**THIS AGREEMENT**, entered into this \_\_\_\_\_ day of \_\_\_\_\_, 2008,  
by and between the **CITY OF MARGATE CITY**, in the County of Atlantic, a Municipal  
Corporation of the State of New Jersey hereinafter called the “City,” and **FIREMEN’S  
MUTUAL BENEVOLENT ASSOCIATION, LOCAL NO. 41**, duly appointed representative  
of the Fire Department of the City of Margate City, hereinafter called the “Association,”  
represents the complete and final understanding on all bargainable issues between the City and the  
Association.

**ARTICLE I**

**PURPOSE**

This Agreement is entered into pursuant to the provisions of Chapter 303, Laws of 1968 (N.J. Rev. Stat. 34:13A-5.1, et seq.) of the State of New Jersey, to promote and ensure harmonious relations, cooperation, and understanding between the City and employees; to prescribe the rights and duties of the City and employees; to provide for the resolution of legitimate grievances, all in order that the public service shall be expedited and effectuated to the best interests of the people of the City of Margate City.

## ARTICLE II

### EMPLOYEE REPRESENTATIVE

A. Majority Representative. The City hereby recognizes the Association as the sole and exclusive negotiating agent and representative for all Fire Captains, Fire Lieutenants and Firemen employed in the City of Margate City Fire Department, but excluding all other personnel employed in the City of Margate City Fire Department and all other City employees.

1. The title “Firemen” or “Fire Officer” shall be defined to include the plural as well as the singular and to include males and females.

B. Stewards. The Association must notify the City of the names of the Stewards. No more than one (1) Steward and alternate are to be designated.

**ARTICLE III**  
**GRIEVANCE PROCEDURE**

A. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of employment under this Agreement.

B. Nothing herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with the Fire Chief or his designee.

C. 1. With regard to employees, the term “grievance” as used herein means an appeal by an individual employee, or the Association on behalf of an individual employee or group of employees, from the interpretation, application or violation of policies, agreements, and administrative decisions affecting them.

2. With respect to employee grievances, no grievance may proceed beyond Step Three herein unless it constitutes a controversy arising over the interpretation, application or alleged violation of the terms and conditions of this Agreement. Disputes concerning terms and conditions or employment controlled by statute or administrative regulations, incorporated by reference in this Agreement, either expressly or by operation of law, shall not be processed beyond Step Three herein.

D. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement, and shall be followed in its entirety unless any step is waived by mutual consent.

Step One. The aggrieved or the Association shall institute action under the provisions hereof within twenty (20) calendar days after the event giving rise to the grievance has occurred or knowledge thereof, and an earnest effort shall be made to settle the differences between the aggrieved employee and the Fire Chief for the purpose of resolving the matter informally. Failure to act within said twenty (20) calendar days shall be deemed to constitute an abandonment of the grievance.

Step Two. If no agreement can be reached orally within five (5) calendar days of the initial discussion with the Fire Chief, the employee or the Association may present the grievance in writing within five (5) calendar days thereafter to the Fire Chief or his designated representative. The written grievance at this step shall contain the relevant facts and a summary of the preceding oral discussion, the applicable Section of the contract violated, and the remedy requested by the grievant. The Fire Chief or his designated representative will answer the grievance in writing within ten (10) calendar days of receipt of the written grievance.

Step Three. If the Association wishes to appeal the decision of the Fire Chief, such appeal shall be presented in writing to the Director of Public Safety within five (5) calendar days thereafter. This presentation shall include copies of all previous correspondence relating to the matter in dispute. The Director of Public Safety shall respond in writing, or schedule a hearing, or both, to the grievance within ten (10) calendar days of the submission.

Step Four. If the grievance is not settled through Steps One, Two and Three, either party shall have the right to submit the dispute to arbitration pursuant to the rules and regulations of the

Public Employment Relations Commission. The costs for the services of the arbitrator shall be borne equally by the City and the Association. Any other expenses, including but not limited to the presentation of witnesses, shall be paid by the parties incurring same.

E. 1. The parties direct the arbitrator to decide, as a preliminary question, whether he has jurisdiction to hear and decide the matter in dispute.

2. The arbitrator shall be bound by the provisions of this Agreement and the Constitution and laws of the State of New Jersey, and be restricted to the application of the facts presented to him involved in the grievance. The arbitrator shall not have the authority to add to, modify, detract from or alter in any way the provisions of this Agreement or any amendment or supplement thereto. The decision of the arbitrator shall be final and binding.

