The Office of the Bergen County Prosecutor hereby recognizes Local 221 as the sole and exclusive representative of all Prosecutor's Investigators and Detectives, excluding all Superior Officers and the Chief of Detectives, covered under this Agreement.

P.J. ... 1985

MANAGEMENT RIGHTS

Except as modified, altered, or amended by the within Agreement and subject to law, the Employer shall not be limited in the exercise of his statutory management functions. The Employer hereby retains the exclusive right to hire, direct and assign the working force; to plan, direct and control operations; to discontinue, reorganize or combine any section with any consequent reduction or other changes in the working force observing demotional rights established by Civil Service; to hire and lay off employees in accordance with Civil Service procedures; to introduce new or improved methods of facilities regardless of whether or not the same cause a reduction in the working force, and in all respects to carry out the ordinary and customary functions of management, including the establishment of such operational rules as it shall deem advisable.

EMPLOYEES' BASIC RIGHTS

Pursuant to Chapter 303, Public Laws 1968, the Employer hereby agrees that every employee shall have the right freely to organize, join and support the Association and its affiliates for the purpose of engaging in collective negotiations and other concerted activities for mutual aid and protection. As a body exercising governmental power under the Laws of the State of New Jersey, the Employer undertakes and agrees that it shall not directly or indirectly discourage or deprive or coerce any employee in the enjoyment of any

rights conferred by Chapter 303, public laws 1968, or other laws of New Jersey of the constitution of New Jersey and of the United States.

The Employer further agrees that it shall not discriminate against any employee with respect to hours, wages, or any terms or conditions of employment by reasons of his membership in the Association and its affiliates, his participation in any activities of the Association and its affiliates, collective negotiations with the Employer, or his institution or any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment, as prescribed by the Statutes of the State of New Jersey.

For the purposes of this Agreement, the term "Detectives and Investigators" shall be defined as full time employees employed on a permanent basis, and to include the plural as well as the singular, and to include females as well as males.

EXISTING LAW

The provisions of this Agreement shall be subject to and subordinate to, and shall not annul or modify, existing applicable provisions of State or Federal laws.

ASSOCIATION REPRESENTATIVES

The Employer recognized the right of the Association to designate representatives within the Department and alternatives for the enforcement of this Agreement, provided that the representative and alternates do not exceed three in number and that they are employees covered by this Agreement or their attorneys.

The Association shall furnish the Employer in writing the names of the representatives and the alternates and notify the Employer of any changes.

The authority of the representatives and alternates so designated by the Association shall be limited to, and shall not exceed, the following duties and activities:

- (a) At the request of a Detective or Investigator, to investigate and participate in settling grievances in accordance with Chapter III, 3:7-3:10 of the Manual of Rules and Regulations, Investigative Staff.

The designated Association representative shall be granted reasonable time with pay during working hours to participate in settling grievances, as requested, and to attend all meetings and conferences on collective negotiations with Employer officials. There shall be no overtime or compensatory time credited under this section.

SALARIES

(a) The base annual salaries of all employees covered by this Agreement shall be set forth in Appendix A.

Any monies due to employees as of January 1, 1984 in accordance with the salary schedule set forth in Appendix A, shall be paid as soon after the execution of the Agreement as practicable.

Salary increases as of January 1, 1985 shall be paid during the first paid period of 1985 in accordance with past practice.

(b) Senior Investigator - County investigators appointed by the Prosecutor pursuant to N.J.S. 2A:157-10 serve in the unclassified service of Civil Service at the pleasure of the Prosecutor and are subject to removal by him. In addition, unlike county detectives who serve in the classified service, the statutes pertaining to county investigators do not provide for promotion to a superior officer's rank. Notwithstanding these differences in job status, and protection, county investigators and county detectives perform exactly the same duties in assisting the Prosecutor in the detection, apprehension, arrest and conviction of offenders against the law.

In order to recognize consistently outstanding service by county investigators to law enforcement in general, and to the Bergen County Prosecutor's Office in particular, and to encourage capable and dedicated county investigators to consider career employment in the Bergen County Prosecutor's Office notwithstanding the lack of security and limited potential for advancement inherent in the position of county investigator, there is hereby established within the Bergen County Prosecutor's Office the designation of "Senior Investigator."

County investigators shall become eligible to be designated as a senior investigator by the Prosecutor upon completion of the following minimum service requirements:

1. An aggregate of eight years of continuous employment by one or more law enforcement agencies, including the Bergen County Prosecutor's Office; and
2. At least three years employment as a county investigator in the Bergen County Prosecutor's Office.

County investigators selected from time to time by the Prosecutor for designation as senior investigators shall, by reason thereof, become entitled to the following additional rights and benefits during the term of this Agreement:

1. A senior investigator shall be paid the same salary as a county detective is entitled to be paid under the terms of this Agreement; and
2. A senior investigator shall be granted the same rights of tenure and protection against removal without cause as are afforded by N.J.S.A. 11:22-11.1 to a county detective serving in the classified service.

