Bargaining shall be consistent with the provisions of Chapter 123, P.L. 1974 and any amendments as may be enacted from time to time.

D. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

E. Nothing herein shall prohibit the Township from modifying those rules, regulations or policies which do not directly diminish salaries or fringe benefits under this Agreement.

ARTICLE III

DISCRIMINATION AND COERCION

A. There shall be no discrimination, interference or coercion by the Township or any of its agents against the employees represented by the Union because of membership or activity in the Union. The Union shall not intimidate or coerce employees into membership. Neither the Township nor the Union shall discriminate against any employee because of race, creed, color, national origin, religion or political affiliation.

B. Where the word "he" is used in this Agreement it shall mean both sexes.

ARTICLE IV

GRIEVANCE PROCEDURE

A. For the purpose of this Agreement, the term "grievance" means an appeal by an individual employee or Local 97 on behalf of an individual employee or group of employees from the interpretation, application or violation of the terms and conditions of this collective bargaining agreement.

B. If at any Step in the Grievance Procedure Management's decision is not appealed within the appropriate prescribed time, such grievance will be considered closed and there shall be no further appeal or review.

C. Grievance Steps:

Step 1.

The Grievance Chairman of the Union or his duly authorized and designated representative shall present in writing the grievance or grievances to the supervisor or his designee. A grievance must be filed within five (5) working days after the event that gave rise to the grievance. The supervisor or his designee shall answer the grievance in writing within five (5) working days. Working days, as set forth herein, shall be defined as Monday through Friday, whether the employee actually works the day(s) in question.

Step 2.

If the grievance is not resolved at Step 1, or if no answer has been received by the Union within the time set forth in Step 1, the Union may present the grievance in writing to the Township Administrator. The Township Administrator shall forward a reply within twenty-five (25) working days of receipt of the first step. The presentation shall set forth the position of the Union, and at the request of either party, discussion may ensue. In the event no answer is received from the Township Administrator within the specified time, then the Union may move the grievance to the Mayor. Any appeal to the Mayor under Step 2 shall be within five (5) working days of the Administrator's response or time to respond. The Mayor shall have ten (10) working days to respond, if he so desires; otherwise, the grievance shall be denied. Working days, as set forth herein, shall be defined as Monday through Friday, whether the employee actually works the day(s) in question.

Step 3.

If the grievance has not been settled by the parties at Step 2 of the Grievance Procedure, or if no answer in writing by the Mayor has been received by the Union within the time provided in Step 2, all submissions to arbitration by the Union must be made within twenty (20) calendar days of the receipt of Step 2 decision or when a Step 2 decision should have been rendered.

Step 4. Arbitration.

If a grievance is not settled under Step 3, such grievance shall, at the request of the Union or the Township, be referred to PERC as mutually agreed to by the parties for the selection of an Arbitrator according to its rules. All submissions to arbitration must be made within twenty (20) calendar days. Attendance at a grievance or arbitration hearing or matter by anyone other than the grievant and Shop Steward shall be permitted only by subpoena, and only if the individual subpoenaed is testifying. No overtime shall be paid for attendance at a grievance or arbitration.

The arbitration proceedings:

- a. The arbitrator shall conduct a hearing and render his decision in writing with findings of fact and conclusions.
- b. The arbitrator shall not have the power to add to, subtract from or modify the provisions of this Agreement.
- c. The arbitrator shall confine his decision solely to the interpretation and application of the Agreement and shall confine his decision to the one (1) precise issue submitted for arbitration unless the parties agree otherwise.
- d. The arbitrator shall have no authority to prescribe a monetary award as a penalty for a violation of this Agreement.
- e. Rules, regulations, policies or orders of Berkeley Township shall not be subject to interpretation or revision by an arbitrator except if specifically provided by the parties.
- f. The decision of the arbitrator shall be final and binding on the parties subject to the rights of the parties with respect to case law and statutes.
- g. The fees and expenses of the arbitrator and recording of the procedure shall be divided equally by the parties.
- h. Any other costs of the arbitration, including the presentation of witnesses, shall be borne by the party incurring same.

D. Miscellaneous - Advance Step Filing.

In the event a grievance affects more than one member, or any class of workers or members, then the grievance shall commence directly at Step 2 by the Union.

ARTICLE V

A. The normal work day for blue collar employees whose titles are represented by the Union shall be eight (8) hours of work; there shall be thirty (30) minutes for a lunch period and the work week shall consist of forty (40) hours. G. A two (2) week notification shall be given by the Township prior to a change in shift except in cases of emergency.

