A "party in interest" is the person or persons making the claim and any person including the Association or the Board, who might be required to take action or against whom action might be taken in order to resolve the claim.

### B. Purpose

C. Procedure

1. Time Limits

The number of days indicated at each level shall be a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

2. Year End Grievances

In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, the time limits set forth herein may be reduced if mutually agreeable so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practical.

3. Level One

Any employee who has a grievance shall, within ten (10) school days after occurrence of the grievance, discuss it first with the Chief School Administrator in an attempt to resolve the matter informally at that level.

4. Level Two

D. Rights of Teachers to Representation

1. Teacher and Association

Any aggrieved person may be represented at all stages of the grievance procedure by himself or, at his option, by representative(s) selected or approved by the Association. When a teacher is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure.

2. Reprisals

No reprisals of any kind shall be taken by the Board or by the Chief School Administrator against any party in interest, any representative, any member of the Association, or any other participant in the grievance procedure by reason of such participation.

E. Miscellaneous

1. The term “observation”, as applied to a teaching staff member, shall be construed to mean a visitation to a classroom by a member of the administrative/supervisory staff of the District who holds an appropriate certificate for the supervision of instruction (hereinafter referred to as the “Evaluator”) for the purpose of observing the performance of the instructional process by the teaching staff member.
2. The term “evaluation” as applied to a teaching staff member, shall be construed to mean a written evaluation report prepared by an Evaluator who visits the classroom for the purpose of observing the performance of the instructional process by the teaching staff member. The written evaluation has as its purpose the improvement of the quality of instruction.
3. Tenured teaching staff members shall have a minimum of two observation/evaluations per year. Non-tenured teaching staff members shall have a minimum of four observation/evaluations per year.
4. Each observation/evaluation shall be followed, within a reasonable period of time, by a conference between the Evaluator and the teaching staff member to discuss the lesson observed.
5. Veteran tenured teaching staff members may request an alternate form of evaluation by presenting a written proposal, on the required forms, to the Professional Development Committee. That Committee will provide the Chief School Administrator with its recommendation. Final approval will be determined by the Chief School Administrator.

**ARTICLE 6**  
**PROFESSIONAL DEVELOPMENT**

- A. The District shall offer teachers suggested in-service courses to enhance professional development.**

B. To encourage members of the professional staff to take courses for the betterment of their teaching capabilities and for their increased value to the school district, the Board will make reimbursement for the tuition cost of graduate courses within the limits defined below:

1. Approval of Course Requirements

To be approved, the Professional Development Committee must first have determined by a majority vote, that a course will enhance the value of the staff member to the school district. Moreover:

- (a) Staff members who hold only a Bachelor's degree must be in either an approved certificate or Master's degree program. Only one certificate program will be reimbursed before the Master's degree.
- (b) Staff members who hold a Master's degree need not be in a certificate or Master's degree program to obtain reimbursement.

2. Payment

- (a) Tuition reimbursement shall be available as indicated in this Article to unit members after their first year of full or part-time experience in the district and for course work taken during the second and subsequent years of service. This means that someone starting in September of one year would be eligible for reimbursement for courses taken in the following summer.
- (b) To be eligible for tuition reimbursement unit members must achieve a minimum grade of "B+" or a "Pass" if the Professional Development Committee approves the taking of a course on a Pass/Fail basis.
- (c) Tuition reimbursement for part-time employees shall be proportionate to the amount of time they work, i.e., half-time employees would receive half the reimbursement that full-time teachers receive for the same number of credits.

- (3) If, at the end of each school year, the total amount of reimbursement sought by all teachers for approved credits shall equal or exceed the maximum obligation of the Board for the year, each teacher seeking reimbursement shall be reimbursed per credit by pro-rating the cap for that year over the total number of credits for which reimbursement is sought.
- (4) If at the end of each school year the total amount of reimbursement sought by all teachers shall be less than the maximum obligation of the Board for that year, any teacher who has taken more than 6 credits can apply for a share of the remaining portion of the Board allotment up to 9 credits to be distributed in equal percentages as reimbursement for any classes taken before June 30 of that school year. In no event shall the total reimbursement exceed the annual Board tuition allotments specified above.

The willingness of the Board to discuss matters which are within the sole prerogative of the Board shall not be deemed to constitute a waiver or relinquishment of any such prerogative.

ARTICLE 9  
TEACHERS' RIGHTS

Teachers shall enjoy all of the rights granted under and by virtue of the provisions of Chapter 303 of the Law of 1968 as amended by Chapter 123 of the Laws of 1975 or under any laws of the State of New Jersey and the United States, and the Constitution of the United States and of the State of New Jersey. No staff member or teacher shall be discriminated against, coerced, or reprimanded by virtue of the exercise of such rights.

ARTICLE 10  
WORK DAY/WORK YEAR

A. Work Year

The teachers' in-school work year shall begin no earlier than September 1 and end no later than June 30<sup>th</sup>. It shall consist of the following:

If unusual circumstances should arise, the Association recognizes that the Board may, after consultation with the Association, alter these hours on a temporary basis.

Teachers who agree to work outside of this contractual time will receive adequate notification. A waiver will be agreed to by the Association.

C. Each teacher shall have a duty-free lunch period of the same length as the lunch period for students. The Board recognizes that no changes shall be made in the lunch period as it affects the teacher's duty-free lunch unless first negotiated with the Association.

E. Each full-time classroom teacher shall have thirty (30) minutes of preparation time daily. Part-time teachers shall receive the equivalent of fifteen (15) minutes preparation time daily. This fifteen (15) minutes equivalent may be assigned on a weekly basis as opposed to a daily basis. That is, a teacher working three (3) periods per day each day would be

entitled to seventy-five (75) minutes of preparation time during the week. For teachers working full days but part-time, a minimum of fifteen (15) minutes shall be scheduled for preparation daily.

- F. The Board recognizes that teachers would prefer not to have lunchtime supervision of students. However, the Board and Association recognize that continuity of assignment to lunch supervisory duty is a desirable approach. Recognizing these understandings the Board agrees that staff assigned to lunch duty will be guaranteed a duty-free lunch period and a preparation period.

Furthermore, assignments to lunch supervisory duties will be designed to maintain continuity. The Board agrees to make every reasonable effort to assign a single teacher to the continuing daily assignment of overseeing and expediting lunch supervision.