It is expressly understood and agreed that in any future contract negotiations between the Bergen County Prosecutor and P.B.A. Local 221, the provisions of this paragraph creating the classification of senior investigator within the Bergen County Prosecutor's Office, and providing for certain additional rights and privileges for county investigators so designated by the prosecutor, shall not be considered a "past practice" as defined by any existing or future statute, judicial decision, administrative regulation or labor practice, and shall be renegotiable by the parties hereto as part of any future negotiation.

The total number of "Senior Investigators" designated by the Prosecutor pursuant to this paragraph, when added to the total number of county detectives employed by the Prosecutor's Office, shall at no time exceed the authorized number of county detectives who may be appointed in counties of the first class pursuant to N.J.S. 2A:157-3.

OVERTIME

In 1984, a total of \$1,000.00 shall be paid to each detective and investigator in lieu of all overtime worked beyond the normal work week as established by the Employer. This payment shall be made in two installments of \$500.00 each payable in the first pay period of May and October.

In 1985, a total of \$1,150 shall be paid to each detective and investigator in lieu of all overtime worked beyond the normal work week as established by the Employer. This payment shall be made in two installments of \$575.00 each payable in the first pay period of May and October.

EDUCATIONAL INCENTIVE

The following educational increment schedule shall be in effect for the contract term 1984-1985 and shall be paid to employees covered by this Agreement who have successfully completed degree requirements as follows:

<u>DEGREE</u>	<u>1984</u>	<u>1985</u>
(a) Associate Degree	\$250.00	\$300.00
(b) Bachelors Degree	\$350.00	\$400.00
(c) Masters Degree	\$450.00	\$500.00
(d) Doctors Degree	\$550.00	\$600.00

Educational incentive payments shall be payable in the second pay period of January of each year and shall be included in the base salary for the period in which the payment is made for pension purposes.

LONGEVITY

(1) Payments shall be made to employees covered by this Agreement based upon their total years of law enforcement service in accordance with N.J.S. 40A:9-5 as follows:

- (a) Completing 72 months (6 years) \$ 200.00
- (b) Completing 108 months (9 years) \$ 400.00
- (c) Completing 168 months (14 years) \$ 600.00
- (d) Completing 228 months (19 years) \$1,000.00

(2) Longevity payments shall be included in base salary beginning in the first pay period of the month following the date of hire.

(3) Part-time employees must work a minimum of twenty (20) scheduled hours per week to be eligible for longevity. They will receive that proportion of the longevity payment represented by the percentage of their hours of work compared to the standard work week.

VACATION

The vacation allowance shall be as set forth in this Agreement in Appendix B.

When in any calendar year the vacation or any part thereof is not granted by reason of Prosecutor's Office activities, they shall be granted during the next succeeding year.

Employees may receive their salary covering the period of vacation prior to commencing vacation to the extent that they have earned and accrued such vacation time and provided that at least a one week vacation is to be taken and the employee has notified his or her department head at least thirty (30) days prior to the commencement of the vacation.

SICK LEAVE

Sick leave must be earned before it can be used. Should the employee require none or only a portion of his earned sick leave for one year, the amount not taken accumulates to his credit from year to year during his employment.

Sick leave is earned and accumulated in the following manner:

One working day for each full month of service during the remaining months of the first calendar year of his employment and fifteen (15) working days (1 1/4 per month) for each calendar year thereafter. If the employee begins work after the fourth day of the month, he does not earn sick leave for that month.

PERSONAL LEAVE

Subject to the approval of the Employer, which approval shall not be withheld except in those cases when the employee's absence may adversely affect the operation of his/her unit, each employee shall have two (2) personal leave days per year. For purposes of this clause, an employee shall not be required to advise his superior of

the reason for the personal leave day, but shall be required to notify his superior at least twenty-four (24) hours in advance of such personal leave, except in cases of emergency.

MATERNITY LEAVE

An employee who gives birth to a child will be granted a two month recovery period. During this two month period, the employee must utilize any accumulated sick leave time and, in addition, may elect to use any accumulated vacation leave time. If and when the employee's accumulated sick leave and/or vacation leave is fully expended, she will be placed on an unpaid leave of absence for the balance of the two month period and will be continued on the payroll at no pay in order that there will be no interruption of employment.

Absence from work prior to the delivery of a child will be approved for such period as is medically required, with the same provision concerning use of sick leave and/or vacation leave as set forth above.

In the event the employee takes an unpaid leave of absence for this purpose, the employer will maintain health benefits (as defined in this Agreement) for a period of two weeks. After two weeks, the employee must pay to the County of Bergen the full monthly health insurance premiums in order to maintain her health insurance coverages.

MILITARY LEAVE

Employees shall be entitled to a military leave of absence in accordance with Federal of State law.

(2) If a holiday falls during an employee's vacation, he shall be granted an additional day of vacation.

(3) Holidays falling within a period of paid absence will entitle the employee to pay for such holidays. Periods of paid absence are: Sick Leave, Terminal Leave, Jury Duty Leave, Compensatory Time Off and Vacation leave.

