Article III: GRIEVANCE PROCEDURE

- A. Definition
 - 1. A grievance is a claim by an employee or the Association based upon the interpretation, application, or alleged violation of this Agreement, Board policies, and/or administrative decisions affecting the terms and conditions of employment of an employee or a group of employees.
 - 2. A grievance to be considered under this procedure must be initiated within twenty (20) school days from the time when the grievant knew of its occurrence.
 - 3. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be a waiver of further appeal of the decision.
 - 4. It is understood that any employee grievant shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been duly determined.
 - 5. If an employee wishes self representation in a grievance, then the REA will be notified and be given copies of the grievance and all related correspondence.

B. Procedure:

Level 1-Initial Level

1. Any employee grievant who has a grievance may discuss it first with the principal or immediate supervisor in an attempt to resolve the matter informally at that level. If the grievant is not satisfied with the response at this level, or if the grievant does not wish to use the informal level; he shall file a formal written grievance. If resolved formally, the response will be in writing. The principal or immediate supervisor shall render a decision within five (5) school days.

Level 2 - Superintendent's Level

2. The employee grievant, no later than five (5) school days after receipt of the decision of his/her principal or other immediate superior, may appeal the decision to the superintendent of schools. The appeal to the superintendent must be made in writing specifying:
 - a. the nature of the grievance, including the contract provision, Board policy, or administrative decision being grieved, but not to the exclusion of other relevant contract language;
 - b. the remedy being sought;
 - c. the results of previous discussions;
 - d. the basis for his/her dissatisfaction with decisions previously rendered.

The superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed ten (10) school days from the receipt of the appeal. The superintendent shall communicate his/her decision in writing to the employee grievant and to the Association.

Level 3 - Board of Education Level

3. If the grievance is not resolved to the grievant's satisfaction; he/she, no longer than five (5) school days after receipt of the superintendent's decision, may request a review by the Board of Education. The request shall be submitted in writing through the superintendent of schools who shall attach all related papers and forward the request to the Board of Education. A hearing shall be held within a reasonably expeditious time but not to exceed thirty (30) calendar days after receipt of the appeal notice. The Board, or a committee thereof, shall review the grievance, shall hold a hearing with the employee grievant, shall render a decision in writing, and shall forward copies thereof to the grievant and to the Association within twenty (20) calendar days of the date of the hearing.

Level 4 - Binding Arbitration Limited to Express Contract Language

4. If a decision of the Board does not resolve the grievance to the satisfaction of the employee grievant, and the Association determines that a third party is necessary, the grievance involves the interpretation, application, or alleged violation of express contract terms or language, and the Association determines the matter should be reviewed further; the Association shall advise the Board, through the superintendent, within twenty (20) school days from the receipt of the decision at Level 3. The matter shall then be submitted to binding arbitration in accordance with the rules and procedures adopted by the Public Employment Relations Commission. The cost of any arbitration process will be borne equally by the Board and the Association.
 - a. Noncertificated employees who occupy positions for which statutory tenure does not apply may not utilize this level of the grievance procedure for any matter involving discipline until after 90 days of continuous employment.
 - b. In the event any non-certificated, non-tenurable employee, continuously employed in excess of 90 days, seeks to utilize the provisions of Article IV, paragraphs C or F as a basis for binding arbitration, the Board reserves the right to utilize the procedures as outlined in paragraph d. below in the event it contests the issues of "arbitrability."
 - c. Limitation Upon Binding Arbitration- It is stipulated that the binding arbitration provided herein shall not be applicable to any interpretation, application, or alleged violation of the following express contract provisions:
 - Article IV: Employee Rights, Paragraph C., to the extent that the Board action complained of does not constitute discipline.*

 - Article XI: Class Size.*
 - Article XII: Non-Teaching Duties, Subsection C.*

- Article XXXI: Books and Other Instructional Materials and Supplies.*

- d. In addition, the parties stipulate that, in the event the Board determines that any grievance is non-arbitrable or if there is any dispute regarding arbitration, the Board or the Association shall have the option of seeing a determination of arbitrability, either from the Public Employment Relations Commission (PERC) or the New Jersey Superior Court. In the event such an application is made to determine arbitrability, the Association agrees that the grievance shall be stayed voluntarily until a determination is made regarding the subject of arbitration.
 - e. The arbitrator shall be impartial and shall give reasons for any decision which he/she renders in connection with this provision. He/She is to confine his/her decision strictly to the terms of the contract and any evidence before him/her. The arbitrator shall have no authority to determine the issue of arbitrability. In such circumstances, where the issue of arbitrability is raised, it shall be determined as appropriate either by PERC or the Superior Court. Any decision of the arbitrator shall be based solely upon the interpretation of express contract terms or language.
