**ARTICLE II
NEGOTIATION OF SUCCESSOR AGREEMENT**

- A. The parties agree to enter into collective negotiation over a successor agreement in accordance with *N.J.S.A. 34:13A-1 et seq.* with a good-faith effort to reach agreement on all matters concerning the terms and conditions of administrators' employment. Such negotiations shall begin not later than 120 days prior to the expiration of the Agreement or not later than as required by statute. Any agreement so negotiated shall apply to all administrators represented by the Association, be reduced to writing, be signed by the Board and the Association, and be adopted by the Board and the Association.
- B. During the negotiations, the Board and Association shall exchange points of view and make proposals and counter-proposals.
- C. Except as this Agreement shall hereinafter otherwise provide, all terms and conditions of employment applicable on the effective date of this Agreement to administrators covered by this Agreement as established by the rules, regulations and/or policies of the Board in force on said date, shall continue to be so applicable during the term of this Agreement.
- D. This Agreement incorporates the entire understanding of the parties on all matters which were or could have been the subject of negotiation at this time, including the existing policies of the Board. During the term of this Agreement, neither party shall be required to negotiate with respect to any such matter whether or not covered by this Agreement and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or executed this Agreement.
- E. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

**ARTICLE III
GRIEVANCE PROCEDURES**

A. Definition

1. A grievance is a claim by an administrator or the Association that he or she has suffered from the interpretation, application or violation of policies, agreements, and administrative decisions affecting terms and conditions of employment.
2. A grievance to be considered under this procedure must be initiated within twenty (20) calendar days from the time when the grievant knew or should have known of its occurrence.

B. Procedure

1.
 - a. Failure at any step of this procedure to communicate the decision of a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be waiver of further appeal of the decision.
 - b. It is understood that any administrator grievant shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable policies, rules and regulations of the Board and Administrative directives until such grievance and any effect thereof shall have been duly determined.
2. Any administrator who has a grievance shall discuss it first with the Assistant Superintendent designated by the Superintendent in an attempt to resolve the matter informally at that level. The Assistant Superintendent shall render a decision within five (5) work days. In the absence of an Assistant Superintendent position in the District, the grievance will proceed to the Superintendent level as set forth in Paragraph 3 of this Section.
3. The administrator grievant may appeal the decision of the Assistant Superintendent to the Superintendent of Schools no later than five (5) work days after receipt thereof. The appeal to the Superintendent must be made in writing specifying:
 - a) the nature of the grievance;
 - b) the nature and extent of the injury, loss, or inconvenience;
 - c) the results of previous discussions;
 - d) dissatisfaction with decisions previously rendered.

The Superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed ten (10) work days from the receipt of the appeal.

The Superintendent shall communicate a decision in writing to the grievant, to the Association, and to the Assistant Superintendent.

4. If the grievance is not resolved to the grievant's satisfaction, the administrator, no later than five (5) work days after receipt of the Superintendent's decision may request a review by the Board of Education. The request shall be submitted in writing through the Superintendent of Schools who shall attach all related papers and forward the request to the Board. The Board, or committee thereof, shall review the grievance, shall hold a hearing with the grievant and render a decision in writing and forward copies thereof to the grievant and to the Association within twenty (20) calendar days of the date of the hearing. The hearing shall be held within a reasonably expeditious time but not exceeding thirty (30) calendar days after receipt of the appeal notice.
5. If the decision of the Board does not resolve the grievance to the satisfaction of the unit member grievant and the grievant wishes review by a third party, and the Association determines that the matter should be reviewed further, it shall so advise the Board through the Superintendent within twenty (20) work days of receipt of the Board's decision. The grievance shall then be submitted to advisory arbitration, or if the Board and the Association agree, the grievance may be submitted to binding arbitration or some other form of legal relief. The costs of any arbitration would be equally borne by the Board and the Association. Advisory arbitration shall be limited exclusively to grievances arising out of interpretation, application, or violation of policies, agreements, and administrative decisions affecting a grievant.
6. The following matters shall not be the basis of any grievance filed under the procedure outlined in this article:
 - a. Any matter for which a specific method of review is prescribed and expressly set forth by law or any rule or regulation of the State Commissioner of Education; or
 - b. A complaint of a probationary or non-tenure administrator which arises by reason of not being re-employed, except that such unit member may exercise any of the prerogatives outlined in 1,2,3 above.
 - c. A complaint by any administrator occasioned by appointment or lack of appointment to, retention in or lack of retention in, any position for which tenure is not possible or not required except that such administrator may exercise any of the prerogatives outlined in 1,2,3 above.
 - d. Any matter which according to law is either beyond the scope of Board authority or limited by statute to unilateral action by the Board alone.

