Article III GRIEVANCE PROCEDURE

A. Definitions

1. Grievance

A "grievance" is a claim by an employee or the Association based upon the interpretation, application or violation of this agreement, policies or administrative decisions affecting an employee or a group of employees.

2. Aggrieved Person

An "aggrieved person" is the person or persons on behalf of whom the Association is making the claim.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting employees. At all levels, the grievance procedure shall include only such parties in interest and their designated or selected representatives.

C. Time Limits

1. The number of days indicated at each level shall be considered as a maximum and every effort shall be made to expedite the process. The time limits specified may, however, be extended by mutual agreement in writing.
2. In the event a grievance is filed at such a time that it cannot be processed through all the stages in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

D. Outline of Procedures

Level One

Any employee who has a grievance shall, within fifteen days, discuss it first with his principal (or immediate supervisor) in an attempt to resolve the matter informally at that level (Schedule I, entitled "Order of Appeals," is attached hereto and made a part hereof).

If, as a result of the discussion, the matter is not resolved to the satisfaction of the employee within five school days, he shall set forth his complaint, in writing, to the principal and his supervisor. The principal shall communicate his decision to the employee in writing within five school days of receipt of the written complaint.

Level Two

The employee may, within five school days, appeal the principal's decision to the Superintendent of Schools. The appeal to the Superintendent must be made in writing and must set forth the grounds upon which the grievance is based. The Superintendent shall request a report on the grievance from the principal and shall confer with the concerned parties or, upon request, with the aggrieved party or principal separately. He shall attempt to resolve the matter as quickly as possible but within a period not to exceed ten school days. The Superintendent shall communicate his decision in writing, along with supporting reasons to the aggrieved party, the supervisor and the principal.

Level Three

In the event that any supervisor, principal or superintendent shall fail to act in accordance with these regulations, or in the further event that said employee is dissatisfied with the supervisor's, principal's, or superintendent's determination, the employee may submit his grievance in writing to the Teacher-Board Committee, setting forth each step taken, the result achieved at each level and the reason for the employee's dissatisfaction with the earlier determination.

TEACHER-BOARD COMMITTEE

1. Composition of Committee—A Teacher-Board Committee composed of three members designated by the local Education Association and four members of the Board of Education shall be created for the purpose of conducting professional discussions in good faith on grievances involving salaries, personnel policies, working conditions, fringe benefits and other conditions.
2. Responsibilities and duties of the Teacher-Board Committee shall be to:
 - a. Elect a chairman;
 - b. Evaluate the problems presented to the committee;
 - c. Gather facts to provide for a complete understanding of these problems;
 - d. Discuss and attempt to arrive at a solution in keeping with the philosophies of each organization;
 - e. Present conclusions and recommendations to the aggrieved.
3. The Duties of the Chairman shall be to:

- b. act as Chairman of all meetings of the Teacher-Board Committee;
- c. notifies all interested parties of the determination made by the Committee.

Level Four

- A. If the Teacher-Board Committee determines that the grievance has or may have merit, it shall recommend that the grievance be heard by the Board of Education or a committee of the Board. The Teacher-Board Committee shall take steps as deemed necessary and desirable to affect an equitable determination of the grievance and shall within twenty school days from the receipt of said grievance, submit its findings to the Board of Education.
- B. If the Board is required to make an independent determination, it shall invite the grievant to present his/her case to the entire Board, and it shall approve or reject the Teacher-Board Committee's determination at its next monthly meeting or within thirty days, and shall provide for notification to all interested parties of its determination.
- C. The determination and decision of the Board of Education is final unless and until this decision is set aside by higher authority.
- D. In cases where an employee is dissatisfied with the outcome of the grievance, the Board agrees to allow the employee a chance to express their concerns in a closed session.

See F. Schedule I – Order of Appeals (Back of contract)

Article III-A GRIEVANCE PROCEDURE
Rights and Protection in Representation

- A. Pursuant to Chapter 123, Public Laws of 1974, the Board hereby agrees that every employee of the Board shall have and shall be protected in the exercise of, the right, freely and without fear of penalty or reprisal, to form, join, and assist any employee organization or to refrain from any such activity. As a duly elected body exercising governmental power under the laws of the State of New Jersey, the Board undertakes and agrees that it shall not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by Chapter 123, Public Laws 1974 or other laws of New Jersey or the Constitutions of New Jersey and the United States; that it shall not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment by reason of membership in the Association and its affiliates, participation in any activities of the Association and its affiliates, collective negotiations with the Board, or institution of any grievance, complaint or proceeding under this agreement or otherwise with respect to any terms or conditions of employment.
- B. Whenever any teacher is required to appear before the Superintendent or a designee, Board, or any committee, member, representative or agent thereof concerning any matter which could adversely affect the continuation of that teacher in office, position or employment, or the salary or any increments pertaining thereto, then the teacher shall be given prior written notice of the reasons for such meeting or interview and shall be entitled to have a representative of the Association present to advise and represent the teacher during such meeting or interview.
- C. The Board shall not establish any separate personnel file unless it is available for the teacher's inspection, with the exception of personal references solicited by the Board at the time of employment. This provision shall not limit the Board's right to establish personnel files as may be required in the operation of the school system, with the understanding that such files will be available for the teacher's inspection. Teachers shall have the right, upon request at a mutually convenient time to review the contents of these personnel files in

the presence of a person authorized by the Board. After an initial review of personnel file, in the presence of a person authorized by the Board of Education a teacher may request a second review of the files accompanied by a representative of the Association, in the presence of the person authorized by the Board of Education.

