- B. The Association is the Bergen County Vocational-Technical Schools Educational Association, Inc.
- C. Unless otherwise indicated, the term “teachers,” when used hereinafter in this Agreement, shall refer to all certificated professional employees, represented by the Association in the negotiating unit as defined above.

ARTICLE II

RECOGNITION OF AGREEMENT AND CERTAIN PREROGATIVES OF THE BOARD

- A. This Agreement represents and incorporates the complete and final understanding and settlement by the parties of all negotiable issues, which were the subject of negotiations. During the term of this Agreement, neither party will be required to negotiate any matter whether or not covered by this Agreement and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.
- B. The Board retains jurisdiction and authority over matters of policy and operations. It retains the right subject only to the limitations imposed upon it by law of the State of New Jersey and by the language of this Agreement, in taking whatever actions may be necessary to carry out the mission of the school district. Should such said state law change during the period of this Agreement, non-directory changes in such law shall not operate as a change in the terms of this Agreement which shall govern.
- C. The Board in accordance with existing state law and state administrative code may:
 - 1. Hire, promote, transfer, assign, and retain teachers in positions within the school district.
 - 2. Abolish any position or positions for reasons of economy or because of reduction in the number of pupils or a change in administrative or supervisory organization of the district or for other good cause. Should it become necessary to abolish a position, seniority shall be recognized and the “standards for determining seniority” shall be as provided in the New Jersey Administrative Code (N.J.A.C.), Title 6:3-5.1, Supp. 09/21/98.

- D. No lockout of teachers shall be instituted by the Board during the term of this Agreement. The Association agrees that during the term of this Agreement, neither it nor its officers, employees or members will engage in, encourage, support, or suggest any strike, work stoppages, slow downs, mass resignations, mass absenteeism, disruptive picketing, or any other similar actions, which would involve suspension of, or interference with the normal work of the Board.

In the event that Association members participate in such activities in violation of this provision, the Association shall notify those members so engaged to cease and desist from such duties. Non-disruptive picketing in appropriate instances before or after school hours shall not be deemed a violation of this Agreement.

- E. The parties agree to follow the procedures set forth in this Agreement, and to use no other channels to resolve any question or proposal until the procedures within this Agreement are fully exhausted. If, after such procedures have been followed, a question remains unresolved, other avenues may be utilized in exercising rights in accordance with due process of law.

ARTICLE III

TEACHER RIGHTS

- A. The Board hereby agrees that all teachers shall be afforded those rights granted by the New Jersey Employer-Employee Relations Act of 1968 and 1974, and amendments thereto.
- B. No teacher shall be disciplined, reprimanded, reduced in rank or compensation or deprived of any professional advantage without just cause.
- C. No teacher shall be prevented from wearing identification of membership in the Association or its affiliates, except that all teachers shall, in this regard, observe reasonable standards of decorum.

ARTICLE IV

ASSOCIATION RIGHTS AND PRIVILEGES

- A. The Board agrees to furnish the Association with those documents required by law to be made available for inspection and copying pursuant to the Right-to-Know Law, based upon a specific written request for an item by the Association and further that the cost of copying any such information shall be paid for by the Association according to a fee schedule to be established by the Board.
- B. The Association, upon advance request, shall have the right to use school facilities and equipment, including computers, typewriters, photocopying equipment, and all types of audio-visual equipment at reasonable times, when such equipment is not otherwise in use. The Association shall pay for the reasonable cost of all materials and supplies incidental to such use, and for any repairs necessitated as a result thereof. The cost for this use will be set by the Board according to a fee schedule. Any dispute concerning costs assessable to the

Association under this paragraph shall be resolved by the Association first paying any reasonable amount stated by the Board and thereafter, if necessary, submitting such dispute for resolution by arbitration or any other procedure agreed to by the parties.

- C. The Association shall have, in each school building, adequate use of a bulletin board in each faculty lounge. The Association shall also be assigned adequate space on the bulletin board in the central office of the school district for Association notices.
- D. The Association shall have the right to use the interschool mail facilities and school mail boxes provided, however, that school mail shall have priority. This is limited to mail only and not packages.
- E. The President of the Association, or his officer-designee, will be granted a total of five (5) days or equivalent annually for official Association business. Additional time may be granted at the discretion of the Superintendent and/or his/her designee. Adequate prior notice on the request for leave form, except in case of emergency, shall be submitted to the Superintendent's office. Emergency situations shall be determined by mutual consent of the Superintendent and Association President.

The Board shall permit a faculty representative designated by the Association in each building to perform his/her functions before school begins, after school ends, or during lunch period, as Association representative in the enforcement of this Agreement, except that such functions shall not interfere with the normal operations of the school district, nor shall they interrupt instruction in any of the classrooms in the building. These functions shall not conflict with any regular assigned duties.

