THIS AGREEMENT made and entered into at West Caldwell, New Jersey, this 24 day of January 2014, by and between **the Township of West Caldwell** in the County of Essex, hereinafter referred to as the "**Township**" or "**Employer**", and the **West Essex Policemen's Benevolent Association, Local No. 81, (West Caldwell Unit)** hereinafter referred to as the "**PBA**".

WITNESSETH:

WHEREAS, the Township and the PBA recognize and declare that providing quality Police protection for the Township is their mutual aim, and;

WHEREAS, the Township Council and the Township Administrator retain the basic decision-making powers over fiscal and management questions, and;

WHEREAS, the Township has an obligation to negotiate with the PBA as the representative of Employees hereinafter designated with respect to the terms and conditions of employment, and;

WHEREAS, the parties have reached certain understandings which they desire to confirm in this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants, it is hereby agreed as follows:

ARTICLE II - WAGES

Section A. All Employees covered by the provisions of this Agreement shall receive the base rate salaries as set forth in "Schedules A-1, A-2, and A-3" attached hereto and made a part hereof.

Section B. At no time shall the base pay for Sergeants be less than ten (10%) percent greater than the base pay for Patrolmen. At no time shall the base pay for Lieutenants be less than ten (10%) percent greater than the base pay for Sergeants.

Section G. Employees who are promoted to a higher-paying job classification shall receive the minimum rate as shown in Schedules "A-1, A-2, and A-3" and then the higher rate on the first anniversary date of the promotion.

Section H. 1. In the event a vacancy shall exist for any reason except as a result of a Department-assigned training or schooling and, as a result, an Officer or Superior is directed to assume, in an acting capacity, a higher rank and perform the duties and responsibilities of such higher rank for a period of at least ten (10) working days, then such Officer or Superior shall receive the salary or pay for the higher rank for any period so worked beginning with the first hour of the eleventh (11th) day.

2. Whenever an Employee is assigned to work at a higher rank in a particular position and performs in that position for ten (10) working days either at one time or cumulatively during several assignments during a calendar year that Officer will be entitled to pay at the higher rank beginning on the eleventh (11th) day of such assignment(s). The provisions of this paragraph shall become effective April 10, 1997.

3. This section shall be interpreted and applied consistent with the Grievance Arbitration and Award of Grievance Arbitrator Joel Douglas (PERC Docket No.: AR-99-112/issued December 30, 1999, and affirmed by the New Jersey Superior Court, Chancery Division on July 11, 2000 (Docket No.: C-110-00).

Section I. In the event that an Officer covered under the terms of this Agreement is scheduled to work when he is to attend a negotiation, grievance meeting under Step 4 or 5, or a hearing before an arbitrator, such one Officer shall be paid for his attendance at such meeting or negotiation. Such Officer should make every effort to schedule the above meetings at a time not in conflict with working hours. In the event an Officer serving as the PBA's delegate to the State PBA or the PBA President require a change of work schedule to attend a State PBA meeting or function, provided that the Officers submit their request

for such change at least thirty (30) days in advance of such meeting or function, such Officers shall be accommodated whenever possible.

Effective 01/01/12	\$56.63
Effective 01/01/13	\$57.74
Effective 01/01/14	\$58.87

As is currently the practice, such payments are not part of the Officer's salary for any purpose, including but not limited to pension, overtime, holiday pay, pay for compensatory time, etc. The public employer shall have the right to add Three Dollars and Fifty Cents (\$3.50) per hour, in addition to the Employee compensation, which shall serve as an Employer Administrative Fee. Payments shall be made through the payroll process of the Township of West Caldwell.

K. The Detective/Corporal Stipend, as reflected in Schedules A-1, A-2 and A-3, shall be increased in the same percentage amount as the base wage rates. The Sergeant Stipend, as reflected in Schedules A-1, A-2, and A-3, shall be nine hundred dollars (\$900.00) annually.

