PREAMBLE

THIS AGREEMENT, made this day of , 1991,
by and between the TOWNSHIP OF CHATHAM, a body politic incorporate
of the State of New Jersey, hereinafter referred to as the
"Township", and the CHATHAM TOWNSHIP SERGEANTS ASSOCIATION,
affiliated with the POLICEMAN'S BENEVOLENT ASSOCIATION, LOCAL 170,
hereinafter referred to as the "Association";

WHEREAS the Township and the Association recognize that it
will be to the benefit of both to promote mutual understanding and
foster a harmonious relationship between the parties to the end
that efficient and continuous service will be rendered to and by
both parties.

NOW, THEREFORE, it is agreed as follows:

ARTICLE I

RECOGNITION

1. The Township hereby recognizes the Association as the
exclusive representatives for collective negotiations concerning
wages, hours of employment and other terms and conditions of
employment as set forth herein for all sergeants of the Chatham
Township Police Department, excluding the Chief of Police,
captains, lieutenants, patrolmen, and all other employees.

2. Unless otherwise indicated by the context of this
contract, the title "employee" shall be defined to include all
bargaining unit members, the plural as well as the singular, and to
include males as well as females. "Employees" shall also indicate

sergeants of the Chatham Township Police Department who are not members of the Association.

ARTICLE II

POLICEMEN'S RIGHTS

1. There shall be no discrimination, interference, restraint, or coercion by the Township and the PBA or any of its representatives against any of the employees covered under this Agreement because of their membership or non-membership in the Association or because of any lawful activities by such employee on behalf of the Association. The Association, its members and agents, shall not discriminate against, interfere with, restrain or coerce any employees covered under this Agreement who are not members of the Association and shall not solicit membership in the Association during working time.

2. Elected representatives of the Association may be permitted time off from duty assignments to attend meetings for grievances of any employee upon having obtained the prior approval of the Chief of Police or his designee, provided that the granting of such permission will not affect the efficiency of the police department in the judgment of the Chief of Police or his designee. No more than two (2) such representatives shall be granted time off to attend grievance meetings at the same time.

3. The employee shall have the right to inspect documents in his personal history file maintained at the police headquarters at any reasonable time upon reasonable notice to the Chief of Police

or his designee through the normal chain-of-command. Contents of the employee's personal history file shall not be made public unless required for a disciplinary or judicial proceeding. Whenever, in the opinion of the Chief of Police, derogatory material is placed in the employee's personal history file, the Township agrees to notify the employee of that action. The employee shall have the right to file a rebuttal to all such derogatory material. All materials placed in the file shall remain unless removed by the mutual consent of the Chief of Police and the employee.

ARTICLE III

INCORPORATED MATERIALS

The following is attached to this Agreement and incorporated as set forth at length herein: "Manual of Rules and Regulations of the Police Department of the Township of Chatham - 1971", adopted December 21, 1971, as amended.

All the provisions of the foregoing shall be considered as terms and conditions of this Agreement, except when a specific provision of this Agreement is contrary thereto. When such provision is contrary, the terms and conditions set forth in this Agreement shall take precedence.

ARTICLE IV

GRIEVANCE PROCEDURES AND ARBITRATION

A. Purpose

1. The purpose of this procedure is to secure at the lowest possible level, an equitable settlement to the problems

which may arise affecting the terms and conditions of this Agreement or any working condition. The parties agree that this procedure will be kept as informal as may be appropriate.

2. Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the Department, and having the grievance adjusted without the intervention of the Association.

B. Definition

The term "grievance" as used herein means any controversy arising over the interpretation, application of, or violation of any of the provisions of this Agreement or any working conditions, and may be raised by an individual, the Association on behalf of and at the request of an individual, or group of individuals, or the Township.

C. Steps of the Grievance Procedure

The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement and shall be followed in its entirety unless any Step is waived by mutual consent:

Step One:

1. An aggrieved employee shall institute action under this provision in writing hereof within fifteen (15) calendar days of the occurrence of the grievance and an earnest effort shall be made to settle the differences between the aggrieved employee and his immediate superior, for the purpose of resolving the matter

informally. Failure to act within the said fifteen (15) calendar days shall be deemed to constitute an abandonment of the grievance.

