  5. An employee shall not be coerced or intimidated or suffer any reprisals either directly or indirectly that may adversely affect his hours, wages or working conditions as the result of the exercise of rights under this Agreement.

ARTICLE V

GRIEVANCE PROCEDURE

A. PURPOSE

The purpose of the procedure is to secure at the lowest possible level, equitable solutions to the problems which may arise affecting the terms and conditions of employment.

B. DEFINITION

1. A grievance is any dispute between the parties arising out of or concerning the application and interpretation of this Agreement.
2. In the wording of this statement of procedure, the term "aggrieved" shall be taken to include all those employees covered by this Agreement.
3. Any employee shall have the right to present his grievance through the steps described in the following paragraphs with the assured freedom from restraint, interference, coercion, discrimination or reprisal.
4. In the event no decision is forthcoming within the prescribed time limit as indicated below, the aggrieved may, upon notice, proceed to the next step.
5. Any of the time limits specified below may be extended by mutual agreement.
6. This grievance procedure shall in no way impair, diminish or preclude any rights to the parties as set forth in New Jersey Statutes, New Jersey Administrative Code, or any other law.
7. If, in the judgment of the Union, a grievance affects a group of employees, the Union may process and institute such a grievance procedure, provided it is initiated and signed by at least one employee.
8. Any Grievance Committee meetings or Steward meetings with the Employer shall be held during normal business hours, on the Employer's premises, and without loss of time.
9. The Grievance Committee members may have a reasonable amount of time to investigate and process grievances during work hours without loss of pay, but not to exceed two (2) hours per five (5) working days.

- Step 1. The Union Steward or other authorized representative with or without the employee, shall take up the grievance or dispute with the employee's Supervisor. The Supervisor shall then attempt to adjust the matter and shall give his answer to the Steward within one (1) working day.
- Step 2. If the grievance has not been settled in Step 1, it shall be reduced to writing, presented and taken up by the Union Steward and/or other authorized representative along with the grievant, if he so desires, with the Director of the employee's respective Department within five (5) working days of grievance occurrence. The Director or his designee shall render an answer in writing within five (5) working days after its presentation in Step 2.
- Step 3. If the grievance is still unsettled, it shall, within three (3) working days from receipt of the answer in Step 2, be submitted to the Township Manager who shall schedule a meeting within seven (7) working days with the Union Grievance Committee and the grievant. The Township Manager or his designee shall forward his answer in writing to the Union Steward and AFSCME council representative within five (5) working days.
- Step 4. If the grievance is still unsettled, the Union may within thirty (30) calendar days or twenty (20) working days from the answer in Step 3, request arbitration. The arbitrator shall be selected in accordance with the rules of the Public Employment Relations Commission or through the processes of the American Arbitration Association. The arbitrator shall have full power to hear the dispute and make a final determination, which shall be binding on both parties. The fees of the arbitrator shall be borne by the Employer and the Union equally.

## ARTICLE VI

### DISCHARGE AND DISCIPLINE

A. The Employer shall not discipline or discharge an employee without just cause. The Employer shall notify the Union immediately of any discharge or discipline of an employee. Where such action involves loss of employee's wages, the Union and the Employer shall, at the request of the Union, meet within five (5) working days from such action to try to resolve the matter. If the matter remains unsettled, the Employer shall give written reasons to the Union and the individual for such action and the grievance procedure may be invoked. Any grievance involving discharge or discipline may be initiated at the Fourth (4<sup>th</sup>) Step by the Union.

1. Notwithstanding the foregoing, in the event that the proposed discipline (including termination) is one for which the New Jersey Civil Service Commission provides jurisdiction for the employee, then the employee shall proceed through the Civil Service Commission to attempt resolution of the matter. This section is intended to apply to those employees covered under the terms of this Agreement, who are classified as permanent employees as defined by the New Jersey Civil Service Commission. This section is not intended to deprive an individual employee, who has no appeal rights through the Civil Service Commission, from using the appeal rights provided through the grievance procedure, including arbitration.

