AGREEMENT

This Agreement, entered into this ____ day of _____, 2010, by and between the Township of East Windsor, in the County of Mercer, a Municipal Corporation of the State of New Jersey, hereinafter referred to as the "Township", and the New Jersey State Policemen's Benevolent Association, Local #191, hereinafter referred to as the "Association", represents the complete and final understanding on all bargainable issues between the Township and the Association.

ARTICLE I
INTERPRETATION & RECOGNITION

- A. The Township hereby recognizes the Association as the sole and exclusive negotiating agent and representative of all the employees in the bargaining unit as defined immediately below for the purposes of collective bargaining, on all terms and conditions of employment and grievances.

- B. The bargaining unit, as discussed immediately above, shall consist of all uniformed patrol officers, Detectives, and Sergeants, now employed or hereafter employed, excluding the Chief of Police, Lieutenants, school crossing guards, dispatchers (radio officers), and all civilian members of the Department. Probationary employees shall be included for all benefits other than wages as set forth hereafter in this Agreement.

- C. The title "police officer" or "employee" shall be defined to include the plural as well as the singular and males and females, uniformed members and non-uniformed members assigned to plain clothes.

- D. This Agreement shall cover wages, hours of work, fringe benefits, working conditions, grievance procedures, and all other related matters, conditions and considerations of employment hereinafter set forth, and shall be binding upon the parties hereto, and their successors, as permitted by law.

ARTICLE II
MANAGEMENT RIGHTS

A. Except, and only to the extent that specific provisions of the Agreement provide otherwise, it is hereby mutually agreed that the Township has and will continue to retain, regardless of the frequency of exercise, rights to operate and manage its affairs in each and every respect. The rights reserved to the sole discretion of the Township shall include, but not be limited to, the right:

1. to determine the organization of the Department;
2. to determine and change the purpose and extent of each of its constituent units and divisions;
3. to exercise control and discretion over the organization and efficiency of operations of the Department;
4. to set standards for service to be offered to the public;
5. to direct the employees of the Department, including the right to assign work and overtime;
6. to hire, examine, classify, evaluate, promote, train, transfer, assign and schedule employees in positions within the Department;
7. to suspend, demote, discharge, or take other disciplinary action against employees for proper cause;
8. to increase, reduce or change, modify or alter the composition and size of the work force, including the right to relieve employees from duties because of lack of work or funds or for other reasons;
9. to determine the location, methods, means, and personnel by which operations are to be conducted, including the right to determine whether goods or services are to be made, provided, or purchased;
10. to establish, modify, combine or abolish job positions or classifications;
11. to change or eliminate existing methods of operation, equipment or facilities;
12. to establish, implement and maintain an effective internal security program;
13. to contract or subcontract out work; and to use non-sworn personnel in any lawful manner.

B. Those inherent managerial functions, prerogatives and policy making rights whether listed above or not which the Township has not expressly modified or restricted by a specific provision of this Agreement are not in any way, directly or indirectly subject to the grievance and arbitration procedures contained herein. This shall not limit the parties' right to a determination concerning contractual or legal limits on management's right.

ARTICLE III
COLLECTIVE BARGAINING PROCEDURE

- A. Collective bargaining with respect to the rights and duties of the Township and employees, the resolution of legitimate grievances, rates of pay, hours of work and other conditions and considerations of employment shall be conducted by the duly authorized bargaining agents of each of the parties in accordance with the provisions of the P.E.R.C. Act, as amended. Unless otherwise designated, the Mayor of the Township, and the President of the Association or their designee or designees, shall be the respective bargaining agents for the parties.

- B. Collective bargaining meetings shall be held at times and places mutually convenient at the request of either party. Whenever members of the bargaining unit (whether agent or designee or designees) are mutually scheduled by the parties hereto to participate during working hours in conferences, meetings or in negotiations respecting the Collective Bargaining Agreement, such member, agent, designee or designees will not be assigned to other duties but shall receive his regular pay.

ARTICLE IV
NON-DISCRIMINATION

- A. The Township and the Association agree that there shall be no discrimination against any employee because of race, creed, color, religion, sex, national origin, or political affiliation.

- B. The Township and the Association agree that all police officers covered under this Agreement have the right without fear of penalty or reprisal to form, join, and assist any employee organization or to refrain from any such activity. There shall be no discrimination by the Township or the Association against any employee because of the employee's membership or non-membership or activity or non-activity in the Association.

- C. The Township recognizes that employees have legal rights during internal investigations and will not interfere with their attempts to exercise those rights. All legal rights enjoyed by citizens will be observed by the Township during criminal investigations involving employees.

