ARTICLE III
GRIEVANCE PROCEDURE

3.1 Preamble

The **BOARD OF EDUCATION** and the **ASSOCIATION** endeavor to promote relationships that are conducive to building a sound school system. In line with this attitude, they believe that all employees are entitled to have their grievances investigated and resolved through established channels. Satisfactory settlement of grievances contributes to increasing the efficiency and effectiveness of the employee, to the advantage of the students and the school system.

It is essential that definite procedures be established and followed for the presentation and solution of grievances. The Superintendent of Schools shall develop these procedures by:

- a. Making provision for the employees to direct communication with the person responsible for the alleged grievance.
- b. Assuring that the channels of communication are open without fear of reprisal.
- c. Providing for the use of representation by the employee in the procedure.

3.2 Definition

- a. A grievance is an appeal of the interpretation, application, or violation of policies, agreements and administrative decisions affecting an employee or group of employees as it concerns terms and conditions of employment.
- b. Any grievance based on administrative decision or Board policy and affecting terms and conditions of employment shall be appealable no further than the **BOARD OF EDUCATION**. Only a grievance based on the language of this contract as it affects terms and conditions of employment shall be appealable to arbitration.

3.3 Procedure

- a. All grievances are to be filed at the lowest appropriate level. For the purpose of this Agreement, the lowest appropriate level shall be the level at which the grievance was created or the level that has the authority to resolve the grievance. If Level Two is deemed to be the lowest appropriate level, a photocopy of the grievance shall be given to the building principal, if the grievance is filed on the behalf of a single grievant, or to all district administrators, if the grievance is filed on behalf of the employee(s).
- b. **LEVEL ONE** - Should Level One be deemed to be the lowest appropriate level, the formal grievance shall be submitted to the building principal. The building principal shall render a decision and return the grievance to the Association

Chairperson for the Professional Rights and Responsibilities Committee, with a courtesy photocopy to the Association President and the Superintendent within ten (10) calendar days, excluding school holidays, of receipt of the grievance.

- c. **LEVEL TWO** - Should Level Two be deemed to be the lowest appropriate level, the formal grievance shall be submitted to the Superintendent of Schools; or, if the grievance has passed through Level One and has not been resolved to the grievant's satisfaction, it shall be presented to the Superintendent within ten (10) calendar days, excluding school holidays, of being returned to the **ASSOCIATION**. In either case, the Superintendent shall render his decision and return the grievance to the Association Chairperson of the Professional Rights and Responsibilities Committee, with a courtesy photocopy to the Association President within ten (10) calendar days, excluding school holidays.
- d. **LEVEL THREE** - If the aggrieved is not satisfied with the Superintendent's decision, the aggrieved and his representative may file through the Superintendent's Office, within ten (10) school days after receiving the Superintendent's decision, an appeal, in writing to the **BOARD OF EDUCATION**. It shall be the duty of the Superintendent to notify the **BOARD OF EDUCATION** of the receipt of such a written appeal. The **BOARD OF EDUCATION** shall meet with the parties of interest within twenty five (25) calendar days of receiving the written appeal at a mutually acceptable time and place in Executive Session, in order to hear the merits of the case. The aggrieved party has the right to the merits of the case. The aggrieved party has the right to counsel, representation, and witnesses on their behalf. The decision made by the **BOARD OF EDUCATION** shall be communicated to the respective parties in writing within forty (40) calendar days of the hearing.

The grievant must notify the **BOARD OF EDUCATION** within twenty (20) calendar days, excluding school holidays, of receiving the **BOARD OF EDUCATION'S** decision of its intention to appeal said decision to arbitration. If the grievant does not do so within 20 calendar days, excluding school holidays, the grievance is considered automatically resolved based on the decision rendered by the **BOARD OF EDUCATION**.

- e. If a resolution of the grievance is not achieved at the **BOARD OF EDUCATION** level, an arbitrator may be selected from a list supplied by the New Jersey Public Employees Relations Commission. The cost of such an arbitrator shall be shared by both parties. The decision handed down by such arbitrator shall be binding for all employees.

It shall be the duty of the Superintendent of Schools and the **ASSOCIATION** to maintain a complete file of written grievances. Such file shall not become a part of the aggrieved's personnel file.