F. Upon prior notice to and authorization of the Director of Public Safety, the designated Association representatives shall be permitted as members of the Grievance Committee to confer with employees and the City on specific grievances in accordance with the grievance procedure set forth herein during work hours of employees, without loss of pay, provided the conduct of said business does not diminish the effectiveness of the City of Margate City Fire Department or require the recall of off-duty employees.

G. The time limits expressed herein shall be strictly adhered to. If any grievance has not been initiated within the time limits specified, then the grievance shall be deemed to have been abandoned. If any grievance is not processed to the next succeeding step in the grievance procedure within the time limits prescribed thereunder, then the disposition of the grievance at

the last preceding step shall be deemed to be conclusive. If a decision is not rendered within the time limits prescribed for decision at any step in the grievance procedure, then the grievance shall be deemed to have been denied. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits for processing the grievance at any step in the grievance procedure.

H. In the event the aggrieved elects to pursue remedies available through Civil Service, the grievance shall be cancelled and the matter withdrawn from this procedure. It is agreed between the parties that no arbitration hearing shall be held until after the expiration of at least thirty (30) calendar days after the decision rendered by the Director of Public Safety on the grievance. In the event the grievant pursues his remedies through Civil Service, the arbitration hearing, if any, shall be cancelled, and the filing fees and expenses incurred thereby shall be paid by the grievant or the Association.

**ARTICLE IV**  
**NON-DISCRIMINATION**

- A. The City and the Association agree that there shall be no discrimination against any Fireman because of race, creed, color, religion, sex, national origin or political affiliation.
- B. The City and the Association agree that all Firemen covered under this Agreement have the right without fear of penalty or reprisal to form, join, and assist any employee organization or to refrain from any such activity. There shall be no discrimination by the City or the Association against any Fireman because of the Fireman's membership or non-membership or activity or non-activity in the Association.
- C. It is understood that where there is specific statutory or administrative redress to an allegation of discrimination as set forth in this Article, recourse shall be to that avenue and not to the grievance procedure set forth elsewhere in this Agreement.

**ARTICLE V**

**BULLETIN BOARD**

The Association shall have the use of the bulletin board located in the Fire Department Headquarters for the posting of notices relating to meetings, official business, activities and information of the Association only.

**ARTICLE VI**  
**MANAGEMENT RIGHTS**

A. The City hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the laws and Constitution of the State of New Jersey and of the United States, including, but without limiting the generality of the foregoing, the following rights:

3. The right of management to make, maintain and amend such reasonable rules and regulations as it may from time-to-time deem best for the purposes of maintaining order, safety and/or the effective operation of the Department after advance notice thereof to the employees to require compliance by the employees is recognized.

4. To hire all employees and, subject to the provisions of law, to determine their qualifications and conditions of continued employment, or assignment, and to promote and

transfer employees.

5. To suspend, demote, discharge or take any other appropriate disciplinary action against any employee for good and just cause according to law.

6. The City reserves the right with regard to all other conditions of employment not reserved to make changes as it deems desirable and necessary for the efficient and effective operation of the Department.

B. In the exercise of the foregoing powers, rights, authority, duties and responsibilities of the City, the adoption of policies, rules, regulations and practices and the furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms hereof, and only to the extent said terms are in conformance with the Constitution and laws of New Jersey and of the United States.

C. Nothing contained herein shall be construed to deny or restrict the City of its rights, responsibilities and authority under R.S. 40A, or any other national, state, county or local laws or regulations.

D. The City agrees that it will not establish new work rules or regulations or modify or amend existing work rules or regulations governing wages, hours, or working conditions without prior consultation with the Association.

## **ARTICLE VII**

### **STRIKES**

The Association and employees assure and pledge to the City that their goals and purposes are such as to not permit strikes by employees, nor work stoppages, slowdowns, or any other such method which would interfere with service to the public or violate the Constitution and laws of the State of New Jersey; and the Association and employees will not permit such activities nor encourage other employees to initiate the same; and the Association and employees will not support anyone acting contrary to this provision.

