PREAMBLE

THIS AGREEMENT, made this 29<sup>th</sup> day of May, 2009, by and between the VILLAGE OF RIDGEWOOD, a body politic and corporate of the State of New Jersey hereinafter referred to as the "Employer" or "Village" and the FIREMEN'S MUTUAL BENEVOLENT ASSOCIATION, LOCAL NO. 47; hereinafter referred to as the "FMBA" or "ASSOCIATION". Except as modified herein, the terms of the prior Agreement (January 1, 2004 through December 31, 2008) shall continue.

**WHEREAS**, the Employer and the FMBA recognize that it will be to the benefit of both to promote mutual understanding and foster a harmonious relationship between the parties to the end that continuous and efficient service will be rendered to and by both parties.

**NOW, THEREFORE**, it is agreed as follows:

SECTION 1. EXISTING LAW

1.01 The provisions of this Agreement shall be subject to and subordinate to, and shall not annul or modify existing applicable provisions of state or federal laws.

SECTION 2. ASSOCIATION RECOGNITION

2.01 The Village hereby recognizes the FMBA as the exclusive collective negotiations agent for all full time uniformed firefighters employed by the Village of Ridgewood, but excluding the fire inspector of combustibles, all fire officers, repairmen, clerical craft and professional employees, police, managerial executives and supervisors within the meaning of the New Jersey Employer-Employee Relations Act and all other employees of the Employer.

JTH  
9-22-09

- 2.02 No employee shall be compelled to join the FMBA, but may do so at his option.
- 2.03 The term "Employee" as used herein shall be defined to include the plural as well as the singular and to include females as well as males.

SECTION 3. EMPLOYEES' BASIC RIGHTS

- 3.01 Pursuant to Chapter 303, Public Laws, 1968, the Employer hereby agrees that every employee shall have the right to freely organize, join and support the FMBA for the purpose of engaging in collective negotiations. As a body exercising governmental power under the Laws of the State of New Jersey, the Employer undertakes and agrees that it shall not directly or indirectly discourage or deprive or coerce any employee in the enjoyment of any right conferred by Chapter 303, Public Laws, 1968, or other laws of New Jersey or the Constitution of New Jersey and of the United States.
- 3.02 The Employer further agrees that it shall not discriminate against any employee with respect to hours, wages or any terms or conditions of employment by reason of his membership in the FMBA, his participation in any activities of the FMBA, collective negotiations with the Employer, or his institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment, as prescribed by the statutes of the State of New Jersey.

SECTION 4. MANAGEMENT RIGHTS

- 4.01 The Employer hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the laws and Constitution of New Jersey and the United States.

JTH

## SECTION 5. ASSOCIATION REPRESENTATIVES

- 5.01 The Employer recognizes the right of the Association to designate representatives and alternates for the enforcement of this Agreement.
- 5.02 The Association shall furnish the Employer in writing the names of the representatives and the alternates and notify the Employer of any changes.
- 5.03 The authority of the representatives and alternates so designated by the Association shall be limited to, and shall not exceed the following duties and activities:
- A) The investigation and presentation of grievance in accordance with the provisions of the Collective Bargaining Agreement.
  - b) The transmission of such message and information, which shall originate with, and are authorized by the Association or its officers.
- 5.04 With the permission of the Director/Chief of the Department, which permission shall not be unreasonably withheld and provided there shall be thereby no interference with the normal operations of the departmental business, the designated Association representatives shall be granted time with pay during working hours to investigate and seek to settle grievances and to attend all meetings and conferences on collective negotiations with Employer officials.

## SECTION 6. RIGHTS OF EMPLOYEES

- 6.01 Members of the Association hold a unique status as public employees in that the nature of their employment involves the exercise of a portion of the Fire Department power of the municipality.
- 6.02 The security of the community depends to a great extent on the manner in which firefighters perform their duty, and their employment is thus in the nature of a public trust.
- 6.03 The wide-ranging powers and duties given to the Department and its members involve them in all manner of contacts and relationships with the public.
- 6.04 Out of these contacts may come questions concerning the actions of the members of the Association.

