APPENDIX B

Drugs and Alcohol Policy:

The Borough of Closter recognizes that the use of unlawful drugs and the abuse of alcohol pose a threat to the health and safety of all employees. Any employee who is observed by a supervisor or Department Manager to be intoxicated or under the influence of alcohol or drugs during working hours or is under reasonable suspicion of same shall be immediately tested and is subject to discipline up to and including termination. The supervisor or Department Manager will immediately report any reasonable suspicions to the Administrator.

An employee will be required to submit to alcohol, drug or controlled substance testing when the employee's work performance causes a reasonable suspicion that that employee is impaired due to current intoxication, drug or controlled substance use or in cases where employment has been conditioned upon remaining alcohol, drug, or controlled dangerous substance free following treatment. Refusal to submit to testing when requested may result in immediate disciplinary action, including termination. Supervisors or Department Managers that observe behavior constituting reasonable suspicion are required to institute testing and do not have the option of sending the employee home as an alternative.

The manufacturing, distribution, dispensation, possession, and use of alcohol or unlawful drugs on Borough premises or during work hours by employees is strictly prohibited.

Employees must notify their supervisor within five (5) days of conviction for a drug and/or alcohol violation in the workplace.

Employees who are required to maintain a Commercial Driver's License (CDL) are subject to random drug testing as required by the federal government.

Employees using prescription drugs that may affect job performance or safety must notify their supervisor or Department Manager who is required to maintain the confidentiality of any information regarding an employee's medical condition. Borough personnel who hold a Commercial Driver's License (CDL) are subject to the provisions of the Commercial Driver's Licenses Drug and Alcohol Testing Policy. (A program to assist employees who may have a drug/alcohol problem is provided through the Borough's Employee Assistance Program.)

No prescription drug should be used by any person other than the individual to whom it is prescribed. Such substances or non-prescription (over-the-counter) drugs should be used only as prescribed or indicated. Employees are prohibited from consuming prescription drugs that are not prescribed in their name on Borough property or while performing Borough business. Soliciting or distributing prescription drugs for or to other employees is also strictly prohibited.