ARTICLE V
MUTUAL COOPERATION PLEDGE

- A. The Association hereby covenants and agrees that during the term of this Agreement, neither the Association nor any person acting in its behalf, will cause, authorize or support, nor will any of its members take part in, any strike (i.e., the concerted failure to report for duty or willful absence of any employee from his position, or stoppage of work, or absence in whole or in part from the full, faithful and proper performance of the employee's duties of employment), work stoppage, slow-down, walk-out or other illegal job action against the Township.

- B. The Association agrees that it will make every reasonable effort to prevent its members from participating in any strike, work stoppage, slow-down, or other activity aforementioned, and that the Association will publicly disavow such action and order all such members who participate in such activities to cease and desist from same immediately and to return to work. Nothing herein shall be construed to restrict the employees' rights under the First Amendment of the United States Constitution.

- C. Nothing contained in this Agreement shall be construed to limit or restrict the Township in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for injunction or damages, or both, in the event of a breach by the Association or its members.

ARTICLE VI

SICK LEAVE

- A. (1) All permanent full-time employees covered by this Agreement shall be granted sick leave with pay in the amount of one hundred twenty (120) hours per year.
- (2) Any employee covered by this Agreement hired after January 1 of any calendar year shall receive sick leave on a prorated monthly basis for the remainder of that calendar year, and one hundred twenty (120) hours for each full calendar year thereafter.
- B. Any amount of sick leave not used in any calendar year shall accumulate to the employees credit from year to year to be used if and when needed for such purpose, with a maximum limit of two thousand (2000) hours.
- C. Sick leave may be taken in the event of personal illness or illness in the employee's immediate family or household that requires attendance by the employee, observance of quarantine, or as a result of a disabling injury. For purposes of sick leave, immediate family shall include parent, spouse or child of the employee, or relatives residing in the employee's household. Sick leave may not be used to extend a holiday or vacation.
- D. Any employee who shall be absent from work for five (5) or more consecutive working days for sick leave shall be required to submit acceptable medical evidence substantiating the illness.
- E. In order to receive compensation while absent on sick leave, an employee shall report his/her absence at least one (1) hour prior to the start of his/her shift, where possible, except where emergent circumstances prevent the employee from doing so.
- F. Abuse of sick leave shall be cause for disciplinary action.
- G. Employees shall be given a written accounting of accumulated sick leave days on or about February 1 of each year, or as soon thereafter as practicable.
- H. Any employee who leaves work as a result of illness shall be credited with time actually worked and charged with sick leave for time not worked.

ARTICLE VII
TERMINAL LEAVE

- A. (1) Upon termination of employment other than by retirement, under honorable circumstances, an employee having six (6) years or more of service, shall be entitled to receive as accumulated hours of sick leave pay of forty (40%) percent of the employees accumulated hours of sick leave, up to a maximum of fifteen thousand (\$15,000.00) dollars, computed upon the employee's base rate of pay at the time of termination. If termination occurs during the last quarter of any calendar year and funds are insufficient to provide for payment of all or part of the accumulated sick leave, then the Township may provide for payment of the remaining balance of accumulated sick leave for which funds are insufficient on the first regular payroll date in the following calendar year.
- (2) The amount of payment shall be equal to the number of hours of sick leave an employee actually has accumulated as of the date of termination, multiplied by the current hourly pay rate for the employee, multiplied by forty (40%) percent up to the maximum dollar number indicated.
- (3) "Honorable circumstances" shall mean termination other than for disciplinary reasons, and other than resignation while under suspension for disciplinary reasons, and shall include the requirement that an employee give sufficient notice to permit two (2) full working weeks on the job prior to termination, not including any use of accumulated sick time.
- B. (1) Upon "Service Retirement" or upon "Ordinary Disability Retirement" or upon "Accidental Disability Retirement", all of which are defined more specifically by the Police and Fireman's Retirement System, an employee shall receive a lump sum payment as supplemental compensation for each full hour of earned and unused accumulated hours of sick leave which is credited to them on the effective date of their retirement.
- (2) The supplemental compensation payment to be paid shall be derived by multiplying the employee's regular straight time hourly rate upon the effective retirement date by fifty (50%) percent of the employee's number of accumulated hours of sick leave which the employee has at the time of retirement.
- (3) All payments for accrued and unused hours of sick leave shall be computed over a ten (10) week period, with the employee receiving five (5) payments on a biweekly basis. In no event shall the total payments exceed the sum of twenty thousand (\$20,000.00) dollars prior to January 1, 2012, and effective January 1, 2012 and thereafter fifteen thousand (\$15,000.00) dollars. Beginning January 1, 2010 for new employees, the maximum payment shall not exceed the sum of fifteen thousand (\$15,000.00) dollars. If retirement occurs during the last quarter of any calendar year and funds are insufficient to provide for payment of all or part of the accumulated sick leave, then the Township may provide for payment of the remaining balance of accumulated sick leave for which funds are insufficient on the first regular payroll date in the following calendar year.