6.05 These questions may require investigation by superior officers designated by the Director/Chief of the Fire Department and the Village Manager.

6.06 In an effort to insure that these investigations are conducted in a manner which is conducive to good order and discipline, the following rules are hereby adopted:

- A) The interrogation of a member of the Association shall be at a reasonable hour, preferably when the member of the Association is on duty, unless the exigencies of the investigation dictate otherwise.
- B) The interrogations shall take place at a location designated by the Director/Chief of the Fire Department.
- C) The member of the Association shall be informed of the nature of the investigation before any interrogation commences, including the name of the complainant. Sufficient information to reasonably apprise the member of the allegations should be provided. If it is known that the member of the Association is being interrogated as a witness only, he should be so informed at the initial contact.
- D) The questioning shall be reasonable in length. Reasonable respites shall be allowed. Time shall also be provided for personal necessities, meals, telephone calls and rest periods as are reasonably necessary.
- E) The member of the Association shall not be subject to any offensive language, nor shall he be threatened with transfer, dismissal or other disciplinary punishment. No promise of reward shall be made as an inducement to answering questions, nor shall any threat or promise be made to induce silence. When the Employer elects to record the interrogation, then the Employee shall be entitled to transcribe the recording at his own expense or to a copy of a transcription when done by the employer. When the Employee elects to record the interrogation, he shall provide the Employer with a transcription thereof free of charge.

- F) At the sole expense of the FMBA, and not to unreasonably delay the investigative procedure, the complete interrogation of the member of the Association shall be recorded mechanically or by a Department stenographer. There will be no "off the record" questions. All recesses called during the questioning shall be recorded.
- G) If a member of the Association is under arrest or is likely to be, that is, if he is a suspect or the target of a criminal investigation, he shall be given his rights pursuant to the current decisions of the United States Supreme Court.
- H) In all cases, and at every stage of the proceedings, in the interest of maintaining the usual high morale of the Association, the Department shall afford an opportunity for a member of the Association, if he so requests, to consult with counsel and/or his Association representative before being questioned concerning a violation of the rules and regulations during the interrogation of a member of the Association. Said consultation shall not delay the interrogation beyond one (1) hour for consultation with his Association representative, nor more than two (2) hours for consultation with his attorney.
- I) Nothing herein shall be construed to deprive the Department or its Director/Chief of the ability to conduct the operations of the Department and nothing in the foregoing to the contrary shall be construed to excuse or delay the prompt execution and delivery of departmental routine reports.

JT#

SECTION 7. NO STRIKE PLEDGE

- 7.01 The FMBA covenants and agrees that during the term of this Agreement neither the FMBA, nor any persons acting on its behalf will cause, authorize or support, nor will any of its members take part in any strike (i.e., the concerted failure to report for duty, or willful absence of any employee from his position, or stoppage of work or abstinence in whole or in part, from the full, faithful and proper performance of the employee's duties of employment) work stoppage, slowdown, walkout or other job action against the Employer.
- 7.02 In the event of a strike, work stoppage, job action, slow down or walkout, it is covenanted and agreed that participation in any such activity by the FMBA member shall entitle the Employer to take appropriate disciplinary action, including, but not limited to, discharge in accordance with applicable law.

SECTION 8. SALARIES

- 8.01 During the term of this Agreement, the following wage increases shall be applied across-the-board to each rank, step and position covered by the two (2) bargaining units:

Effective January 1, 2009	--	2.5% across-the-board
Effective July 1, 2009	--	1.5% across-the-board
Effective January 1, 2010	--	2.5 % across-the-board
Effective July 1, 2010	--	1.5% across-the-board
Effective January 1, 2011	--	2.5% across-the-board
Effective July 1, 2011	--	1.5% across-the-board
Effective January 1, 2012	--	2.5% across-the-board
Effective July 1, 2012	--	1.5% across-the-board

The base annual salary for the period covered by this Agreement shall be deemed retroactive to January 1, 2009, and other economic items, except as otherwise noted in specific sections of this Agreement be deemed to be retroactive to January 1, 2009, and any monies due employees by virtue of this clause shall be paid as soon after the execution of this Agreement as practicable.