ARTICLE III - OVERTIME

Section A(1) Employees covered by this Agreement shall work a twelve (12) hour tour of duty based upon a shift rotation as demonstrated in Exhibit A annexed hereto.

(2) Employees shall receive one hundred four (104) hours per annum as compensatory time due as a result of the increased work year under Section A. Said compensatory time due shall be earned at the rate of one (1) tour every six (6) weeks. A regular shift will consist of between eighty (80) and eighty-four (84) hours every two (2) weeks at the discretion of the Chief provided that the reduction adjustment to any scheduled day is in increments of four (4) hours unless mutually agreed to be otherwise and the Officer affected by the change shall be given reasonable notice of five (5) days in advance except in the event of an emergency. It is understood that such modification of the Agreement shall not serve to reduce the annual base salary of the Officer involved and that no workday scheduled will be less than eight (8) hours. Use of the one hundred four (104) hours referenced in this paragraph shall be used at the request initiated by the Employee and shall be subject to prior Departmental approval. Any such time not scheduled by October 1st of the entitlement year shall be assigned by the Department and used during that calendar year.

(3) Any Employee who is required or directed to work in excess of or prior to his regularly-scheduled quitting or starting time will be paid overtime at the rate of time and one-half (1½x) for all hours or parts thereof so worked. Any Employee who is required or directed to perform work on any day or part of a day in which the Officer is not regularly

scheduled to work shall be paid for all such hours at the rate of time and one-half (1½x).

(4) The Township shall have the right to change an Employee's scheduled shift hours on any day which is a scheduled working day for the Employee in order to provide necessary manpower coverage due to or caused by absence due to illness or injury, absence due to schooling, vacations, holidays, compensatory time off, bereavement leave, or unpaid leave of absence. In the event such change requires an Employee to report to work or remain on duty at a time or times when such hours are part of scheduled days off, the Employee will be paid at time and one-half (1½) for the hours or parts thereof worked which were scheduled time off.

(5) Any Employee who is required to appear to testify in Municipal Court during off-duty hours will receive pay or compensation at the rate of time and one-half (1½) for all time spent in Municipal Court, with a minimum guarantee of two (2) hours. Any Employee who is subpoenaed to testify in Superior Court or District Court during off-duty hours will receive overtime compensation at the rate of time and one-half (1½).

(6) Any Employee who is required to report back to work after completion of his normal shift hours and prior to the start of his next scheduled shift shall be guaranteed not less than two (2) hours at the overtime rate.

(7) No overtime compensation shall be paid or required in instances when Employees voluntarily switch shifts or voluntarily elect to remain on duty to cover for a later-scheduled Employee.

(8) Employees shall have the election to receive overtime pay in cash or as compensatory time at the election of the Officer. Officers must use compensatory time

beyond forty (40) hours accumulation in the year earned. If the year ends with compensatory time beyond forty (40) hours owed to an Officer, those hours beyond forty (40) will be paid in cash or placed in a deferred compensation account of the Officer, at the Officer's election, if the Officer is eligible for additional contributions to the deferred compensation plan. Officers with compensatory time already accumulated may continue to "bank" that time up to a maximum of four hundred eighty (480) hours as dictated by the Fair Labor Standards Act. This provision shall become effective in the 1997 contract year.

(9) An Officer earning overtime pay shall be entitled to elect payment in either cash or compensatory time on a form provided by the Township at the time of submission of such overtime for payment or crediting.

(10) No Police Officer's scheduled work week shall be changed, altered or modified for the purpose of minimizing, reducing or eliminating overtime compensation nor shall such changes be made as to the result of overtime compensation paid.

Section B. Compensatory time will be accumulated as above. However, it can be used upon five (5) days advance written notification and upon approval by the Captain or Chief of Police.

Section C. In the event an Officer is placed "on call" for any time when he is not otherwise scheduled for duty, he shall receive three (3) hours compensatory time at his regular rate of pay. Being placed "on call" shall mean he is required to remain available and prepared for immediate return to duty. The provisions of this section shall not apply to the Detective Bureau.

