Arrangements will be made so that the Officer does not lose any benefits, rights or privileges to retirement and is allowed to work the remaining required time to become eligible for any benefits.

5. Partial vacation days shall only be permitted by the Chief of Police or his designee in extreme emergencies. Changes in the scheduling of vacations will not be permitted without the prior approval of the Chief of Police or his designee. A. Overtime shall be paid to an Officer when he is required or requested to work in excess of a regularly scheduled and completed workday, or on a regular scheduled day off. Officers shall be paid compensation at the overtime rate when they are either requested or ordered to duty beyond their regular tour of duty by the Chief of Police, Lieutenant, Sergeant, or other Officer in charge of any given tour.

B. Overtime shall be paid to an Officer when he is recalled to duty, not on his normal shift.

C. Any appearances in any Court or Administrative Agency in any proceedings, or in the Prosecutor's Office in connection with any investigation or criminal case, qualifies as time worked for inclusion in the overtime category, so long as the appearances were on proper order.

D. To the extent that any tour requires overtime services, each Officer shall be given an equal opportunity to work overtime as requested or required according to seniority on a rotation basis in accordance with the existing overtime call-up list. Seniority shall not prevail when the Township, the County or the State declares a state of emergency. The Township acknowledges that this clause shall not be used to defeat overtime.

An Officer who was available to work overtime but was skipped in error shall be given the option of the right of first refusal to select from one of the next 3 overtime dates or shall work the equivalent amount of hours for which he was scheduled and shall select the time and date, during a shift mutually agreeable between the officer and the Chief or his designee. If there is

not agreement within 2 pay periods following “the next three overtime dates”, then the officer may select the time.

E. Any Officer engaged in legitimate off-duty police related activities pertaining to criminal, quasi-criminal, or disorderly person's offense shall be compensated in compensatory time at the rate of time and one-half, not to exceed four and one-half (4-1/2) hours per incident.

F. This language is premised upon the schedule set forth in paragraph 1. Should the Township or PBA change that schedule, the overtime language in this paragraph shall be negotiated prior to the implementation of any new schedule.

G. The taking of compensatory or vacation time shall not preclude the working of overtime or quasi-duty assignments, provided it does not short the shift that the officer is currently working.

H. The Township recognizes that vacancies in the station officer position, if they are to be filled, are overtime opportunities for PBA bargaining unit members. Therefore, the Township shall first fill such vacancies by using the PBA patrol overtime list prior to attempting to fill the position with any other off-duty personnel.

3. Overtime Pay Rate:

A. Overtime shall be paid to all Officers at the rate of 1.5 times his hourly rate of pay. The hourly rate is to be determined by dividing the Officer's established annual salary by 1920.

B. An Officer recalled to duty or required to appear in Court, not on his normal shift shall be paid a minimum of three (3) hours overtime. Officers shall be released from duty upon completion of their Court appearances.

4. Standby for Civil Disorder or Threats:

Any Officer placed or called into a "standby" or "alert" status and who remains subject to a call or recall to duty and is mandated to remain at home or within a designated geographical area which area shall have been designated and approved by the Chief of Police, shall be compensated twenty-five (25%) percent of his regular base pay from the time of the standby, alert or state of readiness until such time as the alert or standby status is officially canceled and communicated to him.

**ARTICLE VII**

**COMPENSATORY TIME**

1. When attending Police courses on scheduled days off, an Officer, at his option, may elect to either be paid time and one-half overtime pay or to be compensated in compensatory time at the rate of time and one-half. In the alternative, the Officer may elect to take his regularly scheduled day off at a time prior to attending the first day of a course or subsequent to completion of the course in compensation for his regularly scheduled day off.

2. All compensatory time may be accumulated or taken at the Officer's leisure, subject to approval of the scheduling Officer, which approval shall not be unreasonably denied.

Comp time can be used in accordance with the rules and case law governing and interpreting the FLSA. Bargaining Unit members will be compensated for accumulated but unused comp time at the cessation of

During the Officer's first and last year of service, an Officer shall earn sick leave pay pro rated for actual service.