JTH

8.02 A Firefighter may be appointed to the position of Firefighter/Engineer after meeting all of the requirements listed below:

- 1.) The completion of seven (7) years of service as a career firefighter in the Ridgewood Fire Department. (Years of service as a volunteer in the Ridgewood Fire department does not count for the purposes of this requirement.)
- 2.) Completion of the Fire Ground Officer Development Course
- 3.) Completion of Incident Management System (IMS) 300 and 400
- 4.) Completion of the Incident Safety Officer course
- 5.) Completion of a Pump Operators Course
- 6.) Completion of the Firefighter Health and Safety Course

All of the above courses must be given by a recognized Fire Academy. All requests for appointment to Senior Firefighter/Engineer must be made to the Administration on an inter-office memo. Applicant must attach copies of their course completion certificates for all of the above courses.

Notwithstanding the above, the Village reserves its inherent managerial right to add to, delete, or amend the foregoing promotional criteria for this title at any time and for any reason.

Said employee shall be designated as a "Senior Firefighter Engineer" and shall be compensated by an increase base rate of pay. "Senior Firefighter Engineer" pay status shall be a base pay of maximum step Firefighter increased by one-half (1/2) between the base pay rate for a first year Lieutenant at the same longevity rate as the "Senior Firefighter Engineer." The number of Senior Firefighter Engineers in the department shall be capped at nine (9).

8.03 Effective January 1, 2003 all members are entitled to one (1) personal day. Said personal day is to be taken under the rules incorporated for Compensation Days, excluding the banking of such day.

JTH  
9-22-09

SECTION 9. WORK DAY, WORK WEEK AND OVERTIME

- 9.01 All work in excess of the employee's basic work schedule or tour of duty for a day shall be considered overtime and shall be paid at the rate of time and one-half (1 ½). There shall be no offset and overtime shall be paid from the end of the scheduled tour of duty where an employee is held over.
- 9.02 All employees may be required to work a reasonable amount of overtime.
- 9.03 All overtime payments due employees shall be paid in the pay period immediately subsequent to the pay period during which said overtime was worked, without the necessity of the employee submitting a voucher for same.

SECTION 10. HOURLY RATE

- 10.01 To compute the base hourly rate of an employee for overtime or other purposes, the employee's yearly based salary and his longevity payment shall be added together and then divided by 2180 hours, as of January 1, 2009; 2130 hours as of January 1, 2010 and 2080 hours as of January 1, 2011. This represents a reduction of 50 hours in each year of the contract.

SECTION 11. SCHEDULED COMPENSATION DAYS

- 11.01 The Village has elected a twenty-seven (27) day work cycle pursuant to 7(k) of the Fair Labor Standards Act (The "Act). Accordingly, hours worked in excess of 204 in a work cycle are considered overtime. In recognition of the fact that the current work schedule (nine (9) shifts of twenty-four (24) hours in a twenty-seven (27) day work cycle) may require employees to work up to 216 hours in each twenty-seven (27) day work cycle, employees shall receive fourteen (14) compensation days annually. The parties understand and expressly agree that these days are granted in lieu of cash overtime payments.
- 11.02 The following rules as to scheduled compensation days shall apply:
  - A) One (1) scheduled compensation day shall be defined as a single twenty-four (24) hour tour of duty.