2. Pursuit to redress through the New Jersey Civil Service Commission precludes the choice of arbitration for the same matter.

B. A Grievance may be settled at any stage of the disciplinary grievance procedure, provided the Union shall be notified and offered the opportunity to present at all meetings, hearings, disciplinary proceedings or discussions which involve the employees

- B. The Township reserves the right to discipline personnel in accordance with State law.
- C. All personnel assigned the responsibility of evaluating other employees shall be required to make monthly notations of performance. The purpose of this monthly notation is to provide periodic counseling of employees by their evaluators and to ensure that the year-end evaluation has a continuous factual record. These notations may be reviewed by the employee.
- D. It shall be the responsibility of the employee's immediate supervisor to submit a written job performance evaluation on an approved Township appraisal form to the appropriate Department head at least twenty (20) working days prior to July 1 each year. It shall be the responsibility of the supervisor to conduct the employee performance evaluation. The job performance evaluation shall include a statement by the supervisor indicating whether or not the employee has performed in a satisfactory or unsatisfactory capacity. In the event of an unsatisfactory performance rating or lower, it shall be the responsibility of the supervisor to notify the Department Head of his/her determination.
- E. Upon the completion of an unsatisfactory employee job performance evaluation, the employee's supervisor shall submit his/her findings to the Department Head.

Upon review by the department head and finding the submitted evaluation of the employee to be unsatisfactory, remedial action shall be implemented.

- F. An employee receiving a satisfactory initial job performance evaluation at the conclusion of the anniversary period shall be subsequently evaluated on an annual basis prior to his/her anniversary date. The evaluation shall be administered by the supervisor at least twenty (20) working days prior to the anniversary date.
- G. The Township reserves the sole right to establish each new hire's salary at any level between the minimum and maximum salaries within the range for the employee's job category, as described in Schedule A.
- H. The Township and union agree to establish a Joint Advisory Labor Management Committee to oversee the evaluation process. This Committee shall meet only on non-working time. It shall remain, however, the sole and exclusive authority of the Township to evaluate its employees.

2. Department Seniority shall be defined as the length of time an employee has worked continuously within the Department.
3. Classification Seniority shall be defined as the length of time an employee has worked continuously in a specific job title within the Department.

B. APPLICATION

Unit-wide Seniority shall apply towards provisional promotions, temporary job openings, whether promotional or lateral, and length and scheduling of vacations as herein defined.

C. SENIORITY LISTS

A copy of the seniority list shall be furnished by the Employer to the Local Union once a year. The seniority list shall show the names, job titles, and date of hire of all employees in the bargaining unit and shall be posted by the Union on all bulletin boards.

D. BREAKS IN CONTINUOUS SERVICE

An employee's continuous service record shall be broken by voluntary resignation, discharge for cause, and retirement. If an employee returns to work in any capacity within one (1) year, the break in continuous service shall be removed from his record. However, in the case of an employee returning to work after a discharge for just cause, past seniority shall be restored upon mutual agreement by the Employer and the Union.

E. POSTING

1. In order to keep employees within a department or organizational unit informed of positions in which they may be interested for the purposes of reassignment or promotion and to provide an opportunity to apply for existing or planned job vacancies, vacancies shall be posted upon their occurrence.
  - a. The term "promotion" means the advancement of an employee to a higher position or the reassignment of an employee to a higher paying position.
  - b. Notice of all vacancies shall be posted on all bulletin boards for a period of not less than ten (10) calendar days and shall state the job classifications, rates of pay, the nature of the job requirements and whether such opening is of a permanent, provisional or temporary nature. Employees interested, including employees on layoff, shall make a written request through the Township Manager for such positions.
  
