PURPOSE

This agreement is entered into pursuant to the provisions of Chapter 123, Laws of 1974 (N.J.S.A. 34:13A-5.1 et.seq.) of the State of New Jersey to promote and ensure the harmonious relations, cooperation and understanding between the City and the employees; to prescribe the rights and duties of the City and the employees; to provide for the resolution of legitimate grievances, all in order that the public services shall be expedited and effectuated in the best interest of the people of the City of Margate City.

ARTICLE 1

RECOGNITION

- A. The City hereby recognizes the Communications Operators as the sole and exclusive negotiating agent and representative for all full-time Communications Operators employed in the City of Margate City.

ARTICLE II
GRIEVANCE PROCEDURE

- A. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the items and conditions of employment under the conditions of this Agreement.
- B. Nothing herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the department.
- C. (1) With regard to employees, the term “grievance” as used herein means an appeal by an individual employee or their representative on behalf of an individual employee or group of employees, from interpretation, application or violation of policies, agreements and administrative decisions affecting them.
- With regard to the City, the term “grievance” as used herein means a complaint or controversy arising over the interpretation, application or alleged violations of the terms and conditions of this agreement.
- (2) With respect to employee grievances, no grievance may proceed beyond STEP TWO herein unless it constitutes a controversy arising over interpretation, application or alleged violation of the terms and conditions of this agreement. Disputes concerning terms and conditions of employment controlled by statute incorporated by reference in this agreement, either expressly or by operation of law, shall not be processed beyond STEP TWO herein.

D. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this agreement, and shall be followed in its entirety unless any step is waived by mutual consent.

STEP ONE: The aggrieved or their representative shall institute action under the provisions hereof within ten (10) calendar days after the event giving rise to the grievance has occurred or knowledge thereof. Then an earnest effort shall be made to settle the differences between the aggrieved and the Chief of Police or representative designated by him/her for the purpose of resolving the matter informally. Failure to act within said ten (10) calendar days shall be deemed to constitute an abandonment of the grievance.

STEP TWO: If no agreement can be reached orally within seven (7) calendar days of the initial discussion with the Chief of Police the employee or their representative may present the grievance in writing within seven (7) days thereafter to the Commissioner of Public Safety or his/her designated representative. The written grievance at this step shall contain the relevant facts and a summary of the preceding oral discussion, the applicable Section of the contract violated, and the remedy requested by the grievant. The Commissioner of Public Safety or his/her designated representative will answer the grievance, in writing, within ten (10) calendar days of receipt of the written grievance or schedule a hearing or both.

STEP THREE: If the grievance is not settled through Steps One and Two, either party shall have the right to submit the dispute to arbitration pursuant to the rules and regulations of the Public Employment Relations Commission. The costs for the services of the arbitrator shall be borne equally by the City and the grievant. Any other expenses, including but not limited to the presentation of witnesses, shall be paid by the parties incurring the same.

- E. (1) The parties direct the arbitrator to decide, as a preliminary question, whether he/she has jurisdiction to hear and decide the matter in dispute.
 - (2) The arbitrator shall be bound by the provisions of this Agreement and the Constitution and Laws of the State of New Jersey, and may be restricted to the application of the facts presented to him/her involved in the grievance. The arbitrator shall not have the authority to add to, modify, detract from or alter in any way the provisions of this Agreement or any amendment or supplement thereto. The decision of the arbitrator shall be final and binding.
- F. Upon prior notice to and authorization of the Director of Public Safety, the designated representative shall be permitted as members of the Grievance Committee to confer with employees of the City on specific grievances in accordance with the grievances set forth herein, during work hours of the employee, without loss of pay, provided the conduct of said business does not diminish the effectiveness of the City of Margate City Police Department or require the recall of off-duty employee.