- D. Holidays are earned throughout the year on a pro-rata basis based upon an Employee being employed by the City on the date(s) when the holiday occurs. Therefore, new Employees or terminating Employees shall not receive holiday pay unless the Employee was on the payroll when the Holiday occurs.

F. Any employee injured or ill prior to utilizing vacation leave shall have the option of changing such vacation leave to available sick leave for the days the employee is injured or ill.

## ARTICLE X

### SICK LEAVE

#### A. Service Credit for Sick Leave.

1. All employees shall be entitled to sick leave with pay as specified hereunder.
2. Sick leave for purposes herein is defined to mean absence from work of an employee because of personal illness by reason of which such employee is unable to perform the usual duties of his position, exposure to contagious disease, a short period of necessary attendance upon a member of his immediate family seriously ill and requiring the care of such employee. For the purpose of these rules, "member of immediate family" is interpreted as meaning father, mother, husband, wife, child, foster child, sister, brother or relatives of the employee residing in employee's household.

#### B. Amount of Sick Leave.

1. One (1) working day of sick leave with pay for each month of service from the date of appointment up to and including the December 31st following such date of appointment, and fifteen (15) days sick leave with pay for each calendar year thereafter. The leave is credited in advance at the beginning of the year in anticipation of continued employment for the full year. If an employee required none or only a portion of the allowable sick leave for any calendar year, the amount of unused leave shall accumulate to his credit from year-to-year. The employee shall be entitled to such accumulated sick leave with pay if and when needed. An employee who leaves employment for any reason during the calendar year shall reimburse the Employer for paid sick days used in excess of his or her pro-rated and accumulated entitlement.
2. Paid sick days shall not accrue during a leave of absence without pay or suspension.
3. Sick Leave Credits shall not accrue after an employee has resigned or retired

although his or her name is being retained on the payroll until exhaustion of vacation or other compensatory leave.

C. **Reporting of Absence of Sick Leave.**

1. If an employee is absent for reasons that entitle him to sick leave, the Fire Chief or his designated representative shall be notified no later than two (2) hours prior to the start of any scheduled p.m. work shift from which he is to be absent and no later than one (1) hour prior to the start of any scheduled a.m. work shift from which he is to be absent except in the case of an emergency.

a. Failure to so notify the Fire Chief or his designated representative may be cause of denial of the use of sick leave for that absence and constitute cause for disciplinary action.

b. Absence without notice for five (5) consecutive days shall constitute a resignation not in good standing.

D. **Verification of Sick Leave.**

1. An employee who has been absent on sick leave for three (3) or more consecutive work days shall be required to submit acceptable medical evidence substantiating the illness.

a. An Employee who has been absent on sick leave for periods totaling more than fifteen (15) days in any twelve (12) month period consisting of periods of less than five (5) days shall have his or her sick leave record reviewed by the City and thereafter may be required to submit acceptable medical evidence for any additional sick leave in that year. In cases where an illness is of extended duration, the Employee must submit acceptable medical evidence after each thirty (30) days of the illness substantiating the illness and setting forth an estimated date of return to duty.

In cases where the Employee cares for a member of his immediate family seriously

ill and requiring the care of such Employee, acceptable proof of the illness of the family member must be submitted substantiating the illness, if the Employee's absence for such purpose is for three (3) or more consecutive work days.

b. The City may require proof of illness of an employee on sick leave, whenever such requirement appears reasonable. Abuse of sick leave shall be cause for disciplinary action. The Fire Chief may adopt such other sick leave verification procedures that are reasonable and which the City deems appropriate.

c. In case of leave of absence due to exposure to contagious disease, a certificate from the Board of Health of the employee's municipality of residence shall be required prior to the employee's return to work.

d. The City may require an employee who has been absent because of personal illness, as a condition of his return to work, to be examined, at the expense of the City, by a physician designated by the City. Such examination shall establish whether the employee is capable of performing the essential functions of a Firefighter and that his return to work will not jeopardize the health or safety of the employee or other employees.

E. **Sick Leave Bank**

In the event an employee has exhausted all of his accumulated sick leave, he will be entitled to additional sick leave as provided for in the Sick Leave Bank Agreement signed by the parties on May 2, 2002.

F. **Attendance Incentive**

An employee who has reported to work as scheduled for all of his/her shifts from July 1 to December 31 shall be eligible for a single payment of \$600 each calendar year. If the employee fails to report to work for one scheduled shift during this timeframe, he/she is eligible for a single payment of \$500 each calendar year.