ARTICLE IV - PENSION AND INSURANCE

Section A. The Township agrees to provide Blue Cross/Blue Shield with Rider J, or an independent hospitalization policy containing equivalent benefits and Major Medical Insurance, for Employees and their dependents, at no cost to the Employee. Major Medical Insurance shall have a minimum coverage of Ten Thousand Dollars (\$10,000.00) with a maximum One Hundred Dollar (\$100.00) deductible and eighty (80%) percent minimum excess coverage.

Section B. Effective no earlier than January 1, 2004 all Officers shall be placed in the Township's PPO Plan (known as the primary care plan). The specific covered benefits provided shall be equal to or better than those currently provided to Police Officers under the Traditional Plan in existence as of April 3, 2003.

Section C. Pension and retirement benefits shall be provided in accordance with the Statutes of New Jersey.

Section D. The Township will pay the full cost of medical insurance, as provided in **Section B** above, to all Employees covered by this Agreement who retire in accordance with the Police and Firemen's Retirement System.

The Township shall also provide medical insurance, under the terms of the plan in existence for active Officers, to the surviving spouse of any Officer retiring with twenty-five (25) years or more of service. Such coverage will expire when either (1) the spouse becomes eligible for Medicare, at which time the Township shall pay the Part B premium only; or (2) the spouse remarries.

The Township agrees that, commencing January 1, 2005, it will provide fully paid medical benefits for the surviving spouses of all deceased Officers who have previously retired with at least twenty-five (25) years of service.

Section E. The Township agrees to provide group dental expense benefits insurance for Employees and their dependents at no cost to the Employee.

Section F. In the event the Township shall provide a plan of optical insurance for Township Employees, such plan shall be provided to Police Officers covered by this Agreement on the same basis. Unless and until such plan is provided, the Township agrees to reimburse Officers for glasses and contact lenses lost or damaged in the line of duty in an amount up to One Hundred Fifty Dollars (\$150.00).

Section G. 1. Prior to any non-emergency elective inpatient hospitalization, the Employee must participate in a Pre-certification Review Service, at least five (5) business days prior to hospitalization, unless otherwise provided by the Plan Administrator.

2. For emergency admissions, the Employee or dependent patient must notify the plan administrator within two (2) business days after an emergency hospitalization begins.

3. It is the responsibility of the Employee/dependent to inform the physician and/or hospital that this Plan has a Pre-Admission Certification Program.

Section H. Effective January 1, 2012, all Employees shall contribute 2.13% of their base salary, or the statutory contribution based on percentage of premium costs required under P.L. 2011, Chapter 78, whichever is greater towards the cost of health insurance.

ARTICLE V - VACATION AND HOLIDAYS

Section A. All Employees covered by this Agreement shall receive vacations in accordance with the following schedule:

<u>Length of Service</u>	<u>Vacation Days</u>
Up through five years	96 hours
Six through nine years	120 hours
Ten through eleven years	128 hours
Twelve through fourteen years	144 hours
Fifteen through nineteen years	168 hours
Twenty years and thereafter	200 hours

Section B. All Police Officers covered by this Agreement will be provided with one hundred four (104) annual hours of holiday leave per year which shall be paid to them in one (1) payment on the second payday of each November at the rate of pay then in effect. Effective January 1, 2004, the holiday benefit has been folded into, and will be paid along with regular base compensation. (See Attached Salary Scale). In the event the Township shall officially declare, grant or create additional holidays, such additional holidays will be extended on the same basis (e.g., eight (8) hours) to Police Officers without need for further negotiations.

Section C. 1. Effective January 1, 2005, vacation time which can be carried over from one calendar year to the next calendar year shall be capped at two hundred (200) vacation hours per Employee. Current Employees who are in excess of two hundred (200)

hours are grandfathered, subject to the buy down provisions. Any current excess hours are subject to a buy down of not more than ten percent (10%) of said excess amount per calendar year. The buy-down may be initiated by the Employer or the Employee. The Employer and Employee may mutually agree to a greater percentage on the buy down.