- G. The time limits expressed herein shall be strictly adhered to. If any grievance has not been initiated within the time limits specified, then the grievance shall be deemed to have been abandoned. If any grievance is not processed to the next succeeding Step in the grievance procedure within the time limits prescribed thereunder, then the disposition of the grievance at the last proceeding Step shall be deemed to be conclusive. If a decision is not rendered within the time limits prescribed at any Step in the grievance procedure, then the grievance shall be deemed to have been denied. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits for processing the grievance at any Step in the grievance procedure.
- H. In the event the aggrieved elects to pursue remedies available through Civil Service, the grievance shall be canceled and the matter withdrawn from this procedure. It is agreed between the parties that no arbitration hearing shall be held until after the expiration of at least thirty (30) calendar days after the decision rendered by the Director of Public Safety on the grievance. In the event the grievant pursues his/her remedies through Civil Service, the arbitrator hearing, if any, shall be canceled and the filing fees and expenses incurred thereby shall be paid by the city or the Communications Operators, whichever is responsible for the costs incurred.

a. An employee otherwise entitled to health insurance coverage shall have the option to voluntarily not participate in the Medical & Prescription Plans and withdraw from any such coverage. The employee will still participate in the Dental and Optical Plans. The decision to exercise this option rests solely with the employee. In the event an employee elects to opt-out of the Medical and Prescription Plan coverage, the City shall pay to the employee 25% of the amount saved by the City because of the employee's waiver of coverage, or \$5,000, whichever is less, in accordance with P.L. 2010, Chapter 2.

These payments to the employee are in lieu of the yearly premium costs for the Medical and Prescription Plans. Such cash payment shall be in the form of a stipend and shall be paid by separate checks in twelve (12) equal monthly installments in the calendar year in which the non-participation occurs.

b. In order for an employee to be eligible to elect the cash option for the medical and prescription insurance plans as stated above, an employee must provide documentation to the City that they are covered under an alternative health insurance plan.

c. All withdrawals shall be for a full year (January 1 through December 31).

Written notification of an employee's intent to elect the withdrawal option must be filed with the City during the normal enrollment period. Employees may either re-elect the option of withdrawal during each enrollment period or elect to re-enroll in the insurance plans offered by the City. Prior to each re-enrollment period, the City's insurance carrier and/or representative shall hold a meeting with employees considering to elect to withdraw from the City's insurance plan(s) and shall apprise them of any and all benefits and/or risks involved should the employee elect such waiver.

2. Notwithstanding the above, an employee who has a change in status (e.g. termination of employment, death, separation, divorce, etc.) which causes the employee to lose his/her alternate health insurance coverage shall be entitled to re-enroll in the health plans during the year provided the employee supplies the City with notice of the change of status within sixty (60) days of the event causing such change. The City's obligation to pay the cash option shall be prorated for the employee subject to a change in status. If the City's health plans do not accept the employee, the City will find a comparable plan and pay the

premium up to the current amount paid for employees in the City's plan. Additional costs above the current cost incurred will be the responsibility of the employee. The employee will be re-enrolled in the City's plan at the first permissible date.

3. Return to the medical and prescription plans for reasons other than a change in status is subject to the terms of the carrier.

I. Flexible Spending Account

The City shall provide at no additional cost to the employee a Flexible Spending Account (FSA) in accordance with Section 125 of the Internal Revenue Code, allowing maximum amounts for medical expenses and child/dependent care expenses established by the Internal Revenue Code. The option of enrolling in the FSA shall be that of the employee.

J. Change in Plans and Providers

The City may, at its option, change any of the existing insurance plans or carriers providing such benefits so long as the benefits which are provided to the employees and their eligible dependents are the same or equivalent to the coverages and benefits as were being provided on December 31, 2021. The City further reserves the right, at its option, to self-insure any of the plans or coverages so long as the benefits which are provided to the employees and their eligible dependents are the same or equivalent to the coverages and benefits as were being provided on December 31, 2021. Disagreements regarding coverage changes can go to the grievance process and to arbitration. The City will notify the Association at least thirty (30) days before any change is to happen. Selection of the carrier or carriers is a managerial prerogative not subject to the terms of this collective bargaining agreement. The Association shall be provided with copies of the Master Plan documents in both the current and proposed plan prior to the implementation of the proposed plan.

K. Cost Contribution

Employees shall be required to contribute to the costs of the Health Insurance Plan as may be mandated by law, including P.L. 2011, Chapter 78. Such payments shall be withheld in equal installments throughout the year from an employee's pay check. The City shall establish and adopt a Section 125 Plan so that said contributions would be "pre-tax".

All conditions not covered by this Agreement shall continue to be governed, controlled and interpreted by reference to the City's Charter and ordinances, and any present benefits which are enjoyed by employees covered by this Agreement, that have not been included in the contract, shall be continued.