2. A. Sick leave may be accumulated without limit to an Officer's length of service.

F. Payment of the benefits provided for in Subparagraphs 2D and 2E shall be no later than February 15 of the year following the determination of eligibility and sick time use.

G. An Officer who is discharged or who resigns because of pending disciplinary action shall not be entitled to the benefits enumerated in Subparagraphs 2D and 2E of this Article.

3. If an Officer excuses himself from his regular tour of duty due to a non-job related injury or illness, then there shall be a charge against the Officer's sick time for only those whole hours remaining on his regular shift which are not worked. For the purposes of all sick time, a "day" shall mean 10.5 hours.

Sick time shall not be considered to extend beyond the Officer's shift. An Officer shall

be permitted to use only those hours necessary for sick time absence. An officer who calls out sick for an entire shift shall not be eligible for off duty or overtime work until 24 hours have elapsed from the start of the shift from which he/she called out.

4. No charge against an Officer's individual sick time is to be made for any job-related injury or illness.

The Township reserves the option to have the Officer examined by a licensed physician of its choice in order to determine the extent of disability and the individual Officer's fitness to return to work. Such procedure shall or may be implemented at ninety (90) day intervals until the expiration of one (1) year.

B. In the event of a conflict between the Officer's expert and the Township's expert, the Officer is entitled to a hearing to determine his fitness to return to duty and his

eligibility for retirement. The hearing shall be scheduled by the Township Manager, giving each party a reasonable opportunity to prepare. The hearing shall be conducted fairly with a liberal interpretation of the Rules of Evidence. The Township Manager shall render his decision within fifteen (15) days after the conclusion of the hearing. The Officer involved shall have the right to appeal to the Superior Court of the State of New Jersey from any adverse decision of the Township Manager by filing with such Court within forty-five (45) days of the date of the Township Manager's decision. A copy of the Township Manager's decision shall be delivered to the individual Officer concerned or his representative by Certified Mail, Return Receipt Requested within five (5) days of the date of the decision.

In the event the Officer refuses to reimburse the Township temporary wage benefits, or enter into the Contract, or endorse his compensation check, for lost wages, to the Township, and the Township has been paying the Officer his full

7. A. If an Officer is injured or becomes ill due to a non- job related incident or condition, the Officer, at the expiration of his accumulated sick time, shall be granted up to thirty (30) days advance sick leave upon medical proof that his illness or condition renders him unfit for duty. Reimbursement shall be at a minimum of one-third of the time taken per year if thirty (30) days or less of advance sick leave was utilized. If more than thirty (30) days of advance sick leave was utilized by the Officer, then he shall reimburse the Township at a rate of not less than twenty-five percent (25%) per year.

C. Before receiving advance sick leave, the Officer will execute a Contract with the Township which shall incorporate the provisions of this Clause. In the event an Officer resigns, voluntarily, and terminates his employment with the Township prior to his having fully

reimbursed the Township for advanced sick leave utilized, then, and in that event, the Officer shall pay to the Township an amount of money equivalent to one (1) day's pay for each day of time owed. The rate of pay shall be the rate of pay received or eligible for at the time the Officer took the advanced sick leave. The "first in, first out" rule shall apply.

D. At the expiration of one (1) year from the onset of the injury or illness, the parties are entitled to no less than three (3) independent, medical examinations and reports and a hearing in order to determine the Officer's fitness to return to duty or retirement. Any non-job related illness or injury which in the opinion of medical experts, at the time of the hearing, can be alleviated or improved to such an extent that the Officer may return to full duty within twenty-four (24) months of -the onset of the injury or illness shall entitle him to be reinstated with full privileges, benefits and seniority, upon medical proof of fitness for duty.

8. A. The Officer may be required, at the resumption of the interrogation, to submit a written or supplemental report, of the type ordinarily required under Department Rules and Regulations, detailing his knowledge of facts regarding the allegations. A written report may be obtained from the Officer only when the allegations arise out of his employment.