ARTICLE VII
TERMINAL LEAVE

(continued)

- C. (1) In the event that an employee elects to defer payment of accrued hours of sick leave, said employee must notify the Finance Director prior to filing for retirement. Each retiree must withdraw all money deferred by him/her not later than three (3) years from the date of their retirement. There shall be a maximum of nine (9) withdrawals. The Finance Director shall be notified thirty (30) days prior to each withdrawal. The retiree will be responsible for payment of taxes on all money withdrawn from the deferred payment program. A 1099 tax form will be provided to all retirees who participate in the deferred payment program.
- D. (1) Any payment due under this article shall be made to the employee's/retiree's estate upon their death.

ARTICLE VIII
BEREAVEMENT LEAVE

- A. Each employee shall be granted a maximum of five (5) days leave without loss of pay at any one (1) time in the event of the death of any member of the employee's immediate family.

- B. "Immediate family" shall be defined to include the employee's spouse, child, parent, brother, sister, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandparent, or any other relative of the employee living in the employee's household.

- C. In the event of the death of an employee's aunt, uncle, niece, nephew, grandparent-in-law, or cousin, an employee, when scheduled to work, shall be granted one (1) day off with pay, plus two (2) additional days if needed for travel in excess of 150 miles from home to the point of destination.

- D. In the event of death of a fellow member (active or retired) of the East Windsor Township Police Department, the Chief of Police shall grant an appropriate number of employees sufficient time to attend the funeral.

- E. After expiration of the allotted bereavement period, an employee may request use of accumulated sick leave in order to extend the bereavement leave period due to extenuating circumstances. Such requests shall be made to the Chief of Police for good cause, and be subject to the approval of the Chief of Police, who shall not unreasonably withhold permission.

ARTICLE IX
LEAVES OF ABSENCE

- A. Other leaves of absence with pay or without pay may be granted by the Township in accordance with applicable New Jersey and federal laws including the Family Leave Act N.J.S.A. 34:11B-1 et seq., and the Family Medical Leave Act, 29 U.S.C. Section 2601, et seq., as each may be applicable.

4. ORDINARY DISABILITY - If an employee has been employed by the Township for at least fifteen (15) years (without any credit for prior service), and that employee retires on an Ordinary Disability retirement under terms of the Police and Firemen's Retirement System, that employee may apply to the Township Council for continuation of health insurance benefits as provided under the terms of Article X . If such an application is made, the Council shall request a report from the Township Manager on the circumstances of the accident or disability that led to the employee's disability retirement, on the employee's work history and performance evaluations, on the term of the employee's service to the Township, on the projected cost of providing the benefit, and such factors as the Council or the Manager may deem appropriate to an evaluation of the request. The Council may, at its sole discretion, decide whether the benefit shall be extended, and the decision of the Council shall not be grieved by the employee or the Association.

 6. The Township shall continue to pay the entire cost of a twenty thousand (\$20,000) dollar life insurance policy on each employee. Said policy will contain the same basic payment and indemnity provisions as have been provided in past policies for said employees.
 7. The Township shall pay fifty (50%) percent of the monthly premium of dental care insurance for each employee (and for his/her family, where appropriate) for the life of this Agreement. EMPLOYEE FACILITIES, EQUIPMENT & UNIFORM

- A. All employees, where applicable, shall be provided with the appropriate equipment and uniforms necessary to do a high quality of work.

ARTICLE XII
GRIEVANCE PROCEDURES

- A. The purpose of this procedure is to secure at the lowest possible level an equitable solution to the problems which may arise affecting the terms and conditions of employment under this Agreement.
- B. Nothing herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the Department.
- C. 1. The term "grievance" as used herein means an appeal by an individual and/or Association on behalf of an individual employee or group of employees, from the interpretation, application or violation of policies, agreements, and administrative decisions affecting them.
2. No grievance may proceed beyond Step Three herein unless it constitutes a controversy arising over the interpretation, application or alleged violation of the terms and conditions of this Agreement.
- D. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement, and shall be followed in its entirety unless any Step is waived by mutual consent:
- Step One: The Association, or the aggrieved, shall institute action under the provisions hereof within ten (10) calendar days after the event giving rise to the grievance has occurred, and an earnest effort shall be made to settle the differences between the aggrieved employee and the immediate supervisor for the purpose of resolving the matter informally. Failure to act within said ten (10) calendar days shall be deemed to constitute an abandonment of the grievance.
- Step Two: If no agreement can be reached orally within five (5) calendar days of the initial discussion with the immediate supervisor, the aggrieved or the Association may present the grievance in writing within ten (10) business days thereof to the Chief of Police or his designated representative. The written grievance at this Step shall contain the relevant facts, the applicable Section of the Contract allegedly violated, and the remedy requested by the grievant. The Chief of Police or his designated representative will answer the grievance in writing within ten (10) business days of receipt of the written grievance.