JTH  
9-22-09

- B) The Employer shall allow Employee's use of their compensation days within a reasonable period of time after a request is submitted. Except if an employee has an emergency, compensation days may be taken only on twenty-four (24) hours notice to the Director or their designee, so as to prevent undue disruption of the Employer's operation.
- C) No reason or excuse shall be required for the taking of a scheduled compensation day, except where the twenty-four (24) hour notice requirement is sought to be waived.
- D) Once approved, the Employer shall not disallow an approved compensation day, except upon general mobilization of the Fire Department. Therefore, if events occur after the use of a compensation day is approved, such as another employee calling in sick, the approval for the use of the compensation day shall not be withdrawn.
- E) Every reasonable effort shall be made by the Employer to accommodate employee requests concerning the use of compensation days. Not by the way of limiting the foregoing, the employer shall allow a minimum of three (3) employees off from work on any day (twenty-four (24) hour tour) for any combination of vacation and/or compensation days. Employees who are absent from their tour or part of tour due to a work related injury, sick leave, delegate convention or meeting, military leave, training outside the department, etc. or other leave, other than vacation and compensation days, shall not reduce this minimum number of employees off from work, even when overtime pay is required to maintain minimum manning. This provision shall not in any manner effect or alter any other provision of this Agreement or Section 22 of this document.

- F) Employees may not bank more than twenty (20) twenty-four (24) hour scheduled compensation days (480). In the event that an employee has a full bank of twenty (20) compensation days, the Employer shall make cash payments for any subsequent compensation days earned pursuant to this provision with such payments being paid at the straight hourly rate of pay for the employee in effect at the time of payment.
- G) Upon termination of employment, all banked compensation time shall be paid by the employer to the employee, at the straight hourly rate of pay in effect at that time for the employee, within thirty (30) days of such termination, unless otherwise mutually agreed upon by the Village of Ridgewood and the employee.

11.03 The following references pertain to the use of compensation days being used in ten (10) and fourteen (14) hour blocks. Partial compensation days will be governed by the same rules contained in section 11.01-11.02 and the following:

- A) Only two (2) twenty-four (24) hour compensation days can be divided into a ten (10) and fourteen (14) hour block of time.
- B) Each ten (10) hour block of time will be used between the hours of 8:00 AM and 6:00 PM only.
- C) Each fourteen (14) hour block of time will be used between the hours of 6:00 PM and 8:00 AM only.
- D) The Director/Chief may deny any request for a partial compensation day if approving the requested compensation day will disrupt the day-to-day operation of the department.
- E) The FMBA agrees that this variation on the use and approval of compensation days is on a trial basis and subject to review by the Director/Chief and may be canceled at the sole discretion of the Director/Chief or his designee by giving sixty (60) days notice to the FMBA.

- F) All compensatory time, including time under the 10/14 hour trial, shall be subject to the 480 hour bank limit. No employee shall be allowed to bank in excess of 480 hours of compensatory time.

#### SECTION 12. COURT TIME

- 12.01 Court time, as referred to in this Article, shall consist of all time, excluding regular tours of duty, during which an employee covered under this Agreement shall be required to attend a Municipal Court, County Court, Superior Court, Grand Jury proceeding, or other courts or administrative bodies.
- 12.02 All such required court time shall be considered as overtime and shall be compensated at time and one-half (1 ½).
- 12.03 When an employee covered under this Agreement shall be required to travel to and from any of the courts or administrative bodies as noted in this Article, such travel time shall be considered and included in the computation of the amount of overtime to which the employee is entitled; provided, however, that such travel time shall be computed between the employer's Fire Department Headquarters and the pertinent court or administrative body.
- 12.04 The amount of overtime to which an employee may be entitled under this Article shall be the actual time required, including waiting time in the court or administrative body, together with any applicable travel time; provided, however, that the employee's entitlement to overtime under this Article shall not be less than one (1) hour of overtime pay.

#### SECTION 13. FIREFIGHTER III PROFICIENCY PAY

- 13.01 In addition to other benefits specified in this Agreement, each employee covered by this Agreement, who had been certified as "Firefighter III", shall thereafter receive in addition to the initial \$500.00 with accrued percentages of previous proficiency payments, as identified in the salary guide, two hundred fifty dollars (\$250). Any employee who obtains "Firefighter III" status after this agreement takes affect, shall have \$750.00 added to their base salary

thereafter. Firefighter III status shall be determined by the National Fire Protection Association (N.F.P.A.) standards or Bergen County Fire Academy Standards. The said amount shall be rolled into the base pay of the employee on January 1<sup>st</sup>, 2009.