G. Nothing herein shall be construed to prevent the investigating Officer from informing the Officer of the possible consequences of his act. If the refusal to answer questions in non-criminal matters may result in disciplinary action against the Officer, then he shall be so advised.

H. If the investigation or interrogation of a law enforcement Officer results in a recommendation of some action, such as demotion, dismissal, transfer, loss of pay, reassignment or other similar action which would be considered a punitive measure, then before taking such action, the law enforcement agency shall give notice to Officer that he is entitled to a hearing on the issues pursuant to N.J.S.A. 40A:14- 147.

I. The Officer or his attorney shall be provided with all reasonable discovery by the Township or the Department provided such demand is made within seven (7) days of the Officer's receipt of his charge(s).

If the Township Manager is in conflict, in any respect, or unavailable, then and in that event, the hearing shall be conducted by a person, impartial to the issues, who shall be appointed by the Township Manager. The Officer or his representative must state the conflict and request the removal of the Township Administrator at least seven days prior to the hearing provided the basis of such objection is within his knowledge at that time. The Hearing Officer shall not have participated in any step of the investigation or interrogation other than in a purely ministerial role.

K. The Hearing Officer shall render a decision within 21 days after the close of a disciplinary hearing concerning an Officer. If a verbatim recording was made of the disciplinary hearing, in the event a transcript was prepared, then the Hearing Officer shall

render his decision within twenty-one (21) days after receipt of a transcript of such proceedings.

L. Any decision, order or recommendation for action resulting from the hearing shall be in writing and shall be accompanied by findings of fact and a certification that the transcript, if one was ordered, was received by the Hearing Officer. A copy of the decision or order, accompanying findings and conclusions, along with any written recommendations for action, shall be delivered or mailed promptly to the Officer concerned and his attorney.

M. In the event of a grievance, an Officer may represent himself or may be represented by the PBA, a fellow worker, or an attorney. Only the PBA, however, may file for arbitration on behalf of its members and the PBA shall have the right to attend all grievance meetings.

3. The parties hereby acknowledge that the terms and conditions of the N.J.S.A. 40A:14-147 shall govern and control in any areas either not addressed within the preceding paragraphs of the Bill of Rights, or elsewhere in the contract, or which, if covered, conflict with the statutory language.

It is understood, at the present time, that the PBA represents all patrolmen and detectives within the Police Department. In the event that any one of these groups is no longer represented by the PBA, in the future, the number of seats in their respective collective bargaining committee shall not be decreased below five (5).

5. The Township recognizes that the PBA has the sole and absolute right to designate authorized representatives filling the seats on their respective committee and the proper credentials shall be submitted to the Township upon their request.

6. The Township agrees to furnish to the PBA all public information concerning the financial resources and assets of the Township. Further, the PBA shall have the right to review the Township's annual budget, including worksheets, and the monthly summaries of all costs and expenditures showing encumbered and unencumbered monies. - B. The PBA President will be entitled to eight (8) days leave without loss of pay per calendar year to attend to PBA business.
- C. The eight (8) days are not cumulative.

**ARTICLE XXXVI**

**GRIEVANCE PROCEDURE**

1. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of

employment under this Agreement.

2. Nothing herein shall be construed as limiting the right of any Officer having a grievance to discuss the matter informally with any appropriate member of the Department.

3. With regard to Officers, the term "grievance" as used herein means an appeal by an individual Officer, the PBA or group of Officers, from the interpretation, application or violation of the terms and conditions of this Agreement. With regard to the Township, the term "grievance" as used herein means a complaint, or controversy arising over the interpretation, application or alleged violation of the terms and conditions of this Agreement.

4. Where disciplinary proceedings have been instituted, the grievance procedure shall not be available during the pendency of such disciplinary proceedings for issues arising out of the subject matter of the charges. Any issues finally determined or resolved during or in the course of a disciplinary proceeding shall be considered a final disposition as to those issues for the purpose of any subsequent grievance. All other rights and benefits under this Agreement shall be available to the subject Officer during the pendency of any disciplinary proceedings.

