1. Whenever the officer's physical or mental condition adversely affects his/her ability to continue to provide effective job performance.

2. The physical or mental condition would impair the officer's health if permitted to continue working.
3. The process to determine whether an officer is physically/mentally capable to continue work or return to work is:
 - a. The City's physician and the officer's physician agree to the officer's capabilities, or
 - b. Should a disagreement be found in the physicians' opinions, the City requests a third impartial examination. The expense of such examination shall be borne equally by the employee and the City. The results of the examination shall be conclusive and binding on the issue of mental/physical capacity to return to or continue working.

ARTICLE XI

WORK WEEK AND OVERTIME

A. The normal work week shall consist of an average 42 hours per week on a yearly basis. Employees covered by this Agreement who work in accordance with this schedule and the additional 104 hours of work required thereunder shall be paid for 104 hours at the per diem rate in addition to regular salary, overtime, schooling stipend and longevity, if applicable.

1. For the calendar year 2002, the method of payment for the 104 hours shall be compensatory time for all affected officers.
 - a. The compensatory time accumulated during 2002 shall be used prior to retirement, but no later than the expiration of this Agreement, December 31, 2004.
2. For the calendar year 2003, the method of payment for the 104 hours shall be inclusion in the regularly scheduled paychecks and shall be included in the base wages.
3. For the calendar year 2004, the method of payment for the 104 hours shall be inclusion in the regularly scheduled paychecks and shall be included in the base wages.
4. It is agreed and understood that the method of payment for the 104 hours shall conclude with the expiration of this Agreement, December 31, 2004.

5. The parties agree that they shall meet during the first quarter of 2004 to negotiate the method of payment for the 104 hours for the purpose of the Successor Agreement.

B. All members covered by this Agreement shall, in addition to their base salary, be paid one and one-half (1½) times their straight hourly rate of pay, including longevity, in accordance with their rank for all overtime worked, exclusive of court time. All overtime, over and above the 42 hour work week shall be computed by dividing a week's pay by 40 hours. Said overtime payments shall be provided from the City's annual budgeted overtime fund and shall be equitably distributed. When this fund is exhausted, overtime shall be taken as compensatory time and one and one-half (1½) times the number of hours worked. Officers working 40 hours per week who do not receive per diem day payments shall have their hourly rate of pay determined by dividing their base pay, schooling and longevity, if applicable, by 2,080 hours.

C. Overtime shall be compensated, unless otherwise provided for, at the present rate and method of compensation on the following basis:

- | | | |
|----|--|--------------------------|
| 1. | 0-15 minutes | no compensation |
| 2. | 16-30 minutes | .5 hours of compensation |
| 3. | 31-60 minutes | 1 hour of compensation |
| 4. | Thereafter, all overtime will be administered in .5 hour segments. | |

D. If a member is called to duty on his day off, he should be paid for all hours worked and shall be guaranteed a minimum of four (4) hours at the present rate and method of compensation. N.J.S.A. 34:15 et seq (Worker's Compensation) applies to an employee en route to or from a "call-in" in the same way it applies to travel to or from a regular work shift.

E. If a member is recalled to duty, he/she shall receive a minimum of two (2) hours at the present rate and method of compensation.

F. All police personnel on emergency call must report back within 30 minutes after notification is received by such personnel. A written report may be requested of any police officer by the Chief or his designee if said police officer fails to report back on emergency call within 30 minutes, whether or not personally notified.

G. To the extent feasible and in conformity with divisional requirements, overtime assignments should be distributed as fairly and equitably as possible.

H. It is acknowledged that the provisions of the Fair Labor Standards Act (FLSA) shall apply to the City on April 15, 1986 and that the United States Department of Labor is to promulgate regulations governing such application prior to that date. The City reserves the right to establish rules and regulations concerning the monitoring of and compensation for overtime in order to comply with such regulations and to comply with FLSA generally.

It is acknowledged that pursuant to Section 7(k) of FLSA, the City may elect a work period between 7 and 28 days. Such an election would not affect the work schedule or the pay period of the employees, and is made solely for the purpose of the calculations required by FLSA. In the event of such an election, or any amendment thereto, the work schedule in force at that time shall continue, unaltered by said election.

