This AGREEMENT, entered into this 17th day of October, 2002, and between the **BOARD OF EDUCATION OF THE BOROUGH OF FRANKLIN**, hereinafter called the "Board" and the **FRANKLIN EDUCATION ASSOCIATION**, an incorporated association, hereinafter called the "Association," or "FEA;" **WITNESSETH**, That **WHEREAS**, a majority of the teaching staff of the Franklin Public School System have designated the Franklin Education Association as their representative for the purpose of collective negotiations in accordance with and pursuant to the provisions of N.J.S.A. 34:13A5.3, and the Board acknowledged the FEA as the majority representative for the teaching staff, nursing staff, part-time and full-time teachers, excluding the Child Study Team, BSIP, Chapter I and Compensatory Education staff members, and,

**WHEREAS**, the Association and the Board have reached certain understandings which they desire to confirm in this Agreement pursuant to Chapter 123, Public Laws of 1974, as amended:

**IT IS MUTUALLY AGREED AS FOLLOWS:**

**ARTICLE I**  
**GRIEVANCE PROCEDURE**

**A. Definition**

A "grievance" is a claim by an employee based upon the interpretation, application, or violation of this Agreement, policies, or administrative decisions affecting the terms and conditions of his/her employment. The Association may process such a grievance if the grievant does not wish to do so. To be considered under this procedure, a grievance must be initiated by the grievant within twenty (20) school days of the time the grievant knew or should have known of its occurrence.

**B. Purpose**

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

**C. Procedure**

1. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved employee to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.
2. The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.
3. It is understood that the aggrieved employee shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.

4. Level One - Any employee who has a grievance shall discuss it first with his/her immediate supervisor in an attempt to resolve this matter informally at that level.
5. Level Two - If, as a result of the discussion, the matter is not resolved to the satisfaction of the employee within five (5) school days, he/she shall set forth his/her grievance in writing to the principal of his/her school within five (5) school days specifying:
  - (a) the nature of the grievance and the provision or provisions of the Agreement alleged to be violated;
  - (b) the nature and extent of the loss, injury or detriment;
  - (c) the results of previous discussions; and,
  - (d) his/her dissatisfaction with decisions previously rendered and the relief and/or adjustment sought.

The principal shall communicate his/her decision to the employee in writing within ten (10) school days of receipt of the written grievance.

6. Level Three - The employee, no later than five (5) school days after receipt of the decision in Level Two, may appeal the decision to the Superintendent of Schools who shall communicate his/her decision in writing to the employee within ten (10) school days.
7. Level Four - If the grievance is not resolved, the employee may, within five (5) school days, appeal his/her grievance in writing to the Board of Education through the Superintendent of Schools who shall attach all related papers and forward the appeal to the Board.

The Board, or a committee thereof, shall review the grievance and shall hold a hearing with the employee.

The Board shall render a decision in writing within thirty (30) school days of receipt of the written grievance.

8. If the decision of the Board does not resolve the grievance to the grievant's satisfaction and the Association wishes review by a third party, it shall so notify the Board in writing within ten (10) school days of receipt of the Board's decision. Grievances concerning (a) a

complaint of an employee which arises by reason of him/her not being re-employed; (b) a complaint by an employee occasioned by the withholding of a salary increase or increment; (c) any matter which according to law is either beyond the scope of the Board authority or limited to action by the Board alone; and (d) any matter for which a method of review is prescribed by law or any rule or regulation of the State Commission of Education such as, but not limited to, questions of increment denial, or suspension, shall not be subject to arbitration.

9. Within ten (10) school days after receipt of the request for arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator. If the parties are unable to agree, a request for a list of arbitrators shall be made jointly to the American Arbitration Association. The parties shall then be bound by the rules or procedures of the American Arbitration Association in the selection of an arbitrator.
10. The arbitrator shall limit himself/herself to the issues submitted to him/her and shall not add to nor subtract anything from the Agreement between the parties. The arbitrator's decision shall be advisory only. The parties shall be responsible for all costs incurred by each and only the fees and expenses, if any, of the arbitrator shall be shared by each party paying one-half.

**D. Miscellaneous**

1. Any aggrieved person may be represented at all stages of the grievance procedure by himself/herself or, at his/her option, by a representative selected by the Association. (See N.J.S.A. 18A:25-7).
2. When an employee is not represented by the Association, the Association shall have the right to be present and to state its view at all stages of the grievance procedure.

The students will continue to be released at 2:30 p.m. The Board has the right to adjust the teaching schedule in order to allow for emergency/bus schedule change that may be necessary. This schedule change would not alter teacher contact time and would be made in conjunction with a teacher advisory board. Documentation of the county service's inability to supply a substitute will be supplied to the FEA by the Board of Education upon written request of the FEA. Commencing September 1983, the administration, on a trial basis, will survey the teaching staff members in order to determine which staff members desire to substitute. i.e., (a) whenever possible, (b) sometime, or (c) never. The administration will attempt to utilize staff pursuant to their preference but the Board or the administration do not waive their right to direct any teaching staff member to substitute as needed.
- D.** Efforts will be made, whenever feasible, to give at least twenty-four (24) hours advance notice and an agenda, if indicated, for after-school meetings except in case of emergency.

- E.** All teachers shall be required to return to school and participate in three (3) evening meetings annually at times designated by the Superintendent of Schools.

  6. Part-time teachers who teach full days but less than five (5) days per week will be paid prorated based upon the number of days per week taught (i.e., a teacher working two (2) days per week would receive 0.4 or forty (40%) percent pay. Such a teacher would be entitled to a lunch and preparation period).
- G.** The grievance settlement dated January 18, 1982, calling for "three weekly assignments" of patrol duty is hereby adjusted to call for four such assignments, effective September 1, 1993.

Disputes as to physical incapability shall be decided by the employee's physician and the Board's physician or, in the event of disagreement, by a third physician jointly selected by the Board and the employee.
2. The teacher shall return to work, unless an unpaid extended leave for childrearing has been granted, as soon as she is physically able to perform her duties. The Board may require a certification from the employee's physician as to her medical and physical fitness. The employee shall notify the Superintendent as promptly as possible for the date of her anticipated return to work.
3. A teacher may use sixty (60) of her accumulated sick leave for disability due to pregnancy, thirty (30) days before due date and thirty (30) days after delivery. Said limitation may be waived by presentation by the staff member of a doctor's certification as to medical complication. The Board has the right to require proof of such disability.
