THIS AGREEMENT, made this 1st day of January 2002, by and between:

CITY OF TRENTON, a municipality in the County of Mercer, State of New Jersey, hereinafter referred to as "the City," and:

TRENTON, NEW JERSEY SUPERVISORY EMPLOYEES, LOCAL #2281, AMERICAN FEDERATION OF STATE, COUNTY, AND MUNICIPAL EMPLOYEES, AFL-CIO, hereinafter referred to as the "Union."

WITNESSETH:

WHEREAS, the parties hereto have carried on collective bargaining negotiations for the purpose of establishing conditions under which employees shall be employed to work for the City, and procedures for the presentation and resolution of grievances and to establish proper working conditions, and other conditions of employment thereby insuring harmonious relations, cooperation and understanding between the City (Employer) and the Union.

WHEREAS, the parties recognize that this Agreement is not intended to modify any of the discretionary authority vested in the City by the statutes of the City of Trenton, and,

WHEREAS, it is the intention of this agreement to provide, where not otherwise mandated by statute or ordinance, for the salary structure, fringe benefits and employment conditions of the employees covered by this agreement, to

prevent interruptions of work and interference with the efficient operations of the City and to provide an orderly and prompt method of handling and processing grievances;

NOW THEREFORE, in consideration of these premises and mutual agreements herein contained, the parties hereto agree with each other with respect to the employees of the Employer, as hereinafter defined, recognized as being represented by the Union as follows:

## ARTICLE I RECOGNITION

### Section 1.01

The City recognizes the Union as the sole and exclusive bargaining agent for the purpose of establishing wages, hours, and other conditions of employment for all its employees in the classifications listed under Appendix A attached hereto and by reference made a part of this Agreement and for such additional classifications as the parties may later agree to include.

### Section 1.02

Employees of the Employer who may be designated by the Union to participate in collective bargaining meetings called for the purpose of the negotiation of a collective bargaining agreement will be excused from their work assignments provided that no more than five (5) employees shall be excused for any bargaining session.

### Section 1.03

The City and the Union shall meet periodically for the purpose of reviewing the administration of the Agreement and to discuss problems which may arise there from. Either party may request such a meeting and shall submit a written agenda of topics to be discussed at least one week prior to such meeting. If such meetings are held during normal work hours, the Union representatives shall be granted time off to attend without loss of pay.

## ARTICLE II DEDUCTION OF DUES

### Section 2.01

The City agrees to deduct Union dues, through a Union check off system, from the pay of the Union members, and to remit such deductions to the official designated by the Union in writing to receive such deductions. The Union will notify the City in writing thirty (30) days prior to any change in such dues. The Union agrees to file a dues deduction authorization form with the City for each employee, prior to such deductions. The Union recognizes that this authorization form shall remain in effect unless terminated by the employee upon written notice of withdrawal or by termination of their employment. The filing or withdrawal must be submitted during the period of July 1 through July 15 for the withdrawal to be effective.

### Section 2.02

The employer agrees that it will reimburse the union for any dues not deducted from the employee's check, unless

such notice of withdrawal is received or said employee is terminated from the Employer's service.

**Section 2.03**

The Employer agrees to provide the Union with the names, titles, and work locations of any employees entering the bargaining unit, whether through promotion or through being newly hired.

**Section 2.04**

Any employee in the Bargaining Unit on the effective date of this Agreement who does not join the union within thirty (30) days thereafter, any new employee who does not join within ninety (90) days of initial employment within the Unit, and any employee previously employed within the Unit who does not join within ten (10) days of re-entry into employment within the Unit shall, as a condition of employment, pay a representation fee to the Union by automatic payroll deduction. The representation fee shall be in an amount equal to eighty-five percent (85%) of the regular union membership dues, fees, and assessments as certified to the Employer by the Union. The Union may revise its certification of the amount of the representation fee at any time to reflect changes in the regular union membership dues, fees and assessments. The union's entitlement to the representation fee shall continue beyond the termination date of this agreement so long as the Union remains the majority representative of the employees in the Unit, provided that no modification is made in this provision by a successor agreement between the Union and the employer. For the purposes of this provision, employees employed on

a ten (10) month basis or who are re-appointed from year to year shall be considered to be in continuous employment.

The Union shall indemnify and hold the employer harmless against any and all claims, demands, suits and other forms of liability that may arise out of, or by reason of any action taken or not taken by the employer in conformance with this provision.

**Section 2.05**

The City agrees to provide payroll deduction for the PEOPLE fund after submission by the Union of authorization forms from each employee who desires to contribute to the fund.