2. The immediate superior shall render a written decision within ten (10) calendar days, after receipt of the grievance.

3. If the immediate superior is not available as referred to under number two of this Step, the grievant shall automatically be referred to Step Two of the grievance procedure as outlined.

Step Two:

In the event that no immediate superiors are in existence at the time of the grievance, or the grievance is not settled in Step One, the grievance shall be submitted in writing to the lieutenant in charge of that division. The lieutenant shall render a decision in writing within five (5) calendar days after the grievance is first presented to him.

Step Three:

If the grievance has not been resolved through Step Two, then within five (5) calendar days following the determination of the lieutenant, the matter may be submitted, in writing, to the captain, or in the event of a vacancy in the office of captain, to the Chief of Police or his designee. The captain shall render a decision in writing within five (5) calendar days after the grievance is first presented to him.

Step Four:

In the event that the grievance has not been resolved through Step Three, then within five (5) calendar days following the determination of the captain or lieutenant, the matter may be submitted, in writing, to the Chief of Police. The Chief, or his designee, shall render a decision in writing within ten (10) calendar days after the grievance is first presented to him.

Step Five:

If the aggrieved wishes to appeal the decision of the Chief of Police, or his designee, the grievance shall be presented in writing to the Township governing body, or delegated representative within seven (7) calendar days from the date of the Chief's, or his designee's decision. The Township Committee, or its delegated representative, shall present a decision in writing within fourteen (14) calendar days after the receipt of the written grievance.

Step Six: Arbitration

1. If the grievance is not settled through Steps One, Two, Three, Four or Five, either party may refer the matter to the New Jersey Public Employment Relations Commission within fifteen (15) calendar days after the determination of the Township Committee, or its designee. An Arbitrator shall be selected pursuant to the Rules of the New Jersey Public Employment Relations Commission.

2. The Arbitrator shall be bound by the provisions of this Agreement and restricted to the application of the facts

presented to him involved in the grievance. The Arbitrator shall not have the authority to add to, modify, detract from, or alter in any way, the provisions of this Agreement or any amendment or supplement thereto. The decision of the Arbitrator shall be final and binding.

3. The cost for the services of the Arbitrator shall be borne equally between the Township and the Association. Any other expenses, including but not limited to the presentation of witnesses, shall be paid by the party incurring same.

4. The Arbitrator shall only be permitted to hear one grievance on only one issue per arbitration. No multiple grievance arbitrations will be permitted unless by written consent by the Township and the Association prior to the commencement of the arbitration.

D. Either the Township or an employee may waive any Steps of the Grievance Procedure, but said waiver can only be done in writing and with consent of the other party in question.

E. The time limits set forth herein shall be strictly adhered to. If any grievance is not processed to the next succeeding step in the grievance procedure within the time limits prescribed, then the disposition of the grievance at the preceding step shall be deemed to be conclusive. However, if the grievance is not processed due to the failure of the Township or its designee to render a decision within the time limits specified, then the grievance will be deemed to have been concluded in the favor of the employee. Nothing herein shall prevent the parties from mutually

agreeing to extend or contract the time limits provided for processing the grievance at any Step in the Grievance Procedure.

ARTICLE V

DISCIPLINE

1. The Township shall not discipline any member of the police dept. without just cause. No disciplinary action requiring a public hearing shall be required before the Township Committee, except as outlined in N.J.S.A. 40A:14-147.

2. All disciplinary action taken by the employer will take one or more of the following formats:

(a) Informal, private, or oral reprimand by the Chief of Police or his designee;

(b) A written memorandum of censure by the Chief of Police or his designee, with copies to the Director of Public Safety;

(c) A confidential letter of admonition from the Township Committee, with copies to the Director of Public Safety and the Chief of Police;

(e) Suspension from duty without pay, not to exceed five (5) working days, by action of the Chief of Police;

(f) Suspension from duty without pay taken by action of the Township Committee;

(g) Demotion by action of the Township Committee. However, in the case of a patrolman, said action shall be the

reduction of one or more pay grades. Demotion shall include, but not be limited to, reduction in rank and/or loss of pay.

