Township, on the projected cost of providing the benefit, and such factors as the Council or the Manager may deem appropriate to conduct an evaluation of the request. The Council may, at its sole discretion, decide whether the benefit shall be extended, and the decision of the Council shall not be grieved by the employee or the Association.

B. Effective June 1, 2010, the Township shall offers the following plans to all permanent employees and eligible dependents as well as to eligible retired employees to the extent provided by the State Health Benefit Program. Until the new State Health Benefit plan is offered the Horizon plan in place immediately before June 1, 2010 will apply.

6. The Township shall continue to pay the entire cost of a twenty-thousand (\$20,000) dollar life insurance policy on each employee. Said policy will contain the same basic payment and indemnity provisions as have been provided in past policies for said employees.

7. The Township shall pay fifty (50%) percent of the monthly premium of dental care insurance for each employee (and for his/her family, where appropriate) for the life of this Agreement. The aforesaid monthly payment shall be paid by the Township to a dental care program selected by the Township in accordance with the payment schedule so designated by the master policy and provisions of said program.

ARTICLE XI  
EMPLOYEE FACILITIES, EQUIPMENT & UNIFORMS

A. All employees, where applicable, shall be provided with the appropriate equipment and uniforms necessary to do a high quality of work.

ARTICLE XII  
GRIEVANCE PROCEDURES

A. The purpose of this procedure is to secure at the lowest possible level an equitable solution to the problems which may arise affecting the terms and conditions of employment under this Agreement.

B. Nothing herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the Department.

C. 1. The term "grievance" as used herein means an appeal by an individual and/or the S.O.A. on behalf of an individual employee or group of employees, from the interpretation, application or violation of policies, agreements, and administrative decisions affecting them.

2. No grievance may proceed beyond Step Three herein unless it constitutes a controversy arising over the interpretation, application or alleged violation of the terms and conditions of this Agreement. Disputes concerning terms and conditions of employment controlled by statute or administrative regulation, incorporated by reference in this Agreement, either expressly or by operation of law, shall not be processed beyond Step Three herein. The issue of whether a dispute comes under those categories cited in sentence two shall be arbitrable.

D. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement, and shall be followed in its entirety unless any Step is waived by mutual consent:

Step One: The S.O.A., or the aggrieved, shall institute action under the provisions hereof within ten (10) calendar days after the event giving rise to the grievance has occurred, and an earnest effort shall be made to settle the differences between the aggrieved employee and the immediate supervisor for the purpose of resolving the matter informally. Failure to act within said ten (10) calendar days shall be deemed to constitute an abandonment of the grievance.

Step Two: If no agreement can be reached orally within five (5) calendar days of the initial discussion with the immediate supervisor, the aggrieved or the S.O.A. may present the grievance in writing within ten (10) business days thereof to the Chief of Police or his designated representative. The written grievance at this Step shall contain the relevant facts, the applicable Section of the Contract allegedly violated, and the remedy requested by the grievant. The Chief of Police or his designated representative will answer the grievance in writing within ten (10) business days of receipt of the written grievance.

## GRIEVANCE PROCEDURES

(continued)

Step Three: If the S.O.A. wishes to appeal the decision of the Chief of Police, such appeal shall be presented in writing to the Township Manager within ten (10) business days thereafter. This presentation shall include copies of all previous correspondence relating to the matter in dispute. The Township Manager shall respond, in writing, to the grievance within fifteen (15) calendar days of the submission.

Step Four: If the grievance is not settled through Steps One, Two and Three, either party shall have the right to submit the dispute to arbitration pursuant to the Rules and Regulations of the Public Employment Relations Commission. The costs for the services of ARTICLE XII the arbitrator shall be borne equally by the Township and the Association. Any other expenses, including, but not limited to, the presentation of witnesses, shall be paid by the parties incurring same.

E. The arbitrator shall not have the authority to add to, modify, detract from or alter in any way the provisions of this Agreement or any amendment or supplement thereto. The decision of the arbitrator shall be final and binding.

F. Upon prior notice to and authorization of the Chief of Police, the designated S.O.A. representatives shall be permitted as members of the Grievance Committee to confer with employees and the Township on specific grievances in accordance with the grievance procedure set forth herein during work hours of employees, without loss of pay, provided the conduct of said business does not diminish the effectiveness of the Township of East Windsor Police Department or require the recall of off-duty employees.

G. The time limits expressed herein shall be strictly adhered to. If any grievance has not been initiated within the time limits specified, then the grievance shall be deemed to have been abandoned. If any grievance is not processed to the next succeeding Step in the grievance procedure within the time limits prescribed thereunder, then the disposition of the grievance at the last preceding Step shall be deemed to be conclusive. If a decision is not rendered within the time limits prescribed for decision at any Step in the grievance procedure, then the grievance shall be deemed to have been denied. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits for processing the grievance at any Step in the grievance procedure.