H. The scheduled work hours at the golf course shall be flexible to permit management to schedule hours to provide for the most efficient utilization of work time. The work week at the golf course shall not be limited in scheduling to start and conclude Monday to Friday. Vacation shall not be permitted to be taken by employees assigned to the golf course during the calendar months of June, July and August. B. In the event an employee is called to duty on his normal off-duty hours, he shall be

paid overtime at the rate of time and one-half (1-1/2) with a minimum of four (4) hours, provided such time is not contiguous to the employee's work day and provided the employee has not received four (4) hours notice. D. All employees hired on or after January 1, 2011 shall be governed by the provisions of Civil Services rules and regulations as to vacation time.

ARTICLE XI

LEAVES

A. Sick Leave

1. Sick leave may be utilized by full-time employees when they are unable to perform their work by reason of personal illness, accident or exposure to contagious disease.

2. All permanent full-time employees covered by this Agreement shall be granted sick leave with pay. During an employee's first year of employment he will be granted one (1) day for each month of complete service of full-time employment. From the beginning of the employee's second year of employment, he will be granted fifteen (15) days of sick leave per year.

3. Procedure

a. If an employee is absent for reasons that entitle him to sick leave, he shall notify his supervisor no later than one-half (1/2) hour prior to his usual reporting time.

b. Failure to notify his supervisor may be cause for denial of the use of sick leave for that absence and constitute cause for disciplinary action.

c. Absence without notice for five (5) consecutive days shall constitute a resignation.

4. a. An employee who shall be absent on sick leave for five (5) or more consecutive working days shall be required to submit acceptable medical evidence substantiating the illness.

b. When the employee is at his/her place of confinement, he/she is restricted to such, except for visits to his/her pharmacist or physician, when the employee is out sick. All employees, whether sick or injured, shall not leave the State of New Jersey for more than one (1) twenty-four (24) hour period, except with the written approval of the employee's supervisor or designee or by written authorization of the employee's attending physician.

5. Sick Leave Verification

a. An employee who has been absent on sick leave for periods totaling fifteen (15) days in one (1) calendar year consisting of periods of less than five (5) days, shall submit acceptable medical evidence for any additional sick leave in that year unless such illness is of a chronic or recurring nature requiring absences of one (1) day or less, in which case only one (1) certificate shall be necessary for a period of six (6) months.

b. The employee's supervisor may require proof of illness of an employee on sick leave, whenever such requirement appears reasonable.

c. In case of leave of absence due to exposure of contagious disease, a certificate from the Department of Health shall be required.

d. The supervisor may require an employee who has been absent because of personal illness, as a condition of his return to duty, to be examined, at the expense of the Township, by a physician designated by the Township. Such examination shall establish whether the employee is capable of performing his normal duties and that his return will not jeopardize the health and safety of other employees.

e. Abuse of sick leave shall be cause for disciplinary action.

f. The Township reserves the right to require verification at any time for any reason at the expense of the Township.

6. No employee shall be allowed to endanger the health and well-being of

other employees. In light of this, the employee may be directed to take sick leave by the employee's supervisor. The employee's supervisor may direct the employee to the Township physician, at the Township's cost, for an opinion as to the eligibility of the employee(s) to continue at work if the employee(s) does not accept such direction.

B. FMLA & FLA Leaves

1. Employees may be granted a leave of absence without pay in accordance with the Federal Family and Medical Leave Act of 1993 (FMLA), 29 U.S.C.A. §2601 et. seq. and/or the New Jersey Family Leave Act (FLA), N.J.S.A. 34:11B-1 et. seq. and/or Township policy. To be entitled to an FMLA and/or an FLA leave, employees must meet all statutory criteria and requirements of the Township policy set forth herein.

2. To be eligible for FMLA leave, an employee must be employed by the Township for at least twelve (12) consecutive months prior to leave application. In addition, in the twelve (12) months immediately preceding the beginning of the leave, employees must have worked at least one thousand two hundred fifty (1,250) hours, excluding overtime. To be eligible for FLA leave, employees must have been employed for the previous twelve (12) months and have worked at least one thousand (1,000) hours, excluding overtime.

3. Eligible employees can take up to twelve (12) weeks of unpaid FLA leave during any twenty-four (24) month period for the birth or adoption of a child, or the serious illness of a parent, parent-in-law, stepparent, child or spouse. Eligible employees can take up to a total of twelve (12) weeks of unpaid FMLA leave within a rolling twelve (12) month period for the birth or adoption of a child, to care for a parent, child or spouse who has a serious health condition or if the employee experiences a serious health condition as defined by Federal law.