ARTICLE V

GRIEVANCE PROCEDURE

A. DEFINITIONS

1. Grievance

A grievance shall be defined as the right of an employee or the Association to prosecute an appeal over the interpretation, application, or violation of policies, agreements or administrative decisions affecting them. However, the term "grievance" shall not apply to any matter which:

- a. method of review is prescribed by law or State Board Rule having the force and effect of law, or
- b. the Board of Education is without authority to act or
- c. a complaint of a non-tenured teacher which arises by reason of his/her not being re-employed. As used in this definition, the term "employee" shall mean also a group of employees having the same grievance.

The only grievances, which may be arbitrated, are those alleging that there has been a violation of this Agreement. All other grievances, which are not subject to arbitration, shall terminate at Board level.

2. Aggrieved Person

An “aggrieved person” is the person or persons or the Association making the claim.

3. Party in Interest

A “party in interest” is the person or persons making the claim and any person including the Association or the Board, who might be required to take action or against whom action might be taken in order to resolve this claim.

B. PURPOSE

The purpose of this procedure is to secure, at the lowest possible level, solutions to the problems that may from time to time arise affecting terms and conditions of employment. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. PROCEDURE

1. Time Limits

The filing of any grievance shall be restricted to 45 calendar days from the alleged occurrence. In the event that the 45th day falls on a weekend or holiday, the 45th day will be deemed to be the next school day. The number of days indicated at each level should be considered as maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

2. Year-End Grievances

In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

3. Level One—Principal or Immediate Superior

A teacher with a grievance shall first discuss it with his or her principal or immediate superior, either directly or through the Association’s designated representative, with the objective of resolving the matter informally.

4. Level Two—Superintendent or his/her designee

If the aggrieved person is not satisfied with the disposition of his or her grievance at Level One, or if no decision has been rendered within 10 school days after the presentation of the grievance, she/he may file the grievance in writing with the Superintendent of Schools.

5. Level Three—Board of Education

If the aggrieved person is not satisfied with the disposition of his or her grievance at Level Two, or if no decision has been rendered within 10 school days after presentation to the Superintendent, she/he may file the grievance in writing with the Board of Education.

6. Level Four—Arbitration

- a. If the aggrieved person is not satisfied with the disposition of his or her grievance at Level Three, or if no decision has been rendered within 10 school days after the grievance was delivered to the Board of Education, he or she may request in writing that the Association submit the grievance to arbitration. If the Association determines that the grievance is meritorious, it shall submit the grievance to arbitration.
- b. Within 10 school days after such written notice of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the American Arbitration Association by either party. The parties shall then be bound by the rules and procedures of the American Arbitration Association.
- c. The arbitrator's decision shall be in writing and shall be submitted to the Board and the Association and shall be final and binding on the parties.
- d. In the event that arbitrability of a grievance is at issue between the parties, jurisdiction to resolve the issue shall rest solely with the arbitrator selected in accordance with the provision of Section C.6 (b) of this Article.
- e. All costs of the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of a hearing room, if any, shall be paid as follows:

In the event that the Association does not support a grievance neither the Association nor the Board shall be obligated to pay any costs in arbitration. If the Association supports a grievance, all of the costs of arbitration referred to above shall be borne equally by the Board and the Association. The Association shall notify the Board in writing as to whether or not it supports a grievance at the conclusion of Level Two of this grievance procedure.

D. RIGHTS OF TEACHERS TO REPRESENTATION

1. Teacher and Association

Any aggrieved person may be represented at all stages of the grievance procedure by himself or herself, or, at his/her option by representative(s) selected or approved by the Association. When a teacher is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure.

2. Reprisals

No reprisals of any kind shall be taken by the Board or by any member of the administration against any party in interest, any representative, any member of the Association or any other participant in the grievance procedure by reason of such participation.

E. MISCELLANEOUS

1. Group Grievance

If, in the judgment of the Association, a grievance affects a group or class of teachers, the Association may submit such grievance in writing to the Superintendent directly and the processing of such grievance shall be commenced at Level Two. The Association may process such a grievance through all levels of the grievance procedure even though the aggrieved person does not wish to do so.

2. Written Decisions

Decisions rendered at Level One which are unsatisfactory to the aggrieved person, and all decisions rendered at Levels Two and Three of the grievance procedure, shall be in writing setting forth the decision and the reasons therefore and shall be transmitted promptly to all parties in interest and to the Association. Decisions rendered at Level Four shall be in accordance with the procedures set forth in Section C, paragraph 6 of this Article.

3. Separate Grievance File

All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants unless by mutual agreement of the parties.

4. Forms

Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.

5. Meetings and Hearings

All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives, heretofore referred to in this Article.