**ARTICLE III  
MANAGEMENT RIGHTS**

**Section 3.01**

The employees recognize that areas of responsibility must be reserved to the City to service the public effectively. Therefore, the right to manage the affairs of the City and to direct the working forces and operations of the City, subject to the limitations of this Agreement, is vested and retained by the City exclusively.

**Section 3.02**

The management and the conduct of the business of the City and the direction of its working force are the rights of the Employer. The Employer shall have the right, subject to the limitations of this Agreement, to hire employees, to designate into a job classification, assign, transfer, and pro-

mote them, discipline or discharge them for cause, and in general to maintain discipline, order and efficiency consistent with the Rules and Regulations of the New Jersey Department of Personnel.

#### ARTICLE IV GRIEVANCE PROCEDURE

##### Section 4.01

Any grievance or dispute which may arise between the parties including the application, meaning, or interpretation of this Agreement, shall be settled in the following manner:

STEP 1. The Union Steward, with or without the employee, shall take up the grievance or dispute with the employee's immediate supervisor within ten (10) working days of its occurrence. The discussion and resolution of grievances at the first step shall be on an oral and informal basis. The employee's supervisor shall attempt to adjust the matter and shall respond to the Steward within two (2) working days.

STEP 2. If the grievance has not been settled it shall be presented in writing by the Union Steward within three (3) working days of the disposition by the employee's immediate supervisor to the Division Director or equivalent. The Division Director shall investigate the grievance and shall dispose of it within three (3) working days. If the employee or Union Steward does not receive a written reply within these three (3) working days or if he is not satisfied with the disposition of his grievance,

ance, he shall continue on to step three. If the grievance shall remain unadjusted, it shall be presented by the Union President or his representative to the Department Director, in writing, within five (5) working days after the response of the Division Director is due. The Department Director shall respond to the Union President or his representative within five (5) working days after the receipt of the grievance.

STEP 4. If the grievance is still unadjusted or the Union and employee is not satisfied with the disposition of his grievance; he shall within three (3) working days of receipt of the Department Director's response present his grievance in writing to the Business Administrator requesting that a Grievance Committee be formed. Within five (5) working days of receipt of request the Business Administrator shall call the Grievance Committee into session. The Procedures as herein before stated shall be followed before a grievance can be submitted to the Grievance Committee. All grievances are required to be submitted in writing on the appropriate forms agreed to by Employer and Union and supplied by the Department of Administration.

4A. Grievance Committee - Procedures  
The Grievance Committee shall meet immediately upon being called into session and shall promptly consider, review and determine such grievance and render a report of their findings to all parties concerned within five (5) working days

from the date of the last meeting or session.

4B.

Grievance Committee - Members

The parties annually shall establish a grievance committee panel consisting of three members selected by the Business Administrator, three members selected by the Union, and three members (not union members) selected jointly by the parties. Replacements on the panel, if any, shall be named each January, and then the full panel will receive training regarding proper hearing procedures.

A Grievance Committee for a particular matter will consist of three members chosen from the panel, with one member selected by Business Administrator, one selected by the Union, and a third selected jointly by the other two members. No panel member shall be named to a grievance committee for any matter in which he/she a) has a direct interest; b) has counseled the grievant; or c) supervises the grievant (s). Neither party to the grievance may discuss a pending grievance with any panel member prior to the naming of a committee, nor may any grievance committee member discuss the grievance with either party except in the presence of, or as authorized by, the rest of the committee.

The Business Administrator shall name a member of his staff to serve as secretary to the Grievance Committee, and to be responsible for notifying members of meeting dates and for supplying secretarial assistance to the Committee.

4C. Powers and Duties

The Grievance Committee is empowered to receive, investigate, adjust, and adjudicate grievances, as herein defined, submitted to it in accordance with the procedures subsequently set forth. The jurisdiction of the Committee is limited to grievances of City employees. The Committee shall promptly consider all grievances properly presented to it and take such necessary action as is required. The merits of all grievances shall be considered objectively, with due consideration to the harmonious interrelationship that is sought to be achieved among employees of the City and for the best interest of the public. The Committee at its discretion may conduct an informal hearing, request individuals to appear at such informal hearing and give testimony, and establish rules for the conduct of its proceedings and hearings, not inconsistent with the provisions set forth. The Committee shall make a determination of the grievances and shall reduce the same to a written decision, which shall be forwarded to the Business Administrator with copies being sent to all parties concerned. The Business Administrator shall review the report of the Grievance Committee for conformance to City Ordinance, State Law, and established City policy, and shall submit a report regarding any such nonconformance to the Grievance Committee, the Department Director, and the aggrieved employee within ten (10) working days from the date of

his receipt of the Committee's decision.