#### SECTION 14. SCHOOLING/TRAINING

14.01 The employer will schedule, to the extent possible, an employee's attendance at schooling for firefighter training during such employee's regular tour of duty.

#### SECTION 15. TRAINING PAY

15.01 Except as otherwise herein provided, the Employer agrees to compensate all employees covered by this Agreement at the overtime rate of time and one-half (1 ½) when required to attend training courses on their own time.

15.02 All probationary trainees shall be required to take Firefighter I and Firefighter II courses without additional compensation from the employer.

#### SECTION 16. SICK LEAVE

16.01 Each employee shall be granted sick leave in accordance with current Village practices. Any unused sick leave shall accumulate from year to year. In the Village Employee Handbook, the term "serious illness" is to be defined in accordance with the New Jersey Family Leave Act.

16.02 Upon retirement, each employee shall be entitled to take such accumulated sick leave days as terminal leave up to a maximum allowance of one-half (1/2) of the total accumulation or six (6) months, whichever shall be the lesser.

16.03 Upon retirement, the retiring employee, provided he has completed the full length of service entitling him to retire, may at his or her own sole option, elect to take all of his or her accumulated sick leave days in a lump sum cash payment, which shall be computed by multiplying the number of that employee's accumulated sick days times that employee's daily rate of compensation at the time of retirement. The maximum entitlement under this lump sum cash payment option shall be one-half (1/2) of the retiring employee's total accumulation or six (6) month's pay, whichever shall be the

lesser. The maximum entitlement under this lump sum cash payment option shall be the lesser of the total accumulated sick days or six (6) month's pay at the daily rate of compensation for said employees.

16.04 There shall be instituted a sick leave non-use incentive program effective July 1, 1985. Commencing July 1, 1985, and for each six (6) month period thereafter, employees covered by this Agreement shall receive an incentive to minimize the use of sick leave. Effective January 1<sup>st</sup>, 2009, if an employee uses one (1) day or less sick leave during the period of January 1 to June 30 in any calendar year, or the period July 1 to December 31 in any calendar year, the employee shall be entitled to twelve (12) hours of straight time pay for either or both six (6) month period(s). If an employee uses two (2) days or less sick leave during the period of January 1 to June 30 in any calendar year or the period July 1 to December 31 in any calendar year, the employee shall be entitled to six (6) hours of straight time pay for either or both six (6) month period(s). These amounts shall be calculated by dividing the respective employee's base annual compensation (base wage and longevity entitlement) by two thousand and eighty (2,080) hours. The incentive will be paid no later than the second pay period after the six month period has ended.

#### SECTION 17. RECALL

17.01 Any employee who is called back to work after having completed his regularly scheduled shift shall be compensated at time and one-half (1 ½) the straight time hourly rate of pay with a minimum guarantee of two (2) hours work or pay in lieu thereof.

#### SECTION 18. LONGEVITY

18.01 In addition to all wages and other benefits, each employee shall be entitled to a longevity payment computed on the employee's years of completed service.

STH  
9-22-0

18.02 The longevity system shall be as follows:

<u>YEARS OF SERVICE</u>	<u>PERCENTAGE OF LONGEVITY</u>
4	2%
8	4%
12	7%
16	9%
20	11%
24	13%

18.03 The said payments for longevity shall be paid on a regular basis, folded into the employee's regular pay.

18.04 Employees hired after July 1, 1987 shall not accumulate longevity in excess of ten percent (10%). Their longevity system shall be as follows:

<u>YEARS OF SERVICE</u>	<u>PERCENTAGE OF LONGEVITY</u>
4	2%
8	4%
12	6%
16	8%
20	10%

#### SECTION 19. UNIFORMS

19.01 Each new employee shall receive from the Village, free of charge, in lieu of a clothing allowance, a complete uniform.