ARTICLE IV
EMPLOYEE RIGHTS

- 4.1 Pursuant to existing laws, the **BOARD OF EDUCATION** agrees that employees shall have the right to organize and support the **ASSOCIATION** and its designated affiliates. The **BOARD OF EDUCATION** further agrees that it shall not deprive or coerce any employee in the enjoyment of any rights confirmed by the existing laws of the State of New Jersey and the **BOARD OF EDUCATION** also agrees that it shall not discriminate against any employee because of membership in the **ASSOCIATION**. No employee shall be disciplined, reprimanded, or reduced in rank or compensation without just cause.

ARTICLE VI
EMPLOYEE WORK YEAR

6.1 The **BOARD OF EDUCATION** agrees to establish a school calendar of 185 days. This number shall be inclusive of days when students are required to be in attendance, orientation days for returning teachers, in-service days and, further, shall include half-day sessions for students the first day and last day of school.

One half of the first in-service day for a new school year shall be utilized for the purpose of room preparation.

Members of the Child Study Team will work five (5) days in addition to those listed above and will be compensated at a rate equal to their per diem rate of pay. The scheduling of these days will be mutually agreed upon between the staff member and the Supervisor of Child Study Team.

6.2 Those teachers who are directed by their supervisor or appropriate school administrator to report for assigned duties prior to the start of the school calendar shall be compensated at their regular hourly and/or per diem rate of pay.

Teachers who are responsible for preparing their classrooms for orientation programs will be permitted to be released for one of the half-day teacher in-service sessions prior to the start of the school year.

6.3 All newly employed teachers must report to scheduled orientation sessions before the start of the regular school calendar. One day is required without additional compensation and a second day, if needed, would be compensated at the current hourly rate for curriculum development, as set forth in Article XIII.

6.4 All teacher assistants and paraprofessionals will work each day that schools are open for students (180). If they are required to attend in-services, they will be compensated at a rate equal to their per diem rate.

6.5 The work year for all secretarial staff will be based on one of the following:

- 10 Months
- 10½ Months
- 12 Months

6.6 All 10-month secretaries will work each day that the district and school offices are open from September 1st through June 30th.

6.7 All 10½-month secretaries will work each day that the district and school offices are open from August 16th through June 30th.

- 6.8 All 12-month secretaries will work each day that the district and school offices are open from July 1st through June 30th.
- 6.9 Secretaries work one (1) day of the annual NJEA convention, but no days over the winter break.
- 6.10 All 10, 10½, and 12 month secretaries will work two of the days that the school offices are open during spring recesses (only if there are four or more days off from school). Secretaries will have the option of taking leave without pay for the one NJEA Convention day).
- 6.11 Holidays
Employees contracted for a 12 month basis will be entitled to the following holidays and will not be required to report to work.

New Year's Day	Fourth of July
Martin Luther King Day	Labor Day
President's Day	Thanksgiving Day
Good Friday	Christmas Day
Memorial Day	

- 6.12 Secretaries will not be required to report to work on days when schools are closed due to inclement weather.

- 6.13 Vacation
Twelve month employees shall accrue vacation time as outlined below. The number of years represents the number of years in which the employee was contracted for employment.

1 – 5 years	10 days vacation
6 – 10 years	14 days vacation
11 – 15 years	16 days vacation
16 – 19 years	17 days vacation
20+ years	20 days vacation

All accrued vacation time will become available for request on July 1st for the following school year. In order to receive credit for one year's employment, the staff member must have worked at least six (6) months. A month is defined as working 50% or more. For those staff members hired during the course of the school year, the number of vacation days available will be prorated based on the number of months worked.

All 12-month employees must use their allotted vacation time each year as outlined above. At least one week of vacation must be taken as continuous days.

Unused vacation days which result in an employee exceeding the allowable number of banked days on June 30th of any given year will be forfeited.

Part-time 12-month employees who become full time shall have vacation time converted to their full time equivalency on a direct prorated basis.

When an employee's status moves from a 10-month to 12-month position, accrued vacation will be determined according to the total number of months worked divided by twelve. This will be converted to years of service and the employee will then be eligible for that number of vacation days at the start of the first year of their contract as a 12-month employee.