Changes in work periods under Section 7(k) shall not be made arbitrarily or capriciously by the City.

The City will not attempt to recoup payments made prior to April 15, 1986 and any future date. Neither will the City unilaterally reduce regular pay or fringe benefits in an attempt to nullify the legislative applications of overtime compensation.

The City reserves the right to credit any payments made pursuant to this Agreement other than payments made as compensation for "hours worked" as defined in FLSA, against any overtime obligation incurred under FLSA.

I. In the event of transfer or reassignment, Officer(s) so affected shall be notified at least two (2) weeks in advance, except in emergent situations.

ARTICLE XII

A. Annual vacations shall be granted as follows:

Otherwise, vacations shall not accumulate beyond the calendar year.

D. If a member becomes sufficiently ill so as to require inpatient hospitalization while he/she is on vacation, he/she may charge such period of illness and post-hospital recuperation against sick leave at his/her option. Said member must submit proof of hospitalization and a physician's certificate certifying as to the need for post-hospital recuperation.

E. Members shall not be recalled on their vacation days, except in emergencies. In those emergency situations, members shall be paid the overtime rate and shall not lose vacation credit for the day called in.

F. At the sole discretion of the Chief, vacation days may be split into no more than two (2) time segments per calendar year. The initial choice of the time of the year when vacations are to be taken by various members, subject to the approval of the Chief, shall be determined on the seniority basis amongst the ranks, and within each rank, dependent on the number of years of continuous departmental service. Those members electing to split their vacations shall choose the first segment of their vacation in accordance with the above stated criteria. The second segment of vacation time shall be chosen, with the approval of the Chief, after all members have made their initial vacation choices.

ARTICLE XIII

C. Compensatory days off may be taken with the permission of the Chief, or his designee.

D. At the option of the employee, she/he may elect to be compensated for up to eight (8) days of the above listed holidays instead of receiving compensatory time provided the Chief of Police is notified, in writing, by October 1st of the prior year. This compensation shall be determined by using the salary in effect when the days were earned. Payment shall be made during the first month of the succeeding calendar year.

ARTICLE XIV

C. Reporting of Absence on Sick Leave

D. Verification of Sick Leave

1. The City may require proof of illness of an employee on sick leave, after the seventh (7th) instance or on the third (3rd) consecutive day off or whenever such a requirement appears reasonable and warranted under the circumstances to prevent a continued pattern of abuse of sick leave by an employee. GRIEVANCE PROCEDURE

A. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of employment under this Agreement.

B. Nothing herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member(s) of the Department.

C. The term "grievance" as used herein means any controversy arising over the interpretation, application or alleged violation of the terms and conditions of this Agreement, and any controversy arising out of policies and administrative decisions affecting the terms and conditions of employment. A "grievance" may be raised by an individual, the Association on behalf of the individual, or a group of individuals, or the City.

D. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement, and shall be followed in its entirety unless any step is waived by mutual consent:

Step One:

The aggrieved or the Association shall institute action under the provisions hereof within 60 calendar days after the event giving rise to the grievance has occurred, and an earnest effort shall be made to settle the differences between the aggrieved employee and his immediate supervisor or Police Chief for the purpose of resolving the matter informally. Failure to act within said 60 calendar days shall be deemed to constitute an abandonment of the grievance.

Step Two:

If no agreement can be reached orally within five (5) calendar days after the initial discussion with his supervisor, the employee or the Association may present the grievance in writing within five (5) calendar days thereafter to the Police Chief, or his designated representative. The written grievance at this step shall contain the relevant facts and a summary of the preceding oral discussion, the applicable section of the contract violated and the remedy requested by the grievant. The Police Chief or his designated representative will answer the grievance in writing within ten (10) calendar days of receipt of this written grievance.

Step Three:

If the Association wishes to appeal the decision of the Police Chief or his designated representative, such appeal shall be presented in writing to the Business Administrator or his designated representative within ten (10) calendar days thereafter. This presentation shall include copies of all previous correspondence relating to the matter in dispute. The Business Administrator or his designated representative shall respond, in writing, to the grievance within 20 calendar days of the submission.