(continued)

Step Three: If the Association wishes to appeal the decision of the Chief of Police, such appeal shall be presented in writing to the Township Manager within ten (10) business days thereafter. This presentation shall include copies of all previous correspondence relating to the matter in dispute. The Township Manager shall respond, in writing, to the grievance within fifteen (15) calendar days of the submission.

Step Four: If the grievance is not settled through Steps One, Two and Three, either party shall have the right to submit the dispute to arbitration pursuant to the Rules and Regulations of the Public Employment Relations Commission. The costs for the services of the arbitrator shall be borne equally by the Township and the Association. Any other expenses, including, but not limited to, the presentation of witnesses, shall be paid by the parties incurring same.

- E. The arbitrator shall not have the authority to add to, modify, detract from or alter in any way the provisions of this Agreement or any amendment or supplement thereto. The decision of the arbitrator shall be final and binding.
- F. Upon prior notice to and authorization of the Chief of Police, the designated Association representatives shall be permitted as members of the Grievance Committee to confer with employees and the Township on specific grievances in accordance with the grievance procedure set forth herein during work hours of employees, without loss of pay, provided the conduct of said business does not diminish the effectiveness of the Township of East Windsor Police Department or require the recall of off-duty employees.
- G. The time limits expressed herein shall be strictly adhered to. If any grievance has not been initiated within the time limits specified, then the grievance shall be deemed to have been abandoned. If any grievance is not processed to the next succeeding Step in the grievance procedure within the time limits prescribed thereunder, then the disposition of the grievance at the last preceding Step shall be deemed to be conclusive. If a decision is not rendered within the time limits prescribed for decision at any Step in the

G. (continued)

grievance procedure, then the grievance shall be deemed to have been denied. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits for processing the grievance at any Step in the grievance procedure.

H. No settlement of a grievance shall contravene the provisions of this Agreement.

I. A grievance may be brought under this procedure by the Association as a class grievance. A class grievance shall be submitted directly to the Chief of Police at Step Two of this procedure.

ARTICLE XIII
HOLIDAYS AND
HOLIDAY PAY

- A. All employees covered by this agreement shall received one-hundred twenty (120) hours of holiday pay at their regular hourly rate to be included in the employees annual base pay. This holiday pay will be paid as part of the employee's regular bi-weekly base pay and will be equally distributed over the twenty-six (26) annual pay periods. This amount shall be included as creditable compensation for purposes of the Police and Firemen's Retirement System. Appropriate deductions, including those for pension, shall be taken from this amount. These one-hundred twenty (120) hours of pay shall be in lieu of other compensation and time off for any holidays each year.

- B. This one-hundred twenty (120) hours of holiday pay will be paid on a prorated hourly basis. Upon termination of employment an employee will not be required to repay any portion of this holiday pay and has no claim to additional holiday compensation based on their date of termination.

ARTICLE XIV
PERSONAL DAYS

- A. All officers assigned to Uniform Services, except the Traffic Safety Supervisor, shall be granted twenty-four (24) hours of personal time to be used in case of an emergency or other personal leave, each year. Effective January 1, 2011 all officers assigned to Uniform Services, except the Traffic Safety Supervisor, shall be granted thirty-six hours of personal time. All officers assigned to Investigative Services, the Traffic Safety Supervisor and all other eight hour employees shall be granted eight hours of personal time. Application for personal time off shall be made to the Chief of Police or his designee at least seventy-two (72) hours in advance of the requested time off. In the event of an emergency where it is not possible to provide the seventy-two (72) hour notice, the employee shall contact the Chief of Police or his designee and explain the emergent circumstances for time off. It shall be the decision of the Chief of Police or his designee to grant or deny emergency personal leave and such leave shall not be unreasonably or arbitrarily denied. The decision of the Chief of Police or his designee to grant or deny a request may be based on whether the request will generate overtime or other extra non-regular costs.
- B. The uniform services officer shall have the option to cash in at straight time rates or convert to vacation time up to twelve (12) hours of unused personal time in a given year. An officer desiring to exercise this option must provide written notice to the Township no later than November 15 of that year making this request and specifying whether the time will be taken as pay or vacation time. Effective January 1, 2011, the option to cash in will no longer be available and unused personal time may be converted to vacation time only.

