AGREEMENT - PREAMBLE

PREAMBLE

This Agreement is made and entered into by and between the Board of Trustees of Middlesex County College, a body corporate organized pursuant to the provisions of N.J.S.A. 18A:64A-1 et. seq., hereinafter called the "Board" and the Middlesex County College Faculty Union, Local 1940, AFT (AFL-CIO), formerly known as the Faculty Organization of Middlesex County College Local 1940, AFT (AFL-CIO), hereinafter called the "Union."

Witnesseth:

WHEREAS, the parties heretofore through negotiations in good faith have reached agreement on salaries, terms and conditions of employment and grievance procedures, and desire to execute this contract covering such Agreement:

In consideration of the following mutual covenants, it is hereby agreed as follows:

ARTICLE I RECOGNITION

- A. The Board hereby recognizes the Union as the exclusive collective bargaining agent with respect to salary, fringe benefits, grievance procedure, and those conditions of employment covered by this Agreement for all full-time faculty members hereinafter referred to as "members" employed by the Middlesex County College Board of Trustees, but excluding Department Chairpersons, the Director of Admissions, the Director of Student Activities, the Registrar, Assistants to the Deans of Administration, managerial executives, supervisors as defined in the Act, office clerical employees, craft employees, and police officers.
- B. The Union and Board agree to exchange contract renewal proposals on November 16, 1982 or next working day after said date. Negotiations shall begin by November 30, 1982 or last working day in the month.

ARTICLE II RIGHTS OF THE UNION

- A. The Union may use College building facilities for meetings provided that such use shall not interfere with or interrupt normal college operation, and subject to agreement by the administration as to the reasonableness of time and location selected. Such agreement shall not be unreasonably withheld.

ARTICLE II (continued)

- B. Duly authorized representatives of the Union shall be permitted to transact official Union business on College property, provided that this shall not interfere with or interrupt normal College operations and subject to agreement by the administration as to the frequency and reasonableness of time or times selected. Such agreement shall not be unreasonably withheld.
- C. The Union may post notices and other materials relating to Union activities on College bulletin boards, subject to the following regulations: All material posted must include a removal date, the name of the responsible party, and must be no larger than 14"x22". The Union may make reasonable use of the College mailing services, exclusive of the College postage meter, and the faculty mailboxes.
- D. The Board agrees to furnish to the Union, as soon as possible, upon request to the President, the following documents:
- . Annual Financial Reports
 - . Annual Audits
 - . Adopted Budgets - as of the date of formal adoption by the Board of Trustees and prior to transmission to the Board of School Estimate, and as approved by the Board of School Estimate.
 - . Payrolls of faculty covered by this Agreement.
 - . Minutes of meetings of the Board.
 - . Last known addresses, per College records, of the faculty covered by this Agreement.
 - . Roster of members including names, addresses, and telephone numbers.
- E. The Board further agrees to provide to the Union such information, through the President, as may be reasonably required and requested by the Union to process any grievance under this Agreement or to negotiate subsequent Agreements.
- F. Nothing herein contained shall be construed to require the Board to provide any information not already available to it, or to provide such information in any form other than that in which it would be normally provided by the Board or College administration, nor prior to the time it would normally be provided.
- G. The assigned faculty office of the Union President shall be deemed to be the official office of the Union. The Board agrees to assign no other faculty members to said office. The Union may install necessary equipment, owned by it, in said office.

ARTICLE II (continued)

1. Within the term of this agreement, the Union shall have the right to purchase from the Board any office equipment which is about to be replaced at a price equal to the trade-in value of said equipment.
 2. Local 1940 will have access to the Gestetner equipment in the administration building at times when the machine is not being used by the staff. Local 1940 agrees to provide its own paper and material.
- H. It is hereby mutually agreed that the areas of faculty salaries, terms and conditions of employment and grievance procedures are outside the province of the College Assembly.
- I. Upon request of the Union, the Board shall consult with the Union on matters of mutual concern.
- J. The Union President shall be entitled to speak at any public Board meeting immediately following the completion of committee and other official reports.
- K. The Union President shall have a load reduction of 6 contact hours per semester. An additional load reduction of 6 hours in the spring semester shall be assigned to the Union to be divided between no more than 2 persons designated by the Executive Council of the Union. The two persons designated by the Union for reduced load in the spring semester shall each have a maximum of 12 contact hours.