- 4D. Meetings  
A suitable place for the Grievance Committee shall be provided by the Assistant Business Administrator.
- 4E. Appearance at Meeting  
An employee and/or authorized representative will be allowed such time off from his or her regular duties as may be deemed necessary and reasonable for the process of a grievance without loss of pay or other time credits.
- 4F. Right of Appeal  
Nothing herein is intended to deny an employee the right of appeal as expressly granted in the Revised Civil Service Rules for the State of New Jersey. Nothing herein shall prevent an employee from processing his own grievance, provided the Grievance Committee may be present.
- 4G. Where an employee has exercised his right of appeal as expressly granted in the Revised Civil Service Rules or Statutes of New Jersey, there shall be no right to arbitration under the provisions of this article.

#### STEP 5. Arbitration

If the grievance is still unsettled, either party (Employer or Union) may, within ten (10) working days after the reply of the Business Administrator is due, by written notice to the other, request arbitration. The Employer and the union agree to grant the request of the other Party for meetings to discuss the grievance pending at

Steps 2, 3, 4, or 5 above.

- 5A. Within seven (7) days following presentation of such request, the party demanding arbitration shall request the New Jersey Public Employment Relations Commission to appoint an arbitrator to hear the arbitration in the manner set forth in Rule 19:11-14, Rules and Regulations and Statement of Procedure of the New Jersey Public Employment Relations Commission.
- 5B. The decisions of the Arbitrator shall be in writing and shall include the reasons for each finding and conclusion.
- 5C. The decision of the Arbitrator shall be final and binding on the Union and the Employer.
- 5D. In the event of a change in the law governing the New Jersey Public Employment Relations Commission or its rules and regulations which would in any way affect the method of selection of an arbitrator then, in the alternative, the party demanding the arbitration shall request the American Arbitration Association to submit a list of nine (9) arbitrators from which the parties may make a selection of the arbitrator. If the parties fail to agree on the selection of the arbitrator from the list, each party shall alternately strike one name until only one name remains and that party shall be the arbitrator of the issue or issues to arbitrate. The cost of the arbitrator's services, if any, shall be shared by both parties and each of the parties shall bear its own cost.

5E. Nothing herein contained shall subject the matters of established wages, hours, other fiscal benefits, or Union recognition's to arbitration, it being the specific intention that the within Article IV relating to grievance procedures shall apply only to the settlement of disputes, differences, or grievances between the Employer and any employee or between the Employer and the Union as set forth in Steps 2, 3, or 4 above.

5F. The Union will notify the Employer in writing of the names of its employees who are designated by the Union to represent employees under the grievance procedure. Employees so designated by the Union will be permitted to confer with other Union representatives, employees and with Employer representatives regarding matters of employee representation during working hours without loss of pay.

#### ARTICLE V UNION STEWARD AND UNION REPRESENTATION

##### Section 5.01

The Employer recognizes and shall deal with the accredited Union Steward and/or Union President or his designated representative in all matters relating to grievances and interpretation of this Agreement.

A written list of the Union Officials and Stewards shall be furnished to the Employer immediately after their designation and the union shall notify the Employer promptly of

12

any changes of such Union Stewards or Officers.

Effective January 1, 1997 the Union President (or in his absence or unavailability, his designee, who shall be a member of the Executive Board of Local #2281), shall be granted two (2) days per week during his regular working hours, without loss of pay, to conduct Union business relating to grievances or the interpretation of this Agreement.

No Union Officer shall leave his work without first obtaining the permission of his immediate supervisor, which permission shall not be unreasonably withheld.

##### Section 5.02

Representatives of the Union, who are not employees of the employer, shall be permitted to visit with employees during working hours at their work stations for the purpose of discussing Union representation matters. Such representatives shall also be recognized by the employer as authorized spokespersons for the Union in meetings between the parties regarding employee representation.

##### Section 5.03

Any notice of disciplinary action in which the hearing may result in suspension of more than 5 days, demotion, or termination must be served on the employee no less than 15 days prior to the date of the hearing. Any notice with an intended suspension of 5 days or less must be served on the employee after the three day cooling off period and no less than 3 days prior to the date of the hearing. A copy of the preliminary notice of disciplinary action must be sent to the union simultaneously.

The hearing officer shall be the Director of the

13

Department in which the employee works, unless that Director disqualifies himself for reasons of conflict. It shall be the role of the hearing officer to control and direct all hearings in an orderly fashion.