5. Grievances, disputes or controversies which may arise shall be resolved in the following matter:

A. A written grievance shall meet the following specifications:

- (a) It shall be specific.
- (b) It shall contain a synopsis of the facts giving rise to the dispute, controversy or issue.
- (c) It shall specify the section of the Agreement or Rule or Regulation

or statute or ordinance which has been allegedly violated, misapplied or as to which the dispute arises.

- (d) It shall state the relief requested.
- (e) It shall contain the date of the alleged dispute, controversy or issue.
- (f) It shall be signed by the grievant or PBA representative.

B. Times as indicated exclude Saturday, Sunday and the fourteen (14) recognized Township holidays, except where calendar days are indicated.

C. Step Procedure:

Step One: Within twenty (20) calendar days after its occurrence, or within twenty (20) calendar days after he knew or should have known of its existence, the aggrieved or the PBA shall institute action in writing under the provisions hereof. Written acknowledgement of receipt of grievance shall be provided to the grievant or PBA. The Chief or designee shall investigate the grievance and provide a written answer to the PBA President or his designee and the grievant within seven (7) calendar days of the date of submission. The time limit in preparing a written grievance or written response may be waived by mutual agreement. Failure to act within specified time limit shall be deemed to constitute an abandonment of the grievance.

If the grievance was addressed to and/or answered by the Police Chief or his designee at Step One, then the grievant or PBA can proceed directly to Step Three if the grievant or PBA wishes to continue the process.

Step Two: In the event the grievance is not resolved at Step One, or if no written response is received by the PBA and the grievant, then the grievance shall then be submitted in

writing within ten (10) calendar days, by the grievant, to the Chief of Police. The Chief of Police shall submit his written answer, to the PBA President or his designee and the grievant, within seven (7) calendar days. This time limit may be waived by mutual agreement.

Step Three: In the event the grievance shall not have been resolved at Step Two, or if no written response from the Chief of Police is received by the PBA and the grievant, then, the grievance shall be submitted within ten (10) calendar days to the Township Manager by the grievant. The Township Manager shall investigate and report his findings and recommendations, in writing, within twenty (20) calendar days to the PBA President or his designee, grievant, Chief of Police and to the attorney or representative for the grievant, if any.

Any employer grievance will be filed with the PBA President at Step Three. The PBA President shall respond, in writing, within seven (7) calendar days to the Township Manager. The times indicated may be extended by mutual agreement.

Step Four: In the event the grievance shall not have been resolved at Step Three, and in the instance of an employer grievance at Step Three, then the PBA or the Township grievant may seek relief at arbitration as herein specified. In all respects the initiation of binding arbitration shall begin within forty-five (45) days after receipt of a written resolution from the Township Manager.

6. **Arbitration:**

A. Arbitration requests shall be directed to the Public Employment Relations Commission subject to the rules then existing of such Agency. The aggrieved party shall send a copy of the arbitration request to the other party. The request shall specify the particulars of the grievance and the Agreement provision(s) allegedly violated.

B. The selection of the independent arbitrator shall be made

pursuant to the rules then existing of the Public Employment Relations Commission.

C. The arbitrator shall hold the hearing at a time and place convenient to the parties and no later than thirty (30) calendar days after his acceptance to act as arbitrator. The arbitrator shall issue his decision in writing with reasons within sixty (60) days after the close of the hearing. The decision of the arbitrator shall be served upon the Township and the PBA (or their legal counsel), in writing. In the event a disagreement exists regarding the arbitrability of an issue, the arbitrator shall make a preliminary determination as to whether the issue is arbitrable under the express terms of this Agreement. Once a preliminary determination is made that such a dispute is arbitrable, the arbitrator shall then proceed to determine the merits of the dispute.

D. Unless otherwise mutually agreed, the submission to the arbitrator shall be based on the original written grievance and issues submitted in the grievance procedure at Step One. This paragraph shall not be construed as to limit the submission of proofs by the parties.