If the Union designates one person for the reduced load in the spring semester, the individual shall have a maximum load of nine contact hours. If the individual(s) involved is a nonteaching member, a contact hour shall be deemed to be equivalent of 2 working hours a week.

The Union President and the individual(s) who receive the reduced load shall not suffer any loss in pay or full-time status. All load reduction granted to the President and Union members shall be covered by adjunct faculty for courses within the Division in which the load reductions occur. Said adjunct hours shall not be subject to Article X. The Union agrees to notify the Board 60 days before the start of classes of the Union members who are to be assigned reductions and the specific contact hour reduction assigned to the members for scheduling purposes.

- L. The Board will deduct from the pay of each member of the bargaining unit, from whom it received written authorization signed by the member to do so, the required amount of monthly Union dues. The dues and a list of employees from whose pay they have been deducted shall be forwarded to the Treasurer of the Union not later than ten (10) days after such deductions have been made.

ARTICLE III RIGHTS OF FACULTY

A. It is hereby mutually agreed that each nontenured member of the bargaining unit shall be evaluated at least twice annually; and that each tenured member of the bargaining unit shall be evaluated at least once annually; and that a copy of a written report of each such evaluation shall be furnished to the faculty member within fourteen (14) days. Observations by administrators of any faculty member shall be limited to four (4) consecutive hours per observation. All faculty evaluations performed by supervisory personnel will be discussed with the faculty member and signed by him/her acknowledging discussion prior to being placed in his/her file. Any such material may be answered by the faculty member, and any such answer shall be attached to the evaluation in the file. No file shall be kept to which the member may not have access if the material therein refers to him/her, and he/she may obtain copies of all such material. Exceptions to the above shall be:

- (1) Any material predating his/her date of employment with the college.
- (2) Any material originating with the faculty member.
- (3) Any material a copy of which has previously been made available.

B. Classroom Observations:

- (1) Classroom observations shall be used for the purpose of improving instruction and to aid in determining whether a faculty member may be promoted or retained. The observation shall be conducted within each department by the department chairperson.
- (2) A faculty member may also be observed by a peer of the faculty member chosen by the Union. The peer shall be from the same department. In the event that the department consists of the chairperson and only one faculty member, the peer may be selected from a related department within the same division. The report of the peer observation of the faculty member shall be attached to that of the chairperson; and in the event the faculty member is recommended for promotion, the peer report shall be attached to said recommendation to be reviewed simultaneously by Dean, Vice President, and the President, in turn.
- (3) Classroom observations must be based on observable instructional criteria provided in advance by the department chairperson.
- (4) Classroom observations of nontenured members of the bargaining unit shall take place twice annually, and those of each tenured member of the bargaining unit at least once, and no more than twice annually. However, further observation visits may be made by academic supervisors. In the

ARTICLE III (continued)

event such further visits are made, the Union shall be notified at least three (3) days in advance before each visit is made, and the supervisor shall make a report of the visit. A copy of the report shall be filed with the Union. The faculty member may request that the Union select a peer to accompany the department chairperson at this additional observation. A department chairperson shall honor requests for additional classroom observations.

- (5) The observation reports must contain a conclusive statement, either positive or negative, of the classroom observation. In the event the department chairperson's evaluation is negative, a follow-up observation will be made by the department chairperson. The department chairperson will notify the faculty member of the date and time of the follow-up observation at least three (3) days in advance. The faculty member may request that the Union select a peer to accompany the department chairperson at this follow-up observation.
- (6) A copy of a written report of each observation shall be furnished to the faculty member within fourteen (14) days.
- (7) All classroom observations performed by department chairpersons shall be discussed with the faculty member and signed by him/her acknowledging discussion prior to being placed in his/her file.
- (8) Any classroom observation may be answered by the faculty member within fourteen (14) days of signature by the faculty member, and such answer shall be attached to the evaluation in the file.
- (9) A faculty member may request that the peer classroom evaluation be placed in his/her file.
- (10) A faculty member may place in his/her official college file any material that is relevant to his/her employment at the college.

C. Preference for Adjunct Positions:

- (1) Members of the bargaining unit shall have preference for teaching at night and during the summer to the extent of two (2) courses per semester.