2. In the event that vacation hours in excess of the capped amount are not utilized by the end of the year and a timely request to use said vacation hours was made and denied by the Township then the Township shall have the option of paying for the days or carrying them over. The carryover of any excess vacation time by the Township under this provision which is in excess of the capped amount shall not be construed as a past practice or policy of any kind. This provision shall not apply to the current grandfathered amounts but shall apply to all vacation hours earned in excess of the two hundred (200) hour cap or the grandfathered amount.

ARTICLE VI - GRIEVANCE PROCEDURE

Section A. A grievance shall mean any dispute between the PBA and the Employer or between any Employee and the Employer concerning the interpretation or application of this Agreement.

Section B. All grievances shall be settled in accordance with the following grievance procedures:

Step 1 - The grievance shall be taken up by the aggrieved Employee and his immediate supervisor within five (5) working days. The supervisor shall render a decision, verbally or in writing, within five (5) days.

Step 2 - If the grievance is not satisfactorily resolved in Step 1, it shall be reduced to writing within five (5) working days and referred to the Chief of Police for further discussion. A meeting will be held between the Chief of Police and the grievant within five (5) working days from presentation.

The decision of the Chief of Police shall be in writing within five (5) working days following the meeting.

Step 3 - If the grievance is not satisfactorily resolved in Step 2, the grievance shall be referred to the Township Administrator within five (5) working days for further discussion. A meeting will be held by the Administrator with the grievant within five (5) working days from presentation. The decision of the Administrator at this level shall be in writing within five (5) working days following the meeting.

Said hearing shall not be public unless the parties so agree in writing. The Mayor and Council shall render a written decision within five (5) working days of the date of the hearing.

Step 5 - If the grievance is not satisfactorily resolved in Step 4, the aggrieved party may submit the matter to arbitration within fifteen (15) working days of the receipt of the written decision. The arbitrator shall be selected by the parties from a panel of proposed arbitrators submitted by the New Jersey Public Employment Relations Commission.

Section D. The costs of arbitration shall be shared equally by the parties.

Section E. The decision of the arbitrator shall be final and binding upon the parties.

Section F. The time limits specified above shall be complied with unless the parties mutually agree to extend them.

Meetings shall be held at the convenience of the parties.

Any grievance not presented within the time limits shall be deemed satisfactorily resolved unless a waiver is agreed upon.

Failure of the Employer to set up a meeting when required or to render a decision

within the time limits shall be deemed an unsatisfactory resolution and shall entitle the grievant to move to the next step.

The PBA shall have the right to be present and state its views at all steps of the grievance procedure.

Section G. The initial three steps of the grievance procedure may be waived by the parties upon mutual agreement.

Section H. Upon notice to and approval of the Chief of Police, which shall not be unreasonably withheld, counsel for the PBA may enter the Police Department at reasonable times for the purposes of investigating facts relating to Employee grievances, preparation of negotiations or other matters relating to the operation of this Agreement. There shall be no interference with the operations of the Department.

ARTICLE VII - LEGAL REFERENCE

Nothing contained in this Agreement shall in any way diminish the authority conferred by Law, Ordinance, Resolution or Administrative Code and Police Department Rules and Regulations upon any Township Official or in any way abridge or reduce such authority, and the Township reserves the full right and authority to make any additions and modifications of the foregoing as it may deem necessary and advisable from time to time. This Agreement shall be construed as requiring the Township Officials to follow the terms contained herein, to the extent that they are applicable in the exercise of the powers conferred upon them by law.

Nothing contained herein shall be construed to deny or restrict to any Officer such rights as he may have under any other applicable Laws and Regulations.

