GRIEVANCE PROCEDURE**

A. The procedure for adjusting grievances shall provide each employee with a full opportunity for presenting the member's grievance and for the participation of the Association's representatives.

B. Definition:

A grievance shall be defined as a complaint by an employee that, as to the employee, there has been an inequitable, improper and unjust application, interpretation or violation of this Agreement and/or general practices in effect in the Township.

C. Presentation of Grievance:

In the presentation of the grievance, the grievant shall have the right to present the grievant's own appeal or to designate an Association Representative to appear with the grievant. There shall be no loss of pay for the time spent in presenting the grievance by the grievant through the grievance procedure.

D. Steps of Grievance Procedure:

Step 1 The grievant shall institute action under the provisions hereof in writing, signed, and delivered to the Director of the Department within ten (10) working days after the grievant would reasonably be expected to know of the occurrence.

Failure to act within said ten (10) working days shall be deemed to constitute an abandonment of the grievance. The Director shall render a decision, in writing, within five (5) working days after receipt of the grievance.

Step 2 In the event a satisfactory settlement has not been reached, the grievant shall, in writing and signed, file a complaint with the Township Administrator within ten (10) working days following the determination of Step 1. The Administrator shall render the decision within five (5) working days after the receipt of the complaint.

The Arbitrator's decision shall be in writing and shall set forth the finding, facts, reason, and conclusion of the issues submitted. Said decision will be final and binding on all parties. The cost for the services of the Arbitrator shall be borne equally by the Township and the Association. Any other expenses incurred in connection with the arbitration shall be paid by the party incurring the same.

**ARTICLE X  
LEAVES OF ABSENCE**

A. SICK LEAVE:

1. As used in this section, "sick leave" means paid leave that may be granted to each full-time employee who through sickness or injury becomes incapacitated to a degree where the employee is unable to perform the duties of the employee's position or who is quarantined by a physician because the employee has been exposed to a contagious disease.
2. During their first (1st) year of employment, full-time employees shall be entitled to one (1) sick day with pay for each month worked; thereafter they shall be entitled to one and one-quarter (1 1/4) days for each month worked until the end of the calendar year, when Paragraph A.3 becomes effective.
3. Full-time employees shall be entitled to fifteen (15) working days of sick leave with pay per year in each calendar year after they have completed one (1) year of satisfactory continuous service, subject to paragraph A.2.
4. Sick leave may be accumulated from year to year without limit and may not be used in advance of its accrual.
5. Upon termination or resignation in good standing, a Public Works/Parks Maintenance employee who has served ten (10) years with the Township of Bridgewater shall receive one (1) days pay for every four (4) days of accumulated unused sick leave based on a maximum accumulation of two hundred (200) sick days. (Example: 100 accumulated sick days equals pay for 25 days.) This shall be modified by the provisions of Paragraph A.10 below.
6. Upon retirement, a Public Works/Parks Maintenance employee who has served with the Township of Bridgewater shall receive one (1) day's pay for every three (3) days of accumulated unused sick leave based on a maximum accumulation of two hundred forty (240) sick days. (Example: 150 accumulated sick days equals pay for 50 days.) This shall be modified by the provisions of Paragraph A.10 below.
7. Accumulated sick leave may be used by an employee only for personal illness or disabling injuries.
8. EXTENDED SICK LEAVE POLICY:
  - a. General: In the event that an employee's illness or disability continues for a prolonged period and the employee has exhausted the accumulation of unused sick leave days, annual vacation and personal leave days, extended sick leave benefits may be available to the employee for a maximum

period of twenty-six (26) weeks. The first thirteen (13) weeks or any portion thereof shall be paid at the employee's full annual base salary. The next thirteen (13) weeks or any portion thereof shall be paid at the rate of fifty percent (50%) of the employee's annual base salary.

- b. Condition of Eligibility: Extended sick leave benefits shall be available to employees pursuant to the following terms and conditions:
- i. The employee shall have successfully completed the employee's probation period and have regular employment status with the Township.
  - ii. An employee shall have exhausted the employee's accumulation of unused sick leave, personal leave and vacation leave and shall have continued to be ill or disabled.

9. When an employee is absent from work because of illness for more than three (3) consecutive days, the employee's Department Director may require the employee to submit a certificate from a physician relating to the employee's illness, extent of disability and when the employee can return to work.

10. (a) All current BPWA employees shall be allowed to bank sick leave for use in the future as to illnesses in accordance with the provisions above. In addition, all employees hired on or before January 1, 2012 shall be permitted, only upon retirement (as defined by New Jersey law), a sum of money as established below. Otherwise, no employee shall be compensated for unused accumulated sick leave at time of retirement.