- D. The Board and the Association agree that there shall be no discrimination in the policies and practices of the District. Said policy of non-discrimination shall be in accordance with Title VI and Title IX and any other applicable State or Federal Legislation.
- E. A full-time tenured teacher in the District shall be entitled to enroll dependent children in either high school at no tuition, provided the children shall not compete in interscholastic activities unless meeting eligibility requirements met by other students and provided the enrollment of such dependent child has no financial impact on the district.

Article IV SALARIES

- A. The 2009-2010 Teacher Salary Guide shall be revised by 1.6%.
- B. The 2010-2011 Teacher Salary Guide shall be revised by 1.6%.
- C. The 2011-2012 Teacher Salary Guide shall be revised by 1.5%

Custodial and Office Professional Guide revisions are listed in Articles applying to Operations and Maintenance Employees - XVII, and Articles applying to Office Professionals - XXIII.

- D. All employees will be paid not later than their regularly scheduled pay day. In those cases where initial checks may be delayed because of the relationship of employment date to payroll preparation date, the employee may be advanced, on the pay days between employment and the 15th of the succeeding month, an amount up to 99% of the net amount due the employee. Such advances will be deducted from the initial regularly prepared salary check.
- E. Certified employees will be allowed credit on the salary guide as follows:
 - 1 Full credit for the year if employee is under contract before November 1 and assigned full teaching assignment.
 - 2 One-half year of credit for full assignment and contract issued between November 1 and February 28 or a contract of one full semester for full assignment.
 - 3 No credit for services on or after March 1.
- F. Part-time certified employees will receive one-half year of credit on the salary guide if their employment is under contract and equals one half of the regular teaching assignment for a full year or equals a full teaching assignment for a minimum of ninety days. No credit will be allowed for substitute teaching unless it is under a long-term substitute contract, in which case it will be equated as explained above.

Article V
DEDUCTIONS FROM SALARY

A. The Board agrees to deduct Association dues from the salaries of employees upon request in compliance with Chapter 310, Public Laws of 1967 (N.J.S.A. 25:14-15.9e).

B. Representation Fee

1. **Purpose of Plan:** If a Bargaining Unit Member does not become a member of the Association during any membership year (i.e., from September 1 to the following August 31) which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the Association for that membership year to offset the costs of services rendered by the Association or majority representation.
2. **Amount of Fee:** Prior to the beginning of each membership year, the Association will notify the Board, in writing, of the amount of the regular membership dues, initiation fees and assessment charged by the Association to its own members for that membership year. The representation fee to be paid by non-members will not exceed 85% of that amount.

The Association will certify to the Board, prior to the start of each membership year, that the amount of the representation fee to be assessed does not exceed 85% of dues, fees and assessments that are expended a) for partisan, political or ideological activities or causes that are only incidentally related to terms and conditions of employment; or b) applied toward the cost of benefits available only to members of the majority representative.

3. **Deduction and Transmission of Fee:** The Board agrees to deduct from the salary of any Bargaining Unit Member who is not a member of the Association for the current membership year the full amount of the representation fee set forth in Section B above and promptly will transmit the amount so deducted to the Association.

The Board agrees to deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each Bargaining Unit Member during the remainder of the membership year in question. The deductions will begin 30 days after the Bargaining Unit Member begins his or her employment in a bargaining unit position.

The Association, before any deductions are made, must first establish a demand and return system. This system will provide that a nonunion member may appeal the amount of the representation fee assessed against him/her. The Association will provide the nonmember with a full and fair hearing, and has the burden of proof in justifying the amount of the fee. Non-members who are dissatisfied with the outcome of their appeal at the local level may appeal further. All funds in this instance will be held in escrow during that period of time.

4. **Indemnification and Save Harmless Provision:** The Association agrees to indemnify and hold the Board harmless against any liability which may arise by reason of any action taken by the Board in complying with the provisions of this Article, provided that the Board gives the Association timely notice in writing of any claim, demand, suit or other form of liability in regard to which it will seek to implement this paragraph.
5. **Termination of Employment:** If a Bargaining Unit Member who is required to pay a representation fee terminates his or her employment with the Board before the Association has received the full amount of the representation fee to which it is entitled under this Article, the Board will deduct the unpaid portion of the fee from the last paycheck paid to said Bargaining Unit Member during the membership year in question and promptly forward same to the Association.

The procedure explained above will apply to all association members and not just to those who pay a

representation fee. This is meant to provide equal treatment for association and non-association members.

6. **Mechanics:** Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.