E. An arbitrator shall not have the power or authority to add to, subtract from, or modify the provisions of this Agreement or the Laws of the State of New Jersey, and shall confine his decisions solely to the interpretation and application of this Agreement. He shall confine himself to the precise issues submitted for arbitration and shall have no authority to determine any other issues not so submitted to him. The arbitrator shall not submit observations or declarations of his opinions which are not relevant in reaching the determination. The arbitrator may prescribe an appropriate back pay remedy when he finds a violation of this Agreement, provided such remedy is permitted by law and is consistent with the terms of the Agreement.

F. The PBA may not withdraw any notice of its desire to arbitrate a case or otherwise discontinue arbitration proceedings except with prejudice, unless the Township shall consent that such withdrawal of discontinuance is without prejudice.

G. The decision of the arbitrator is final and binding upon both parties and the grievant(s) and the grievance shall be considered permanently resolved.

H. The expenses of the arbitrator shall be shared equally by both parties. Each, party shall make arrangements for and pay its witnesses.

I. If the Public Employment Relations Commissions is abolished or its mission substantially changed to the extent of it handling arbitrable matters, the parties shall meet to agree on another method for choosing an arbitrator.

7. General Provisions and Exceptions to Grievance Procedure:

A. No grievance settlement reached under the terms of the Agreement shall add to, subtract from, or modify the terms of the Agreement.

B. Grievance resolutions or decisions at Step One through Step Four shall not constitute a precedent in any arbitration or other proceeding unless a specific Agreement to that effect is made by the Township and the PBA.

C. Where a grievance involves, exclusively, an alleged error in calculation of salary payment, the grievance may be timely filed within thirty (30) days of the time the individual should reasonably have known of its occurrence.

D. Where a grievance has been previously submitted in writing and the grievant requires time to investigate such grievance to achieve an understanding of the specific work problem during working hours, the grievant or a representative of the PBA will be granted permission and reasonable time, to a limit of four (4) hours to investigate, without loss of pay. It

is understood that the supervising personnel in the Police Department shall schedule such release time. Such release time shall not be unreasonably withheld and upon request, could be extended beyond a four (4) hour limit for specified reasons, if to the supervisor, the circumstances warrant an exception to this limit. Where circumstances require, the supervisor shall authorize additional time required for travel.

E. The aggrieved Officer and his designated Employee Representative shall be allowed time off without loss of pay as may be required for appearance at a hearing of the Officer's grievance scheduled during working hours.

F. Where the Officer or the PBA requests Officer witnesses, permission for a reasonable number of witnesses required during a grievance proceeding will be granted. A witness at such proceedings will be permitted to appear without loss of pay for the time of appearance as required if during his normal scheduled working hours. The witnesses to appear for the grievant shall, when called to testify, be excused from duty with no loss of pay.

## **ARTICLE XXXVII**

### **MANAGEMENT RIGHTS**

1. There are no provisions in this Agreement that shall be deemed to limit or curtail the Township in any way in the exercise of the rights, powers and authority which the Township had prior to the effective date of this Agreement unless and only to the extent that provisions of this Agreement curtail or limit such rights, powers, and authority. The PBA recognizes that the Township's rights, power and authority include, but are not limited to:

- A. The right to manage its operation
- B. Direct, select, decrease and increase the work force including hiring, promotion, demotion, transfer, suspension, discharge or layoff. These

rights, however, shall be exercised reasonably, in accordance with this Agreement and for good cause

  - D. The extent to which any Department thereof shall be operated, the conditions thereto and replacement, curtailments or transfers thereof
  - E. Removal of equipment
  - F. Outside purchase of products or services
  - G. Means and processes of operations
  - H. Materials to be used and the right to introduce new and improved methods and facilities
  - I. To maintain discipline and efficiency of Officers and to prescribe rules to that effect
  - J. To establish and change standards of Performance
  - K. Determine qualifications of Officers
  - L. Regulate quality and quantity of performance
  - M. To run the Department efficiently
  - N. To require an Officer to work overtime, however, the Township will follow and comply with the provision of Article VI, Paragraph D of this Agreement prior to designating and requiring a specifically selected Officer to work overtime;
  - O. The scheduling of operation
2. The Township in the exercise of any of its management rights shall, however, be

bound by the terms of this Agreement and abide by same. The Township shall exercise its management rights in accordance with Law and due process. The recognition of the management rights of the Township is not a waiver by the PBA or its members of any rights, benefits or privileges that the PBA or its members may have under this Agreement or other authority.