ARTICLE III (continued)

A faculty member's load shall not exceed a maximum of eight (8) contact hours per semester unless agreed upon by the member and the Dean of Continuing Education. Before any bargaining unit member is granted a second course, each bargaining unit member in the department requesting evening and summer courses shall be granted one (1) course. All reasonable attempts shall be made for an equitable distribution of contact hours.

It is recognized by the parties that the preference for the summer includes the Summer of 1981 and extends beyond the contract expiration date and is not subject to the restrictions of Article XI.

- (2) Irrespective of the other established rates, members of the bargaining unit shall receive the following rates per contact hour: Summer, Fall, and Spring Semesters of 1981-82--\$410.00 and 1982-83--\$440.00.

If the standard rate paid to outside faculty for adjunct services exceeds the above rate as outlined, bargaining unit members shall be paid said higher rate.

- (3) This provision in no way grants recognition to the Union as collective bargaining representative of the adjunct faculty.
- (4) Upon retirement former members of the bargaining unit who teach courses offered through the Division of Continuing Education or Division of Community Education shall be compensated at the current rate for adjunct teaching for members of the bargaining unit.

D. Members shall not be required to work in unsafe or hazardous conditions, nor to perform tasks which endanger their health or safety.

E. Assignments:

- (1) A faculty member will not be assigned in an area in which he/she lacks preparation, except in cases where the faculty member, the administration, and the Union agree this could be to the mutual advantage of the faculty member and the college.
- (2) Any faculty member who assumes administrative duties and subsequently returns to instructor status shall resume all rights and privileges he/she would have had if he/she had continued in the faculty status without interruption.

ARTICLE III (continued)

F. Voice or Image Reproduction:

Under no circumstances will audio or video tapes or computer programs be used to reduce the number of teaching positions existing at the College in May, 1980, exclusive of any one-semester only contracts or to deprive any present faculty member of his/her teaching position.

It is understood and agreed that audio-video tapes, computer programs or other audio-tutorial devices may be used on the campus in 1981-83. It is also understood that large lecture sessions may be scheduled and that various other scheduling techniques may be used to maximize the benefits of advancing technology.

Before any change is made with respect to the present approach or methods of teaching a significant part of a course utilizing voice or image reproduction, including the utilization of large lecture sections using voice or image reproduction, it shall be reviewed by a committee consisting of four (4) faculty members appointed by the Union, four (4) administrators appointed by the Vice President for Academic and Student Affairs, and the Dean of the Division involved, who shall chair the committee.

It shall be the duty of said committee to investigate the proposal and to determine whether or not the proposed use of voice or image reproduction to teach a significant part of a course would reduce the number of teaching positions existing at the college in May, 1980, would deprive any faculty member of his/her teaching position, or would in any way modify or alter the terms and conditions of this Agreement, and upon the committee's determination, the aforesaid proposed method of teaching a course should or should not be recommended to the Vice President for Academic and Student Affairs for his/her implementation. If the committee, by a two-thirds (2/3) majority vote, recommends implementation to the Vice President for Academic and Student Affairs, the proposal may be implemented, and if the proposal fails to gain the two-thirds (2/3) majority vote, the proposal shall not be implemented within the term of this Agreement, nor shall the proposal be initiated by nonbargaining unit members. The decision of the committee shall be final and binding upon Union and Board for the term of this Agreement.

When the Board desires a bargaining unit member to make a tape or to produce a computer program, or when a bargaining unit member is interested in making a tape or producing a computer program, the Board and the teacher shall negotiate all terms and conditions involved in the production thereof, and the teacher shall have the right to be represented in the negotiations by an internal or external representative. The teacher shall be given

ARTICLE III (continued)

the copyright ownership, and may, on his/her own initiative, and assuming complete individual legal responsibility, market the individual program. The Board maintains the right of usage for the educational programs sponsored by the college for a period of three (3) years in return for the use of college time and equipment. In the event either the Board or an individual bargaining unit member initiates a request for a tape to be made, a duplicate copy of such request shall be forwarded by the Board to the Union.

Tapes and computer programs referred to above include only those involving material created by the faculty member or including his/her voice or image thereon.

Bargaining unit members may make audio-video tapes or computer programs for any educational programs at Middlesex County College at any time convenient to them, subject to the availability of facilities and supportive staff.