7. Any administrator initiating a grievance may be self-represented at any or all stages of the grievance procedure, or at his or her option, by representatives of his or her own choice.
8. All meetings and hearings under this procedure shall not be conducted in public and shall include such parties in interest and their designated or selected representatives theretofore referred to in this article.

ARTICLE IV ADMINISTRATORS' RIGHTS

Pursuant to *N.J.S.A. 34:13A-1 et seq.*, the Board hereby agrees that every unit member as specified in Article I shall have the right freely to organize, join and support the Association and its affiliates for the purpose of engaging in collective negotiations and other concerted and lawful activities for mutual aid and protection.

unit members, teachers, and their students, together with information which may be necessary for the Association to process any grievance or complaint.

- B. The Association, with the Superintendent's prior approval shall have the right to use the school facilities and equipment at reasonable times, when such equipment is not otherwise in use. An administrator shall also have the right to submit a written answer to such material and such answer shall be reviewed by the Superintendent and attached to the file copy.

3. The Board agrees to protect the confidentiality of personal references, academic credentials, and other similar documents. It shall not establish any separate personnel file which is not available for inspection by the administrator.
- B. Any written complaint regarding an administrator made to any superior administrator by any parent, student, or other person which is or may be used in any manner in evaluating such administrator shall be processed according to the procedure outlined below.
1. The Superintendent or immediate superior shall meet with the administrator to apprise the administrator of the full nature of the complaint and they shall attempt to resolve the matter informally.
 2. In the event a complaint is unresolved to the satisfaction of all parties, the administrator may request a conference with the complainant to attempt to resolve the complaint. If a conference with the complainant does not resolve the complaint, the administrator may request that the matter be adjudicated by the Superintendent. If the complainant does not wish to attend such a conference, the matter will be adjudicated by the superintendent based on all of the available information he/she has at hand.
 3. If the decision of the Superintendent is unsatisfactory to the administrator, the administrator may consider the matter grievable and proceed accordingly.

ARTICLE IX VOLUNTARY TRANSFERS AND ASSIGNMENTS

- A. The Superintendent shall provide to the Association and electronically a list of the known vacancies which shall occur during the following school year. This list shall be amended periodically as vacancies occur. When reasonably possible, 24-hour notice shall be provided to the Association President in advance of its electronic posting.
- B. In making recommendations to the Board regarding requests for voluntary reassignment and/or transfer, the Superintendent shall honor the wishes of the individual unit members provided that the transfer does not conflict with the instructional or educational requirements and best interests of the school system as determined by the Superintendent.
- C. An administrator who desires a change in level and/or other assignment or who desires to transfer to another building may file a written statement of such desire with the Superintendent not later than May 15th. Such statement shall include the level and/or other assignment to which the administrator desires to be transferred, in order of preference.

**ARTICLE X

- A. When an involuntary transfer or reassignment is necessary, an administrator's area of competence, seniority, and other relevant factors, including, among other things, state and/or federal laws, rules, regulations, or administrative directives, shall be considered in determining which administrator is to be transferred or reassigned.
- B. Vacancies may be filled by means of voluntary transfer or reassignment if there is a volunteer meeting the requirements and qualifications satisfactory to the Superintendent.
- C. Should an involuntary transfer or reassignment be made, the unit member involved shall be notified in writing by the Superintendent of the transfer or reassignment and the reasons therefore by May 15th of that school year, unless otherwise dictated by the needs of the district as determined by the Superintendent.

**ARTICLE XI
PROMOTIONS**

All vacancies for promotional and non-promotional positions shall be publicized by the Superintendent. A copy of said notice shall be forwarded to the President of the Randolph Township Administrators' Association and also be posted electronically. The notice shall set forth the qualifications for the position, its duties, and the rate of compensation. When reasonably possible, 24-hour notice shall be provided to the Association President in advance of its electronic posting.

**ARTICLE XII
FAIR DISMISSAL PROCEDURE**

- A. On or before May 15th, the Board shall give to each non-tenure administrator continuously employed since the preceding September 30, either:
 - 1. A written offer of a contract of employment for the next succeeding year providing for at least the same terms and conditions of employment, but with such increases in salary as may be required by law or agreement between the Board and the Association, or
 - 2. A written notice that such employment will not be offered.
- B. Any non-tenure administrator receiving notice that a contract for the succeeding school year will not be offered, may, within fifteen (15) calendar days thereafter, request in writing a statement of the reasons for non-employment, which shall be given to the non-tenure administrator in writing within thirty (30) calendar days after the receipt of such request.

