ARTICLE III
GRIEVANCE PROCEDURE

A. Definitions

A "grievance" shall mean a complaint by an employee(s) or by the Association based upon the interpretation or application of policies or administrative decisions and practices affecting an employee or a group of employees or an alleged violation of or violation from the provisions of this Agreement, or the interpretation or application thereof.

The term "grievance" shall not be deemed applicable in the following instances:

1. The failure or refusal of the Board to renew a contract of a non-tenure employee;
2. In matters where a method of review is prescribed by law, or by any rule, regulation, or by law of the State Commissioner of Education or the State Board of Education;
3. In matters where the Board is without the authority to act;
4. In matters involving the sole and unlimited discretion of the Board;
5. In matters where the discretion of the Board may not be unlimited but where after the exercise of such discretion, a further review of the Board's action is prescribed under provisions of State Law.

The term "representative" shall include any organization, agency or person authorized or designated by the Association or by the Board to act on its or their behalf and to represent it or them. The term "aggrieved employee" or "aggrieved" shall mean any employee, group of employees or the Association.

The term "immediate superior" shall mean the person to whom the aggrieved employee is directly responsible under the Table of Organization prevailing in this School District. The term "party" means an aggrieved, the aggrieved's immediate superior, the school principal or any staff member below the Superintendent who may be affected by the determination of the Superintendent in connection with the procedure herein established.

B. Procedure

1. An aggrieved employee shall institute action under the provisions hereof within thirty (30) calendar days of the occurrence complained of, or within thirty (30) calendar days after the aggrieved would reasonably be expected to know of its occurrence. Failure to act within said thirty (30) day period shall be deemed to constitute an abandonment of the grievance.

2. An employee processing a grievance shall be assured freedom from restraint, interference, coercion, discrimination, or reprisal.

3. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum, and every effort should be made to expedite the process. The time limit specified may, however, be extended by mutual agreement.

4. It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.

Level 1

An employee with a grievance shall first discuss it with the principal or immediate supervisor with the objective of resolving the matter informally. The principal or immediate supervisor shall render an informal decision within ten (10) school days after the initial discussion.

Level 2

If, as a result of the informal discussion, the aggrieved is not satisfied with the disposition of the grievance, the aggrieved may formally file the grievance in writing with the principal within twenty (20) school days after the discussion at Level 1. The grievance in writing to the principal shall specify (a) the nature of the grievance; (b) the nature and extent of the injury, loss or inconvenience, and (c) the result of the previous discussions. The principal may, within ten (10) school days after the hearing, or, if no hearing is held, within twenty (20) school days after receipt of the grievance, respond to the grievance.

Level 3

If the aggrieved is not satisfied with the disposition of the grievance at Level 2, or, if no decision has been rendered within twenty (20) school days after the grievance was delivered to the principal, the aggrieved may submit the grievance to the Superintendent or the Superintendent's designee within ten (10) school days. Within ten (10) school days after receipt of the grievance, the Superintendent or the Superintendent's designee may confer jointly or severally with the parties involved and shall within ten (10) school days after such conferences, submit the written decision to the aggrieved or, if no conference is held, the Superintendent or the Superintendent's designee shall issue a written decision within twenty (20) school days after receipt of the grievance.

Level 4

In the event the aggrieved is not satisfied with the determination of the grievance at Level 3 by the Superintendent, the aggrieved may request to submit the grievance to the Board or to a committee designated by the Board. The grievance shall be submitted to the Board by the grievant within fifteen (15) school days after receipt of the decision at

Level 3. The grievance shall set forth the elements contained in Level 2 together with all other prior decisions. If the aggrieved does not request a hearing, the Board may consider the appeal of the written record submitted to it, or the Board may on its own conduct a hearing, or it may request the submission of additional material.

