## ARTICLE II

### NEGOTIATION PROCEDURE

- 2.1 Two (2) weeks prior to the required date for commencing negotiations in the school year in which this Agreement expires, the parties shall mutually exchange proposals. No other proposals shall be accepted after that date. Negotiations shall commence in accordance with the PERC-established timetable of the same year, and the parties in negotiations shall determine ground rules at the first meeting.
- 2.2 Any agreement so negotiated shall be reduced to writing and executed by both parties.

- 2.3 This Agreement shall not be modified in whole or in part except by an instrument in writing executed by both parties.

### ARTICLE III

#### GRIEVANCE PROCEDURE

- 3.1 A grievance shall mean a complaint by an employee or group of employees, as designated in Article I, that there has been a personal loss or injury because of the interpretation, application or violation of policies, agreements and administrative decisions affecting such employee or employees.
- 3.2 An “aggrieved person” is the person or persons making the claim.
- 3.3 Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved teacher to proceed to the next step. Failure at any step of this procedure to appeal a decision to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at the former step.
- 3.4 It is understood that teachers shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.
- 3.5 The Association, as representative of a group of employees, may appeal the interpretation, application or violation of policies, agreements and administrative decisions affecting said employees.
- 3.6 A group grievance of more than one teacher in one school shall commence with the principal of the school.
- 3.7 If, in the judgment of the Association, a grievance affects a group or class of teachers in more than one school, the Association may submit such grievance in writing to the Superintendent or his designee directly and the processing of such grievance shall commence at that level. The Association may process such a grievance through all levels of the grievance procedure. The grievance, however, must be signed by each of the individuals claiming loss or injury.
- 3.8 A minority organization shall not present or process any grievance.
- 3.9 For a grievance to be processed under this procedure the grievance must be initiated within thirty (30) calendar days of the impact on the individual; days will not be counted during July and August.

### LEVEL I

- 3.10 Nothing herein contained shall be construed as limiting the right of any teacher having a complaint to discuss the matter informally with any appropriate member of the administration and having the complaint adjusted, provided the adjustment is not inconsistent with the terms of this Agreement.
- 3.11 If in the judgment of the Association and the Level I supervisor a grievance cannot be resolved at Level I, the grievance shall be forwarded to Level II within one work-day following submission at Level I.
- 3.12 Grievance shall be signed by the grievant(s) and submitted to the principal on the District's grievance form (Attachment A). The grievant shall set forth his grievance in writing to the principal and the Association specifying:
- [a] the nature of the grievance;
  - [b] the nature and extent of injury, loss or inconvenience;
  - [c] the date of occurrence; and
  - [d] the remedy sought.

Within five (5) school days after receiving the grievance, the principal shall hold a hearing unless mutually agreed otherwise and within two (2) school days of the hearing communicate his answer in writing to the grievant. The grievant(s) may at his/her option be represented at any discussion by a representative of the Association, and the principal shall have the right to have a witness present.

### LEVEL II

- 3.13 The Association, no later than five (5) weekdays after receipt of the principal's decision, may appeal the principal's decision to the Superintendent. The appeal to the Superintendent must be made in writing, reciting the matter submitted to the principal as specified above and noting the grievant's dissatisfaction with the decisions previously rendered. The Superintendent shall attempt to resolve the matter as quickly as possible, and may, at his option hold a hearing, but within a period not to exceed ten (10) weekdays; if no hearing is held, a decision shall be rendered within ten (10) weekdays. The Superintendent shall communicate his decision in writing to the Association, the principal, and the teacher.

### LEVEL III

- 3.14 If the grievance is not resolved to the grievant's satisfaction, he, no later than five (5) weekdays after receipt of the Superintendent's decision, may request through the Association a review by the Board of Education.
- 3.15 The request shall be submitted in writing through the Superintendent or his designee in his absence or unavailability, who shall attach all related papers and forward the request to the Board within five (5) weekdays for review at its next regularly scheduled meeting.

The Board, or a committee thereof, shall review the grievance and shall, at the option of the Board, hold a hearing with the grievant and the Association representative. In any case, the Board shall render a decision in writing within thirty (30) calendar days of its receipt of the grievance.

In the event the Board's decision is unacceptable to the grievant or class of grievants, the grievant or grievants shall petition the Association to move this matter to arbitration. The Executive Board of the Association shall meet to determine if the grievance is meritorious and upon their recommendation the matter shall be moved to arbitration. The Association President through the Grievance Chair shall notify the Superintendent of the decision of the Executive Board within thirty (30) calendar days of receipt of the Board's decision except in the case of a grievance involving any of the following points:

1. Any matter for which a method of review is prescribed by law or any rule or regulations of the State Commissioner of Education or any matter which according to law is either beyond the scope of Board authority or limited to action by the Board alone.
2. A complaint of a non-tenured teacher which arises by reason of his not being re-employed.
3. A complaint by any certified personnel occasioned by appointment to, or lack of appointment to, retention in or lack of retention in any position for which tenure is either not possible or not required; or
4. Any complaint which is not a matter of formal agreement between the Association and the Board.

#### LEVEL IV

- 3.16 The appeal of the aggrieved for review by a third party may be submitted to arbitration by the Association and the procedure for securing the services of an arbitrator shall be those of the American Arbitration Association. Such determination as the arbitrator shall make is binding on both parties to this Agreement. The arbitrator shall consider only the matter submitted and shall not add to nor subtract from any other matter of formal agreement. His finding shall be returned to the Board and Association within thirty (30) days after date of hearing.
- 3.17 The parties shall be responsible for all costs incurred by each, and only the fee and expenses, if any, of the arbitrator shall be shared by each party paying one half.
- 3.18 All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.