The employee is entitled to have a Union representative at the hearing who may speak in his/her behalf. The employee is not required to be a witness in his/her own defense, but if he/she does testify or speak in his/her own behalf, such testimony shall be subject to cross-examination.

Hearings shall be conducted in the following manner:

1. The hearing officer shall identify all parties present and read the charges and specifications for which the hearing is being held.
2. The supervisor presenting the charges, which may be the Department Director, shall give his/her case first, including the presentation of witnesses, explaining the charges, and presenting relevant facts, etc.
3. The employee or his/her representative may cross-examine.
4. The employee or his/her representative shall present his/her case, including the presentation of witnesses, defense against the charges, presenting relevant facts, etc.
5. The supervisor may cross-examine.
6. The supervisor presents summary and rebuttal.
7. The employee or his/her representative presents summary and rebuttal.

Only those persons with legitimate roles in the hearing

may participate; the hearing officer may rule as out of order any question posed by either side which the hearing officer deems to be irrelevant to the subject of the hearing. The hearing officer may question any of the participants in the hearing at any time.

#### **Section 5.04**

In any disciplinary action in which the employee appeals the decision on the grounds that the hearing officer was in conflict of interest or that the decision of the hearing officer was improper, the employee may request of the Business Administrator that the discipline be stayed pending the outcome of the appeal. Such request may only be made in cases of suspensions of six days or more, demotion or dismissal. Such appeal shall be handled in an expeditious manner.

#### **Section 5.05**

For employees that have not been found guilty of disciplinary charges or had warning notices against them for a period of five years, all prior charges and warning notices shall be stricken from their files.

Exceptions:

1. Records of serious infractions (defined as something for which a suspension in excess of five days or a fine equivalent to five or more days pay was imposed) shall be maintained permanently.
2. Recognizing that disciplinary charges related to medical problems are the result of an illness, these records shall be maintained permanently to enable a supervisor to be aware of the problem

and to respond humanely should it reoccur.

**Section 5.06**

Any memo that is placed in an employee's file that may affect his or her evaluation or otherwise reflect negatively on his or her job performance must be given to the employee on the same day that it is placed in the file.

**ARTICLE VI  
DISCRIMINATION**

**Section 6.01**

The provisions of this Agreement shall be applied equally to all employees in the bargaining unit without discrimination as to age, sex, marital status, race, color, creed, national origin, political affiliation or union membership. The Union shall share equally with the Employer the responsibility for applying this provision of the Agreement. All references to employees in this Agreement designate both sexes, and whenever the male gender is used, it shall be construed to include male and female employees.

**ARTICLE VII  
EMPLOYMENT SECURITY**

**Section 7.01**

Neither the Employer nor its agents shall take any summary disciplinary action against any employees, except where the employee refused to act upon a direct working order, especially in cases where that employee's supervisor's ability to carry out his job is severely questioned or endan-

gered or except where violence and/or health and safety of himself or other employees may be involved.

**Section 7.02**

There shall be a three (3) working day "cooling off" period following the incident which may require disciplinary action, after which time the Employer shall serve on the employee and/or Union a written notice of the intended disciplinary action and set the date of the hearing notifying the employee and Union of the time and place.

**Section 7.03**

After the hearing and disciplinary action is taken, then the employee and/or Union shall be able to invoke the approved Grievance Procedure, at the fourth (4) step level.

This shall in no way be construed to include the termination of a temporary or provisional employee with no permanent status.

**ARTICLE VIII  
SENIORITY**

**Section 8.01**

Seniority standing shall be granted to all employees.

**Section 8.02**

Employment seniority shall consist of continuous employment with the Employer, City of Trenton.

**Section 8.03**

Position or title classification seniority begins from the time the employee is certified to that Civil Service position

or title by the New Jersey Department of Personnel. Layoff or demotions of permanent employees shall be as provided by N.J.A.C. Title 4A.

**Section 8.04**

Notice of all vacancies shall be posted on all employee bulletin boards within the department in which the vacancy exists for a period of five (5) working days. Copies of such postings shall be forwarded to the Union. Newly created positions or vacancies are to be posted in the following manner: the type of work, place of work, rate of pay, hours of work, classification, and minimum requirements (including eligible job titles, when appropriate). Employees on authorized absence during the full period of posting will be considered a candidate. All interested employees shall sign the posting.

**Section 8.05**

Seniority lists shall be brought up to date on July 1 and January 1 of each year and posted on employee bulletin boards. Such lists shall contain dates of hire, employee's classification and the number of vacation and sick days earned. A copy of all seniority lists shall be sent by mail to the Secretary or President of the Union.