Step Four:

If the grievance is not settled through Steps One, Two and Three, either party shall have the right to submit the dispute to arbitration pursuant to the rules and Regulations of the Public Employment Relations Commission. The costs for the services of the arbitrator shall be borne equally by the City and the Association. Any other expenses, including but not limited to the presentation of witnesses, shall be paid by the parties incurring same.

E.

1. The parties direct the arbitrator to decide, as a preliminary question, whether the arbitrator has jurisdiction to hear and decide the matter in dispute.

2. The arbitrator shall be bound by the provisions of this Agreement and the Constitution and Laws of the State of New Jersey, and shall be restricted to the application of the facts presented to the arbitrator involved in the grievance. The arbitrator shall not have the authority to add to, modify, detract from or alter in any way the provisions of this Agreement or any amendment or supplement thereto. The decision of the arbitrator shall be final and binding.

F. The designated Association representatives shall be permitted as members of the grievance committee to confer with employees and the City on specific grievances in accordance with the grievance procedure set forth herein during work hours of employees, without the loss of pay, provided the conduct of said business shall not diminish the effectiveness of the Ocean City Police Department or require the recall of off-duty employees.

G. The time limits expressed herein shall be strictly adhered to. If any grievance has not be initiated within the time limits specified, then the grievance shall be deemed to have been abandoned. If any grievance is not processed to the next succeeding step in the grievance procedure within the time limits prescribed thereunder, then the disposition of the grievance at the last preceding step shall be deemed to be conclusive. If a decision is not rendered within the time limits prescribed for decision at any step in the grievance procedure, then the grievance shall be deemed to have been denied.

Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits provided for processing the grievance at any step in the grievance procedure.

H. In the event the aggrieved elects to pursue remedies available through the New Jersey Department of Personnel, the grievance shall be cancelled and the matter withdrawn from this procedure. It is agreed between the parties that no arbitration hearing shall be held until the expiration of at least 30 calendar days after the decision rendered by the Business Administrator or designated representative on the grievance. In the event the grievant pursues his/her remedies through the New Jersey Department of Personnel, the arbitration hearing, if any, shall be cancelled and the filing fees and expenses incurred thereby shall be paid by the grievant or the Association.

2. Thirty (30) days after the full-time police officer begins his/her employment in a bargaining unit position, unless the employee previously served within a bargaining unit position and continued in the employ of the City in a non-bargaining position or was on layoff, in which event the deductions will begin ten (10) days after the resumption of the employee's employment in a bargaining unit position or receipt of his/her first paycheck, whichever is later.

C. D. Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.

The list will include names, job titles and dates of employment for all such employees.

It is acknowledged that commencing on April 15, 1986, the City will be required to comply with the provisions of the Fair Labor Standards Act (FLSA), and the regulations promulgated thereunder. The City reserves the right to take appropriate action to ensure such compliance, including:

1. Exercising any election or option available to is under FLSA or the regulations provided that change in work periods under Section 7(k) shall not be made arbitrarily or capriciously by the City.
2. Awarding compensatory time in lieu of monetary compensation for FLSA overtime.
3. Establishing procedures to monitor and control hours worked and overtime.
4. Crediting any payment made pursuant to this Agreement, other than payments made as compensation for "hours worked" as defined in FLSA, against any overtime obligation incurred under FLSA provided that the City will not attempt to recoup payments made prior to April 15, 1986 and any future date. Neither will the City unilaterally reduce regular pay or fringe benefits in an attempt to nullify the legislative application of overtime compensation.

6. Compensating an employee upon termination of employment for unused FLSA compensatory time at a rate of compensation not less than:

7. Refraining from discrimination against an employee because he/she asserted coverage under the overtime provisions of FLSA.
8. Providing procedure under which an employee can use FLSA compensatory time within a reasonable period after making the request if the use of the compensatory time does not unduly disrupt the operations of the department.

ADDENDUM "A"

This Side Bar Agreement is limited to the aforementioned officers and shall not be expanded to include any other unit members.