2. Such jobs shall be filled in the following manner:
  - a. Should such a promotion or vacancy be of a permanent nature, then the Employer shall fill such positions from amongst the appropriate New Jersey Civil Service Commission Eligibility List. Candidates whose names appear on an established promotional list shall be offered such positions until the entire list is exhausted before any other considerations are made.

(1) Provisional promotion and/or vacancies shall be filled from among those employees who apply and meet the requirements of the job, except, if there is more than one (1) employee qualified to do the job, then such position shall be filled by the employee with the greatest seniority.

(2) Any employee selected in accordance with the above procedure shall undergo a trial period of no less than thirty (30) days, but no more than ninety (90) days. If such employee does not meet the requirements or responsibilities of the position during the trial period, he shall be restored to his former position with no loss of seniority.

F. TEMPORARY JOB OPENINGS

1. When a job opening of at least one (1) week's duration occurs as a result of an employee being on vacation, illness or an authorized leave of absence, then the Employer shall fill such opening by promoting, assigning, or reassigning the employee with the greatest seniority qualified to do the work. Such temporary promotion shall be considered as training assignments to enable the employee to qualify for future permanent promotions. Such job openings shall be posted in accordance with the procedure set forth herein.

2. An employee assigned to a higher classification for more than ten (10) days in any calendar year by the Director of the employee's respective Department shall be compensated for the performance of duties and responsibilities associated with the higher classification. Working on a piece of equipment for ten (10) or more days

in a calendar year shall be considered qualification for the operation of that piece of equipment. The employee will not have to re-qualify in subsequent years unless his performance is inadequate in the opinion of the Director of the respective Department or a new piece of equipment is purchased. Each piece equipment on the attached list shall have its own ten (10) day qualification requirement. The assignment of an employee to a higher classification must be for a time period that is a direct result of a higher classification having been vacated by an employee due to illness, vacation, leave of absence with or without pay, jury duty, military leave, or funeral leave. Such temporary job opening shall not be construed to include regularly assigned snow removal duties.

3. The employee assigned to a higher classification shall be compensated by having his existing base pay increased five (5) percent or to be paid at a minimum rate of pay for the higher classification, whichever is greater.
4. An employee who is assigned to a higher classification wherein the salary range for the position is equal shall not be entitled to a pay differential adjustment.
5. In no case will an employee be compensated for having been assigned to assist another employee working in a higher classification.
6. The Director of the Department will reduce to writing the assignment of a higher classification for any Department of Public Works, Department of Parks and Department of Utilities employee and send a copy of such to the Township Manager for approval. The Director must designate the dates and amount of work days for such assignment. This will serve as authorization for payment of wages at the higher rate.

G. IN-TITLE

Employees applying for a transfer or reassignment within title shall be selected on the basis of seniority. Such job openings shall be posted in accordance with the procedure set forth herein.

H. BULLETIN BOARD

Positions so filled in accordance with the procedure set forth herein shall be posted by the Employer on the bulletin boards within two (2) work days of the selection, listing the names of the employees appointed or selected and shall remain posted for a period of at least ten (10) work days.

I. LAYOFFS

1. In the event the Employer plans to lay off employees for any reason, the Employer shall meet with the Union to review such anticipated layoff at least two (2) weeks prior to the date such action is to be taken.
2. When such action takes place, it shall be accomplished by laying off temporary and probationary employees first. Should it be necessary to further reduce the work force, regular employees shall be laid off in accordance with Civil Service Commission regulations pertaining to layoffs as set forth in New Jersey Administrative Code, Title 4A.

J. RECALL

When the work force is increased after a layoff, employees will be recalled in accordance with Civil Service Commission regulations pertaining to layoffs as set forth in New Jersey Administrative Code, Title 4A.

- B. Sick leave shall be earned at the rate of one and one-quarter (1 ¼) days for each calendar month of service, not to exceed fifteen (15) working days per year. - C. Accumulation. Sick leave shall be accumulated in accordance with New Jersey Civil Service Commission rules and regulations.