**Section 8.06**

In filling temporary vacancies in higher titles, the employer shall first consider employees in the next lower title within the work unit. If the employees possess the necessary skills and requirements of the position, appointment to the higher title shall be based upon seniority. If employ-

ees in the next lower title do not possess the necessary skills, or otherwise meet the requirements of the position, the employer shall consider other employees in the work unit who might meet the requirements of the position. If these employees do not possess the necessary skills, or do not otherwise meet the requirements of the position, the Employer may consider other employees outside of the work unit but within the department. The Employer shall not be obligated to hire such employees, nor shall the employer be obligated to interview and/or hire employees outside the department, though it may at its own discretion. The principle of seniority shall govern and control in all cases of decreases or increases of the working force, as well as preference in assignment to shift work, choice of vacation period, and in any other matter in which preference is a factor.

An appointing authority may exclude an employee from consideration from promotion if: a) "major" discipline (as defined by NJ Dept. of Personnel) has been taken against the employee within the previous 24 months or is currently pending, b) "minor" discipline has been taken against the employee three or more times within the past 24 months, or two or more times within the past 12 months, or c) the employee's attendance is such that it can be considered short-term abuse of sick leave as specified in Section 14.05 of this contract.

**Section 8.07**

Each Division Director shall be responsible for determining whether an employee is needed to work out of title, and for requesting approval of such assignment from the

Department Director and the Business Administrator.

Employees temporarily assigned to higher titles will receive the pay of the higher title for all days so assigned when such assignment takes place over a period of two or more consecutive work days. Employees temporarily assigned to higher titles for single days will not receive pay of the higher title.

Assignment to a higher title can only be made with the approval of the Department Director and the Business Administrator.

#### **Section 8.08**

Prior to lay-offs, written notice shall be given to permanent City employees. The amount of advance notice shall be based on the number of years of service provided by the employee. Those employees with up to fifteen years of service shall be given forty-five days notice.

Employees with more than fifteen years, but less than twenty years of service shall be given sixty days notice. Employees with more than twenty years, but less than twenty-five years of service shall be given seventy-five days notice. And employees with more than twenty-five years of service shall be given ninety days notice. (Note: City will also comply with any ordinances in effect at the time of a layoff).

All temporary or provisional employees financed through local tax dollars shall be given at least thirty (30) days written notice prior to lay-offs.

While the City shall make every effort to notify all temporary or provisional employees financed through State and Federal grants at least thirty (30) days prior to lay-offs, it is understood that circumstances may not always allow such

advance notice.

When an employee is recalled from lay-off and reinstated, he is considered to have continuous service credit for computation of future earned vacations and sick time; except that the calculation of the total period of continuous service does not include the length of the period of the lay-off; the calculation of total period of continuous service, however, does not include the length of the period of the layoff (See Personnel Handbook Section 9.250).

#### **Section 8.09: Definitions**

"Permanent employee" means an employee who has attained tenure and rights resulting from regular appointment and successful completion of the working test period.

"Probationary employee" means an employee who is serving his or her working test period.

"Provisional appointment" (PA) means employment pending the appointment of a person from an eligible list.

"Regular appointment" (RA) means the employment of an eligible to fill a position leading to permanent status; this appointment is conditioned upon the employee's successful completion of the working test period.

### **ARTICLE IX WORK SCHEDULES**

#### **Section 9.01**

The work week shall consist of five (5) consecutive days, Monday through Friday, except for employees in continuous operations. The regular starting time of work will not be changed without reasonable notice to the affected

employees and without first having discussed such changes and the needs of same with the representatives of the Union. The Employer agrees that there shall be a fifteen (15) minute break during each one-half shift as long as it does not interfere with the efficiency of the operation of the job.

In consideration of the problems caused by excessive tardiness at the beginning of the day or in returning from breaks, a program to address this problem has been devised and adopted by means of a side letter agreement between the City and the Union. This program provides a system for fair warnings and progressive discipline to curtail excessive tardiness.

#### **Section 9.02**

"The City will make a proposal for alternate work schedules, and meet with the Union to discuss same, with a goal of implementation during the term of the Agreement".

#### **Section 9.03**

Whenever an employee is delayed in reporting for a scheduled work assignment, he shall endeavor to contact his supervisor in advance, if possible. An employee who has been involuntarily delayed due to unusual circumstances (e.g. weather conditions, delays caused by mass transportation) and is less than one (1) hour late shall not be denied the opportunity to work the balance of his scheduled shift; but he will be docked for time not worked. However, an employee may choose to use any compensatory time accrual or vacation balance in place of being reduced in salary for the time not worked.