(b) Any BPWA employee hired on or before January 1, 2012 shall, at the time of retirement (as defined by New Jersey law) and according to all Township ordinances, be eligible to receive an amount of money based upon the following formula:

- (1) Only sick leave days accumulated and unused on the Township's books for said employee as of December 31, 2012 shall be eligible for calculation;
- (2) This number shall be further reduced so that pay shall be based on one (1) day's pay for every three (3) accumulated unused sick leave days based on a total of maximum accumulation before reduction of two hundred forty (240) sick days (Example: 240 accumulated sick days equals pay for 80 days);
- (3) That number, determined by (b)1 and (b)2 above, shall then be multiplied by the employee's daily per rate (base salary plus longevity divided by 260) in effect as of December 31, 2012;

(4) The amount set forth in (b)1 above shall be a maximum number; if an employee draws down on his accumulated sick leave bank once he has exhausted his current sick leave, he may not re-accumulate any unused sick leave time for pay at time of retirement, only for use in case of illness. (Example: if an employee has 80 days on the books as of December 31, 2012 and has to use 20 days of such, the maximum he can then be paid out is 60). Said pay bank can be further reduced every time an employee has to use time out of his accumulated leave.

(5) Employees may accrue sick time in the future for use when sick according to all Township ordinances, but will not be paid for any accrued sick days earned after December 31, 2012.

(c) The provisions of Article X, Section A(5) shall also be governed by the provisions of Paragraphs A.10(a) and A10(b) above for all individuals employed in the bargaining unit as of January 1, 2012 shall be allowed a sick leave bank in the amount of sick days they had as of December 31, 2012 at the rate in effect as of December 31, 2012. Said employee may be eligible for payment of such days if they meet the criteria as follows: ten (10) or more years at time of separation (i.e. termination or resignation) or twenty-five (25) years for retirement under the provisions above.

**B. MILITARY LEAVE:**

1. Any full-time regular employee who is a member of the National Guard, Naval Militia, Air National Guard or a reserve component of any of the armed forces of the United States and who is required to engage in field training, shall be granted a military leave of absence in addition to that employee's vacation, for the period of such training as authorized by law. The employee shall be paid the weekly rate of pay for scheduled work time lost, exclusive of overtime, upon presentation of proper evidence of military service.
2. When an employee has been called to active duty or inducted into the military or naval forces of the United States, the employee shall be granted an indefinite leave of absence without pay for the duration of such active military service, provided that the employee does not voluntarily ext end such service. Such employee shall have the right to reinstatement to the employee's former position or a position of equal status without the loss of privileges or seniority, provided the employee reports for duty with the Township within ninety (90) days following the employee's honorable discharge.

**C. FORCE REDUCTION:**

Whenever there is a lack of work or lack of funds requiring a reduction in the number of employees in the Department, the required reduction(s) shall be made on a basis of length of service within the BPWA and the ability to perform the work within each job

classification.

D. LEAVE WITHOUT PAY:

1. Leave without pay may be granted to full-time employees. Normally, it shall be granted only when the employee has used the employee's accumulated sick leave and vacation leave in the case of illness, or the employee's vacation leave if leave without pay is requested for reasons other than illness. During this period, the employee shall not accrue any benefits or seniority.
2. Except in an emergency, requests for leave without pay must be initiated in writing by the employee three (3) days in advance, containing the starting date, approximate date of return and reasons for such request. It shall be approved by the Department Director and Township Administrator.

Paragraph 26-48

PERSONNEL POLICIES

ARTICLE XII

Miscellaneous Rules and Regulations

24-48. Safety and accident reporting. (Amended 7-15-85 by Ord. No. 85-21)

- A. The prime objective of the township is to keep manpower losses and monetary losses to a minimum by providing protection to individual workers. A basic requirement of an effective safety program is that personnel will be trained in their safety responsibilities. Management will provide the tools, personnel and plans, but must depend upon supervisors and employees to promote safe working conditions. All employees are expected to observe posted rules and signs and written or verbal instructions relating to personal safety. In addition to avoiding accidents, employees will report potential accidents and fire hazards to their Department Directors, and to cooperate fully to ensure that the safety of persons or property is not endangered. All motor vehicle accidents must have police response and report.

An employee who is involved in an accident, damages township equipment or damages the equipment of other persons in the performance of his/her duties shall immediately report the accident, regardless of severity, to his supervisor and shall complete a form provided for such reports. The completed employee accident report form, along with the Department Director's written assessment of the accident or incident, will be forwarded to the Business Administrator for review and disposition for further action by the Risk Management/Safety Committee. Flagrantly failing to abide by safety regulations can lead to disciplinary action.