(4) Holidays falling during an unpaid leave of absence will not be credited.

(5) A Department Head may disallow holiday pay for any employee who does not work the day before or the day following a holiday because of unauthorized sick leave.

TERMINAL LEAVE

An employee, upon retirement (service retirement, special retirement, accidental disability retirement, ordinary disability retirement, early retirement and deferred retirement) or an employee who terminates his service after reaching age sixty (60) who is not covered by the Police and Fire Retirement System or the Public Employee's Retirement System, shall be granted a terminal leave lump sum payment in accordance with Option 1 or Option 2, whichever the employee elects:

Option 1 - One half of the employee's earned and unused accumulated sick leave multiplied by his daily rate of pay based upon the average annual base pay received during the last year of his employment prior to the effective date of his retirement, provided, however, that no such lump sum payment shall exceed sixteen thousand (\$16,000.00) dollars or any greater sum permitted by law.

Option 2 - One day of pay for each full year of service within the County of Bergen.

The employee may at his or her option elect to receive his or her terminal leave payment in a single installment at any time up to eighteen (18) months from the date of termination.

In addition, in the event of the death of an employee, the estate of that employee shall be eligible for terminal leave lump sum payment according to the option selected by the estate, provided that the employee has been employed by the County for seven consecutive years.

FUNERAL LEAVE

Immediate family is defined as and limited to spouse, son, daughter, mother, father, brother, sister, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandparents, grandchildren, or any other relative residing in the employee's household.

INJURY LEAVE

a. Injury leave, as distinguished from sick leave, shall mean paid leave given to an employee due to absence from duty caused by an accident, illness, or injury which occurred while the employee was performing duties and which is covered by Workmen's Compensation insurance.

b. All payments which shall be made concerning the injury leave are subject to the same rules and regulations as Workmen's Compensation insurance and shall not be made if the accident is proved to have been due to intoxication or willful misconduct on the part of the employee. If an employee, absent from work due to an accident, illness, or injury covered by Workmen's Compensation insurance, willfully fails to fulfill all of the conditions necessary to receive compensation benefits, the employee shall not be entitled to payment of any injury leave benefits from the County until such conditions have been fulfilled.

c. The payments enumerated above will be made for a period not in excess of ninety (90) working days for each new and separate injury. After all injury leave is used, the employee may be granted additional injury leave only upon approval of the Employer. After all injury leave is used, the employee may elect to use any sick leave, vacation or compensatory time due at the time of the injury.

d. Use of Injury Leave - Employees absent from duty due to an accident, illness, or injury covered by Workmen's Compensation insurance, who have completed three (3) months' service, will be compensated by the County at the regular base rate of pay. Eligibility will be based on the determination of the New Jersey Division of Workmen's Compensation Act.

e. Contested Injuries - Charges may be made against sick leave accrual, if any, in any case where the County is contesting that the injury occurred on the job. In the event that the State determines in favor of the employee, sick leave so charged shall be recredited to the employee's sick leave accrual balance. In the event eligibility for payment is denied by the State, the employee shall be eligible to utilize sick leave accruals, if any, retroactive to the date of injury, and to use vacation leave.

f. Medical Proofs - In order to limit the obligation of the County for each new separate injury, the County may require the employee to furnish medical proof or submit to medical examination by the County at its expense to determine whether a subsequent injury is a new and separate injury or an aggravation of a former injury received while in the County service.

g. When an employee has suffered an injury while on duty, and is absent for five (5) days or more, it will be necessary for the employee to submit a written certification from a physician setting forth the nature of the injury and the physician's prognosis as to the length of time before the employee can return to duty.

1. Additional reports shall be filed from the physician every two weeks thereafter indicating the current status of the employee's anticipated return to duty.

2. In the absence of such certification, the employee shall be removed from injury leave.

PERSONNEL FILES

A separate personnel history file shall be established and maintained for each employee covered by this Agreement; personnel history files are confidential records and shall be maintained in the office of the Prosecutor. All personnel history files will be carefully maintained and permanently safeguarded, and nothing placed in any file shall be removed therefrom.

Any member of the Prosecutor's Office may by appointment review his/her personnel file but this appointment for review must be made through the Prosecutor or his designated representative.

Whenever a written complaint concerning an employee covered by this Agreement or his actions is to be placed in his personnel file, a copy shall be made available to him, and he shall be given the opportunity to rebut it if he so desires, and he shall be permitted to place said rebuttal in his file.

Formal disciplinary charges brought pursuant to the Rules and Regulations Manual of the Prosecutor's Office, the employee's memorandum in response thereto, and the record of final disposition shall be entered into an employee's personnel file in accordance with the provisions of Chapter III, 3:9.6 of the Manual of Rules and Regulations, Investigative Staff.

B. Each prescription shall be for a supply of medication not to exceed thirty (30) days;

C. Full premium to be paid by the County.

7. In the event the County desired to enter into a program of self-insurance regarding coverage for the items set forth above, the parties agree to reopen negotiations solely as to this issue; provided, however, that no change in the Agreement shall be effective without the consent of both parties.