4. An employee may be entitled to leave under both the FMLA and the FLA. When this occurs, the leave simultaneously counts against the employee's entitlement under both laws. Employees on FMLA and/or FLA leave will not continue to accrue vacation, sick or personal days. Employees on FMLA and/or FLA leave will not continue to accrue longevity. Employees on FMLA and/or FLA leave will continue to be eligible for health insurance coverage under the

Township's policy assuming that such benefits were provided before the leave was taken. Employees taking FMLA and/or FLA leave will be required to use all available accrued vacation, sick and personal days during the leave. The use of accrued time will not extend the leave period. After exhausting the accrued leave time, the employee will not be paid for the remainder of the FMLA and/or FLA leave.

5. A request for a FMLA and/or an FLA leave must be accompanied and supported by a physician's certificate. In non-emergency situations, a request for an FMLA and/or FLA leave should be made at least thirty (30) calendar days in advance of the anticipated start date for the leave. The Township requires periodic reports every thirty (30) calendar days during an FMLA and/or FLA leave regarding the employee's status and intent to return to work.

6. Intermittent and/or reduced schedule leave will be permitted only when it is medically necessary. Intermittent and/or reduced schedule leave will be scheduled in a manner so as to cause minimal disruption to an employee's job. Employees are expected to make every effort to schedule medical appointments and treatments outside of working hours or at such times that allow for a minimal amount of time away from work.

7. An extension past the twelve (12) weeks can be requested, but such requests along with medical documentation and verification of the need for the extension must be submitted prior to the expiration of the initial leave period. The Township reserves the right to deny any request for extended leave and such denial shall not be grievable.

8. If the reason for the leave is the employee's own serious health condition, the employee will be required to present a fitness-for-duty certification prior to being permitted to return to work. An employee who fails to return to work for five (5) consecutive work days after the expiration of the leave period will be considered to have abandoned his or her position and will be recorded as a resignation not in good standing in accordance with Civil Service law and regulations. Upon return to work after an FMLA and/or FLA leave, an employee will be returned to the position held prior to the leave or to an equivalent position with equivalent pay, benefits and other terms and conditions of employment. An employee returning to work after a FMLA and/or

FLA leave has no greater rights than the employee would have had if the employee had continued to work. Therefore, an employee may be affected by a layoff, termination or other job change if such action would have occurred had the employee remained actively at work.

C. Leaves of Absence Without Pay

1. A leave of absence without pay may be granted no more than two (2) three (3) month periods in any one (1) consecutive twelve (12) month period, excluding FMLA (if applicable). The decisions as to whether or not to grant a leave of absence without pay in accordance with this Article shall be within the sole and absolute discretion of the Township. All decisions regarding leave made by the Township Administrator and are not appealable through the grievance procedure.

2. The Township reserves the right to extend this period of time only after the employee submits to the Township sufficient reason for an extension of such leave after the employee has appeared before the Township to request the extension in person. Furthermore, such extension shall require approval by the Commissioner of the New Jersey State Department of Personnel and all other applicable parties.

3. An application for an unpaid leave pursuant to this Article shall be submitted at least thirty (30) days prior to the effective date of the proposed leave except in the case of emergencies.

D. Workers' Compensation

Any member of the Township who shall utilize disability leave under Workers' Compensation, shall forward any money received by the Insurance Carrier directly to the Township Clerk as the member shall be receiving his disability pay.

ARTICLE XII

G. The Township reserves the right to change insurance plans or carriers or to self-insure so long as substantially equivalent benefits are provided and at least forty-five (45) days notification is provided to the Union. In the event the Union does not agree that the new plan(s) provided(s) substantially equivalent benefits, the Union may submit the matter to expedite arbitration prior to the expiration of the forty-five (45) days notification by the Township, for determination by an arbitrator prior to implementation of the new plan(s). However, if an expedited arbitration proceeding is sought, the plan shall go into effect within one hundred twenty (120) calendar days after the initial notification to the Union.

H. (1) Effective May 21, 2010, all public sector employees were required to contribute one and on-half (1.5%) percent of their pensionable base salary through a payroll deduction toward health care, provided there was not a current collective bargaining agreement at the time the legislation passed. This unit was eligible to pay the contribution and has been doing

so since May 21, 2010. The minimum contribution of one and one-half (1.5%) percent will remain in effect until the legislature changes it. Should the legislature increase this contribution on medical/health benefits and the employer accepts the change during the term of this Agreement, then the Union will be required to pay the difference and experience the increase.

(2) Enrollment for new hires, as of January 1, 2011, will be in the NJ Direct 15 plan. Said employees shall be required to pay the contribution in §H(1) above.

(3) Any plan changes shall be substantially equivalent to those in effect prior to the change.