Superintendent of Schools or his/her designee. The Board will notify teachers of the extended year schedule on or before May 30th of each school year. As a guide, the teachers are assigned 60 mods per week or instruction including 54 mods of core courses and electives and six (6) mods of projects. A teacher may be assigned more than 60 mods per week (maximum of 66) with a yearly total of 180 mods.

Scheduling will be structured so that a teacher will not have more than 16 mods in one (1) day. Should the circumstance require deviation from this schedule, any overload schedules will be assigned in consultation with the teacher and will be compensated at the overload assignment rate of \$3,192 for 181-186 mods and \$3,192 additional for 187-192 mods for the school year 2011-2012; \$3,264 for 181-186 mods and \$3,264 additional for 187-192 mods for school year 2012-2013; and \$3,337 for 181-186 mods and \$3,337 additional for 187-192 mods for school year 2013-2014. This amount shall not be pensionable. Overload will be the exception not the rule and will not be used in lieu of hiring a teacher.

Shop teachers who previously received a salary adjustment stipend will have their salary adjustment frozen at the pre-Option 1 level while assigned to the Dr. John Grieco Campus.

* Teachers attending the Open House on a non-school day will be compensated at their per diem rate.

C. The traditional teacher contract time will be stipulated in Article VII B. 1.

D. The following applies for teachers at the Bergen County Academies choosing Option 1:

- The Administration and faculty recognize the value of research; however; it is just one segment of the educational program. Research will not be offered at the expense of core course offerings or administratively approved electives and may be scheduled as part of the total mods assigned to a teacher. When research is scheduled it will count towards the total mods. Before research can be assigned core courses, electives, and projects must be satisfied. Only then will research be assigned. In such cases where research is scheduled, consideration will be given to reducing assignments in areas such as office hours or academic centers of excellence and will be considered as part of the total number of mods.
- Teachers with a traditional day will conform to the mod instructional schedule and times of the Academy and adhere to an uninterrupted block of time. A teacher's work week will not exceed thirty-five (35) hours and twenty-five (25) minutes per week.

- Teachers will attend one (1), one-hour faculty meeting per month, or two (2), half-hour faculty meetings per month, after school on a date(s) determined by the Principal or Administrator with one (1) week notice, except for an emergency situation.
- All faculty can be assigned to attend a maximum of four (4) administrator approved functions that take place outside of the typical Academy work schedule to accommodate various Academy activities, excluding Back to School Night and Graduation, not to exceed ten (10) hours total service during the school year. If and when available, a calendar of events and functions will be posted at the commencement of the school year. At least three (3) weeks advance notice will be given and the assignment should be discussed with the teacher in consideration of personal obligations.
- A maximum of 19 students will be assigned to IGS (Information Gathering Session) during the normal work week, unless additional assignments are made in consultation with the teacher.
- Upon the request from a teacher who has a unique need, the Principal or Administrator will attempt to create an atypical schedule to meet the teacher's request. This applies to teachers who choose Option 1 or Option 2.
- Shop teachers who choose Option 2, are assigned a maximum of 70 mods per week of core courses (shop), projects, and in-service training. The remaining assigned mods will be available for students.
- Teachers may be assigned up to three (3) mods of professional responsibilities per week such as student data analysis, supervision of students in a non-academic setting and curriculum mandates such as grade level meetings.
- Teachers will be assigned three (3) mods for department meetings, cluster meetings, or collaborative planning per week.
- If a teacher is undersubscribed for any trimester, that teacher will be available for class coverage and/or academic centers of excellence. Assignments will be submitted in writing.

Teachers who hold a degree, however, must take graduate level courses. An exception may be granted to shop teachers who wish to take an undergraduate course that will significantly enhance their knowledge and/or skills in their current instructional assignments. In such a case, it is the shop teacher's responsibility to submit his/her request for approval together with a recommendation from the Principal or Administrator to the Superintendent or his/her designee.

ARTICLE XIX

REPRESENTATION FEE

A. Purpose of Fee

If a teacher does not become a member of the Association during any membership year (i.e. from September 1 to the following August 31) which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the Association for that membership year to offset the costs of services rendered by the Association as majority representative.

B. Amount of Fee

Prior to August 15, the Association will notify the Business Administrator in writing of the amount of the regular unified membership dues, initiation fees and assessments charged by the Association to its own members for that membership year. The representation fee to be paid by non-members will be equal to the maximum allowed by law.

C. Deduction and Transmission of Fee

The Board agrees to deduct from the salary of any teacher who is not a member of the Association for the current membership year the full amount of the representation fee set forth in Section B above and promptly will transmit the amount so deducted to the Association. The Board agrees to deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each teacher during the remainder of the membership year in question. The deductions will begin 30 days after the teacher begins his/her employment in a bargaining unit position.