Level 5

In the event an aggrieved is dissatisfied with the determination of the Board, the aggrieved may submit a formal demand for binding arbitration in accordance with the procedure hereinafter set forth. A request for such binding arbitration shall be made no later than fifteen (15) school days following the determination of the Board. Failure to file within the said time shall constitute a bar to such arbitration unless the parties have extended the time by mutual agreement. Pursuant to the procedure described above, if the Association chooses to seek arbitration, it will file its demand with the Public Employment Relations Commission ("PERC"). The parties shall be bound by the rules and procedures of PERC. The arbitrator so selected shall confer with representatives of the Board and the Association's Grievance Committee and hold hearings promptly. The arbitrator shall issue the decision not later than twenty (20) days from the date of the closing of the hearing unless the time shall be extended by mutual consent. The arbitrator's decision shall be in writing. The arbitrator shall be without power or authority to make any decision which requires the commission of an act which is prohibited by the New Jersey Constitution or State law. The decision of the arbitrator shall be submitted to the Board, the aggrieved, and the Association, and shall be binding upon the parties. The cost of the services of the arbitrator, including per diem expenses, if any, shall be borne equally by the Board and the Association.

5. Authority of Arbitrator

The arbitrator shall be limited to the issues submitted and shall consider nothing else. The arbitrator can add nothing to, nor subtract anything from the agreement between the parties. The arbitrator shall not be governed by legal rules of evidence, but may receive any logical evidence which the arbitrator may deem to have probative value. The decision of the arbitrator shall be final and binding upon the Board, the Association and all the employees.

6. Arbitrability

In the event the question of arbitrability of the grievance is raised between the parties, the matter shall be promptly determined by the arbitrator.

7. Rights of Employees to Representation

(a) Employees Represented by the Association

Any aggrieved employee or employees may be represented at all stages of the grievance procedure individually or by a representative selected or approved by the Association.

(b) Employees Not Represented by the Association

When an employee or employees are not represented by the Association in the processing of a grievance, the Association shall at the time of submission of the grievance at Level 2 be notified that the grievance is in process, has the right to present, and state its position in writing at all meetings held with the employee, and shall receive a copy of all decisions.

8. Forms

Forms for filing grievances, serving notices, making reports and recommendations and other necessary documents shall be prepared jointly by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.

9. Costs

1. Each party will bear their own costs incurred in the grievance/arbitration procedure.

2. The fees and reasonable expenses of the arbitrator are the only costs which will be shared by the two parties and such costs will be shared equally.

10. Class Grievances

If in the judgment of the Association a grievance affects a group or class of employees, which has common issues of fact and law, and the Superintendent agrees that it is system-wide, the Association may initiate and submit such grievance in writing at the Superintendent's level of the grievance procedure set forth in this Article. At least one employee's signature shall be affixed to a Class Grievance.

11. Meetings and Hearings

All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives, heretofore referred to in this ARTICLE.

ARTICLE IV
EMPLOYEE RIGHTS

A. Rights and Protection in Representation

The Board hereby agrees that every employee of the Board shall have the right to freely organize, join and support the Association and its affiliates for the purpose of engaging in collective negotiations and other organizational activities for mutual aid and protection as authorized by N.J.S.A. 34:13A-1 et seq. As a duly selected body exercising governmental power under the laws it shall not directly or indirectly discourage or deprive or coerce any employee in the enjoyment of any rights conferred by N.J.S.A. 34:13A-1 et seq. or other laws of New Jersey or the Constitutions of New Jersey and the United States; that it shall not discriminate against any employee with respect to hours, wages, or any terms or conditions of employment by reason of the membership in the Association and its affiliates, the participation in any activities of the Association and its affiliates, collective negotiations with the Board, or the institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

B. Statutory Savings Clause

Nothing contained herein shall be construed to deny or restrict to employees such rights as they may have under New Jersey School Laws or other applicable New Jersey or Federal Laws and Regulations. The rights granted to employees hereunder shall be deemed to be in addition to those already provided by law.

C. Required Meetings or Hearings

1. Whenever an employee is required to appear before the Board or any committee or member thereof concerning any matter which could adversely affect the continuation of that employee in the employee's office, position or employment or the salary or any increments pertaining thereto, then the employee shall be given prior written notice of the reasons for such meeting or interview and shall be entitled to have a representative of the Association present to advise and represent the employee during such meeting or interview.