19.02 In lieu of the annual uniform allowance, the sum of \$500.00 will be included in a Firemen's base pay as of January 1, 2005. This sum shall be added to base after the January 1, 2005 percentage increase set forth under Section 8 (Salaries) above.

19.03 An employee's uniform, which is required in his capacity as a Firefighter and which may become damaged as a result of a single episode during the course of his performance of his duties, shall, after approval by the Director/Chief of the Department, be replaced at the expense of the employer, except where such damage is caused by the negligence of the employee, and such replacement shall be made within

- thirty (30) days of the report of loss or damage, and to be prorated at the value of loss.
- 19.04 Uniform changes mandated by the employer, unless implemented from time to time as current uniforms are replaced, shall be provided to each employee free of charge. Uniform changes requested by the FMBA, if approved by the employer, shall be paid by each employee.
- 19.05 Utilization of Section 19.04 shall not diminish the clothing allowance set forth in this Agreement.
- 19.06 During the term of this contract, employees may wear T-shirts as part of their summer in-station uniform. The employer shall have the right to approve style, type of material and color. The cost of said shirts shall be borne by each employee.
- 19.07 If, during the term of this contract, the State shall mandate further changes in uniform or equipment, which shall require the employer to provide certain fire-fighting clothing and equipment previously paid by the employee out of the clothing allowance herein provided, the employer may reopen this issue to negotiate a commensurate adjustment in the clothing allowance.

#### SECTION 20. UNIFORM REGULATIONS

- 20.01 The regulations for the wearing of uniforms shall be as set forth in Appendix B.

#### SECTION 21. WORK IN HIGHER RANK

- 21.01 Effective upon execution of this contract, whenever any employee is required to serve in a position normally held by higher rank for more than two (2) hours, he shall receive the starting rate of pay of that rank for such tour of duty, plus such additional hours as may be consecutive.
- 21.02 The Village agrees not to use two (2) or more persons in such way as to circumvent the intent of this clause.
- 21.03 When an employee is serving in a higher rank, then said employee shall be clearly identified as acting in this status.

SECTION 22. VACATIONS

- 22.01 The vacation allowance shall be as set forth in this Agreement in Appendix C.
- 22.02 When in any calendar year, the vacation or any part thereof is not granted by reason of pressure of Fire Department activity; such vacation periods not granted shall accumulate and shall be granted during the next succeeding year.
- 22.03 No employee who is on vacation shall be recalled, except in a case of the full mobilization of the department by the Director or his designee to meet a clear and present danger confronting the Employer.
- 22.04 Vacations may be scheduled at any time during the calendar year. There shall be separate selection lists for firefighters and for fire supervisors.
- 22.05 Vacations shall be selected by seniority within rank.
- 22.06 Vacation benefits shall be prorated during the last year of service of a retiring employee.

SECTION 23. HOLIDAYS

- 23.01 All employees covered by this Agreement shall receive payment of eight (8) hours pay based upon annual salary, including longevity divided by 2,044 in lieu of thirteen (13) paid holidays.
- 23.02 Employees shall continue to receive overtime compensation, which shall be paid at the rate of two times (2X) the employee's hourly rate on New Year's Day and the Fourth of July under current practices.
- 23.03 Holiday pay shall continue to be rolled into the employee's base pay.

JTH  
9-22-09

- 23.04 The holidays noted herein shall be as set forth in Appendix D.
- 23.05 During the initial year of employment only, a new employee shall be eligible for ten (10) paid holidays. Said holiday limitations for new hired shall apply to a newly hired Firefighter in the first year of employment only. Following completion of the first year, the new Firefighter shall receive the full holiday benefit provided in the above sections of this Article.

SECTION 24. WORK INCURRED INJURY

- 24.01 When an employee covered under this Agreement suffers a work-connected injury or disability, the employer shall continue such employee at full pay, during the continuance of such employee's inability to work.
