DECISION

On April 23, 2007, the Trenton International Charter School Education Association (Association) filed a Petition for Payroll Deduction Determination with the Public Employment Relations Commission (Commission) seeking an order directing the Trenton International Charter School (TICS) to deduct representation fees in lieu of dues from the salaries of non-member employees in a negotiations unit consisting of all certificated employees employed by the Trenton International Charter School; but excluding employees in the positions of managerial executives, confidential employees and supervisors within the meaning of the Act; craft employees, non-professional employees, police

employees, casual employees and all other employees. The petition was filed pursuant to N.J.S.A. 34:13A-5.5 and N.J.A.C. 19:19-2.2. Proper service was effected upon the TICS. The law authorizes the Commission to conduct an investigation and to order a payroll deduction of representation fees in lieu of dues if a majority of employees in the negotiations unit are voluntary dues paying members of the majority representative and the majority representative maintains a demand and return system as required by N.J.S.A. 34:13A-5.6. The Association has filed documents in support of its claim that a majority of employees in the unit are voluntary dues paying members of the union and that it maintains the required demand and return system.

The Respondent had the opportunity to respond to the petition pursuant to N.J.A.C. 19:19-3.2(a), but did not file a written response. The Respondent did not dispute that the Association proposed instituting the collection of representation fees in lieu of dues for non-member unit employees but that no agreement had been reached at the time the instant petition had been filed.

The investigation has revealed the following:

1. The TICS and the Association have negotiated concerning the subject of representation fees in lieu of dues, but no agreement has been reached regarding such payments.

2. The Association is the majority representative of a collective negotiations unit consisting of all certificated employees employed by the TICS; but excluding managerial executives, confidential employees and supervisors within the meaning of the Act; craft employees, non-professional employees, police employees, casual employees and all other employees.

3. The list of dues paying members attached to the Association's petition appears to be accurate.

4. There is no material dispute that the negotiations unit consists of 10 employees, of which 7 (70%) are currently voluntary dues paying members of the Association.

5. The Association maintains a demand and return system as required by N.J.S.A. 34:13A-5.5(c) and 5.6.

Consequently, having found that the Association has satisfied the conditions mandated in N.J.S.A. 34:13A-5.5 and N.J.A.C. 19:19-2.2, I find that it is entitled to the receipt of a representation fee in lieu of dues from unit employees who are not dues paying members of the Association, subject to compliance with the Public Employment Relations Commission Appeal Board rules, N.J.A.C. 19:17-1.1 to -4.5.

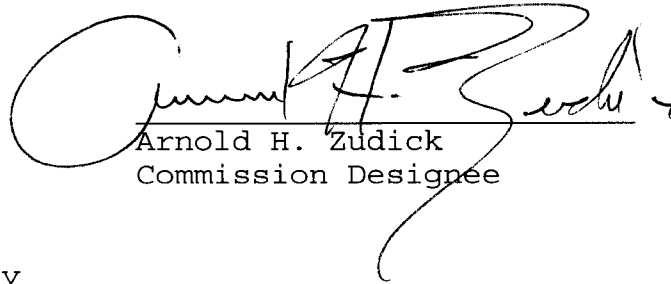

ORDER

The International Charter School of Trenton is **ORDERED** to institute a payroll deduction of the representation fee in lieu of dues from the wages or salaries of the negotiations unit

employees who are not members of the Trenton International Charter School Education Association after being notified by the Association that it has complied with the requirements of N.J.A.C. 19:17-3.3 and -4.1.

The TICS must post in all places where notices to employees are customarily posted, copies of the attached notice marked as Appendix "A." Copies of such notice shall, after being signed by the Respondent's authorized representative, be posted immediately and maintained by it for at least sixty (60) consecutive days. Reasonable steps shall be taken to ensure that such notices are not altered, defaced, or covered by other materials.

Within twenty (20) days of receipt of this decision, notify the Commission Chair of the steps the Respondent has taken to comply with this order.

NOTICE TO EMPLOYEES

PURSUANT TO AN ORDER OF THE PUBLIC EMPLOYMENT RELATIONS COMMISSION AND IN ORDER TO EFFECTUATE THE POLICIES OF THE NEW JERSEY EMPLOYER-EMPLOYEE RELATIONS ACT, AS AMENDED,

We hereby notify our employees that:

Pursuant to N.J.S.A. 34:13A-5.5, the Public Employment Relations Commission must order a public employer to institute a payroll deduction of a representation fee in lieu of dues from the wages or salaries of employees in a negotiations unit who are not members of the majority representative if a majority representative petitions the Commission to conduct an investigation and the investigation shows that a majority of negotiations unit employees are voluntary dues paying members of the majority representative and that the majority representative maintains a demand and return system as required by N.J.S.A. 34:13A-5.5(c) and 5.6.

On April 23, 2007, the Trenton International Charter School Education Association filed a Petition for Payroll Deduction Determination-Representation Fees. The Commission conducted an investigation and determined that a majority of employees in the unit consisting of all certificated employees are voluntary dues paying members of the Association and that the Association maintains a demand and return system as required by N.J.S.A. 34:13A-5.5(c) and 5.6. Accordingly, the Commission has ordered the public employer to institute a payroll deduction of the representation fee in lieu of dues from the wages or salaries of the negotiations unit employees who are not members of the Association after being notified by the Association that it has complied with the requirements of N.J.A.C. 19:17-3.3 and -4.1.