2. Whenever an employee is required to appear before a principal or other administrator for a formal evaluation conference, such employee shall have the privilege to adjourn the conference, if, after its commencement the employee believes that such conference could adversely affect the continuation of the employee in the employee's position, salary or salary increment. The purpose of such adjournment would be to provide the employee with an opportunity to obtain the services of a local representative to be present to counsel and advise the employee during such subsequent conference.

3. The principal or administrator, in the case of an adjournment, may request the presence of the Superintendent or the Superintendent's designee during the subsequent conference. It is understood and agreed that the privilege to adjourn the conference by the employee shall not be acquired until after the commencement of the original conference and the employee has determined that the conference is adversely affecting the employee's position,

salary, or salary increment. Arrangements for subsequent conference shall be made within three (3) working days after the adjournment.

D. Association Identification

No employee shall be prevented from wearing pins or other identification of membership in the Association or its affiliates.

E. Just Cause

No employee shall be disciplined without just cause. Any such action asserted by the Board or any agent or representative thereof, shall be subject to the grievance procedure herein set forth.

ARTICLE V

G. Exclusive Right

The rights and privileges of the Association and its representatives as set forth in this Agreement shall be granted only to the Association as the exclusive representative of the employees, and to no other representative organizations. However, despite reference in this

Agreement to employees or Association as such, the Association reserves the right to act for itself and any employee by committee or representative whether or not a unit member.

H. Mutually Scheduled Proceedings

Whenever any teacher or any representative of the Association and the Board, or any duly designated representative mutually schedule participation during working hours in negotiations or grievance proceedings, the teacher or Association representatives shall suffer no loss in pay.

I. Association Time

Effective September 1, 2016, the Association shall have one (1) duty free period per day per school in order to conduct Association/Board business, which, in the elementary schools, will not affect instructional time. The Association shall present each building administrator with a list identifying requested staff members to serve as building representatives for the union during the following school year by June 15th. The President and/or designee shall meet with each building administrator to discuss scheduling of Association time and staff prior to June 30. A. Rights, Powers and Duties

The Board may not, by agreement or through arbitration, delegate powers and responsibilities which by law are imposed upon and lodged with the Board. Any contract must include and therefore be subject to the New Jersey school laws and all other applicable laws and regulations. The Board, on its own behalf and on behalf of the electors of the district, hereby retains and reserves unto itself all powers, rights, and authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of New Jersey and of the United States, including but without limiting the generality of the foregoing, the right:

1. To the executive management and administrative control of the school system and its properties and facilities, and the activities of its employees;

Nothing contained herein shall be considered to deny or restrict the Board of its rights, responsibilities, and authority under the New Jersey school laws or any other national, state, county, district, or local laws or regulations as they pertain to education.

C. Professional Relationships

The parties further acknowledge that this Agreement has been negotiated and executed with the objective of setting forth mutual rights, obligations and responsibilities. There shall be no discrimination by the Board against any officer of the Association for any legal activity in carrying out that office, nor shall the Association or any of its members encourage or conduct a strike, impose sanctions or undertake any concerted activity which shall cause a slowdown or disruption of any of the operations and activities of the school system.

D. Resolution of Disputes

If the physician's certificate provided by the employee or the report of the impartial physician does not support the length of requested leave period, the Board may deny such leave or modify the length of the time requested. If the physician's certificate produced by the employee or advice of the impartial physician supports the length of the requested leave period, the Board shall grant such leave, except if the granting would substantially interfere with the administration of the school. Upon granting of such leave, the term may be extended or reduced based upon medical reasons upon application by the employee to the Board for such extension or reduction. Such application shall be supported by a certificate of a physician. In the event of a dispute concerning the physician's certificate, the matter shall be referred to the Middlesex County Medical Society. In addition, an employee shall not be denied or deprived of any benefits to which he/she would otherwise be entitled based solely on the fact that child rearing leave was obtained, except that the Board shall not pay medical, dental, or pharmaceutical premiums after the exhaustion of the employee's entitlement to leave pursuant to the Family and Medical Leave Act of 1993, 29

U.S.C. §2601 et seq., and the New Jersey Family Leave Act, N.J.S.A. 34:11B-1 et seq.