D. Termination of Employment

If a teacher who is required to pay a representation fee terminates his/her employment with the Board before the Association has received the full amount of the representation fee to which it is entitled under this Article, the Board will deduct the unpaid portion of the fee from the last paycheck paid to said teacher during the membership year in question and promptly forward same to the Association.

E. Mechanics

Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.

ARTICLE XX

MISCELLANEOUS PROVISION

- A. If any provision of this Agreement or any application of the Agreement to any teacher or group of teachers is held to be contrary to law, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications shall continue in full force.
- B. Any individual's contract between the Board and an individual teacher, heretofore or hereafter executed, shall be subject to and consistent with the terms and conditions of this Agreement. If an individual contract contains any language inconsistent with this Agreement, this Agreement, during its duration, shall be controlling.
- C. Seven hundred (700) copies of this Agreement shall be printed at the joint expense of the Board and the Association within 30 days after this Agreement is signed by all parties. The said printed version shall be in pocket size. The Agreement shall be presented to all teachers now employed, or hereafter employed by the Board.

ARTICLE XXI

PART-TIME EMPLOYEES

- A. Part-time is defined by the number of contact mods that a teacher teaches. For example, a teacher teaching 30 mods a week would be considered a 3/5ths teacher. (In-class teacher)
- B. Part-time is defined by the amount of hours assigned. For example, a Guidance Counselor assigned three (3) full days would be considered a 3/5th teacher. (Support staff)
- C. In each case the Principal and part-time staff member shall mutually agree upon a daily schedule with a contiguous block of time.
- D. Sick days, personal days, and longevity are pro-rated.
- E. Tuition reimbursement is for full-time teachers only.

ARTICLE XXII

ADULT EDUCATION TEACHERS

Unless otherwise indicated the term Adult Education Teacher when used hereinafter in this Agreement shall refer to Adult Education Teachers with academic assignments.

A. Adult Education Teacher Work Day

1. Length and Time of Day

The full-time Adult Education Teacher work week (including teaching time, duty time, preparation time, and mealtime) shall be assigned Monday through Friday. Each schedule will include two (2) evenings which shall fall between 6:30 pm and 10:00 pm.

2. Schedules

- a. All Adult Education Teachers are assigned working hours in compliance with grant mandates for serving the target populations.
- b. Assignments shall be limited to Monday through Friday including evening hours. Any seven-hour and five-minute period between 8:30 am and 10:00 pm may be assigned.

3. Lunch

All full-time Adult Education Teachers shall be provided with a duty free lunch per day.

B. Assignments

- 1. Adult Education Teacher's full time teaching assignment is his/her regular schedule with the many non-classroom obligations normally associated with the adult literacy grant assignment.

2. All full-time Adult Education Teachers are responsible for program intake, record keeping and reporting. Duty assignments may include recruitment or job placement work when undertaken by mutual agreement.
3. In addition, all Adult Education Teachers will participate in intake, assessment, and instruction of students. This instruction will take place on the program sites that are located in communities throughout the county.

C. Student Contact Time:

A regular weekly schedule for a full-time traditional teacher includes 1,050 minutes of student instruction contact time, 420 minutes of assigned duties, and 210 minutes of preparation time. An overload is 210 minutes of student instructional time. The yearly totals for a full-time traditional teacher are 37,800 minutes of student instructional contact time, 15,120 minutes of assigned duties, and 7,560 minutes of preparation time. A full overload is 7,560 additional minutes of student instructional time per year.

Because of the flexibility necessary to facilitate the adult program, student instructional contact time, assigned duty, preparation time and overload will be based on yearly totals and prorated as necessary.

An example of a yearly schedule for a certified adult school teacher includes 43,200 minutes of student instructional contact time, 9,720 minutes of assigned duties, and 7,560 minutes of preparation time. An overload in this case would be 5,400 minutes of student instructional time or 71% of the 7,560 standard overload. If the overload is assigned less than 90 days, the teacher would be eligible to receive the per mod coverage rate (Schedule D). If more than 90 days, it would be 71% of the shop differential: \$3,587 for the school year 2011-2012; \$3,765 for the school year 2012-2013; \$3,943 for the school year 2013-2014. Overload schedules are not pensionable. The certified adult teacher will be scheduled with a daily preparation time and a duty free lunch. Traveling time will be deducted from student contact time.

On non-instructional days additional duties may be assigned in lieu of pupil contact time.

D. Duties

1. The Administrator will refrain from assigning teachers to non-professional duties.
2. The Administrator may assign duty periods to provide:
 - a. student remediation
 - b. curriculum work
 - c. common meeting time
 - d. in-service
 - e. student assessments
 - f. student reporting
3. Remediation assignments shall be restricted to two (2) students per period.

ARTICLE XXIII
