Return to Work/ Temporary Alternate Duty Policy

1. **Purpose:** The Township of Stafford recognizes that it is in the best interest of the Township to reduce and/or minimize workers compensation claims costs. To that end, the governing body would like to establish a policy and procedure to facilitate employees' return to work following an on the job injury through the assignment of temporary alternate duty or what is commonly referred to as "light duty".
2. **Applicability:** It is the stated purpose of the governing body that although this policy shall apply to all full time and part time employees of the Township of Stafford the ultimate approval for the return to work on temporary alternate duty or light duty rests with the Township Administrator. The Township Administrator in consultation with the employee's department head shall determine if it is in the best interest of the Township to approve a return to work request.
3. **Procedure:** All requests for temporary alternate duty/light duty assignments are submitted by fax to the

Township Administrator from the Disability Case Manager of the Township's Managed Care Provider. The request shall include a detailed list of the restrictions placed on the employee's activities and the estimated duration of the temporary alternate duty/light duty assignment. The Township of Stafford's alternate duty program is limited to 45 workdays; therefore, the Township will only consider requests with an estimated duration of 45 workdays or less. If it does not appear that the employee will be able to return to work without any restrictions within 45 working days then the Disability Case Manager should not submit a request to the Township at the time. Following written notification from the Case Manager, the Township Administrator will then contact the department head of the employee involved and solicit the department head's opinion with respect to the temporary alternate duty/light duty assignment. Each request shall be considered on a case-by-case basis. There shall be no specific positions created for alternate duty/light duty assignments. If, in the opinion of the department head and the Township Administrator there is meaningful work to be assigned to the employee on a short-term basis without disrupting the operation of the department then the request would be approved. The Township Administrator may also consult with other Department Heads if the employee's department does not have meaningful work to be performed. If the request cannot be accommodated then the employee shall be so notified. If the request is approved it shall be the responsibility of the Disability Case Manager to keep the Township Administrator informed of the medical progress of the employee. The Township reserves the right at all times to curtail the temporary alternate duty assignment if in the opinion of the Township Administrator the employee is not providing meaningful service to the Township. If at the end of 45 work days the employee completes the temporary alternate duty assignment and is not able to return to work without restrictions the Township reserves the right to place the employee back on Workers Compensation leave at that time.

- Temporary alternate duty assignments are not guaranteed. As noted above, each request shall be reviewed on a case-by-case basis. If the employee's medical condition is such that he/she would be limited in their activities beyond what is reasonable then the assignment would not be approved. Further, if an assignment cannot be found which would provide meaningful employment then the request would not be approved. Lastly, if more than one employee in a given department is out with a Workers Compensation injury it is likely that they Township would not be able to find temporary alternate duty assignments for all effected employees.
- It shall be the responsibility of the Disability Case Manager to keep the Township Administrator informed of any change in the employee's status immediately.
- If the employee believes that the temporary alternate duty to which he/she has been assigned is too strenuous or beyond the physical abilities of the employee, then he/she may request a meeting with the Township Administrator and Disability Case Manager. The Township Administrator shall render a written response to the employee within 24 hours of the meeting and that response shall be final.
