THIS AGREEMENT, with an effective date as of the 1st day of January, 2014, by and between City of Woodbury (hereinafter referred to as "City") and UNITED FOOD AND COMMERCIAL WORKERS UNION, LOCAL 1360 (hereinafter referred to as "UNION") chartered by UNITED FOOD AND COMMERCIAL WORKERS INTERNATIONAL UNION affiliated with AFL-CIO, CLC.

ARTICLE 1 – PURPOSE

The City and the Union actively participated in joint negotiations through their authorized negotiating representatives with the purpose of promoting harmonious relations between the City and the Union, establishing an equitable procedure for the resolution of differences and establishing rates of pay, hours of work and other conditions of employment. These negotiations have resulted in this Agreement establishing mutually satisfactory terms and conditions of employment, as more particularly hereinafter set forth.

ARTICLE 2 – RECOGNITION

A. The employer recognizes the Union as the exclusive representative of all full-time and regular part time blue collar workers employed by the City in the Public Works Department.

Excluded: All managerial executives, confidential employees, police employees, supervisory employees within the meaning of the Act, professional employees, craft employees, office clerical employees, and all other employees employed by the City.

B. It is understood that upon exceeding (6) consecutive months of full time employment in any one calendar year period, an employee shall attain the status of full time and be included in the unit.

C. Seasonal employees will be considered part of the bargaining unit and limited to ninety (90) calendar days of service per year.

D. This Agreement shall be applicable to those classifications set forth in Article 27 (Rates of Pay) and to such additional classifications as the parties may agree to in the future. The City agrees to negotiate appropriate wage rates for any new position created within the bargaining unit. Any dispute over inclusion of a title in the unit shall be resolved by PERC.

E. Work performed under the community service program will not result in loss of employment or loss of regularly scheduled hours of bargaining unit employees.

ARTICLE 3 – MANAGEMENT RIGHTS

A. The employer hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the laws and Constitution of the State of New Jersey and of the United States.

B. The exercise of the foregoing powers, rights, authority, duties and responsibilities, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement.

C. Except to the specific extent set forth herein, nothing contained in this Agreement shall be construed to deny or restrict the employer of its right, responsibility or discretion to hire, fire, transfer and otherwise direct the work force, to determine the amount, quality and quantity of the work to be performed, and the schedule for its performance, to subcontract and/or discontinue operations, to establish, consolidate or eliminate positions, for economic or other good reason, and to promulgate work rules, rules of procedure and rules of operation.

ARTICLE 4 – MAINTENANCE OF WORK OPERATIONS

A. The Union agrees that neither the Union nor any person acting in its behalf will cause, authorize or support, nor will it authorize or condone any employee taking part in, any strike (i.e., the concerted failure to report for duty or willful absence of any employee from his position, or stoppage of work, or absence in whole or in part, from the full, faithful and proper performance of the employees' duties of employment), work stoppage, slow-down, walk-out or other illegal job action against the City. The Union agrees that such action would constitute a material breach of this Agreement.

B. In the event of a strike, slow-down, walk-out or job action during the term of this

Agreement, it is agreed that participation in any such activity by an employee may be deemed grounds for imposition of appropriate disciplinary action against such employee, including discharge.

C. The Union agrees that it will take all reasonable steps to prevent unit members from participating in any strike, work stoppage, slow-down, or other illegal activity aforementioned or supporting any such activity by any other employee or group of employees during the term of this Agreement.

D. Nothing contained in this Agreement shall be construed to limit or to restrict the employer in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for injunction or damages, or both, in the event of such breach by the Union or any employee.

ARTICLE 5 – UNION ACTIVITIES

A. There shall be no discrimination against any employee because of union membership or non-membership, or because of activities in favor of, or against, the Union.

C. The Union will furnish the employer with the name of the union steward, which may be changed from time to time as necessary.

D. The shop steward shall handle union representation matters during non-work time unless otherwise mutually agreed by the parties. If management, in its discretion, does not agree to process a grievance during the work day, then management will be available to the shop steward for grievance processing either immediately before or after working hours.

E. Nothing herein shall restrict the Business Agent from discussing grievances and/or other contract related matters with management during working hours, subject, however, to the requirement that any such discussions shall not interfere with the normal operation of the department.

ARTICLE 6 – GRIEVANCE PROCEDURE

A. Purpose

The purpose of this procedure is to secure at the lowest possible level, equitable solutions to the problems which may, from time to time, arise regarding grievances relating to the terms and conditions of employment. A “grievance” shall be any difference of opinion, controversy or dispute arising between the parties hereto relating to the alleged violation of, interpretation of application of any of the provisions of this Agreement. The term “the Union” under this Article shall mean Union Representative. Both parties agree that these proceedings will be kept as informal and confidential as possible at all levels of the procedure.

1. Time Limit – The number of days indicated at each level, should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.
2. Specified Time Limits:
 - a. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall be deemed as a denial of the grievance, permitting the aggrieved employee to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.
 - b. Days shall mean work days for the purpose of time limits for the filing and processing of grievances.

C. Processing:

LEVEL ONE: SUPERINTENDENT

A grievance must be submitted in writing within ten (10) working days of its occurrence and submitting it to the Superintendent or Public Works Manager. The grievance shall include the nature of the grievance, the union’s position and the remedy sought.

The Superintendent shall render his decision, in writing, with a copy to the Union, within seven (7) work days of the submission of the written grievance to him.

LEVEL TWO: ADMINISTRATOR

The grievant may appeal the Superintendent's decision to the Administrator within seven (7) work days of the denial of the grievance by the Superintendent. The appeal must be in writing and it must note the dissatisfaction with decision previously rendered. The Administrator shall communicate his decision in writing to the grievant and the Union within seven (7) work days of its submission.

LEVEL THREE: ARBITRATION

If the Union is not satisfied with the disposition of the grievance at Level Three, the Union may proceed to mediation prior to going to binding arbitration by giving written notice thereof to the Administrator within twenty (20) work days from the date of the issuance of the Administrator's decision.

The binding arbitrator shall be appointed pursuant to the procedures of the Public Employment Relations Commission. Nothing herein shall preclude the parties from agreeing to the appointment of a mutually agreeable binding arbitrator.

D. Limitations:

1. The binding arbitrator shall be limited to hearing and deciding only one grievance and shall neither hear nor decide multiple claims without the express written agreement of the parties.

3. Arbitration proceedings shall be conducted at mutually agreed upon times.

G. Notwithstanding anything to the contrary in this Article, and provided that there is no alternate statutory remedy, arbitration with respect to disciplinary matters shall be final and binding, and not advisory. As an alternative, provided that there is mutual consent, the parties may elect to proceed with binding mediation of disciplinary disputes through the Federal Mediation and Conciliation Service. A. All full time and regular part time employees shall serve a three (3) month probationary period from their date of hire. The determination of extension of the probationary period will be determined with mutual agreement between the Union and the Superintendent. Addition of Foreman Job Description/Compensation

The PW Manager, in consultation with the City Administrator, may name up to three (3) foreman positions. The positions and specific duties will be coordinated with respect to qualifications, work ability, performance record, and seniority.

In the absence of the Manager, the Manager may appoint one of the foreman as the primary contact person for the department.

The title of foreman will begin with a three month probationary period.

A foreman will be compensated with an increase of \$2.00/hour onto their base pay. The total rate, including the foreman rate, will be used for calculation of overtime purposes.