 - f. Employees employed by the Township for two hundred eighty-nine (289) months or more shall be entitled to two hundred forty-eight (248) hours of paid vacation for such employees.
 - g. Employees whose anniversary date falls in January, February or March shall be entitled to one hundred (100%) percent of the increase in vacation hours as listed in subparagraphs b, c, d, e and f; employees whose anniversary date falls in either April or May shall be entitled to eighty (80%) percent of the increase in vacation hours; employees whose anniversary date falls in June or July shall be entitled to sixty (60%) percent of the increase in vacation hours; employees whose anniversary date falls in August or September shall be entitled to forty (40%) percent of the increase in vacation hours; and employees whose anniversary date falls in October, November or December shall be entitled to twenty (20%) percent of the increase in vacation hours. The percentage applies only during the year in which the new step is reached.
2. Employees who terminate service will be paid accumulated vacation benefits on the last day of employment prorated to date of termination. If termination occurs during the last quarter of any calendar year and funds are insufficient to provide for payment of all or part of the accumulated vacation leave, then the Township may provide for payment of the remaining balance of accumulated vacation leave for which funds are insufficient on the first regular payroll date in the following calendar year.

 4. Employees shall be allowed to carry over up to two hundred twenty (220) vacations hours from one calendar year to the next.
- B.
1. It is hereby recognized that the scheduling of vacation periods is a management prerogative. In accordance with such recognition, vacation periods shall be taken in work-week blocks (as much as that is possible) and approved by the Chief of Police in accordance with his decision to maintain efficiency and the smooth operation of the Department. Nevertheless, individual exceptions may be made to such "block" vacation periods upon the application to and approval by the Chief of Police.
 2. If a conflict should arise with respect to the scheduling of vacation periods among the various employees, such matters shall be resolved on the basis of seniority with the consent of the Chief of Police.
- C.
1. The amount of vacation pay to be received by an employee in accordance with the benefits noted herein shall be determined by the per diem salary of the employee at the time the vacation benefits are utilized. (Such per diem salary shall not include any overtime pay or other monetary benefits, but shall be calculated on the salary schedule of such employee at that time.)
 2. Vacation pay may be paid to the employee at his option in advance of his declared vacation period pursuant to the procedures set forth in the Township Personnel Code.
 3. If an employee should die without utilizing the vacation benefits to which he would have been fully entitled, his estate shall receive the vacation pay amounts representing such unused benefits.
- D.
- Employees terminating their employment with the Township or having their employment with the Township terminated by the Township shall be entitled to be paid for all vacation days accrued on the established pro-rata monthly basis. If termination occurs during the last quarter of any calendar year and funds are insufficient to provide for payment of all or part of the accumulated vacation leave, then the Township may provide for payment of the remaining balance of accumulated vacation leave for which funds are insufficient on the first regular payroll date in the following calendar year.

OVERTIME AND COMPENSATORY TIME

A. Definitions

1. Overtime - Any time spent at regular duties or other assigned duties, consistent with this Agreement, either before or after regular work hours, or on any day scheduled as a non-working day according to the work schedule of the employee.

2. Call-back - An order to return to duty at a time when an employee would not otherwise be scheduled for duty. Such order shall only be issued by the Chief of Police or by an officer to whom specific authority has been delegated by the Chief of Police to issue such an order.

B. 1. All employees covered by this Agreement shall be paid one and one-half (1 1/2) times their respective straight time hourly rate (at whatever said straight time hourly rate would be for the work week during which such overtime work is performed) for any and all overtime work as defined immediately above in paragraph A.

2. Overtime shall be calculated as beginning thirty (30) minutes after the completion of a normal working shift in the event that the employee should be required to remain at his duties beyond the completion of said shift. He shall receive compensation at an overtime rate from the time of completion of said shift (i.e., for said thirty minute period) until the completion of the aforesaid duties. If an employee is called to duty before the beginning of his regular work shift and continues working through to the beginning of his regular work shift, he will be paid at the overtime rate for such time as he works before the beginning of his regular work shift.

3. a. In the event there is a call-back to duty during a period when the employee is not scheduled to work, said employee shall be paid in accordance with the following schedule:

(1) If the employee works two (2) hours or less, two (2) hours overtime pay.

(2) If the employee works more than two (2) hours but less than four (4) hours, four (4) hours overtime pay.