3. The PBA and its members shall have the right to grieve, under this Agreement, the unreasonable and/or arbitrary exercise of any of the foregoing management rights of the Township.

### **ARTICLE XXXVIII**

#### **PERSONNEL FILES**

1. A personnel file shall be established and maintained for each Officer covered by this Agreement. Such files are confidential records and shall be maintained in the Township Manager's or Human Resources Office, with a copy of pertinent records to also be kept in the Office of the Chief of Police and may be used for evaluation purposes by the Police Chief.

2. Upon advance notice and at reasonable times, any member of the PBA may at any time review his personnel file. However, this appointment for review must be made through the Township Manager or designee for files in the Township Manager's Office, or through the Chief of Police or designee for any files in the Chief of Police's Office. Any such request shall not be unreasonably denied.

3. Whenever a written complaint concerning an Officer or his actions is to be placed in his personnel file, a copy shall be made available to him and he shall be given the opportunity to rebut it if he so desires, and he shall be permitted to place said rebuttal in his file. When the Officer is given a copy of the complaint, the identification of the complainant shall be excised.

However, if any disciplinary action is taken based on any complaint, then the Officer shall be furnished with all details of the complaint, including the identity of the complainant.

4. The Township and Department shall not insert any adverse material into any file of the Officer, unless the Officer has had an opportunity to review, sign, receive a copy of and comment in writing upon the adverse material, unless the Officer waives these rights.

5. The Officer shall have the right to respond in writing to any complaint, negative report, or disciplinary warning entered into his individual personnel file, and said response shall also be placed in the Officer's individual personnel file within ten (10) days of placement in file.

6. An Officer may exercise his right to review and copy his file and to initial and date each document contained therein. Should any document which predated the Officer's review of the file be entered or proposed to be entered in any hearing, which document does not contain the Officer's initials and date, all negative inference may be drawn by the Hearing Officer as to the documents legitimacy and timeliness

7. All personnel files will be carefully maintained and safeguarded permanently, and nothing placed in any files shall be removed. Removal of any material from a personnel file by any member of the PBA shall subject that member to appropriate disciplinary action.

8. Each Officer shall be supplied with a written certification from the Employer, during the month of November of each year, which shall state the number of accumulated vacation days, holidays taken, sick days, personal days and any other time which is available to the Officer.

#### **ARTICLE XXXIX**

#### **CONTINUANCE OF OPERATION**

The PBA acknowledges that the need for continued and uninterrupted operations

of the Township business is a concern and that there should be no interference with such operation. In light of the foregoing and the fact that adequate procedures exist for the peaceful and orderly resolution of grievances under this Agreement:

1. The PBA will not call or sanction any strike or concerted stoppage or slowdown during the term of this Agreement nor take part in or instigate any job action which has as its purpose to influence the Employer with respect to the wages, benefits, working conditions or other incidents of employment, of its members, with the Township, except as may be otherwise permitted under this Agreement. The PBA reserves the right to engage in informational picketing.

2. Should a strike or concerted stoppage of work by Officers occur during the term of this Agreement, the PBA shall immediately and in any event no later than twenty-four (24) hours after receipt of written notice from the Township do the following things:

A. Advise the Township in writing that the strike or stoppage has not been called or sanctioned by the PBA

B. Post a copy of the following Notice on the PBA Bulletin Board:

"WE HAVE BEEN ADVISED BY THE TOWNSHIP  
THAT A STRIKE, SLOWDOWN, STOPPAGE OR OTHER JOB ACTION HAS OCCURRED  
WHICH IMPAIRS THE OPERATION OF THE DEPARTMENT. IN AS MUCH AS NO  
STRIKE OR STOPPAGE OR OTHER JOB ACTION HAS BEEN CALLED OR  
SANCTIONED BY THE PBA, IF YOU ARE ENGAGED IN ANY SUCH STRIKE OR  
STOPPAGE OR JOB ACTION, YOU ARE HEREBY INSTRUCTED TO RETURN TO  
WORK IMMEDIATELY."

