NEGOTIATION PROCEDURE

ARTICLE II

GRIEVANCE PROCEDURE

ARTICLE III

A. DEFINITION

1. A grievance is defined as a complaint by a teacher, or group of teachers, that he/she (they) have suffered, a personal loss, injury, or inconvenience because of a violation, misinterpretation or inequitable application of any of the provisions of this Agreement. Grievances involving administrative decisions and Board policy are grievable to the Board level only.

2. Nothing herein contained shall be construed as limiting the right of any employee who feels unjustly treated having grievances to discuss the matter informally with any appropriate member of the Administration, and having the grievance adjusted or resolved without the intervention of the Association, provided the settlement is not inconsistent with the terms of this Agreement.

3. Nothing herein contained shall be construed as limiting the right of any employee to the provisions of Chapter 123 of the Laws of 1974 of the State of New Jersey.

B. PROCEDURE

1. A grievance should be presented for consideration as promptly as possible, and in no event later than ten (10) school days after the teacher has become aware of the alleged occurrence. If not filed in writing within this period, then the grievance shall be considered as waived.

2. The last decision given on any grievance in any of the first three steps shall be considered a satisfactory adjustment unless, within seven (7) school days after the decision has been given, the procedure is carried forward to the next step by the aggrieved.

3. In the event the grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the next school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year.

4. The procedure shall be as follows unless any step or steps thereof are waived, combined, or extended by mutual consent so stated in writing:

a. Step One -- A professional employee with a grievance shall first discuss it with his/her immediate superior or principal, either directly or through the Association's designated representative, with the objective of resolving the matter in the most expeditious manner. In the event this discussion is not satisfactory to the grievant, he/she shall then formally present his/her grievance within seven (7) school days in writing to his/her immediate supervisor or principal and shall receive an answer in writing within seven (7) school days after presentation.

b. Step Two -- If the grievance is not settled at the first step, the Association may make a written request to the Superintendent of Schools or his/her designee for a second step meeting within seven (7) school days after the answer at the first step. The Superintendent or his/her designee shall set a meeting within seven (7) school days after the request, or for such other time as is mutually agreeable. Said meeting shall be between not more than three (3) representatives of the Association and the Superintendent or his/her designee and his/her assistant, not to exceed three. The Superintendent's written answer shall be delivered to the Association within seven (7) school days after the meeting.

c. Step Three -- If the grievance is not settled at the second step, the Association may make written request to the President of the Board of Education for a third step meeting within seven (7) school days after the answer at the second step. The President of the Board of Education shall set a meeting within seven (7) school days after the receipt of the request, or for such other time as is mutually agreeable. Said third step meeting shall be between three (3) representatives of the Association and the President of the Board of Education or his/her designee totaling three. The Board's written answer shall be delivered to the Association within seven (7) school days.

d. Step Four - If the grievance is not settled at the third step, the Association may request that the matter be referred to binding arbitration, if this request is made within ten (10) calendar days after the reply was given at the third step in writing.

If an extension of time is requested by either party, such extension shall not exceed thirty (30) days. However, the following are not subject to arbitration:

- (1) Any matter for which a method of review is prescribed by law;
- (2) Any rule or regulation of the Commissioner of Education;
- (3) Any matter which according to law is beyond the scope of Board authority or limited to unilateral action of the Board alone;
- (4) A complaint of a teacher which arises by his/her reason of not being reemployed;
- (5) A complaint by any certificated teacher occasioned by appointment to or lack of appointment to, retention in, or lack of retention in, any position for which tenure is either not possible or not required.

A request for arbitration shall be submitted either individually or jointly to the Public Employment Relations Commission and the arbitration conducted pursuant to Chapter 12, Sub Chapter 3, of the Rules and Regulations of the Public Employment Commission effective December 13, 1974.

The arbitrator shall limit himself/herself to the Articles of this Agreement and his/her decision shall be binding. The parties shall meet within ten (10) calendar days to review the Arbitrator's decision. The cost of arbitration shall be divided equally between the parties.

The individual teacher is assured freedom from restraint, interference, coercion, discrimination, or reprisal in presenting his/her appeal. All teachers, including the grievant, shall be required to continue under the direction of the Superintendent and administrator regardless of the pendency of any grievance until such grievance is properly determined.

2. Designated extracurricular assignments will be reviewed annually. Although the plan makes provision for specific assignments, all of the assignments will not necessarily be made. Additions or deletions may be made to the list, and the stipulated remuneration provided may be increased or decreased by mutual agreement of the Association and the Board.

3. When possible, contracts for the succeeding year will be issued for full year activities and fall sports prior to the close of the school year except in cases where a suitable placement has not been determined.

4. Tenure will not be granted for any of the assignments, and the added payment will not be part of the basic contractual salary.

- 2. The Board of Education determines that it retains the right to appoint members of the Ewing Township Education Association to these positions whether the appointee has volunteered or has been selected by the Administration to perform the activity.
- 1. The Board of Education and the Ewing Township Education Association recognize that activities listed under Schedule B, Designated Extracurricular Assignments are positions that exist for the benefit of students.

- 11. Qualified individuals involved in post-season competition will receive an additional 10% increase on their factor. Qualified individuals mean that the individual must have coached a varsity team that had a regular season winning percentage over .500. Designated freshman coaches are ineligible to receive this stipend.
- 10. The factors appearing in the extra pay scale are based on the document for evaluating extracurricular activities, dated May, 1967, as revised February 28, 1994.

Dollar figures resulting from the application of the formula will be rounded out to the nearest whole \$10.00 figure.

2015-2016
Base Amount
\$60,352

- 9. The figures in the factor column are % figures having as their base the following amounts:
- 8. Additional activities will be added to this list of paid extracurricular activities by mutual agreement between the Association and the Board. No additional activities will be added to this list without advanced written approval from the Board.
- 7. Unsatisfactory performance in a given assignment will be noted by the administration, and the teacher involved will be so informed.

- 4. In an attempt to prevent an inconvenience to Ewing Township Education Association Members, the Board of Education is willing to extend eligibility to supervise Schedule B activities to non-unit members under the following conditions:
 - a. The period of search to secure a qualified appointee shall be limited to ten (10) school days. Association members may assist in the search.
 - b. The appointee must meet the State requirements for appropriate certification and the approval of the County Superintendent of Schools.