No faculty member shall be obligated by an administrative directive to use any particular method or approach to teaching in his/her assigned course provided that the teacher follows the stated course objectives.

The above committee shall be convened at the request of any member within ten (10) days of the request. In the notice, the member shall state his/her belief that the proposal may reduce the number of teaching positions existing at the college in May, 1980, may deprive a faculty member of his/her teaching position, or may modify or alter the terms and conditions of this Agreement, and the reasons thereof.

In case of the absence of any member of the committee for any reason whatsoever, the Union or Board will select an alternate to attend said meeting.

G. Academic Freedom:

Members of the bargaining unit shall be guaranteed academic freedom.

H. Members' Schedule of Classes:

- (1) Teaching faculty schedules of classes, to the maximum extent possible, shall be so arranged that faculty members fulfill their work load commitments in four (4) days, except when a bargaining unit member requests a five (5) day program, or when a class meets five (5) days of the week. Two (2) Union representatives shall have the right to discuss these schedules with the Vice President for Academic and Student Affairs, three (3) weeks prior to finalizing schedules. Preference for four (4) day schedules shall be given on the basis of seniority within subject matter areas if it is not possible to give such programs to all members.

- (2) Programs shall be issued to 95% of the teaching faculty at least three (3) weeks before the beginning of each semester, subject to change for unforeseeable reasons. Faculty shall be free to exchange teaching assignments, provided that the transferees are qualified to teach the course, subject to the approval of the Department Chairperson.
- (3) Teaching faculty shall not be required to be present at the college on days when they do not have teaching assignments except as otherwise required by this Agreement.
- (4) Teaching faculty members shall not be required to be in attendance during Winter and Spring recess, or on public holidays or during intersession or at other times when classes are not in session, except when required to do so by the calendar.
- (5) The President of the Union shall be permitted to check all faculty schedules in the office of the Vice President for Academic and Student Affairs within three (3) days of the date they are issued to the faculty.
- (6) In cases where any course had not been taught within three (3) years by the instructor, the instructor shall receive not less than sixty (60) days notice of this assignment unless the course is an introductory course that the faculty member agrees is within his/her field of specialization, in which case thirty (30) days notice is required.
- (7) Commencing with the 1981-82 academic year all newly hired tenure track teaching faculty members employed may be assigned to teach courses within the Division of Continuing Education as part of their full-time teaching load.

A faculty member assigned courses in the Division of Continuing Education under this Article shall suffer no diminution in salary or benefits except as follows.

The following provision of the contract does not apply to the portion of the schedule comprised of Continuing Education courses: Article IX K 2.

With regard to Article IX K 2, the administration will make its best efforts to assign courses to faculty members teaching part of their full-time assignment in the Division of Continuing Education so that the seven hour span is maintained. In no case shall the span be more than eight hours.

ARTICLE III (continued)

I. Vacancies:

- (1) Notice of all professional position vacancies, whether faculty or administrative, shall be circulated to faculty members by posting on at least one bulletin board in each building where faculty have their offices, at least five (5) days prior to its publication elsewhere. Copies of all such vacancies shall be maintained on an updated basis in the Personnel Office for dissemination to the Union. This provision shall not apply in the case of a vacancy created by the resignation of a bargaining unit member with less than thirty (30) days notice.
- (2) All bargaining unit members who are applicants for such openings shall be notified of the disposition of their applications prior to publication of the name of the successful applicant.
- (3) If the Board hires a new employee at a rank or rate of pay higher than that of a present employee in the department with equivalent academic training and years and types of experience, said present employee shall be promoted to the rank and/or pay of the newly-hired employee. Initial determination shall be made by the President subject to review under the grievance procedure provided herein.

J. Outside Activities:

Any lawful activity by any member of the bargaining unit shall not affect in any way his/her employment with the institution, nor shall he/she be subject to reprimand therefor. This article shall not be interpreted to be in conflict with Article III, P.

K. Admission to Courses:

- (1) Faculty members are to be granted tuition-free entrance to any class on a credit or audit basis at Middlesex County College so long as there is no conflict with their own assignments.
- (2) Faculty dependents (including husband or wife, children or legally adopted children or other related members of the household) are to be granted tuition-free entrance to any class on a credit or audit basis at Middlesex County College for which they meet entrance requirements.
- (3) Retired faculty members are to be granted tuition-free entrance, up to six credits per fiscal year, to any class on a credit basis at Middlesex County College provided course prerequisites are met.