H. No settlement of a grievance shall contravene the provisions of this Agreement.

I. A grievance may be brought under this procedure by the S.O.A. as a class grievance. A class grievance shall be submitted directly to the Chief of Police at Step Two of this procedure.

ARTICLE XIII  
HOLIDAYS AND HOLIDAY PAY

A. All employees covered by this agreement shall receive one-hundred twenty (120) hours of holiday pay at their regular hourly rate to be included in the employee's annual base pay. This holiday pay will be paid as part of the employee's regular bi-weekly base pay and will be equally distributed over the twenty-six (26) annual pay periods. This amount shall be included as creditable compensation for purposes of the Police and Firemen's Retirement System. Appropriate deductions, including those for pension, shall be taken from this amount. These one-hundred twenty (120) hours of pay shall be in lieu of other compensation and time off for any holidays each year.

B. This one-hundred twenty (120) hours of holiday pay will be paid on a prorated hourly basis. Upon termination of employment an employee will not be required to repay any portion of the holiday pay and has no claim to additional holiday compensation based upon their date of termination.

ARTICLE XIV  
PERSONAL DAYS

A. Effective January 1, 2011, all employees covered by this agreement shall be entitled to thirty-two (32) hours of personal time to be used in case of an emergency or other personal leave, each year. Application for the use of personal time off shall be made to the Chief of Police or his designee, at least seventy-two (72) hours in advance of the requested time off. In the event of an emergency, where it is not possible to provide the seventy-two (72) hour notice, the employee shall contact the Chief of Police or his designee and explain the emergent circumstances for the time off. It shall be the decision of the Chief of Police or his designee to grant or deny emergency personal leave. The decision of the Chief of Police or his designee to grant or deny a request may be based on whether the request will generate overtime or other extra non-regular costs.

B. Each employee covered under this agreement shall have the option to cash in at straight time or convert to vacation time up to twelve (12) hours of unused personal time in a given year. An officer desiring to exercise this option must provide written notice to the Township no later than November 15<sup>th</sup> of that year making this request and specifying whether the time will be taken as pay or used/converted to vacation time. Effective January 1, 2011, the option to cash in will no longer be available and unused personal time may be converted to vacation time only.

ARTICLE XV  
VACATION AND VACATION PAY

A. 1. All employees shall be entitled to the following hours of paid vacation for the calendar year:

a. All employees shall be entitled to ninety-six (96) hours of paid vacation based upon the work-week schedule in effect on January 1, 1996.

b. Employees employed by the Township for sixty (60) months or more, but less than one hundred nine (109) months, shall be entitled to one hundred thirty-six (136) hours paid vacation for such employees.

c. Employees employed by the Township for one hundred nine (109) months or more, but less than one hundred sixty-nine (169) months, shall be entitled to one hundred seventy-six (176) hours of paid vacation for such employees.

d. Employees employed by the Township for one hundred sixty-nine (169) months or more, but less than two hundred twenty-nine (229) months shall be entitled to two hundred sixteen (216) hours of paid vacation for such employees.

e. Employees employed by the Township for two hundred twenty-nine (229) months or more, but less than two hundred eighty-nine (289) months, shall be entitled to two hundred thirty-two (232) hours of paid vacation for such employees.

f. Employees employed by the Township for two hundred eighty-nine (289) months or more shall be entitled to two hundred forty-eight (248) hours of paid vacation for such employees.

g. Employees whose anniversary date falls in January, February or March shall be entitled to the entire vacation hours as listed in subparagraphs b, c, d, e and f; employees whose anniversary date falls after the above listed months shall be entitled to a pro-rata basis based upon using the annual allotment of hours, dividing the hours by twelve (12) and then crediting the number of hours per month to the employee's vacation benefit amount.

2. Employees who terminate service will be paid accumulated vacation benefits on the last day of employment prorated to date of termination. If termination occurs during the last quarter of any calendar year and funds are insufficient to provide for payment of all or part of the accumulated vacation leave, then the Township may provide for payment of the remaining balance of accumulated vacation leave for which funds are insufficient on the first regular payroll date in the following calendar year.

ARTICLE XV  
VACATION AND VACATION PAY  
(continued)

3. The above listed vacation periods and benefits are determined and calculated in recognition of the regular work week established pursuant to the terms hereinbefore set forth in this Agreement.

4. Employees shall be allowed to carry over up to two hundred twenty (220) vacation hours from one calendar year to the next.

