Article I

RECOGNITION

The title “employee” shall be defined to include the plural as well as the singular and to include males and females.

Article II

NEGOTIATIONS PROCEDURE

Pursuant to New Jersey Statutes Title 34 et seq., the Township of Voorhees agrees to enter into negotiations with the Association concerning terms and condition of employment as defined by the New Jersey Public Employer-Employee Relations Commission.

The Township agrees to enter into collective negotiations with the representatives of the Association, which has been designated the sole and exclusive agent for collective negotiations for all members.

This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

The Township agrees not to negotiate concerning said employees in the Association unit as defined in Article I of this Agreement, with any organization other than the Association for the duration of this Agreement.

During the term of this Agreement neither party shall be required to negotiate with respect to such matters whether or not covered by this Agreement whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or executed this Agreement.

Except as this Agreement shall hereinafter provide, all terms and conditions of employment applicable on the effective date of this Agreement to employees covered by this Agreement as established by the rules, regulations and/or policies of the Township in force on said date, shall continue to be so applicable during the term of this Agreement.

Article III

EMPLOYEES' RIGHTS AND PRIVILEGES

Pursuant to N.J.S.A. Title 34, Public Laws, 1986, the Township hereby agrees that every employee of the Township shall have the right freely to organize, join and support the Association and its affiliates for the purpose of engaging in collective negotiations and other concerted activities for mutual aid and protection.

Article IV

REPRESENTATION

The Association will select three (3) shop stewards to represent said Association in any dispute, which may arise pursuant to the grievance procedure as outlined below. The Township will allow the shop stewards a reasonable amount of time to investigate and process grievances pursuant to the grievance procedure as outlined below. The Association will notify the Township in writing as to the identity of the shop stewards and their alternates, if necessary.

Article V

GRIEVANCE PROCEDURE

The term “grievance” as used herein means any dispute arising over the interpretation, application or alleged violation of then current policies, agreements and administrative decisions effecting the terms and conditions of employment and shall be raised by an individual or group of individuals or the Township.

A. The purpose of this procedure is to secure at the lowest possible level, an equitable solution of the problems which may arise effecting the terms and conditions of this Agreement.

B. Nothing herein shall be construed as limiting the right of the employee having a grievance to discuss the matter informally with any appropriate member of the Department Staff.

C. Nothing herein shall be deemed to deny the employee of his/her statutory or other legal rights concerning discipline. Nothing herein shall be deemed to deny employees of their rights to pursue any other statutory or legal remedies in lieu of resorting to the grievance procedure.

D. Steps of the Grievance Procedures:

Step 1: An aggrieved employee through his/her shop steward shall institute action under the provisions hereon within thirty (30) days of the occurrence of the grievance, and an earnest effort shall be made to settle the dispute between the aggrieved employee, the shop steward and the immediate supervisor, for the purpose of resolving the matter informally. Failure to act within thirty (30) days shall be deemed to constitute an abandonment of the grievance. If a resolution of the grievance has not been reached within two (2) days of the informal discussion, the grievance may proceed to Step 2.

Step 2:

a. In the event a satisfactory settlement has not been reached in Step 1, the shop steward may within five (5) days of the supervisor's decision, file a written grievance with the Administrator.

b. The Administrator shall review the matter and make a determination within ten (10) days from receipt of the grievance.

c. In the event a satisfactory settlement has not been reached on Step 2, the shop steward may within five (5) days of the Administrator's decision file a notice of appeal of that decision with the Township Committee.

d. The Township Committee shall review the matter and make a written determination within twenty (20) days from receipt of the grievance.

Step 3: In the event a satisfactory settlement has not been reached in Step 2, the shop steward may within five (5) days of the date of the Township Committee's notice of decision, file a written grievance with the Association and request the Association to move the matter to arbitration. The Association, if it determines the grievance is meritorious, shall move the grievance to arbitration through the American Arbitration Association or the Public Employee-Employer Relations Commission. The Commission, upon receipt of the grievance, shall bind both parties to its rules and regulations on the selection of an arbitrator to hear this matter.

Step 4: The selected arbitrator shall convene both the parties in this matter to hear the effected grievance. The arbitrator shall be bound by the terms of the Agreement and to the application of the facts presented to him/her at the grievance hearing. The decision of the arbitrator shall be issued within thirty (30) days of the close of the hearing. The decision of the arbitrator shall be final and binding on both parties.

Step 5: Miscellaneous

It shall be understood by the parties that either party's non-response at any level shall be deemed a failure to respond and the matter shall move to the next respective level of the procedure.

Any extension of the limits or timeframes on all grievances must be in writing and agreed to by both parties.

If a grievance is filed by a member of the supervisors' unit, all aspects of the aforementioned procedures and language under Article V. D. shall apply, except that the steps of the grievance procedures shall be modified such that the aggrieved supervisor will proceed directly to the Administrator's step in the process.

Article VI

PROMOTIONS, TRANSFERS AND JOB VACANCIES

In the event an existing or new job opening is available, the Township will notify the Association of said opening in writing and will allow all current bargaining unit employees the right to bid for said opening. All current bargaining unit employees will be considered for all available positions provided that the employee is qualified to perform the position in question.

An employee who wishes to bid for an opening must notify the Township and the appropriate shop steward in writing of his/her interest in the job opening.