(3) If the employee works four (4) hours or more, overtime pay for the actual hours worked.

(4) If the call-back occurs between 11 P.M. and 7 A.M., four (4) hours overtime pay or overtime pay for the actual hours worked, whichever is more.

(5) If the employee is called back from vacation or holiday leave, four (4) hours pay or pay for actual time worked, whichever is more, at the rate of two (2) times the employee's normal rate.

ARTICLE XIX
OVERTIME AND COMPENSATORY TIME

(continued)

b. This provision shall not be in effect during emergencies.

c. An employee shall be entitled to said guarantees provided the recall duty is not contiguous with the employee's normal work day.

4. In further accordance with the definitional section above, if an employee should be required to appear before any Grand Jury, Municipal Court, County Court, State Superior Court, State Supreme Court, Federal Court or in any matter other than a civil action, such time during which he is so engaged shall be considered a time of assignment to, and performance of, his regular duty and when any such appearance is not scheduled at least five (5) days in advance and occurs outside his normal working shift, said employee shall receive minimum compensation at an overtime rate in accordance with XIX B.3. above.

C. Overtime wages shall be paid on the pay date which shall fall immediately after the date on which the overtime was reported.

D. With the approval of the Chief of Police, in his discretion, each employee may designate that overtime hours earned during the period of January 01 through June 30, and/or July 01 through December 31 of each year, will be earned as compensatory time, at the overtime rate.

1. The maximum compensatory time banked, in each period, shall be forty (40) hours. If the employee's designation is approved by the Chief, the employee shall have the option of receiving overtime either as compensatory time or as pay; however, in the absence of a request, it will be credited as compensatory time. Such designation shall be made in writing, to the Chief of Police prior to the commencement of each period. If the approved employee surpasses the forty (40) hours in compensatory time during the said period, then all additional overtime shall be received as pay at one and one-half times their respective straight hourly rate. Each approved employee can accumulate up to forty (40) hours, aggregate total, compensatory time during each declaration period.

2. At the end of each declaration period the Chief of Police shall certify to the Director of Finance the unused compensatory time hours of each employee and each employee shall receive payment for said unused compensatory time during the first pay period following the end of the said declaration period. Said check shall be at one and one-half (1 1/2) times the employee's respective straight time hourly rate.

ARTICLE XIX
OVERTIME AND COMPENSATORY TIME

(continued)

3. The association recognizes that it may not be always possible to grant compensatory time off to employees who have accrued the compensatory time. The Township shall make every reasonable effort to allow the employee to use such compensatory time, provided that the use of such compensatory time does not increase the costs to the Township by way of overtime costs. However, if the Township is unable to grant the use of the compensatory time off to the employee, then that portion of the unused compensatory time shall revert back to pay at one and one-half (1 1/2) times the employee's respective straight time rate. Scheduling of use of accrued compensatory time shall be upon application of the employee, and approved by the Chief of Police, in his discretion.

2. It is recognized that the Township may bill the recipient of such services for an amount in addition to the hourly rate set forth immediately above for administrative costs, overhead and out-of-pocket expenses in providing such services.

Complaints will be deemed removed after one (1) year for disciplinary purposes, but will be deemed retained solely for penalty evaluation purposes. In the event of unsubstantiated complaints, the complaint will not go into the personnel file. Any dispute arising out of this decision is grievable.

D. All personnel files will be carefully maintained and safeguarded permanently, and nothing placed in any files shall be removed therefrom. Removal of any material from a personnel file by any member of the Force shall subject that member to appropriate disciplinary action.

ARTICLE XXXV
WORKING OUT OF RANK

A. A Patrol Officer/Detective assigned to duties normally assigned to a supervisor shall be paid at the Sergeant's rate of pay as listed in Article XVI of this Agreement, for each and every hour so worked beginning immediately upon an officer assuming the responsibilities of a supervisor. Such assignment shall be made by the Chief of Police or his designee.

B. A Sergeant assigned to duties normally assigned to his superior shall be paid at a superior's rate of pay for each and every hour so worked with no necessity to accumulate any number of hours before being paid at the higher rate. Such assignment shall be made by the Chief of Police or his designee.

ARTICLE XXXVI

INJURY LEAVE

A. 1. In the event an employee becomes disabled by reason of work-related injury or illness and is unable to perform his duties, then, in addition to any sick leave benefits otherwise provided for herein, he may be entitled to full pay for a period of up to one (1) year, provided all conditions of this Section A are met.