A record of such lateness shall be maintained. He shall not be disciplined except where there is evidence of repeti-

tion or neglect.

#### **Section 9.04 Policy Regarding Chronic Tardiness**

Since there are occasions on which a person is late for justifiable reasons, this program for tardiness provides for a flexible, fair policy, which should not affect conscientious employees. For the purpose of this policy, tardiness shall be defined as reporting to work five minutes after the prescribed starting time, whether it be the beginning of the work day, after lunch, or after breaks. In addition, habitual tardiness shall be defined as being late four times or more in a calendar month. The guidelines for the tardiness program are as follows:

- a. If a person is late four times or more in a calendar month, he/she will be required to sign in with a designated person in his or her work unit each day until that person completes one full calendar month of attendance with less than four latenesses.
- b. Upon completion of a calendar month in which that person has less than four occurrences of lateness, he or she will no longer be required to sign in.
- c. If, after the first month that a person is required to sign in, that person's record for tardiness does not improve to less than four occurrences of lateness, then that person will be subject to a summary suspension of one day. Following such a suspension if the employee feels that extenuating circumstances warrant a review of the case, he/she will have 10 days in which to appeal. A disciplinary hearing will be convened by the Department

Director within 30 days of receipt of the appeal to hear the matter. The employee will also be required to continue to sign in upon arriving in the work unit.

- d. If after two months of being required to sign in, the person has not yet improved his/her record of tardiness to less than four occurrences of lateness in a calendar month, then that person will be subject to a summary suspension of three days. Following such a suspension if the employee feels that extenuating circumstances warrant a review of the case, he/she will have 10 days in which to appeal. A disciplinary hearing will be convened by the Department Director within 30 days of receipt of the appeal to hear the matter. The employee will also be required to continue to sign in upon arriving in the work unit.
- e. If after three continuous months of being required to sign in, the person has not yet improved his or her record of tardiness to less than four occurrences of lateness in a calendar month, then that person will be subject to a disciplinary hearing and possible termination.

Lateness in excess of fifteen minutes will be charged against the employee's accumulated vacation, compensatory or personal time or the employee will be docked if no such time is available. The sign-in sheet will be kept on the desk of the payroll clerk in that work unit or another person designated by the Division Head or Bureau Chief to monitor and verify the accuracy of the information on the sign-

in sheet. Anyone who falsifies the sign-in sheet will automatically be brought up on disciplinary charges.

The Administration will investigate any allegation of falsification of payroll time sheets brought by the leadership of AFSCME Local #2281. Any person who falsifies a payroll time sheet will be subject to disciplinary actions.

## **ARTICLE X OVERTIME**

### **Section 10.01**

Employees who are required to work hours in excess of their normal work day or work week shall be compensated for the excess time by either cash payment or by compensatory time off. Employees holding titles listed in Appendix B shall receive cash payment at one and one-half times their normal rate of pay for all such excess hours worked. All other employees who are required to work in excess of their normal work day or work week shall be compensated as follows:

- a. Compensatory time off (straight time): Whenever possible, employees required to work in excess of their normal work day shall be granted compensatory time off to be taken on a straight hour for hour basis within the same work week as the excess hours were worked, so that the total hours worked in the week do not exceed the regular amount.
- b. Compensatory time off (time and a half): Whenever it is impossible to schedule compensatory time off within the same week that it was

earned, then one and one-half times the number of hours worked in excess of the normal hours worked in a week shall be made available to the employee to take as compensatory time off at a later date, to be scheduled at the employee's request with the prior approval of the appropriate supervisor.

c. Cash compensation: The employee will be paid in cash at the rate of one and one-half times his/her normal rate of pay for these hours under the following circumstances:

- 1) The maximum accumulation of 240 hours of compensatory time (160 hours of overtime worked) under the Fair Labor Standards Act is exceeded.
- 2) An employee terminates employment with the City. In the event of death, payment will be made to the employee's estate.
- 3) The Department Director, with the approval of the Business Administrator, may authorize cash payment in lieu of compensatory time off.

#### **Section 10.02**

Overtime work must be ordered, authorized or approved by the Department Director. Such order, authorization or approval is to be recorded and maintained by the Department Director in a format approved by the Business Administrator. When overtime is necessary on a regularly scheduled basis, it must be approved in advance by the Business Administrator.

#### **Section 10.03**

Any employee, eligible for cash payment, who returns to work during periods other than the regularly scheduled shift and who is not on "stand by", shall be paid for a minimum of four (4) hours at the overtime rate.

