3. NEGOTIATION PROCEDURE

- A. The parties agree to enter into collective negotiations in accordance with Chapter 303, Public Laws of 1968 in a good faith effort to reach an agreement on matters concerned with the terms and conditions of administrative employees employment and grievance procedures. Such negotiations shall begin not later than ten school days after written request by the Association to the Board. Any agreement so negotiated shall apply to all administrative personnel in the unit, be reduced to writing and be signed by the Board and the Association.
- B. During negotiations, the Board and the Association shall present relevant data, exchange points of view and make proposals and counterproposals. The Board shall make available to the Association for inspection, records deemed to be pertinent to the conditions of employment except those defined as classified and confidential by the State Department of Education. Not later than January 24 of each year, the Board shall provide the Association with a tentative line budget figure for the next school fiscal year.
- C. Neither party in any negotiations shall have any control over the selection of the negotiating representatives of the other party. The parties mutually pledge that their representatives shall be authorized to make proposals, consider proposals, and make counterproposals in the course of negotiations; however, final authority to approve proposals shall rest with the Board of Education and the Bloomfield Administrators Association.
- D. The representatives of the Board and the representatives of the Association's negotiating committee shall meet upon request for the purpose of reviewing the administration of the Agreement, and to resolve problems that may arise. These meetings are not intended to bypass the grievance procedure.

3. NEGOTIATION PROCEDURE (cont'd)

 2. Should a mutually acceptable amendment to this Agreement be negotiated by the parties, it shall be reduced to writing and submitted to the Board and to the Association for consideration.
- E. This Agreement shall not be modified in whole or in part nor shall additional items be added by the parties except by an amendment in writing approved by the Board and the Association.
- F. If the Board and the Association are unable to agree, then either party may request of the other that the matter shall be submitted to advisory mediation. Such requests shall be in writing, and the acquiescence therein shall also be in writing. 4. GRIEVANCE PROCEDURE

Definitions

1. A "grievance" is a claim based upon an event or condition which affects the welfare and/or terms and conditions of employment of an employee or group of employees and/or the interpretation, meaning or application of any of the provisions of this Agreement.
2. An "aggrieved person" is the person or persons making the claim or the Association making the claim.

4. GRIEVANCE PROCEDURE (cont'd)

3. A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.
4. Two classes of grievances shall be considered:
 - a. A Class A grievance shall be an informal, personal, individual grievance. This grievance shall be one brought by an individual, and only an individual, in behalf of himself alone, in which the aggrieved person judges that his interests are best served by keeping the grievance confidential.
 - b. Class B grievances shall constitute all other grievances.

Purpose

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting the welfare or terms and conditions of employment of employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the administration, and having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with terms of this Agreement.

Procedure

Each employee has a right to be heard by immediate supervisor, assistant superintendents, superintendent, and Board of Education, on conditions concerning his employment. It is understood that he will proceed through the levels outlined in this procedure. Grievances shall be submitted on the appropriate form.

All employees, including grievant or grievants, shall continue under the direction of the superintendent regardless of the pendency of the grievance until such grievance is officially resolved. The continuance of duty will not constitute an agreement as to the disposition of the grievance.

It is the intent of both parties in interest to process all grievances as expeditiously as possible.

4. GRIEVANCE PROCEDURE (cont'd)

In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced, so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

Concerning all levels, both parties shall adhere to the following schedules for submitting and processing grievances.

For Class A Grievances

Level 1

Any aggrieved person may present his grievance to his immediate supervisor. After discussion of the grievance, the immediate supervisor must reach a decision within six (6) work days of the date in which the grievance was presented in writing.

Level 2

If no resolution has been reached at Level 1, the grievance may be submitted in writing to the superintendent of schools within ten (10) work days. The superintendent must rule on the grievance within ten (10) work days. If the superintendent does not deem the grievance personal enough to fall within the Class A grievance category, it may only be continued under the Class B category and shall be resumed at Level 2.

Level 3

If no resolution has been reached at Level 2, the grievance may be submitted in writing to the Board within ten (10) work days. The Board must rule on the grievance within fifteen (15) work days. A party in interest may not be represented by any minority organization, nor shall the minority organization present or process his grievance.

For Class B Grievances

Rights of Employees to Representation

Any party in interest may be represented at all stages of the grievance procedure by himself, or, at his option, by a representative selected or approved by the Association. When an employee is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure.

For Class B Grievances

Rights of Employees to Representation (cont'd)

Level 1

Any aggrieved person must present his grievance to his immediate supervisor within thirty (30) work days of the occurrence. After discussion of the grievance, the immediate supervisor must reach a decision within six (6) work days of the date in which the grievance was presented.

Level 2

If no resolution has been reached after the six (6) work day period, the aggrieved person may present his grievance to the Association within ten (10) work days. This presentation must be made in writing. This presentation will be made for the purposes of studying the merit of the grievance and/or to see if the grievance can be resolved through the grievance committee. The grievance committee reserves the right to consult with the aggrieved person's immediate supervisor in order to facilitate resolution of said grievance. A decision must be reached at this level within six (6) work days.

Level 3

If no resolution has been reached at Level 2, the grievance may be submitted in writing to the superintendent of schools within ten (10) days. The superintendent must rule on the grievance within ten (10) days. He shall respond, after hearings, within this period in a written communication, a copy of which shall be forwarded to the Association.

Level 4

If no resolution has been reached at Level 3, the grievance may be submitted in writing to the Board within the ten (10) days. The Board must rule on the grievance within fifteen (15) days. The Board shall respond in writing within this period to the individual or group presenting the grievance and shall inform the Association of its action.

Level 5

If Level 4 does not result in resolution, the aggrieved person may request in writing within ten (10) days that the Association, through the proper officers and/or committees, submit the grievance to advisory mediation. If the Association feels that the grievance is meritorious, it may submit the grievance to mediation within ten (10) days after receipt of this request by the aggrieved person.

The Board and the Association will each name one advisor. A third member, who shall be chairman, shall be named by the first two.

For Class B Grievances

Rights of Employees to Representation (cont'd)

Level 5 (cont'd)

This advisory board shall report recommendations for settlement within ten (10) days. The recommendations shall be submitted to both parties and shall be made public.

Each advisor shall be paid by the party selecting him and the expense of the chairman shall be shared equally by the Board and the Association.

Level 6

If the grievance is not resolved, the grievance shall be presented to the New Jersey Public Employment Relations Commission for fact finding and/or advisory mediation.

Miscellaneous

1. If, in the judgment of the Association Grievance Committee, a grievance affects a group or class of employees, the Grievance Committee may submit such grievance in writing to the superintendent directly and the processing of such grievance shall be commenced at Level 3. The Association Grievance Committee may process a grievance through all levels of the grievance procedure even though the aggrieved person does not wish to do so.
2. Decisions rendered at Level 1 under Class B Grievances which are unsatisfactory to the aggrieved person, shall be in writing setting forth the decision and the reasons therefor and shall be transmitted promptly to all parties in interest and to the chairman of the appropriate association committee.
3. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.
4. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.