ADDENDUM “B”

POLICY FOR HANDLING REQUESTS FOR ACCOMMODATIONS

Light Duty vs. Accommodating Restrictions

The City of Ocean City has no Light Duty Policy. Requests to accommodate medical restrictions, both temporary and indefinite (formerly called permanent) will be handled on an individual basis, in accordance with the Americans with Disabilities Act (ADA) and the New Jersey Law Against Discrimination (NJLAD). This policy for handling requests for accommodating medical restrictions will be managed by the Personnel Division.

The Personnel Director will ensure that the appropriate Department Head or their designee, the employee making the request, and the employee’s bargaining unit (if the employee is represented and if the employee chooses to involve the bargaining unit) are involved in this process. If the employee does not want to involve their bargaining unit, the Personnel Director will inform the employee of the obligation to inform the bargaining unit, and the Personnel Director will contact the Union President by telephone.

When A Request For An Accommodation Is Received

When an employee makes a request for an accommodation:

1. The request must be sustained by a note from their personal physician.
2. The request must be sent to the Department Head, who then sends a copy to the Personnel Director.
3. If the doctor’s note does not list the restrictions, and/or Personnel determines that more information is required about the restrictions, Personnel will either call or write to the employee’s personal physician. A copy of the employee’s job description may accompany any such communication with the employee’s personal physician.
4. Personnel will also request a projected length of time for the restrictions.
5. Once Personnel has sufficient information on the restrictions, they will schedule a meeting with the employee and their union representative, if the employee is represented and if the employee chooses to have union representation present.

Meeting With The Employee

The purpose for this meeting is to ask the employee how they want to be accommodated. Personnel will take notes and will communicate that they will respond to the employee after they have met with management. How the employee wants to be accommodated will be taken into consideration when making a decision on how to handle this request. The employee will be offered union representation in this meeting (if the employee is represented by a bargaining unit).

Meeting With Department/Division Management

Once complete information is assembled on the nature of the medical restriction(s), the projected length of time the employee needs to be accommodated, and how the employee would like to be accommodated, Personnel will schedule a meeting with the employee's management. Personnel will ask if the department/division has work or a work assignment that can accommodate the employee's medical restrictions. The law does not require that a job be created to provide such an accommodation, and the City of Ocean City does not want to create jobs for such purpose.

Personnel will also communicate with the Other Department/Division Heads to ask if they have any work or a work assignment for which the employee is qualified that would accommodate the employee's medical restriction(s).

If there Is No Accommodation

If there is no work or no work assignment that is available to accommodate the employee's medical restriction(s), the employee will stay out (paid leave first, then unpaid) until their personal physician releases them back to work with no restrictions.

During this period of time, when the employee is out because their restrictions cannot be accommodated, Personnel will:

1. Send them postings for open positions for which they are qualified, if the restrictions are indefinite (or permanent).
2. Call or write to them if they become aware of work or a work assignment for which they are qualified and which would accommodate their medical restrictions, if the restrictions are temporary.

If There Is An Accommodation

If the division/department within which the employee works has work or a work assignment that can accommodate the employees' medical restrictions, and for which the employee is qualified, the employee will return to work on that basis. The employee is obligated to see their personal physician for re-evaluation prior to the conclusion of the period of time that their physician projected that their restriction(s) would be in effect.

If There Is An Accommodation But In A Different Bargaining Unit

If work or a work assignment exists for which the employee is qualified and would accommodate their restriction(s), but it is governed by a different collective bargaining agreement from that covering the employee requesting the accommodation, the Personnel Director will schedule a meeting with representatives of both bargaining units. The purpose of this meeting is to begin to negotiate an agreement that will be satisfactory to both bargaining units, to management, and to the employee.

Ensuring That The Accommodation Is Within The Employee's Restrictions

If there is any question as to whether the work, that is about to be assigned in order to provide the accommodation, is permissible within the employee's medication restrictions, the work assignment can be sent to the employee's personal physician and/or to the City Medical Director for approval.

Special Situations

Employees assigned to the Police Division must fulfill the employment requirement of a background check and investigation. Therefore, an employee, for whom work in the Police Division is being considered as an accommodation, must first fulfill this security requirement.

The Pregnancy Disability Act is part of Title VII and provides that women, who are unable to work as a result of pregnancy, will be treated as any employee with a temporary disability and will not face employment discrimination.