- C. The non-tenure administrator having requested and received a written statement of reasons, may make a timely request for an informal appearance before the Board. The request must be made within ten (10) calendar days and the informal appearance scheduled within thirty (30) calendar days from receipt of the requested statement of reasons.
- D. The appearance before the Board is not to be considered as an adversary proceeding and will be privately held. The non-tenure administrator may present witnesses on his or her behalf. The witnesses need not present testimony under oath and will not be subject to cross examination. At all stages of this procedure the administrator shall be entitled to representation of his or her choice.

**ARTICLE XIII
REDUCTION IN FORCE**

- A. The Board may reduce its work force in accordance with the provisions of *N.J.S.A. 18A:28-9 et seq.* Such reduction shall be made on the basis of seniority according to standards established by the Commissioner of Education and approved by the State Board of Education and are found in *N.J.A.C. 6A:32-5.1*.
- B. If a reduction in force is being considered, the Board shall notify the RTAA as soon as practicable, but not less than sixty (60) calendar days prior to the end of the school year preceding the school year that such reduction is to go into effect.
- C. If such a reduction is necessary, any administrator affected by such reduction must receive written notice thereof at the earliest practicable time but in no event less than sixty (60) calendar days prior to the end of the school year preceding the school year that such reduction is to go into effect, together with a detailed statement of the reasons why he/she was selected. The RTAA shall receive copies of all such notices.

**ARTICLE XIV
WORK YEAR**

- A. Work Year
 - 1. The work year for twelve-month unit members shall include a total of 224 days. Professional days shall be scheduled as set forth in paragraph 3, below.
 - 2. The work year for 10+1 month unit members shall include a total of 195 days. Professional days shall be scheduled as set forth in paragraph 3, below.
 - 3. Each administrator, regardless of work year, shall attend a total of five (5) professional development days during the school year. Four (4) of these days

shall be virtual training days allowing administrators to complete their professional development from home if so elected by the administrator. Administrators may be required to provide proof of participation in virtual training days upon the Superintendent's reasonable request and will sign off that they have utilized the days to complete any mandated annual training requirements. In the event of technical difficulties which do not allow the administrator to participate in at-home training, a virtual training day shall be made up on a day or days to be jointly agreed-upon by the Superintendent and administrator.

One (1) of these days may be assigned as a virtual day or as an in-person professional development day at the Superintendent's discretion, which will be scheduled annually on a date to be agreed-upon between the administrator(s) and the Superintendent. The Superintendent shall have the managerial authority to determine the content and agenda for the day, after consultation with the Association President in advance of establishing same.

- 4. Administrators shall not be required to be in attendance on days that school is closed due to inclement weather or for other emergency reasons. Saturdays and Sundays are not accruable toward the work year unless approved by the Superintendent.
- 5. If an administrator is employed on a 10+1 contract, the administrator shall work a total of twenty (20) working days scheduled for the period of July to the start of fall classes. Specific schedules shall be determined by the administrator's supervisor. Schedules shall be arranged to provide each administrator with a block of time for vacation periods. They shall receive one tenth of their annual salary for the succeeding year (ten-month basis). 10+1 unit members shall also work the additional professional development days required of twelve month unit members, to be scheduled using the same procedure as for twelve month unit members.

B. Vacations for twelve-month Administrators shall be as follows:

- 1. Twelve-month unit members accrue vacation at the rate of 20 days per year.
- 2. A full year's credit of vacation entitlement shall be granted if the unit member has been on the payroll for more than one-half (½) the work year for that unit member.
- 3. A unit member who has been on the payroll for less than one half year shall be granted vacation time as follows:

January start date	10	days
February start date	8	days
March start date	6.5	days
April start date	5	days

May start date	3	days
June start date	1.5	days

4. Generally, vacation time shall be considered to be earned on a pro-rata basis and shall be used following the year in which it has been earned. However, administrators may utilize vacation time in the year in which it is earned, provided the school calendar, the needs of the District or the administrator's individual school, or his/her individual employment responsibilities do not conflict with said vacation time usage, in the Superintendent's discretion. In such instances, the Superintendent will approve the use of vacation time in the year in which it is earned. In the event an administrator utilizes vacation time in the year in which it is being accrued and leaves the District prior to having officially earned said time, the administrator will reimburse the District an amount equal to the per-diem amount of the Administrator's most recent salary for each day used but not yet earned.
5. Specific vacation dates will be determined with the superintendent in accordance with the needs of the district. A portion of the vacation days may be scheduled at other than the traditional summer period. The use of vacation time during the school year will be authorized by the unit member's supervisor based upon the need of the school or department to which the unit member is assigned. No more than two (2) consecutive vacation days may be taken when schools are in session without the Superintendent's prior approval in writing with a copy to the board president. Such request shall not be unreasonably denied.
6. A maximum of five (5) unused vacation days may be carried over to the following work year. The five days that are carried over must be used prior to the start of the new school year.