(h) Dismissal from service by action of the Township Committee.

3. Nothing shall require the Township to take disciplinary action in the order it appears in this Article, so long as the action taken is related to the severity of the offense determined to have occurred.

4. All documents in any way connected with an employee's disciplinary history shall be placed in said employee's personal history file at police headquarters and may be viewed in accordance with Article II of this Agreement.

5. Probationary patrolmen may be separated from their employment by action of the Township Committee or its designee at any time without recourse from said employee.

If the appearance requires more than two (2) hours, said employee shall be compensated for his actual time spent on the appearance at time and one-half (1-1/2) times his prevailing rate.

2. Except for appearances in municipal court, time for the appearance shall include travel time necessarily required in connection with the appearance, where the said travel is to and from headquarters or from any other location. Any employee assigned to the Detective Bureau shall not be entitled to compensation under this Article.

5. If the employee is informed that he is a party to a civil action arising out of department employment, he shall be compensated at straight time rate and may be entitled to legal fees under N.J.S.A. 40A:14-155.

ARTICLE VII

When an employee is ordered to report for duty other than his normally scheduled tour of duty, he shall be compensated for a minimum of two (2) hours pay at time and one-half (1-1/2) prevailing rate. Any employee shall be entitled to call out compensation as long as it is job related and is approved by the Chief of Police or his designee. Officers assigned to the Detective Bureau shall not be entitled to additional compensation under this Article. The Chief of Police or his designee retains the right to retain an employee for the full minimum period of call-out time as is necessary and proper in accordance with present staffing needs. In the event that the length of the call-out assignment exceeds the guarantee as set forth above, the employee shall continue to be paid for all hours worked at the rate of time and one-half (1-1/2) times his prevailing rate during the length of that assignment only. If the call-out time should run into the employee's regularly scheduled tour of duty, that employee will be paid his regular rate of pay during those duty hours.

ARTICLE VIII

STAND-BY TIME

1. Stand-by time shall be interpreted to mean that period when an employee is required to be available and ready to report for duty on immediate notice, if notified to do so. Officers assigned to the Detective Bureau shall not be entitled to additional compensation under this Section.

3. Each employee shall be compensated for his stand-by time by the payment of four (4) hours of pay at his prevailing rate for each twenty-four (24) hour period or any portion thereof that an employee is on stand-by, or, as required by law. If in the event an employee on stand-by status should be called out, he shall receive no additional compensation during the first four (4) hours of his stand-by assignment. However, should such assignment exceed four (4) hours, he shall be paid for the remainder of the assignment under the provisions of Article VII or the overtime rate set forth in Article XVII, whichever shall be applicable.

The aforementioned shall be interpreted in accordance with the FLSA as made applicable to public employees by the controlling Judicial decision.

1. For the purposes of this Article, "uniforms and equipment" shall mean any clothing and equipment prescribed by the Chief of Police.

2. All police officers covered by this Agreement shall be issued a complete set of uniforms and equipment at the expense of the Township.

3. The Township recognizes the necessity to replace uniform and equipment items of police employees due to normal wear and tear. In this regard, the Township shall budget the sum of five hundred (\$500.00) dollars per year for each employee to provide for the replacement of such items of uniform and equipment as shall be worn out in normal use. The aforesaid sum shall be exclusive of any sum budgeted for firearms. This sum shall also include all clothing necessitated by members covered by this Agreement who shall be employed as part of the Detective Bureau.

4. All expenditures for the replacement of worn uniforms and equipment shall be reviewed and approved by the Chief of Police or his designee before an employee may make a replacement purchase. The Township will only make payments for replacements of worn equipment and uniforms when it receives a signed voucher after all items on the voucher have been received.

5. In addition to the foregoing, the Township shall pay for the replacement of any eyeglasses or prosthetic device damaged or destroyed in the line of duty. In the event of damage in the line of duty in regard to wristwatches and rings, the employees shall be compensated for such loss up to the maximum of seventy-five (\$75.00) dollars for the item damaged.