2. When an employee requests injury leave, he or she shall be placed on "conditional injury leave" until a determination of whether or not an injury or illness is work related and the employee is entitled to injury leave is initially made by the Township's Workers' Compensation carrier, with the final determination, if necessary, to be made by the Workers' Compensation Bureau or Court. When and if it is finally determined that the injury or illness is not work related and that the employee is not entitled to job injury compensation, the employee shall be denied injury leave and shall have all time off charged against his or her accumulated sick time and, necessary, against any other accumulated leave time. If the employee does not have enough accumulated time off, he or she shall be advanced sick time to cover the absence. If the employee leaves the employ of the Township prior to reimbursing the Township for such advanced time, the employee shall be required to reimburse the Township of such advanced time.

3. When an employee is granted either "conditional injury leave" or "injury leave", the Township's sole obligation shall be to pay the employee the difference between his/her regular pay and any compensation, disability or his/her payment received from other sources provided by the Township. At the Township's option, the employee shall either surrender and deliver any compensation, disability or other payments to the Township and receive his or her entire salary payment, or the Township shall pay the difference.

B. Any employee who is injured, whether slight or severe, while working, must make an immediate report prior to the end of the shift thereof to the immediate supervisor. Failure to so report said injury may result in the failure of the employee to receive compensation under this Article.

C. The employee shall be required to present evidence by a certificate of a physician designated by the Insurance carrier that he is unable to work, and the Township may reasonably require the employee to present such certificate from time to time.

D. If the Township does not accept the certificate of the physician designated by the Insurance carrier, the Township shall have the right, at its own cost, to require the employee to obtain a physical examination and certification of fitness by a physician appointed by the Township.

ARTICLE XXXVI

INJURY LEAVE

(continued)

E. In the event the Township's physician certifies the employee fit to return to duty, injury leave benefits granted under this Article shall be terminated. However, if the employee disputes the determination of the Township physician, then the Township and the employee shall mutually agree upon a third physician, who shall then examine the employee. The cost of the third physician shall be borne equally by the Township and the employee. The determination of the third physician as to the employee's fitness to return to duty shall be final and binding upon the parties. In the event the third physician also certifies the employee fit to return to duty, injury leave benefits granted under this Article shall be terminated.

ARTICLE XXXVII
BILL OF RIGHTS

In order to safeguard fundamental rights for law enforcement officers employed by the Township of East Windsor, it is agreed that:

1. Except when on duty or acting in his official capacity as a law enforcement officer, no law enforcement officer shall be prohibited from engaging in political activity, provided his position as a law enforcement officer is not used in any way, directly or indirectly, while engaging in said political activities. As employed herein, the term "law enforcement officer" shall mean any member of the East Windsor Township Police Department whose primary duties and responsibilities are the enforcement of the laws and regulations of the State of New Jersey and the protection of the life, peace and property of its citizens; and is empowered by State statute to act for the arrest, detention and conviction of persons violating the laws. It is understood that a police officer will not engage in any political activity which requires a signature or donation or any other action which would indicate compliance with the officer's request in the municipality in which he is employed, nor shall he/she engage in any political activity or hold any public office which would violate the statutory or common law of New Jersey.

2. Whenever a law enforcement officer has received notice that he/she is under formal investigation for alleged malfeasance, misfeasance, nonfeasance of official duty with a view to possible disciplinary action, demotion, dismissal or criminal charges, the following minimum standards shall apply:

a. Any formal interrogation of a law enforcement officer, whether as a subject of the investigation or as a witness, shall take place at the location designated by the investigatory officer, except it shall not be conducted at the law enforcement officer's home unless the home is specifically involved in the complaint, and preferably when the employee is on duty. A member of the Department shall be compensated for lost time accruing from investigations in accordance with existing Departmental Policy. The questioning of an officer shall be conducted at a reasonable hour in a noncoercive manner, without threat or promise of reward. The questioning shall be of a reasonable duration and rest periods allowed. Time shall be provided for personal necessities, meals and telephone calls as are reasonably necessary. The law enforcement officer shall be entitled to the presence of his counsel or any other one person of his choice at any interrogation in connection with the investigation.

b. The law enforcement officer being investigated shall be informed at the commencement of any interrogation of the nature of the investigation, including whether the officer is a target of the investigation, if known, the statute, rule or

regulations allegedly violated, if known, the names of any complainants, and the identity and the authority of those conducting the investigation. This shall not preclude the employer from subsequently modifying, amending or changing the statute, rule and regulation under which the charges are brought. Also, at the commencement of any interrogation of such officer in connection with any such investigation, the officer shall be informed of the identity of all persons present during such interrogation. All questions asked in any such interrogation, whenever practicable, shall be asked by or through a single interrogator.