#### **Section 10.04**

Compensatory time off may be scheduled at the employee's convenience with the prior approval of the appropriate supervisor.

Nothing in this provision shall be construed to mean that 240 hours is an acceptable amount of compensatory time for an employee to accumulate. Whenever possible, compensatory time shall be scheduled within the same work week that it is earned, and not carried over.

When employees do accumulate compensatory time balances, the appointing authority will provide administrative procedures to assure that such balances will be scheduled as time off. The City reserves the right to require an employee and his/her supervisor to schedule time off so as to keep the accumulated balance below 40 hours. Such schedule shall take into consideration utilization of vacation leave and the workload of the unit and should be as satisfactory to both the City and the employee as possible; however, the City's needs will be considered foremost.

#### **Section 10.05**

A. An employee notified to report for work two hours before the start of the established normal starting time shall be entitled to a breakfast meal furnished or paid for by the City. Time to obtain this meal shall be provided prior to 10:00 a.m.

B. During emergency situations, an employee will be allowed one meal each shift worked after the normal work shift. Time to obtain this meal shall be provided except that the meal must be obtained from the nearest open facility.

Effective ratification of this agreement, each meal shall not exceed \$15.00.

**Section 10.06**

Employees in titles on Appendix B who are eligible for cash overtime shall be paid at double the employee's regular hourly rate for all hours worked on Sunday when the employee has been paid for the previous six days, and will also be paid at double the regular hourly rate for all hours worked on holidays, in addition to the holiday pay.

**ARTICLE XI  
WORK RULES**

**Section 11.01**

The employer may establish reasonable and necessary rules of work and conduct for employees. Such rules shall be equitably applied and enforced.

**Section 11.02**

Any new rules or modification of existing rules governing working conditions shall first be negotiated with the Union.

**ARTICLE XII  
SAFETY AND HEALTH**

**Section 12.01**

The Employer shall at all times maintain safe and healthful working conditions. The Employer and the Union shall each designate a Safety Committee member. It shall be their joint responsibility to investigate and correct unsafe and unhealthful conditions. Corrective action will be initiated within 45 days of identification of the condition and such corrections shall take place in as expeditious a manner as possible. The Safety Committee shall meet periodically as necessary to review conditions in general and to make recommendations to either or both parties when appropriate. The Safety Committee member representing the Union shall be permitted reasonable opportunity to visit work locations throughout the Employer's facilities for the purpose of investigating safety and health conditions during working hours with no loss of pay.

**Section 12.02**

The City shall attempt to insure that all physical exams, where appropriate, given to new employees are thorough; that time tests and x-ray examinations and other health tests, where possible, shall be made available. Particular attention shall be given to those employees engaged in high risk jobs.

**Section 12.03**

For on the job injuries involving loss of work time, the City will cover the difference between the temporary payable pursuant to the schedule of payments under the

Workmen's compensation law and full salary for not more than a one (1) year period. Loss of time due to work injuries, confirmed by the treating physician, shall not be charged against sick leave or vacation time. Loss of time greater than one (1) year will be at the applicable temporary compensation rate. Employees, at that time, continue to have the option of using accrued sick and vacation time on a full or pro-rated basis. Lost time less than one (1) week (seven days, including Saturday and Sunday) does not qualify for temporary compensation. However, the City will pay full wages during this term as part of the one (1) year period.

The appointing authority may require proof of injury on a periodic basis whenever such requirement appears reasonable.

Employees on injury time shall be responsible for notifying their supervisor, and the person designated by the Business Administrator responsible for coordinating workers' compensation claims, as to their place of confinement or of any subsequent change in their place of confinement.

#### **Section 12.04**

The Employer agrees to provide adequate air conditioning or ventilation for all offices in the summer. If the air conditioning fails to operate, with no chance of being fixed, and the inside temperature rises higher than 85 degrees, the employees assigned to the affected office(s) will be relocated to other offices, assigned to those duties which they may perform out of the office, or shall be reassigned to other offices.

The Employer agrees to provide heat in the winter and if the heating system fails to work and the temperature within an office falls below 60 degrees, the employees of the affected office will be relocated, assigned to duties which

may be performed outside the office, or be reassigned to other offices.

Employees who cannot be relocated or assigned to duties appropriate to their titles in other departments or divisions may be released for the day, with pay.

The Employer will provide to essential supervisory personnel whose duties require that they work outdoors in the rain, foul weather gear, specifically a rain suit consisting of jacket and pants, a rain hat, and boots. The foul weather gear is the property of the Employer and must be returned to the Employer at the time the employee terminates.