Manager. If an employee has been paid more sick leaves than he has earned or accrued at the time of separation or discharge, those days over and above his proper accrual may be deducted from his final paycheck.

- F. If an employee is absent for reasons that entitle him to sick leave, his supervisor shall be notified promptly as of the employee's usual reporting time, except in those work situations where notice must be made prior to the employee's starting time.
  - 1. Failure to so notify his supervisor may be cause of denial for the use of sick leave for that absence and constitutes cause for disciplinary action.
  - 2. Absence without notice for five (5) consecutive days shall constitute a resignation.
- G. An employee who shall be absent on sick leave for five (5) or more consecutive working days shall be required to submit acceptable medical evidence substantiating the illness.
- H. An employee who shall be absent on sick leave for periods totaling ten (10) days in one calendar year consisting of periods of less than five (5) days, shall submit acceptable medical evidence for any additional sick leave that year unless such illness is of a chronic or recurring nature requiring recurring absences of one (1) day or less in which case only one (1) certificate shall be necessary for a period of six (6) months.
- I. The Township may require proof of illness of an employee for sick leave if it occurs upon a day following a holiday or the day after the employee worked an over-time shift or whenever such requirement appears reasonable and warranted under the circumstances. Abuse of sick leave shall be cause for disciplinary action.
- J. In case of leave of absence due to exposure to contagious disease, a certificate from the Department of Health shall be required.
- K. The Township may require an employee who has been absent because of personal illness, as a condition of his return to duty, to be examined, at the expense of the Township, by a

physician designated by the Township. Such examination shall establish whether the employee is capable of performing his normal duties and that his return will not jeopardize the health of other employees.

L. Upon retirement with benefits from the State Pension System or death, the employee or his beneficiary shall receive compensation for unused, accumulated sick leave based upon the following schedule:

1. One to ten (1-10) years -- none.
2. More than ten to fifteen (10-15) years of full-time employment with the Township shall entitle the employee to twenty-five (25%) percent of unused accumulated sick leave.
3. Over fifteen (15) years of full-time employment with the Township shall entitle the employee to fifty (50%) percent of unused accumulated sick leave.
4. Over twenty-five (25) years of full-time employment with the Township shall entitle the employee to seventy-five (75%) percent of unused accumulated sick leave with a maximum number of days that can be sold back of one hundred and twenty-five (125) days.

M. Effective January 1, 1999: On January 1<sup>st</sup> of the year following completion of ten years' service with the Department of Public Works, Department of Parks or Department of Utilities, an employee will have the option of selling back up to fifteen (15) sick days per year, providing the employee has at least one hundred (100) days accrued. Sick day buy-back pay may be incorporated into an employee's base pay upon written request by the employee. At no time may the amount of days sold back deplete the sick day bank to less than one hundred (100) days. The total amount of sick days sold back during an employee's career will not exceed 125 days. Sick time buy-back prior to and at retirement will be computed as per paragraph L of this section. Sick time buy-back will

27  
SG WJR  
ll

be based on total days accrued during the employee's career with the Township. See examples below:

	<u>Days Accrued</u>	<u>Days Used</u>	<u>Days Sold Prior</u>	<u>Days Sold at Ret.</u>
Example 1	180	10	30	12.5
	Formula: $180 - 10 = 170 \times 25\% = 42.5 - 30 = 12.5$			
Example 2	325	100	105	7.5
	Formula: $325 - 100 = 225 \times 50\% = 112.5 - 105 = 7.5$			

Unless an employee uses all of his or her sick time, all days sold back prior to retirement will be considered accrued time until the last year of employment when it will be subtracted from the total.

Example: An employee falls ill and has 150 sick days accrued, but has sold back 50 and will be out for 125 days. Then the employee will only have 100 sick days before going into extended sick leave (Article XVII, Paragraph B.)

- N. Effective January, 2009, the maximum amount of unused sick leave compensation for any employee hired after the above date shall not exceed \$20,000.