ARTICLE III (continued)

- L. A member shall at all times be entitled to have present a representative of the Union when he/she is being reprimanded, warned, or disciplined for any infraction of rules or delinquency in professional performance. When a request for such representation is made, no action shall be taken with respect to such faculty member until such representative of the Union is present. Such Union representative shall be provided within seventy-two (72) hours of demand. The Union representative may participate in any aspect of such a meeting.
- M. If a member of the bargaining unit wishes to initiate a discussion with any supervisor relative to rights under the contract, he/she shall be entitled to have present and be represented by a representative of the Union.
- N. Bargaining unit members may request a change in the time and location of a class. Such request shall be directed to the Department Chairperson who shall investigate the feasibility of the requested change by determining from the Registrar whether a classroom is available at the proposed new time and with the students as to whether or not they all concur.
- O. When a majority of those teaching a particular subject determine that it would be better taught in two (2) seventy-five (75) minute periods than in three (3) fifty (50) minute periods, and if the Department Chairperson and the Dean and Vice President for Academic and Student Affairs concur, the subject shall be scheduled accordingly.
- P. Any member of the bargaining unit may be employed by others, or himself/herself, conduct a business or profession off campus. However, no bargaining unit member will engage in any outside employment that:
 - (1) Occurs at a time when the employee is expected to perform his/her assigned duties.
 - (2) Impairs his/her educational effectiveness at Middlesex County College.
 - (3) Constitutes a conflict of interest such as: acting as an outside vendor with the college, soliciting business or clients in a classroom or on campus, misusing the college name or seal to promote his/her private interest.

The bargaining unit member will each year file with the President of the College, a status report, appended hereto, that he/she is not in conflict with the above. The form will be agreed to by both parties and acceptable to the Board of Higher Education.

ARTICLE III (continued)

- Q. The Board shall provide adequate office space and equipment for each instructor. Adequate equipment shall include one desk, one file cabinet, one bookcase, one desk chair, and one visitor's chair. Adequate space shall be defined as the space required to house and to use the furniture enumerated herein. In addition to the above, each faculty office shall be equipped with an intercom telephone; which telephone shall be bridged to a switchboard extension.
- R. The Board shall provide two-way telephones in the classroom areas and the Board and the Union shall agree, in writing, on the location of these telephones.
- S. The Board shall provide classroom space and supplies for each instructor at the inception of the semester or as appropriate, including:
- (1) Copies, exclusively for the instructor's general use, of all texts used in each course he/she is to teach, if not available gratis from the publisher.
 - (2) Adequate attendance books, paper, pencils, pens, and such other material required in teaching responsibilities.
 - (3) Gym uniforms for physical education instructors, smocks for art instructors, leotards, tights and footwear for dance instructors, nursing uniforms for teachers of nursing, laboratory coats for lab instructors, appropriate protective apparel for technical education instructors, and any other material required for instruction.
- T. The Board shall provide clerical assistance adequate to meet the needs of the faculty.
- U. Textbooks and Other Teaching Materials:
Subject to the approval of Department Chairpersons, all texts and other teaching material shall be selected by the faculty members. Where multiple selections occur, faculty members involved shall, by majority vote, select the texts to be used. Selection shall be submitted on or before the date designated by the Vice President for Academic and Student Affairs.
- V. Travel:
- a. Whenever personal transportation by automobile is required as a part of the regular duties of a faculty member, a college vehicle shall be used. The grievant or Union representative shall have indicated to the appropriate administrator the intent to grieve at the informal stage within thirty (30) days from the date on which the act which is the subject of the grievance occurred, or thirty (30) days from the date on which the unit member or Union should reasonably have known of its occurrence.

Bargaining unit members and the Union shall have until October 1 to initiate grievances that occurred or allegedly occurred during the months of June, July, or August.

The time limitation shall not apply to any alleged violation that has occurred in the past and has continued up to the time of initiation of the grievance procedure.