ARTICLE X

REIMBURSEMENT FOR PROFESSIONAL COURSES

10.1 Preamble

Recognizing the desire and responsibility of the professional staff to increase professional skills, acquire greater knowledge, and achieve professional advancement through formal education, the **BOARD OF EDUCATION** and the **ASSOCIATION** agree to the following Article.

10.2 Tuition Costs

The Mantua Township **BOARD OF EDUCATION** agrees to pay tuition costs for teachers in accordance with the provisions outlined below:

a. Eligibility

All employees who hold a Baccalaureate Degree from an accredited college will be eligible.

b. Reimbursement

The **BOARD OF EDUCATION** will establish a pool of money for the purpose of reimbursing teachers for approved graduate course work. This amount will be \$39,000 for each year of the contract. This amount will be distributed as follows:

- 50% for courses which end between July 1st and December 31st
- 50% for courses which end between January 1st and June 30th (any monies left from the above amount will be added to this amount)

Eligibility for these allotments will be based on matriculation in a graduate program or approved professional certification that is directly related to the employee's responsibilities as per their job description. Those individuals who qualify will be reimbursed 100% of the costs for tuition, matriculation and registration (additional expenses for books, parking fees, late fees, etc. must be assumed by the individual) as long as the total requests do not exceed the available pool as stated above. In the event that the requests do exceed the available pool, matriculated individuals will be reimbursed on an equal basis. An "equal basis" is hereby defined as each teacher getting 100% of the cost of each credit until the funds are depleted. In the event that the amount being requested exceeds the available pool of monies, the following procedure will be used to determine the amount to be distributed to each teacher:

- (1) The total number of credits being requested for reimbursement will be divided into the available pool.

- (2) This per credit amount will then be multiplied by the credits being requested by each individual teacher to determine how much the staff member will receive.

Teachers who are not matriculated will be eligible for reimbursement if money is available after matriculated individuals have been reimbursed. These funds will be distributed on an equal basis as outlined above.

Teachers wishing to be eligible for reimbursement must have coursework included in their Professional Development Plan for the current year.

The maximum amount to be reimbursed to the teacher shall not exceed the cost of nine (9) graduate credits based on the cost of credits for New Jersey state colleges for the academic year in which the approved course work was taken. The maximum amount eligible for reimbursement will be approved by the Board annually at its July meeting. Should this amount be increased during the school year, the **BOARD OF EDUCATION** will adjust its reimbursement amount accordingly.

10.3 Procedure

- a. Course approval requests for courses which conclude between July 1 and December 31 must be submitted to the Superintendent through the building principal no later than June 1 of the year the course is being taken. Within thirty (30) days of the above date the Superintendent will return the course approval request indicating whether the course has been approved and the amount available for reimbursement.

Course approval requests for courses which conclude between January 1 and June 30 must be submitted to the Superintendent through the building principal no later than December 1 of the year the course is being taken. Within thirty (30) days of the above date the Superintendent will return the course approval request indicating whether the course has been approved and the amount available for reimbursement.

All courses must be approved by the Superintendent in order to be reimbursed. The **BOARD OF EDUCATION** shall reimburse only those courses that are related to the instructional process at the elementary level. These courses shall include, but not be limited to, the fields of guidance and supervision.

- b. Upon completion of the Request for Course Reimbursement form, proof of payment and a transcript or grade card shall be submitted to the Superintendent as evidence of successful completion of the course(s). Reimbursement shall be made only to applicants who present evidence (course mark as shown on official transcripts) of having received a grade of "B" or better.

- c. The reimbursement periods shall take place thirty (30) days after the **BOARD OF EDUCATION** received notification of successful completion.
- d. In the event that a staff member formally withdraws from his/her approved class or is not eligible to be reimbursed due to receiving a grade of "C" or less, money that was designated for that individual will be divided up and evenly dispersed among those individuals still enrolled in the program who received a grade of "B" or better.

10.4 Reimbursement for All Other Employees

All other employees desiring to take courses related to training or the enhancement of their job performance must submit a written request to the Board of Education. Approval of such courses will be at the board's discretion.