BY: \_\_\_\_\_  
President, PBA

"THIS NOTICE IS POSTED IN ACCORDANCE WITH THE PROVISIONS OF THE AGREEMENT BETWEEN THE TOWNSHIP AND THE PBA"

3. Nothing contained in this Agreement shall preclude the Township from taking disciplinary action against any Officer participating in such activities as described herein and such disciplinary action shall include possible discharge. Nothing contained in this Agreement shall be construed to limit or restrict the Township in its right to seek and obtain judicial relief as it may be entitled to have in law or in equity in the event of such breach by the PBA or its members.

4. The Township agrees that no lockout against any or all Officers shall take place during the lifetime of this Agreement.

5. The obligation of the PBA shall be limited to the performance of the acts required by Paragraph 2. Upon compliance by the PBA with the provisions of Paragraph 2 of this Article, the PBA and its Officers, agents and members shall have no further liability during the term of this Agreement or there after, for any damage suffered by the Township arising from or out of any stoppage, strike, slowdown, concerted work action or job action which impairs the operation of the Police Department.

## **ARTICLE XL**

### **GENERAL PROVISIONS**

1. The waiver of any breach or condition of this Agreement by either party shall not constitute a precedent in future enforcement of the terms and conditions thereof.

2. There shall be no discrimination, interference or coercion by the Employer or any

of its agents against the Officers represented by the PBA because of membership or activity in the PBA. The PBA shall not intimidate or coerce Officers into membership. Neither the Employer nor the PBA shall discriminate against any Officer because of race, creed, color, sex, national origin or political affiliation.

3. In the event that any provision of this Agreement shall be deemed or declared invalid, illegal, unenforceable, unconstitutional or against the public policy of the State of New Jersey, same shall not invalidate the entire Agreement, but all other clauses and provisions remaining valid shall nevertheless continue in full force and effect.

4. It is agreed that in the event any provision of this Agreement is finally declared invalid or unenforceable, the parties may meet, within thirty (30) days of written notice by either party to the other, to negotiate concerning the modification or revision of such clause or clauses in this Agreement.

5. The parties may, by mutual agreement in writing, agree to meet at any time during the term of this Agreement in order to make any modification, changes, additions or deletions to the Agreement as they deem just and proper.

6. Nothing contained in this Agreement shall be construed to deny, restrict or limit any Officer of his rights, benefits or privileges under any other applicable law or regulation.

7. Any violation of this Agreement which is deemed, alleged or otherwise considered as an unfair practice may be pursued either by the filing of charges with the Public Employment Relations Commission or by the filing of a grievance. The election of either procedure, so long as the procedure permits as determination and enforcement, shall not be changed. All decisions of the Public Employment Relations Commission are a final decision.

8. Where this Agreement is in conflict with the Revised Ordinances of the Township

and the Personnel Policy and Procedures Manual, then the terms of this Agreement shall prevail.

In all other regards and where this Agreement is silent, then the Revised Ordinances of the Township and the Personnel Policy and Procedures Manual shall prevail except as otherwise provided by Law. No Ordinances are hereby incorporated by reference, except as otherwise stated herein. No Ordinance which prevails shall be considered a bargained for part of this Agreement. The PBA and its members hereby waive no rights, benefits or privileges that they may have had, now have or will have under any Ordinance. It is recognized by the PBA that what was formerly Chapter III "Personnel" in the Revised General ordinances has been incorporated in a Personnel Policy Procedures Manual (PPPM). As such, the PPPM is applicable pursuant to this Article except where the PPPM has changed or altered the former provisions of Chapter III. The PBA shall have the right to negotiate the provisions of the PPPM applicable to the PBA in those matters which changed or altered what was formerly Chapter III.

9. The PBA shall indemnify, defend and save the Township harmless against any and all claims, demands, suits, or other forms of liability that shall arise out of or by reason of action taken by the Township in reliance upon official written representations submitted by the PBA to the Township concerning representation fee and/or dues deduction.

