## **ARTICLE VI GRIEVANCE PROCEDURE**

### Section 1:

A grievance is any complaint arising with respect to wages, hours of work or other conditions of employment. The term grievance and the grievance procedure set forth herein shall not apply to matters which involve the interpretation or application of a Civil Service Rule or Regulation or N.J.S.A. 11A:1-1 et seq., and the Civil Service law and in which a method of review is prescribed by law, rule or regulation. In order to provide for the expeditious and mutually satisfactory settlement of grievances, the procedures hereinafter set forth shall be followed.

### Section 2:

A. Complaints may be initiated by an individual employee through the established chain of command; i.e., Lieutenant, Captain, or Warden. If the complaint is not adjusted satisfactorily at this stage and the employee wishes to enter a grievance, it shall be presented by the authorized Association representative.

B. The County shall permit two members of the Association Grievance Committee to conduct the business of the committee, in accordance with the grievance procedure set forth herein, during the duty hours of these members without loss of pay.

### Section 3:

When the Association wishes to present a grievance for itself or for an employee or groups of employees for settlement, such grievance shall be presented as follows:

#### Step 1:

The President of the Association or his duly authorized and designated representative shall present and discuss the grievance or grievances orally with the person designated by the County within forty-five (45) days of the Association having knowledge of the incident for grievances involving alleged violations of the collective bargaining agreement other than disciplinary matters. Grievances for disciplinary matters shall be filed within thirty (30) days of the member receiving the discipline from the Warden.

#### Step 2:

In the event there is not a satisfactory resolution of the grievance at Step 1 or an answer given within the time provided, the aggrieved employee may present his grievance to the Director of Labor Relations within five (5) work days thereafter. Upon receipt of the written grievance the Undersheriff shall investigate the grievance and render a decision thereon within ten (10) work days.

Step 3:

If the grievance is not resolved at Step 2, or if no answer has been received by the Association within the time set forth in Step 2, the grievance may be presented in writing to the County Administrator. The County Administrator shall render a final decision which shall be given to the Association within thirty (30) days after the receipt of the grievance by the County Administrator.

Step 4:

If the grievance has not been settled by the parties at Step 3 of the Grievance Procedure, or if no answer in writing by the County Administrator has been received by the Association within the time provided in Step 3, the Association may appeal the decision of the County Administrator, if it wishes, to arbitration, under the rules of the New Jersey Public Employment Relations Commission (PERC). The costs of the services of the arbitrator shall be borne equally by the both parties. Any other expenses incurred in connection with the arbitration shall be paid by the party incurring same.

**ARTICLE VII**  
**COMMITMENT TO INSURE UNINTERRUPTED COUNTY OPERATIONS**

Section 1:

The Association acknowledges that the need for continued and uninterrupted operation of the County's departments and agencies is of paramount importance to the citizens of the County and that there should be no interference with such operation.

Section 2:

In light of the foregoing and the fact that adequate procedures exist for the peaceful and orderly resolution of grievances arising under this Agreement, the Association covenants and agrees that during the term of this Agreement neither it nor any person acting in its behalf will cause, authorize, or support, nor will any of its members take part in, any strike (including the concerted failure of four or more employees to report for duty) mass resignation, mass absenteeism, work stoppage, slowdown, walkout or other job action or the invocation of sanctions against the County. The Association agrees that such action would constitute a material breach of the Agreement.

**ARTICLE VIII  
VACATION**

Section 1:

In accordance with N.J.S.A. 11A:6-3, employees shall be granted vacation leave, pursuant to the following schedule, based upon length of service:

<u>Length of Service</u>	<u>Vacation</u>

From 1st anniversary to the 6th anniversary	12 days
After 6th anniversary to the 12th anniversary	15 days
After 12th anniversary to the 18th anniversary	18 days
After 18th anniversary to the 24th anniversary	21 days
After 24th anniversary	25 days

Section 2:

The vacation period for employees shall begin January 1 of each year and continue in effect until December 31 of such year. Annual leave shall be taken, subject to the needs of the service, during the current vacation period.