B. 1. It is hereby recognized that the scheduling of vacation periods is a management prerogative. In accordance with such recognition, vacation periods shall be taken in work-week blocks (as much as that is possible) and approved by the Chief of Police in accordance with his decision to maintain efficiency and the smooth operation of the Department. Nevertheless, individual exceptions may be made to such "block" vacation periods upon the application to and approval by the Chief of Police.

2. If a conflict should arise with respect to the scheduling of vacation periods among the various employees, such matters shall be resolved on the basis of seniority with the consent of the Chief of Police.

C. 1. The amount of vacation pay to be received by an employee in accordance with the benefits noted herein shall be determined by the per diem salary of the employee at the time the vacation benefits are utilized. (Such per diem salary shall not include any other monetary benefits, but shall be calculated on the salary schedule of such employee at that time.)

2. Vacation pay may be paid to the employee at their option in advance of their declared vacation period pursuant to the procedures set forth in the Township Personnel Code.

3. If an employee should die without utilizing the vacation benefits to which they would have been fully entitled, the employee's estate shall receive the vacation pay amounts representing such unused benefits.

D. Employees terminating their employment with the Township or having their employment with the Township terminated by the Township shall be entitled to be paid for all vacation days accrued on the established pro-rata monthly basis. If termination occurs during the last quarter of any calendar year and funds are insufficient to provide for payment of all or part of the accumulated vacation leave, then the Township may provide for payment of the remaining balance of accumulated vacation leave for which funds are insufficient on the first regular payroll date in the following calendar year.

ARTICLE XVI

You will be asked questions specifically directed and narrowly related to the performance of your official duties. You are entitled to all the rights and privileges guaranteed by the laws of the State of New Jersey, the Constitution of this State and the Constitution of the United States, including the right not to be compelled to incriminate yourself and the right to have legal counsel present at each and every stage of this investigation." "I further advise you that if you refuse to testify or to answer questions relating to the performance of your official duties, you will be subject to Departmental charges which could result in your dismissal from the Police Department. If you do answer questions, neither your statements nor any information or evidence which is gained by reason of such statements can be used against you in any subsequent criminal proceeding. However, these statements may be used against you in relation to subsequent Departmental charges."

f. It is understood that the provisions of Paragraph 2a-e above shall not preclude initial or preliminary inquiries by the Township and shall only apply upon the commencement of a formal investigation or the filing of a complaint.

TO: JAMES F. MONAHAN, LIEUTENANT  
FROM: ALAN M. FISHER, TOWNSHIP MANAGER  
DATE: JANUARY 5, 2011  
RE: CONTRACT ADDENDUM

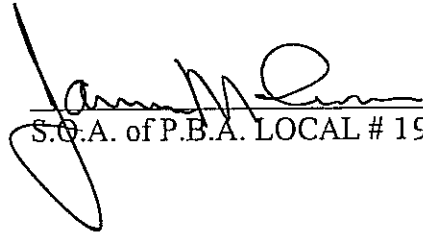

East Windsor Township and S.O.A. of P.B.A. Local #191 agree to the following as part of the negotiations of the 2010 – 2012 Collective Bargaining Agreement:

1. The P.B.A. Local #191 will withdraw, with prejudice, the unfair labor practice filing regarding the Township health benefit program change.
2. Notwithstanding that these are managerial prerogatives, **not** subject to negotiations or arbitration, there will be no layoffs in 2010 and any layoff notices previously issued will be rescinded.
3. Notwithstanding that these are managerial prerogatives, **not** subject to negotiations or arbitration:
  - A. The Township has promoted a Sergeant to Lieutenant and promoted an officer to Sergeant.
  - B. The Township will fill the officer position vacated by the retirement of Sergeant Pincus, and will authorize the promotion of an officer to the Sergeant's position opening created by the retirement by the end of September 2010.
4. It was not the intention of the Township to continue to include the \$500.00 out of pocket cap contract language for family deductible and out-of-network co-pays, and it is expressly understood by the parties that upon expiration of the collective bargaining agreement, this provision will be subject of renegotiation.
5. It was not the intention of P.B.A. Local #191 to have the tuition cost reimbursement capped at six credit hours per semester with an annual maximum of eighteen credit hours upon the expiration of the collective bargaining agreement and it is expressly understood by the parties that upon expiration of the collective bargaining agreement, this provision will be subject to renegotiation.

While not included in the Collective Bargaining Agreement, the parties intend to be bound by this Contract Addendum. The Collective Bargaining Agreement does not supersede nor negate the terms of this Contract Addendum.

Please sign below to acknowledge your acceptance of these understandings as the basis for concluding our negotiations of the successor agreement. The Township's acceptance is acknowledged by my signature below.