- C. If, after the informal discussions with the division or department head or administrator, an adverse decision or no decision has been rendered within seven (7) calendar days, the grievant may within two (2) weeks of the expiration of that period, invoke the formal grievance procedure in writing signed by the grievant and the Union. Such appeal shall be in writing and shall be mailed to the Public Employment Relations Commission and the Board of Trustees within said fifteen (15) day period, and if not so mailed, the grievance shall be deemed abandoned and terminated.

Within thirty (30) days after the date of this Agreement, representatives of the parties of this Agreement will obtain from the Public Employment Relations Commission a list of arbitrators, and will agree upon a panel of three (3) arbitrators, obtaining additional lists if necessary. By mutual consent of the parties the number of arbitrators can be increased at any time. The parties shall furnish the Public Employment Relations Commission the names of the arbitrators selected. Thereafter, the Public Employment Relations Commission shall designate one (1) of said arbitrators to hear each grievance that may be referred to arbitration.

The arbitrator so selected will be requested to confer with the parties and hold hearings promptly and to issue his/her decision not later than twenty (20) days from the date of the close of the hearing.

ARTICLE VI (continued)

The arbitrator shall have no power to alter, modify, add to, or subtract from the provisions of this Agreement. His/her authority shall be limited to deciding the disposition of the "Event which affects a condition of employment, discipline or discharge, and/or alleged violation, misinterpretation, or misapplication of any provision of this Agreement or any existing rule, order, or regulation of the Board of Trustees; and shall be subject to, in all cases, the rights, responsibilities, and authority of the parties." The arbitrator's fee and expenses shall be shared equally by the Board and the Union.

The decision of the arbitrator, if within the scope of his/her authority, as above set forth, shall be final and binding.

The arbitrator shall be empowered to make a compensatory reward.
- I. The number of days indicated at each level shall be considered as maximum and every effort should be made to expedite the process. However, the time limits may be extended by mutual consent.

The date of the written notice shall, in no event, be later than fifteen (15) school days after the date of the alleged violation. ARTICLE X MISCELLANEOUS

Anything else in this contract to the contrary notwithstanding the contents of this Article X shall apply and shall supersede any provision inconsistent herewith.

- A. (1) Adjuncts will not be used to replace tenured and tenure track bargaining unit members' positions.
- (2) The Board may hire adjunct personnel at its discretion in any department in which there are at least as many tenured and tenure track employees (including those on paid and unpaid leave) as there were during the 1980-81 contract year. For the purposes of establishing the number of tenured and tenure track employees during the 1980-81 contract year, faculty on paid and unpaid leave will be included in the count. (Appendix G, attached hereto, sets forth the number of tenured and tenure track unit members in each department during the 1980-81 contract year). If departments are merged, the number of tenured and tenure track faculty, including those on paid and unpaid leave in the surviving department shall be the total of that department plus those of the department merged into it for purposes of establishing the 1980-81 base contract year count.

In the event that the number of full-time employees in a department falls below the 1980-81 contract year level established by the preceding, the Board may not employ adjunct hours in excess of one contact hour less than the normal semester's teaching load in that department, where a normal semester's teaching load is defined as one-half ($\frac{1}{2}$) the yearly teaching load in that department. For the purposes of this provision the English Department's yearly load shall be considered to be 24 contact hours and all other departments shall be considered to be 30. The following are exceptions to the limit imposed by this section:

- 2 (a) When reduction of tenured or tenure track faculty has arisen due to resignation or retirement and upon granting a sabbatical in the same department, the Board shall have the right to cover the individual's work load by hiring additional adjunct personnel. Adjuncts appointed to meet the work load obligations of the bargaining unit members on sabbatical leave shall not fall within any limitations imposed by this section.
- 2 (b) In the event that notification of a resignation of a bargaining unit member is received after June 15, his/her position may be filled by adjuncts for the fall semester without said adjunct teaching hours accumulating toward the department's adjunct hour limitation, provided the Board has made best efforts to obtain a full-time employee.
- 3 Adjuncts will be responsible for tutoring their own students.

ARTICLE X (continued)

- B. (1) If a tenured or tenure track teaching faculty member has insufficient work load between 7:30 a.m. and 5:30 p.m. to maintain his/her position at the College, he/she shall be assigned courses offered by the Division of Continuing Education for which he/she has been evaluated as capable of teaching by the Vice President, Dean or Department Chair, or has taught within the last 6 years, provided that the final evaluation is not negative in the subject course(s).