Automobiles, pickup trucks or vans used by civilian employees in a manner similar to automobiles, which are used for most of the working shift by the same employee, shall include air conditioning. Prior approval by the Business Administrator will be required for vehicles covered by this policy to ensure proper application of this policy.

### **ARTICLE XIII**

#### **CLASSIFICATIONS AND JOB DESCRIPTIONS**

##### **Section 13.01**

The classifications for employees covered by this Agreement are attached hereto as Appendix A, and by reference are made a part of this Agreement.

##### **Section 13.02**

If, during the term of the Agreement, the Employer finds that new job descriptions and/or classifications should be established or that changes should be made in existing job descriptions and/or classifications, the Employer agrees to

notify the Union at least thirty (30) days prior to any such changes and further, the Employer agrees to meet prior to any such changes with representatives of the Union to discuss the purposes and effects of any such changes in job descriptions and/or classifications.

#### ARTICLE XIV SICK LEAVE

##### Section 14.01

Sick leave shall mean the absence of an employee because of illness, exposure to contagious disease, or attendance upon a member of his immediate family who is seriously ill and requires the care or attendance of such employee.

##### Section 14.02

The employer shall grant the following sick leave:

- (a) Up to one (1) year of service -One (1) working day for each month
- (b) After one (1) full year of -Fifteen (15) working days per Year

##### Section 14.03

Employees with one (1) to five (5) years of service must have eight earned sick days on the books as of December 31, in order to have all fifteen (15) sick days distributed on January 1; otherwise sick days will be distributed as earned on a monthly basis. After five (5) years of service, the sick days shall be distributed on January 1. The employee shall accumulate sick days from year to year indefinitely. Any

employee who shall be absent on sick leave after five (5) or more consecutive working days shall be required to submit medical evidence substantiating the illness.

Employees, if absent for reasons that entitle them to sick leave, shall notify their department head, within a reasonable time, of the working day they are reporting off.

##### Section 14.04

The Union and the City agree to establish a sick leave bank to afford employees protection against extended illnesses. Employees may join the bank if they have been employed by the City for at least two (2) years and meet the eligibility requirements stated in the by-laws. To establish or maintain membership in the bank, employees must contribute up to two (2) sick days per year (as determined by the sick bank committee) into the bank. The City will contribute one day for every two (2) days contributed by employees, except that total sick leave bank accumulation shall not exceed 450 days. Bank members may apply to withdraw up to 60 days from the bank in one (1) year after all sick leave, vacation, compensatory and personal time is used. The sick leave bank committee shall consist of one (1) person from the City, one (1) from the Union, and one (1) person mutually agreed upon by both parties. By-laws for the bank will be established jointly by the City and Union which shall include all other rules and procedures for operation of the sick leave bank.

##### Section 14.05

In consideration of the problems caused by excessive absenteeism, or the abuse of sick leave, a program to

address such abuse has been devised and adopted by means of a side letter agreement between the City and the Union. This program establishes guidelines for dealing with sick leave abuse on both a short-term basis and on a more protracted basis and can involve disciplinary action. Effective in 1988, the Bonus Vacation Days for perfect or near-perfect attendance described in the side letter will no longer be given.

#### Section 14.06

A permanent employee who enters retirement pursuant to the provisions of a State administered or approved retirement system and has to his credit any earned or unused accumulated sick leave, shall be entitled to receive supplemental compensation for such earned and unused accumulated sick leave.

Effective January 1, 2000 the supplemental compensation to be paid shall be computed at the rate of one-half (1/2) of the eligible employee's daily rate of pay for each day of earned and unused accumulated sick leave, based upon the average annual compensation received during the last year of his employment prior to the effective date of his retirement, provided, however, that no such supplemental compensation payment shall exceed \$20,000.00.

This supplemental compensation shall be paid in a lump sum after the effective date of retirement or death, or, as may be elected by the employee, deferred for one (1) year.

If an employee's accumulated sick leave plus sick leave used in the 12 months prior to retirement has a value exceeding the maximum under this plan, then the full value of days used in excess of fifteen (15) days in that 12 month period will be subtracted from the payment at retirement. It

is understood and agreed that this condition shall apply only to payment at retirement.

**Section 15.02**

The Employer also agrees to allow the employee to accumulate no more than two (2) years of vacation time; that is, no more than one year's vacation time may be carried over into the following year. Anything over the two (2) years of accumulation must be approved in writing by the Business Administrator.

When an employee has an earned vacation balance which has not been scheduled for use as of October 1, the supervisor will meet with the employee within one (1) week to determine a schedule of such vacation use.

**Section 15.03**
