**GRIEVANCE PROCEDURE**

3.1 Preamble

The **BOARD OF EDUCATION** and the **ASSOCIATION** endeavor to promote relationships that are conducive to building a sound school system. In line with this attitude, they believe that all professional employees are entitled to have their grievances investigated and resolved through established channels. Satisfactory settlement of grievances contributes to increasing the efficiency and effectiveness of the professional employee, to the advantage of the students and the school system.

It is essential that definite procedures be established and followed for the presentation and solution of grievances. The Superintendent of Schools shall develop these procedures by:

- A. Making provision for the employees to direct communication with the person responsible for the alleged grievance.
- B. Assuring that the channels of communication are open without fear of reprisal.
- C. Providing for the use of representation by the employee in the procedure.

3.2 Definition

- A. A grievance is an appeal of the interpretation, application, or violation of policies, agreements and administrative decisions affecting a teacher or group of teachers as it concerns terms and conditions of employment.
- B. Any grievance based on administrative decision or Board policy and affecting terms and conditions of employment shall be appealable no further than the **BOARD OF EDUCATION**. Only a grievance based on the language of this contract as it affects terms and conditions of employment shall be appealable to arbitration.

3.3 Procedure

- A. All grievances are to be filed at the lowest appropriate level. For the purpose of this Agreement, the lowest appropriate level shall be the level at which the grievance was created or the level that has the authority to resolve the grievance. If Level Two is deemed to be the lowest appropriate level, a photocopy of the grievance shall be given to the building principal, if the grievance is filed on the behalf of a single grievant, or to all district administrators, if the grievance is filed on behalf of the teachers.

- B. LEVEL ONE: Should Level One be deemed to be the lowest appropriate level, the formal grievance shall be submitted to the building principal. The building principal shall render a decision and return the grievance to the Association Chairperson for the Professional Rights and Responsibilities Committee, with a courtesy photocopy to the Association President and the Superintendent within ten (10) calendar days, excluding school holidays, of receipt of the grievance.
- C. LEVEL TWO: Should Level Two be deemed to be the lowest appropriate level, the formal grievance shall be submitted to the Superintendent of Schools; or, if the grievance has passed through Level One and has not been resolved to the grievant's satisfaction, it shall be presented to the Superintendent within ten (10) calendar days, excluding school holidays, of being returned to the **ASSOCIATION**. In either case, the Superintendent shall render his decision and return the grievance to the Association Chairperson of the Professional Rights and Responsibilities Committee, with a courtesy photocopy to the Association President within ten (10) calendar days, excluding school holidays.
- D. LEVEL THREE: If the aggrieved is not satisfied with the Superintendent's decision, the aggrieved and his representative may file through the Superintendent's Office, within ten (10) school days after receiving the Superintendent's decision, an appeal, in writing to the **BOARD OF EDUCATION**. It shall be the duty of the Superintendent to notify the **BOARD OF EDUCATION** of the receipt of such a written appeal. The **BOARD OF EDUCATION** shall meet with the parties of interest within twenty five (25) calendar days of receiving the written appeal at a mutually acceptable time and place in Executive Session, in order to hear the merits of the case. The aggrieved party has the right to the merits of the case. The aggrieved party has the right to counsel, representation, and witnesses on their behalf. The decision made by the **BOARD OF EDUCATION** shall be communicated to the respective parties in writing within forty (40) calendar days of the hearing.

The grievant must notify the **BOARD OF EDUCATION** within twenty (20) calendar days, excluding school holidays, of receiving the **BOARD OF EDUCATION'S** decision of its intention to appeal said decision to arbitration. If the grievant does not do so within twenty (20) calendar days, excluding school holidays, the grievance is considered automatically resolved based on the decision rendered by the **BOARD OF EDUCATION**.

- E. If a resolution of the grievance is not achieved at the **BOARD OF EDUCATION** level, an arbitrator may be selected by mutual agreement or from the American Arbitrators Association or from a list supplied by the New Jersey Public Employees Relations Commission. The cost of such an arbitrator shall be shared by both parties. The decision handed down by such arbitrator shall be binding on both parties.

It shall be the duty of the Superintendent of Schools and the **ASSOCIATION** to maintain a complete file of written grievances. Such file shall not become a part of the aggrieved's personnel file.

**ARTICLE X**  
**REIMBURSEMENT FOR PROFESSIONAL COURSES**

10.1 Preamble

Recognizing the desire and responsibility of the professional staff to increase professional skills, acquire greater knowledge, and achieve professional advancement through formal education, the **BOARD OF EDUCATION** and the **ASSOCIATION** agree to the following Article.

10.2 Tuition Costs

The Mantua Township **BOARD OF EDUCATION** agrees to pay tuition costs for professional personnel in accordance with the provisions outlined below:

A. Eligibility

All professional employees who hold a Baccalaureate Degree from an accredited college will be eligible.

B. Reimbursement

The **BOARD OF EDUCATION** will establish a pool of money for the purpose of reimbursing staff members for approved graduate course work. This amount will be \$35,000. for the first year of the contract, \$36,000. for the second year of the contract and \$37,000. for the third year of the contract. These amounts will be distributed as follows:

- 50% for courses which end between July 1<sup>st</sup> and December 31<sup>st</sup>
- 50% for courses which end between January 1<sup>st</sup> and June 30<sup>th</sup> (any monies left from the above amount will be added to this amount).

Eligibility for these allotments will be based on matriculation in a graduate program or approved professional certification that is directly related to the employee's responsibilities as per their job description. Those individuals who qualify will be reimbursed 100% of the costs for tuition, matriculation and registration (additional expenses for books, parking fees, late fees, etc. must be assumed by the individual) as long as the total requests do not exceed the available pool as stated above. In the event that the requests do exceed the available pool, matriculated individuals will be reimbursed on an equal basis. An "equal basis" is hereby defined as each staff member getting 100% of the cost of each credit until the funds are depleted. In the event that the amount being requested exceeds the available pool of monies, the following procedure will be used to determine the amount to be distributed to each staff member:

- (1) The total number of credits being requested for reimbursement will be divided into the available pool.
- (2) This per credit amount will then be multiplied by the credits being requested by each individual teacher to determine how much the staff member will receive.

Staff members who are not matriculated will be eligible for reimbursement if money is available after matriculated individuals have been reimbursed. These funds will be distributed on an equal basis as outlined above.

All staff wishing to be eligible for reimbursement must have coursework included in their Professional Improvement Plan for the current year.

The maximum amount to be reimbursed to the employee shall not exceed the cost of nine (9) graduate credits based on the cost of credits for New Jersey state colleges for the academic year in which the approved course work was taken. The maximum amount eligible for reimbursement will be approved by the Board annually at its July meeting. Should this amount be increased during the school year, the **BOARD OF EDUCATION** will adjust its reimbursement amount accordingly.

### 10.3 Procedure

- A. Course approval requests for courses which conclude between July 1 and December 31 must be submitted to the Superintendent through the building principal no later than June 1 of the year the course is being taken. Within thirty (30) days of the above date the Superintendent will return the course approval request indicating whether the course has been approved and the amount available for reimbursement.