Section 3:

In any vacation period, annual vacation or any portion thereof which is not taken or granted by reason of the pressure of work shall be granted and may be taken only during the following calendar year. Accumulations after one calendar year shall not be permitted. Extended annual vacation may be granted in accordance with the schedule above, at the convenience of the County.

Section 4:

Annual vacation shall be granted only with prior approval of the Supervisor who may require six weeks prior notice of extended vacation, and is authorized to plan vacations so as to not interfere with responsibility of orderly work. Selection of vacation periods shall be made according to seniority in position title.

Section 5:

An employee who during the calendar year returns from continuous period of absence of more than six (6) months due to disability, leave of absence or layoff, shall not be eligible to a vacation in that year until the employee has completed six (6) months in the performance of duty after returning from such absence. These six (6) months in the performance of duty need not be continuous, but periods of absence of eight (8) days or more shall not be credited in computing the required six (6) months.

Section 6:

Upon termination of employment, an employee will be credited with annual vacation for only those months of the calendar year worked on a prorated basis using the schedule of earned vacation as set forth in Section 1, hereof. An employee who has, pro rata, used more annual vacation than entitled to at the time of termination shall have an amount equal to his daily rate of pay in excess of the number to which he was entitled.

Section 4: (Lieutenants and Captains)

When an employee is required to work on a holiday, he shall be paid for a regular work day plus his pay for the hours actually worked computed at his straight time hourly rate of pay.

Section 5: (Sergeants)

When an employee is required to work on a holiday, he shall be granted compensatory time off equivalent to two (2) additional days, or shall be paid equivalent sums of money for said days at the

discretion of the employer.

Section 6:

Officers shall be permitted to take off one day a month in lieu of the holidays stated in Section 1 above, subject to the needs of the Correctional Facility and on prior approval of the officer in charge. In addition, two floating holidays shall be granted which may be taken on the same basis. The taking of days off or the use of floating holidays pursuant hereto shall not result in the payment of any additional compensation to employees covered under this Agreement. For example, if an employee uses a day off in lieu of a holiday or takes a floating holiday, he may not claim a holiday premium for working on the day the normal holiday falls or is observed pursuant to this Agreement. The intent of the parties to this Agreement is to allow employees greater flexibility in scheduling time off without increasing costs to the employer.

## ARTICLE X SICK LEAVE

### Section 1:

Sick leave is hereby defined to mean absence from post of duty of an employee because of illness, accident, exposure to contagious disease or attendance upon a member of the employee's immediate family seriously ill requiring the care or attendance of such employee.

Immediate family means father, mother, spouse, child, foster child, sister, or brother of the employee. It shall also include relatives of the employee residing in the employee's household.

### Section 2:

Each employee shall be entitled to sick leave credits at the rate of one day per month from the date of employment to the end of the calendar year of hire. If separation from employment occurs before the end of said year, and the employee has used more sick leave than appropriate on a pro rata basis, he shall have an amount equal to his daily rate of pay deducted from his final pay, for each day of sick leave taken in excess of the number to which he was entitled.

Each employee will be credited with fifteen (15) days of sick leave annually for each succeeding calendar year of full-time employment, which is accumulative. Sick leave cannot be used as terminal leave. There shall be no accumulated time under any circumstances for sick leave when leaving the employ of the County. (To be modified subject to Section 6 of this Article). If upon termination after a year's service an employee has used more sick leave than that to which he is entitled, he shall have deducted from his final pay an amount equal to his daily rate of pay for each day of sick leave taken in excess of the number of sick leave days to which he is entitled.

Sick leave benefits shall be available to permanent and provisional employees.

### Section 3:

In the event an employee sustains a job-connected illness or injury, he/she shall be continued on full salary for a period of up to twenty-six (26) weeks without such time off being charged against his present or accumulated sick leave when such absence is directed by the County approved attending physician. Any weekly worker compensation payments received during this period will be returned by the employee to the County. The provisions of the paragraph shall not apply to any settlement compensation award received by the employee as a result of permanent injury.