- c. No formal hearing by means of which a law enforcement officer may be disciplined or penalized may be brought except in accordance with New Jersey State Statutes.
- d. The interrogation of the employee concerned shall be recorded mechanically or by written form. "Off the record" questions shall not be permitted. Any recesses called during the interrogation shall be recorded.
- e. If an officer is placed under arrest or is likely to be placed under arrest for a criminal offense, he/she shall be afforded all constitutional rights and, in addition, he/she shall be given the following warning prior to the commencement of any interrogation:

"I am advising you that you are being questioned as part of an official investigation of the Police Department. You will be asked questions specifically directed and narrowly related to the performance of your official duties. You are entitled to all the rights and privileges guaranteed by the laws of the State of New Jersey, the Constitution of this State and the Constitution of the United States, including the right not to be compelled to incriminate yourself and the right to have legal counsel present at each and every stage of this investigation." "I further advise you that if you refuse to testify or to answer questions relating to the performance of your official duties, you will be subject to Departmental charges which could result in your dismissal from the Police Department. If you do answer questions, neither your statements nor any information or evidence which is gained by reason of such statements can be used against you in any subsequent criminal proceeding. However, these statements may be used against you in relation to subsequent Departmental charges."

- f. It is understood that the provisions of Paragraph 2a-e above shall not preclude initial or preliminary inquiries by the Township and shall only apply upon the commencement of a formal investigation or the filing of a complaint.

ARTICLE XXXVII

BILL OF RIGHTS

(continued)

3. All investigations against law enforcement officers shall be conducted expeditiously. If charges are to be brought against the officer, they shall be brought in accordance with law.

4. There shall be removed from an officer's personnel file all papers, files, reports, notes and copies thereof relating to an investigation of a police officer when the investigation does not result in any disciplinary action or when the officer is exonerated. These items, if retained, shall be maintained separate and apart from the personnel file. The officer may on proper notice inspect these materials at the discretion of the Chief of Police.

5. No law enforcement officer shall be required to disclose, for the purpose of promotion or assignment, any information concerning his property, income, assets, debts or expenditures or those of any member of such officer's household, except where such information relates directly to the officer's assignment or duties. No officer shall be required to take any lie detector or other test designed to determine the truthfulness of any statement as part of any investigation or as a condition of employment.

6. There shall be no penalty nor threat of any penalty for the exercise by a law enforcement officer of his rights under this Bill of Rights.

ARTICLE XXXVIII
SEPARABILITY SAVINGS

A. Each and every clause of this Agreement shall be deemed separable from each and every other clause of this Agreement to the extent that in the event any clause or clauses shall be finally determined to be in violation of any law, then in such event, such clause or clauses, only to the extent that any may be so in violation, shall be deemed of no force and effect and unenforceable without impairing the validity and enforceability of the rest of the Agreement, including any and all provisions on the remainder of any clause, sentence or paragraph in which offending language may appear.

ARTICLE XXXIX
FULLY BARGAINED AGREEMENT

A. This Agreement represents and incorporates the complete and final understanding and settlement by the parties of all bargainable issues, which were or could have been the subject of negotiations.

B. The parties acknowledge that during the negotiations that resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any matter or subject not removed by law from the area of collective bargaining and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

C. The Township and the Association, for the life of this Agreement, each voluntarily and unqualifiedly waive all bargaining rights, and each agrees that the other shall not be obligated to bargain or negotiate with respect to any subject or matter referred to or covered in this Agreement, or with respect to any matter or subject not specifically referred to or covered in this Agreement, even though each subject or matter may not have been within the knowledge or contemplation of either or both parties at the time they negotiated or signed this Agreement.

D. This Agreement may be modified in whole or in part by the parties by an instrument in writing only executed by both parties.

E. It is the intent of the parties that the provisions of this Agreement will supersede all prior agreements and understanding, oral or written, expressed or implied, between the parties and shall govern their entire relationship and shall be the sole source of any and all rights or claims which may be asserted in arbitration hereunder or otherwise. The Association, for the life of this Agreement, hereby waives any rights to request or negotiate or bargain with respect to any matters contained in this Agreement. It is mutually understood that this clause is a clear waiver as to any right or claim not expressed in this Agreement.

ARTICLE XL
DURATION OF AGREEMENT

A. This Agreement shall be in full force and effect from January 1, 2010 until midnight December 31, 2012.

B. The parties agree that negotiations for a successor Agreement modifying, amending, or altering the terms or provisions of this Agreement shall commence by September 1, 2012. In the event no successor Agreement is completed, ratified and executed before December 31, 2012, the present Agreement will continue in force until said successor Agreement has been ratified and executed.