C. Personal Days and Sick Leave Bank

Unit members who opt not to use or sell back up to three personal days or who choose to work three additional days per year shall have the three days added to the retirement sick leave bank.

D. Compassionate Leave Bank

A unit member may use personal days to build a compassionate leave bank containing a maximum of ten (10) days. The use of compassionate days is restricted to illness in the family or family emergencies. Once banked, single compassionate leave days may be used by the unit member upon request. Unit members who desire to use two (2) or more compassionate leave days in succession, or who wish to use compassionate leave days in tandem with personal days, must secure the approval of the superintendent.

**ARTICLE XV
SICK LEAVE**

- A. Administrators and supervisors employed on a twelve-month contract shall be entitled to twelve (12) sick leave days each school year as of the first official day of said school year whether or not they report for duty on that day. Unused sick leave days shall be accumulated from year to year with no maximum limit.
- B. Administrators shall be given an accounting of accumulated sick leave days upon request.

**ARTICLE XVI
TEMPORARY LEAVES OF ABSENCE**

- A. Subject to Section C of this article, administrators shall be entitled to the following temporary non-accumulative leaves of absence with full pay each year.
 - 1. With the approval of the Superintendent or his representative, an administrator may be granted temporary leave of absence for professional observations and meetings.
 - 2. Absence due to death in the unit member's immediate family or household shall be allowed with full pay for a period not to exceed five working days, provided that such days are used within ninety (90) days of the death. (Immediate family shall include husband, wife, children, mother, father, brother, sister, mother-in-law, father-in-law, son-in-law, daughter-in-law, legally recognized domestic partner, child of domestic partner, or other relatives residing in the unit member's household).
 - 3. A one-day absence due to the death of non-immediate members of the unit member's family shall be allowed with full pay, to be used within thirty (30) days of the death.
 - 4. Absence for personal business shall be limited to four (4) school days per year. Substantiation of reasons shall be submitted by the unit member to the Superintendent upon request.
 - 5. Absence from school or duty by reason of subpoena or jury duty shall be allowed, provided the subpoena is filed with the Superintendent.
 - 6. Absence for other reasons than stated above may be considered and approved by the Board.
- B. Pregnancy Disability Leave

An Administrator upon confirmation of her pregnancy may apply to the Board for a disability leave. Such leave shall be granted in conformance with the following procedures:

1. Such request shall be accompanied by a physician's written confirmation of the anticipated date of disability and the anticipated date of delivery. This confirmation shall be sent to the Board no later than sixty (60) calendar days prior to the anticipated date of delivery.
2. The administrator may use all or part of her accumulated sick days, and the Board shall grant such use under the same terms and conditions governing leave of absence for other illness or medical disabilities.
3. The period of disability leave for pregnancy shall be determined by the administrator's physician subject to confirmation by the Board's physician, if required.
4. In addition to the medical certificate of disability referred to in 1 above, an administrator shall be required to produce an additional medical certificate within fourteen (14) calendar days following the date of delivery. This certificate shall state the specific period and termination date of the post-partum disability period. In the event that normal conditions do not prevail for post-partum, the administrator's physician may submit an additional certificate.
5. The Board shall not maintain or enforce any policy or practice for removal of any tenured or non-tenured administrator from her duties based on pregnancy or term of pregnancy but shall consider and treat each administrator on an individual basis.
6. The Board may remove any pregnant administrator from her duties on any one of the following bases:
 - a. Performance: The administrator's work performance has declined because of disability from the time immediately prior to her pregnancy.
 - b. Physical incapacity: The administrator's physical condition or capacity is such that her health would be impaired if she were to continue or resume working, and which physical incapacity shall be deemed to exist only if:
 - (1) the pregnant administrator fails to produce a certification from her physician that she is medically able to continue work following a request by the Board for such certification; or,
 - (2) the Board's physician and the unit member's physician agree that she cannot continue working; or

- (3) following any difference of medical opinion between the Board's physician and the administrator's physician, the Board requests expert consultation in which case the Morris County Medical Society shall appoint an impartial third physician who shall examine the administrator and whose medical opinion shall be conclusive and binding on the issue of medical capacity to continue working or to remain on disability leave occasioned by pregnancy. The expense of any examination by an impartial third physician under this paragraph shall be paid by the Board.
7. An administrator may return to work immediately following the medically certified disability period upon notice to the Board which must be given at the same time as the initial notice of pregnancy request for disability leave is presented to the Board referred to in paragraph 3 above, and subject to paragraph 6 above.
8. In the event that normal conditions attendant upon pregnancy and birth do not prevail the administrator may apply to the Board in writing to return to her position prior to the termination of the disability period for which leave had been requested initially. Such return shall be effective no later than seventy five (75) calendar days from the date of application by the administrator seeking early return from disability leave, or as determined by the superintendent based on the needs of the school district and the job responsibility of the administrator. The choice of either of the dates shall be at the Board's discretion. During this period of time between the end of the medical disability period and the date of return to duty, the administrator shall be placed on an unpaid leave of absence.