10. All Officers, who after ninety (90) days of the execution date of this Agreement, are members of the PBA, and all Officers who become members after that date, are obligated to follow and comply with the terms and conditions of this Agreement.

11. The Township agrees not to enter into any contract or agreement with any Officer covered by this Agreement that in any way conflicts with the recognition clause of this Agreement.

12. An Officer who has donated blood at the one time per year Township's sponsored

blood drive shall be credited with two (2) hours comp time. Scheduling of the blood donation and use of the comp hours should be done with the approval of the Chief of Police or his/her designee.

## ARTICLE XLI

### TERM OF AGREEMENT - TERMINATION

1. This Agreement shall be effective as of January 1, 2015, except as herein provided, and shall be binding upon the Township, the PBA and its members, and shall remain in full force and effect through and including December 31, 2018.

2. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter appropriate for collective bargaining and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Township and the PBA, for the life of this Agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter, without mutual consent, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

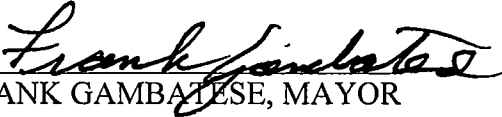

However, the parties recognize that it is impossible to include in this Agreement all benefits currently enjoyed by Officers. The Township, however, agrees to continue those benefits that are well-known, long standing and uniformly applied to all Officers.

3. It is agreed that this Agreement shall expire on December 31, 2018, except as otherwise provided by Law. This Agreement shall remain in effect thereafter until a successor agreement is executed.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals:

MEMORANDUM OF AGREEMENT

Agreement made this 14 day of February, 2017 by and between the Township of South Brunswick (herein the Township) and PBA Local 166 (herein the PBA).

Whereas, the Township and the PBA are parties to a recently negotiated Collective Negotiation Agreement (herein CNA) covering the period January 1, 2015 to December 31, 2018; and

Whereas, the CNA has a newly negotiated term which provides for a one time stipend for officers covered by the contract who are Field Training Officers, Evidence Technicians and Drug Recognition Experts; and

Whereas, a question has been raised by the PBA in behalf of several of its members, some of whom are in the Bureaus where they are required to have one or more of the above listed certifications, concerning entitlement to this stipend; and

Whereas, it is the Township's position that only officers assigned to patrol who achieve one or more of the above listed certifications are eligible to receive the stipend; and

Whereas, the parties have determined to resolve the question by agreement to avoid the expense and uncertainty of outcome involved in use of the Grievance and Arbitration provision of the CNA:

Now, therefore in consideration of the mutual covenants and undertaking herein set forth, the parties agree as follows:

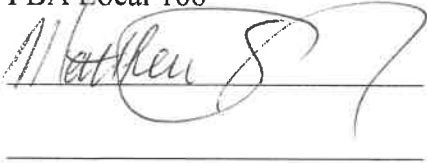

1. The following officers shall be paid the one time stipend of \$1,250.00;
  - a. PFC Frank Mongaleri
  - b. Patrolman Michael Lueng
  - c. Patrolman Jesse Blake
  - d. Detective Eric Tighelar
  - e. Detective Monica Shearer
  - f. Detective Nate Labuda
  - g. Sergeant Michael Pellino

2. The PBA recognizes and agrees that the stipend program is a patrol based program and that effective as of the date of this agreement only officers to patrol are eligible for the stipend.

3. The PBA further recognizes and agrees that patrol officers assigned to these tasks of FTO, ET and DRE must complete the required training and request the payment of the stipend by written memorandum to the Chief of Police.

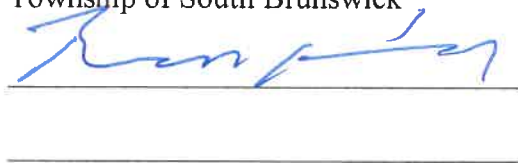

In Witness whereof the parties have set their hands and seals this 14 day of February, 2017.