6. Each police officer covered by this Agreement shall receive five hundred (\$500.00) dollars per year for uniform

maintenance. This payment shall not be included in calculation of payments into any retirement system nor considered as part of the base salary for purposes of determining longevity or overtime.

ARTICLE X

7. All vacations must be scheduled and approved by the Chief of Police. It is his responsibility to schedule individual vacations so that the activities of the Township police force may be carried out without interruption or inconvenience. Employees shall be given first preference in assignment of vacation in terms of the seniority procedure established in Article XIX of this Agreement. If an employee shall not select his vacation by the time in which all vacation selections must be made to the Chief of

An application for leave without pay must be submitted to the Chief of Police, in writing, thirty (30) days in advance of its effective date. The application must state the reason for such request and must contain a statement that the employee is not withdrawing his retirement fund contributions and he intends to return to duty upon the expiration of said leave.

5. An employee may be allowed a reasonable amount of time off without pay for reasons involving urgent personal business

requiring an employee's attention, provided the Chief of Police approves. 4. No sergeant who engages in any off-duty employment during his off-duty hours shall be permitted to wear his regulation uniform, or any issued equipment or any part thereof, with the exception of an officer's issued weapon.

5. Should any employee undertake off-duty employment while off duty and such employment impairs the employee's performance of his duty, or a conflict of interest subsequently arises, the Chief

of Police shall direct that such off-duty employment be discontinued. Failure to heed such directive will result in disciplinary action being taken against the employee in accordance with Article V of this Agreement.

6. All off-duty employment shall be listed with the Chief of Police. The information provided to the Chief of Police shall include the officer's name and address, and the current employer's name, address and phone number so that the officer can be contacted in an emergency situation.

ARTICLE XIV

In the event that more than one (1) sergeant shall have the same number of years of service, seniority will be determined by the date upon which the sergeant or sergeant in question were hired by the Township. If they were hired on the same date, the highest score on the entrance examination will determine the most senior sergeant.

2. In the event it becomes necessary to reduce the number of employees, layoff shall be by strict seniority with the least senior sergeant being the first to be laid off and the most senior sergeant being the last. Recall from layoff shall be in reverse order from that layoff.

3. The Township will not hire any additional permanent employees while there are permanent members on layoff status who

are entitled to recall until it shall first offer such position to the laid-off employee. Should the laid-off employee refuse such position, the Township may then seek additional permanent employees.

4. (a) An employee who is on layoff status shall be responsible for keeping the Township advised of his latest home address. The Township's recall responsibility shall be considered satisfied when it notifies an employee who is on layoff status of recall, by certified or registered mail, sent to his last known home address. The laid-off employee must then notify the Township within ten (10) days of receipt of such correspondence of his intention and desire to return to work. Should the employee fail to do so, he may be considered as having waived his right of recall. An employee may also be considered having waived his right of recall if no signature appears on the return-receipt card or no notification is garnered from the post office that the employee in question lives at his last known home address. The Township may, within ten (10) days of such notification by the post office, consider the employee to have waived his right of recall.

(b) An employee shall lose his right of recall, irrespective of sub-paragraph (a), when he has been on layoff for a continuous period exceeding two (2) years.

POLICE SCHOOL AND EDUCATIONAL ENTITLEMENT

1. Employees who attend police school shall be compensated at the rate of straight time during periods of attendance.

Employees who attend said school shall be compensated at the rate of straight time, or compensatory time, over forty (40) hours. If an employee elects to attend a special seminar or schooling, other than police school, the employee shall be paid at straight time for all hours worked above forty (40) hours. If the Township mandates an employee to attend such specialized schools or seminars, and he works over forty (40) hours during that time, the Township shall reimburse said employee for any overtime at the rate of time and one-half (1-1/2) his prevailing rate. With prior approval, expenses incurred while attending police school, including required special clothing, travel expenses, lodging, meals, or required special equipment and books, shall be reimbursed to the employee.

2. It is understood and agreed that the approval of the Chief or his designee is required and necessary for police school attendance and reimbursement of expenses.