C. Child Rearing Leave

1. In the case of the birth and/or adoption of a child, any tenured administrator shall have the right to apply for a leave without pay for child rearing purposes. In cases where both husband and wife are employees in this school system, only one of said persons may be entitled to such leave at any one time.
2. A child rearing leave shall be granted for not more than two (2) full school years and the remainder of the school year in which the leave began.
3. Application for a child rearing leave must be filed at least sixty (60) calendar days before the anticipated birth of the child. Applications shall specify the intended period of leave requested by the administrator. Application deadlines may be waived in cases of sudden emergency.
4. Child rearing leave for administrators on pregnancy disability leave shall begin immediately upon the termination of the pregnancy disability as certified by the

administrator's physician subject to the Board's right to obtain a medical opinion from its own physician.

5. Notification by the administrator of either (a) intent to return, (b) request for an extension, or (c) shortening of time for a previously approved child rearing leave shall be submitted in writing to the superintendent no later than April 1st.
 6. The termination date of the child rearing leave shall be determined by the superintendent based on the needs of the school district and the job responsibility of the administrator.
 7. A child rearing leave may be granted to a non-tenured administrator but shall not be extended beyond the end of the contract year in which the leave began.
 8. An administrator returning from disability and/or child rearing leave(s) is entitled to all benefits to which administrators returning from other leave would be entitled.
- D. A notification or request for temporary leave of absence shall be forwarded on the appropriate form to the superintendent for approval.
- E. Leave benefits provided under this Article shall satisfy but shall not be in addition to leave benefits available pursuant to Federal and State Family and Medical Leave statutes. To the extent that any provision of this article is inconsistent with the requirements of Federal and State Family and Medical Leave statutes, the statutory language shall control.

ARTICLE XVII EXTENDED LEAVES OF ABSENCE

Leaves of absence without pay may be granted by the Board for good reason.

ARTICLE XVIII PROFESSIONAL DEVELOPMENT AND EDUCATIONAL IMPROVEMENT

- A. The Board shall reimburse an administrator in the amount of 75% of the tuition fee for graduate study courses taken by Administrators up to seven thousand dollars (\$7,000) for each Administrator per calendar year. All graduate courses must be approved by the Superintendent, taken in accordance with the following criteria:
1. Each course must be within the scope of the staff member's professional certificate or must be in the area of general professional development which is deemed by the Superintendent to be valuable in improving the professional performance of the staff member in the position he or she now holds.

2. Any course specifically required for a degree in the staff member's field.
 3. While the Board recognizes the importance to the school system of general cultural improvement of staff members, it also recognizes that this is a personal responsibility of the staff member and no reimbursement will be granted for such courses,
 4. No reimbursement will be made for any course which does not meet the requirements of *N.J.S.A.* 18A:6-8.5 and 8.6.
 5. No reimbursement will be given for courses taken to fulfill requirements for temporary, provisional, emergency, or initial standard certificates, or for advanced degrees in fields other than the field in which the staff member is now working unless such courses are specifically recommended by the Superintendent for the good of the school system.
 6. All requests by administrators for approval of courses must be submitted through the principal to the Superintendent as follows:
 - a) For fall semester courses not later than October 15th.
 - b) For spring semester courses not later than February 15th.
 - c) For summer courses not later than July 15th.
 7. Since the reimbursement for professional staff improvement is provided for the ultimate benefit of the children and schools of Randolph Township, no reimbursement will be made for courses taken by staff members who for any reason indicate that they will leave the system.
 8. A statement of final passing grade attained and receipt for tuition payment must be submitted along with a voucher before payment may be made.
 9. In order to be and remain eligible for tuition reimbursement, a unit member must remain employed by the District for two (2) years after receiving reimbursement. Should a unit member voluntarily separate from employment prior to the completion of the two (2) year period, the unit member shall reimburse back to the Board a pro-rated portion of tuition reimbursement received, as follows:

All funds specified above for conference attendance must be committed for such purposes no later than March 15. All unused funds will revert to the Board.