ARTICLE VIII - MANAGEMENT RIGHTS

Section A. Except as modified by provisions of this Agreement, the Township of West Caldwell reserves and retains solely and exclusively all of its statutory, Common Law and administrative rights to manage the operation of the Police Department of the Township of West Caldwell, and such shall include, but are not limited to, its rights to determine the existence or nonexistence of facts which are essential to the proper operation of the Township Police Department and/or management decisions; to establish or continue policies, practices or procedures for the conduct of the Police Department and its services to the citizens of West Caldwell, and, from time to time, to change or abolish such practices or procedures; to determine and, from time to time, redetermine the number, locations and relocation and types of its Officers and Employees or to require or to discontinue any performance by Officers or Employees; to determine the number of hours per day of the week any operation of the Police Department may be carried on; to select and determine the number of types of Officers required; to assign such work to such Officers in accordance with the requirements determined by the Department of Police and Township Authorities; to establish training programs and upgrading requirements for Officers and/or Employees within the Department; to establish and change work schedules and assignments; to transfer, promote or demote Officers or Employees for just cause, or to lay off, terminate or otherwise relieve Officers and/or Employees from duty for lack of work or other legitimate reasons; to determine the facts of lack of work; to alter, make and enforce reasonable rules for the maintenance of discipline; to suspend, discharge, or

otherwise discipline Officers and/or Employees for just cause and otherwise to take such measures as the Township may determine necessary for the orderly and efficient operation of the Department of Police for the Township of West Caldwell, New Jersey; provided, however, nothing herein shall prevent an Officer from presenting his grievance for the alleged violation of any article or specific terms of this Agreement under the provisions of the Grievance Procedure.

ARTICLE IX - RULES AND REGULATIONS

The Township has established and, from time to time, may alter or amend and enforce binding rules and regulations in connection with the operation of the Police Department and maintenance of discipline, provided such rules and regulations are not in conflict with the provisions of this Agreement. Copies shall be furnished to each Officer of the Police Department. It is understood that no provision of this Agreement shall in any way prevent enforcement of the Departmental rules and regulations.

Every Officer and Employee shall comply with all rules and regulations of the Department, and any order or directive issued by the Chief or his designees. Officers and Employees shall promptly and efficiently execute the instructions and orders of Superior Officers. If an Officer or Employee believes a rule, regulation, instruction, or order of a Superior Officer or other Superior is unreasonable, or unjust, the Officer or Employee shall comply with the rule, regulation order, or instruction, but with the further provision that such Officer or Employee may regard the rule, regulation order, or instruction as a grievance which shall be handled in accordance with the grievance procedure set forth in Article VI of this Contract.

In the event that an Officer or Employee shall refuse to comply with a rule or regulation, or shall refuse to execute promptly or efficiently an instruction or order of a Superior Officer, appropriate action shall be taken by the Superior Officer within the framework of Department rules and regulations, subject only to the right of the Officer or Employee to file a grievance.

ARTICLE X - DISCRIMINATION OR COERCION

Section A. There shall be no discrimination, interference, or coercion by the Township or any of its agents against the Employees represented by the PBA because of membership or activity in the PBA. The PBA or any of its agents shall not intimidate or coerce Employees into membership. Neither the Township nor the PBA shall discriminate against any Employee because of race, creed, color, age, sex, or national origin.

ARTICLE XI - BAN ON WORK STOPPAGES

Section A. It is recognized that the prevention of crime, the preservation of Law and Order, and protection of life and property is the responsibility of the Township and the members of the Police Department, and it is further recognized that the need for continued and uninterrupted operation of the Police Department is of paramount importance to the citizens of the community; therefore, there shall be no interference with such operation.

Section B. Adequate procedures having been provided for the equitable settlement of grievances arising out of this Agreement there shall not be, and that the PBA, its Officers, members, agents or principals, will not engage, encourage, sanction or suggest strikes, slowdowns, mass resignations, mass absenteeism or other suspension of or interference with normal work performance.
