DURATION OF AGREEMENT ..... Page 33

This Agreement is entered into this \_\_\_\_ day of, by and between Township of Millburn (hereinafter called the Employer or Township) and the United Public Service Employees Union (hereinafter called the Union).

**PREAMBLE**

The Township of Millburn endorses the practice and procedure of collective bargaining as a fair and orderly way of conducting relations with its employees insofar as such practices and procedures are appropriate to the function and obligations of the Township to operate in a responsible and efficient manner consistent with the paramount interests of the public.

The parties recognize that this Agreement is not intended to modify any of the discretionary authority vested in the Township by the Laws and Regulations of the State of New Jersey.

It is the intention of this Agreement to provide, where not otherwise mandated by statute, for the salary structure, fringe benefits and employment conditions of employees covered by this Agreement to prevent interruptions of work and to provide an orderly method for handling any processing grievances.

**ARTICLE I  
RECOGNITION**

The Township recognizes the Union as the exclusive representative for the purpose of establishing salaries, wages, hours and other terms and conditions of employment for Civilian dispatchers, Animal Control officer and parking enforcement officers.

## ARTICLE II UNION SECURITY

Section 1 - The Employer agrees it will give effect to the following form of Union Security:

- A. All present employees who are members of the Union on the effective date of this Agreement may remain members of the Union in good standing by payment of the regular monthly dues to the Union.
- B. At the time of hire, newly hired employees who are within the bargaining unit will be informed by their respective shop steward that they have the opportunity to join the Union or pay to the Union a Representation Fee.

Section 2 - The Employer agrees to deduct from the wages of employees, by means of a check-off, the dues uniformly required by the Union. The Employer, after receipt of a written authorization from an individual employee, agrees to deduct from the salary of said employees monthly dues and initiation fees as prescribed by the union

In making the deductions and transmittals as above specified, the Employer shall rely upon the most recent communication from the Union as to the amount of monthly dues and proper amount of initiation fee.

Section 3 - If an employee chooses not to become a member of the Union, then that employee will be required to pay a representation fee in lieu of dues to the Union. The purpose of this fee will be to offset the employee's cost of services rendered by the Union as majority representative.

The representation fee to be paid by non-members will be equal to eighty-five percent (85%) of the regular membership dues charged by the Union to its own members as permitted by law under NJSA 34:13A-5.5 through 5.8, and as that law may be amended.

Section 4 - The Union agrees to hold the Township harmless from any action taken by the Township under the provisions of this Article.

### **ARTICLE III SHOP STEWARD**

- Section 1 - The union shall be entitled to name (1) Steward and one (1) Alternate Steward. The Union will provide written notification to the Employer of each Steward and Alternate Steward which represents it. The Union shall notify the Employer of any changes in designation as they occur. The Township will permit one shop steward two paid days off for union training conferences for each calendar year.
- Section 2 - The Steward, or the Alternate Steward in the absence of the Steward, shall restrict their activities to the handling of grievances. The Steward shall be allowed a reasonable amount of time for this purpose, but only to such extent as does not neglect, retard or interfere with their work or duties for the Township or with the work or duties of other employees. Stewards must ask their Supervisors for permission to investigate and adjust grievances and such permission shall be granted without unreasonable delay and no loss of pay.
- Section 3 - With the exception of processing grievance matters and negotiating contracts, the Stewards will not be allowed to transact any Union business on Township time. Stewards shall not be paid for time spent in grievance meetings when such meetings are not scheduled during normal work hours.
- Section 4 - The authorized representative of the Union may have access to the shop area on application to the office of the respective Department Head. Such representative of the Union shall not interfere with the employees or cause them to neglect their work.
- Section 5 - While the authorized representative of the Union is on Township property, the Union shall hold the Township harmless against any injuries or accidents that may occur to that individual.

**ARTICLE IV  
MANAGEMENT RIGHTS**

- Section 1 - It is recognized that the Township has and will continue to retain the right and responsibility to direct the affairs of the departments covered by this contract in all their various aspects.
- Section 2 - Among the rights retained by the Township are its right to direct the working forces, to plan, direct and control all the operations and services of the departments covered in this contract, to determine the methods, means, organization and personnel by which such operations and services are to be conducted; to set minimum salaries for all covered titles, provided that such minimums shall be first disclosed to the Union prior to implementation, and provided further that no employee in an affected title shall be paid less than any newly established minimum to contract or subcontract out services; to relieve employees due to lack of work or for other legitimate reasons; to make and enforce reasonable rules and regulations (such rules shall be equitably applied and enforced); to change or eliminate existing methods, equipment or facilities.
- Section 3 - The exercise of any of the above rights shall not conflict with any of the express written provisions of this Agreement.

Any grievance the Township may have against the Union shall be reduced to writing and submitted to the Shop Steward, who will promptly arrange a meeting with the Business Administrator. If the matter is not satisfactorily settled at the meeting, or within five (5) working days thereafter, the grievance may then be processed through Step 3 of the Grievance Procedure.

Step 3 - In the event the grievance is not satisfactorily settled by the meeting between the Business Administrator and the representative of the Union, then the employee may elect to proceed through the New Jersey Civil Service Commission, Merit System Board, or to request arbitration under this Step. However, upon selection of either the Merit System Board or arbitration under this Step, the choice of the employee becomes exclusive in nature and the employee becomes exclusive in nature and the employee cannot at

a later time use another procedure to settle the grievance.