### Section 4:

Notice of absence is required as follows:

**ILLNESS:** Each employee is required to notify his supervisor by one-half hour before starting time on each day of absence, provided however, that shift personnel are required to so

notify two (2) hours before starting time. Should the employee be unable to reach his/her immediate supervisor, he/she will then continue to notify the next in command. It is recognized that there may be instances when it is impractical or impossible to give daily notice as in the case when an employee is hospitalized or seriously disabled in which case it shall be sufficient that the employee or member of the employee's family notify the supervisor or the next ranking superior in the chain of command giving reason for absence and information as to the degree of illness or disability and the amount of time required for recuperation. Absent such instances the daily requirement of notice shall be enforced.

Failure to give notification as required will result in loss of sick leave for that day and may constitute cause for disciplinary action. Failure to report absences from duty for five (5) consecutive business days shall constitute a resignation pursuant to Civil Service Rules and Regulations.

#### Section 5:

A certificate from a reputable physician in attendance shall be required as sufficient proof of need of leave of absence or the need of the employee's attendance upon a member of the employee's immediate family. Where an employee is absent from duty due to illness less than five (5) days at one time, the County may not require production of a physician's certificate to his supervisor to justify payment of sick leave.

An accumulation of ten (10) sick days, the days having been taken at various times, except as noted above, may be approved without a physician's certificate. All sick time in excess of ten (10) days must be accounted for with a physician's certificate if the time is to be approved with pay.

In the instance of leave of absence due to contagious disease, a certificate from the Department of Health shall be required.

#### Section 6:

**UNUSED SICK LEAVE:** Effective February 14, 2001 retirement from service with the County and completion of twenty-five (25) years of service with the County, an employee shall be paid the equivalent of thirty five percent (35%) of accumulated sick leave up to the maximum amount of fifteen thousand dollars (\$15,000.00).

#### Section 7:

In case of death of any Superior Officer with fifteen (15) years continuous service during the course of employment in the County, his/her spouse or designated heirs will receive, in addition to present allowances, compensation for accrued sick time, the same as if that individual had retired from service. This modification only applies to the death of a Superior Officer an Association member while he/she is an employee of the County and does not apply to leaving or termination of employment for any other reasons other than retirement.

**ARTICLE XI**  
**MAINTENANCE OF CERTAIN PRACTICES**

The parties agree that the following existing practices shall be maintained only for Sergeants during the life of this Agreement.

Section 1: Choice of Holiday Allowances

When an employee wishes to use one or more of his holiday allowances, he may do so by submitting the dates when such allowances are requested to his supervisor at least three (3) days prior to the date requested. Holiday allowances will only be given upon request of the employee provided there is three (3) days prior notice and sufficient coverage during the tour of duty when the holiday allowances are to be used. The supervisor shall designate a replacement.

Employees may exchange days off for personal reasons but only upon approval from their supervisor.

Employees hired after December 16, 2013, shall not be eligible for County paid retiree health insurance upon retirement. Notwithstanding, County employees who at the time of their promotion/hire into this unit who are eligible under a prior union contract or County policy for retiree health insurance would continue to be eligible for health insurance upon retirement as long as they continue to meet the required criteria. Employees who at the time of promotion or hire into this unit, who were not eligible for health insurance upon retirement, would continue to not be eligible.

Section 3:

It is understood and agreed that subsequent to the initial selection of the insurance carrier, the County retains the unilateral right to select the insurance carrier or to be self-insured. Notwithstanding any such changes the level of benefits and administrative procedures shall remain substantially the same.

Section 4:

The County shall continue to pay the premium cost for an employee coverage dental insurance plan only to a maximum of \$9.83 per month (\$118.00 maximum annual or prorated for less than a full of year coverage) per employee. It is understood and agreed that any increase, above
