Grievance Procedure

A. Definition

A "grievance" shall mean a complaint by a teacher that he or she has suffered a personal loss, injury, or inconvenience because of the violation, misinterpretation, or inequitable application of Board Policy, this Agreement or an administrative decision affecting terms and conditions of employment. A grievance to be considered under this procedure must be initiated by the teacher within thirty (30) calendar days from the time when the teacher knew or should have known of its occurrence.

B. Procedure

1. (a) Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved teacher to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be acceptance of the decision rendered at that step.

(b) It is understood that teachers shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.

2. The Association may process a grievance through all levels of the grievance procedure even though the aggrieved person does not wish to do so.

3. Any teacher who has a grievance shall discuss it first with the teacher's principal (or immediate superior or department head, if applicable) in an attempt to resolve the matter informally at that level.

4. If, as a result of the discussion, the matter is not resolved to the satisfaction of the teacher within five (5) school days, the teacher shall set forth the teacher's grievance, on the form provided (see Appendix A), to the principal. The principal shall communicate the principal's decision to the teacher in writing within five (5) school days of the receipt of the written grievance.

5. The teacher, no later than five (5) school days after receipt of the principal's decision, may appeal the principal's decision to the Superintendent of Schools. The appeal to the Superintendent must be made in writing reciting the matter submitted to the principal as specified above and the teacher's dissatisfaction with decisions previously rendered. The Superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed ten (10) school days. The Superintendent shall communicate the Superintendent's decision in writing to the teacher and the principal.

6. If the grievance is not resolved to the teacher's satisfaction, the teacher, no later than five (5) school days after receipt of the Superintendent's decision, may request a review by the Board of Education. The request shall be submitted in writing through the Superintendent of Schools who shall attach all related papers and forward the request to the Board of Education. The Board, or a committee thereof, shall review the grievance and shall, at the option of the Board, hold a hearing with the teacher and render a decision in writing within thirty (30) calendar days of receipt of the grievance by the Board.

7. If the decision of the Board does not resolve the grievance to the satisfaction of the Association and the Association wishes review by a third party, they shall so notify the Board through the Superintendent within ten (10) school days of receipt of the Board's decision, except in the case of a grievance involving a complaint of a non-tenured teacher arising from that teacher not being offered re-employment.

8. (a) The following procedure will be used to secure the services of an arbitrator:

(1) A joint request will be made to the Public Employment Relations Commission to submit a roster of persons qualified to function as an arbitrator in the dispute in question.

(2) If the parties are unable to determine a mutually satisfactory arbitrator from the submitted list, they will request the Public Employment Relations Commission to submit a second roster of names.

(3) If the parties are unable to determine within ten (10) school days of the initial request for arbitration, a mutually satisfactory arbitrator from the second submitted list, the Public Employment Relations Commission may be requested by either party to designate an arbitrator.

(b) The arbitrator shall be limited to the issues submitted by the parties and shall consider nothing else. The arbitrator can add nothing to nor subtract anything from the Agreement between the parties or any policy of the Board of Education. The decision of the arbitrator shall be final and binding upon both parties. Only the Board, the Superintendent and the aggrieved representative shall be given copies of the arbitrator's award. This shall be accomplished within thirty (30) calendar days of the completion of the arbitrator's hearings.

(c) Rights of teachers to representation:

(1) Any aggrieved person may be represented at all stages of the grievance procedure alone or, at the aggrieved's option, by a representative selected or approved by the Association.

(2) When a teacher is not represented by the Association in the processing of a grievance, the Association shall at the time of submission of the grievance to the Superintendent or any later level, be notified that the grievance is in process, have the right to be present and present its position in writing at all hearing sessions held concerning the grievance and shall receive a copy of all decisions rendered. A copy of the principal's written decision made in response to a written grievance shall be given to the Association immediately.

(3) The Board and the Association shall assure the individual freedom from restraint, interference, coercion, discrimination, or reprisal in presenting any appeal with respect to personal grievances.

(d) The parties shall be responsible for all costs incurred by each, and only the fee and expenses, if any, of the arbitrator shall be shared by each party paying one-half.

9. In the event a grievance is filed between May 15 and the end of the school year, all reference to school days in the grievance procedure shall read "calendar days".

10. All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

All meetings and hearings under this procedure shall not be conducted in public.