First priority in assignments made under this clause will be to courses offered by the department of the affected member. Said courses shall be assigned on a reverse seniority basis to a maximum of eight (8) contact hours per faculty member. If, after assigning up to eight (8) contact hours of DCE courses to the most junior, qualified, faculty member within the department there are still not an adequate number of sections to comprise full teaching loads for all tenured and tenure-track faculty members, DCE courses up to a maximum of eight (8) contact hours will be assigned to the next most junior faculty member who is qualified under the previously specified criteria to teach such DCE courses. Said DCE courses shall be assigned to affected faculty members prior to any other DCE assignments.

- (2) In the event that a Division of Continuing Education course section(s) is(are) used as part of a full-time teaching load, the student roster load for the DCE section(s) will be considered the lesser of:
- a. the actual roster count computed by averaging the three (3) formal rosters as prescribed in IX F;
or
the number thirty (30) for all courses except English Composition or twenty-five (25) for English Composition courses.
- (3) A faculty member assigned courses in the Division of Continuing Education under this Article shall suffer no diminution in salary benefits or other terms or conditions of employment except as elsewhere specified under this section.
- (4) The following provisions of the contract do not apply to the portion of the schedule comprised of continuing education courses:

Article III V (A)
Article IX K 2

ARTICLE X (continued)

With regard to Article IX K 2, the administration will make its best efforts to assign courses to faculty members teaching part of their full-time assignment in the Division of Continuing Education so that the seven (7) hour span is maintained; however, the faculty member's span shall consist of no more than nine (9) hours from the first class to the last class.

- C. If a tenured or tenure-track or permanent full-time SSES faculty member has insufficient work load between 7:30 a.m. and 5:30 p.m. to maintain his/her position at the College, and if a responsibility related in function or current preparation for which the SSES faculty member has been evaluated by the Director/Chairperson, appropriate Dean or the Vice President as being capable of performing or has performed, is being performed on an adjunct or part-time basis at the College, and if the assignment of such responsibility to said SSES faculty member would comprise or complete a full-time work load, said assignment shall be made to complete the program. The SSES faculty member's span shall consist of no more than 9 hours from the beginning of their work responsibility to the end of said responsibility.

An SSES faculty member assigned said responsibilities under this Article shall suffer no diminution in salary, benefits, or other terms and conditions of employment.

- D. The Union and the Board agree that the total number of workdays remain the same for 1981-82 and 1982-83 as in 1980-81 unless both parties agree to any change.

E. Application and Distribution of Labor Contract:

- (1) This Agreement shall supersede any rules, regulations, or practices of the Board which shall be contrary to or inconsistent with its terms. It shall likewise supersede any contrary or inconsistent terms contained in any constitutional or by-laws provisions of the Union heretofore in effect.
- (2) Copies of this Agreement shall be presented to all instructors now employed or hereafter employed by the Board. The faculty Manual shall be available on the first day of classes each year.
- (3) If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full effect.

ARTICLE X (continued)

- (4) The College asserts and the Union denies that certain contract sections incorporated in whole or in part, are nonmandatory subjects of negotiation.
- F. Negotiations may be initiated periodically at the written request of either party. Items specifically covered by this Agreement shall not be subject to further negotiations during the term of this Agreement. The Union and Board bargaining representatives shall meet, unless otherwise mutually agreed, within four (4) days of the receipt of the communication and shall continue to meet until the matter to be negotiated has been resolved by agreement.
- G. The Board agrees that the Union may collect a representation fee in lieu of dues from nonunion members in the Bargaining Unit, and the Board will implement payroll deductions as provided in the relevant New Jersey statute.

The Union shall indemnify the College for any liability or damages incurred by the Board as a result of implementing said payroll deductions in accordance with said statute from claims arising from bargaining unit members employed by the Board on or before February 1, 1981.

The Board will notify all new employees of the collection by payroll deduction of representation fee in lieu of dues.

ARTICLE XI DURATION OF THE AGREEMENT

This Agreement shall be in effect as of the date of ratification by both parties with salaries and fringe benefits retroactive to July 1, 1981 and shall continue in effect until June 30, 1983.