Any employee using more than one (1) sick day in either time frame set forth above shall render that employee ineligible for any payments pursuant to this section

All payments pursuant to this section shall be made during second payment in January in the calendar year following eligibility.

C. In the event of death of an Aunt, Uncle, Niece, or Nephew of the employee or the employee's spouse, bereavement leave with pay shall be granted for the day of the funeral.

D. Funeral leave may be extended beyond the four (4) working day period without pay at the sole discretion of the Fire Chief and Commissioner of Public Safety.

E. The above shall not constitute sick leave and shall not be deducted from the Fireman's annual sick leave.

## **ARTICLE XII**

### **INJURY LEAVE**

A. The City shall provide Injury Leave consistent with NJSA 40A:14-16. If an employee is incapacitated and unable to work because of an injury sustained in the performance of his fire department duties, as evidenced by a Certificate of a City designated physician or other doctor acceptable to the City, he shall be granted in addition to his annual sick leave with pay or any accumulations thereof, leave of absence with pay for a period of three hundred sixty-five (365) days or so much thereof as may be required, as evidenced by Certificate of a City designated or accepted physician, but not longer than a period of which worker's compensation payments are allowed.

If at the end of such three hundred sixty-five (365) day period the employee is unable to return to duty, a Certificate from the City designated or accepted physician shall be presented, certifying to his fact, and the employee may elect, if he or she so desires, to use all or any part of the sick leave accumulated to supplement compensation payments so that the combined payments and sick leave and allowance will approximate the employee's regular basic wage or salary payment.

During the period in which the full salary or wages of any employee on disability leave is paid by the City of Margate, any workers compensation payments made to or received by or on behalf of such employee shall be deducted from the amount carried on the payroll for such employee or shall be assigned to the City of Margate by the insurance carrier or the employee.

In cases where an injury causes leave of extended duration, the employee must submit acceptable medical evidence after each thirty (30) days of the disability leave substantiating the need for continued Injury Leave and setting forth an estimated date of return to duty.

Whenever the City designated physician or physician acceptable to the City shall report in writing that the employee is fit for duty, such Injury Leave shall terminate and such employee shall forthwith report for duty.

Employees on job related disability leave and authorized to return from said leave on light duty are required to report same to the Fire Chief.

B. The disability, to be eligible for Injury Leave, must be due to an injury or illness resulting from the employment.

1. Injuries or illnesses which would not have occurred but for a specific work related accident or condition of employment are compensable.

2. Pre-existing illnesses, diseases and conditions aggravated by a work related accident or condition of employment are not compensable when such aggravation was reasonably foreseeable.

3. Illnesses which are generally not caused by a specific work related accident or condition of employment, are not compensable except when the claim is supported by medical documentation that clearly establishes the injury or illness is work related.

4. Progressive, degenerative or repetitive motion disorders, such as asbestosis or carpal tunnel syndrome, are compensable only when the claim is supported by medical documentation clearly establishing that the disorder would not have occurred but for the performance of specific work duties.

5. Psychological or psychiatric illness is not compensable, except when such illness can be traced to a specific work related accident or occurrence which traumatized the employee thereby causing the illness, and the claim is supported by medical documentation.

6. An injury or illness is not compensable when the appointing authority has established that the employee has been grossly negligent, including those injuries or illnesses arising from impairment due to alcohol or drug abuse.

### **ARTICLE XIII**

#### **CONDUCTING ASSOCIATION BUSINESS**

A. The City agrees to grant time off without loss of regular straight time pay to the Executive Delegate and President of the Association (or appointed alternates) for the purpose of attending the regularly scheduled meetings of the State Association, provided that at least seventy-two (72) hours written notice is given to the Fire Chief. The Association shall designate, at the beginning of each year, the Executive Delegate and President. It is specifically understood that the Firemen so designated under this Section shall not switch tours in order to receive pay for the purpose of attending said meetings under this Section; and it is also specifically understood that if any of such meetings occur on a non-scheduled period, the Fireman shall receive no pay. It is provided further that the granting of such leave shall not interfere with the operation of the Fire Department of the City. The number of meetings for which time off without loss of regular straight time pay shall be granted shall not exceed one (1) per month.

B. During negotiations, the Association representatives so authorized by the Association, not to exceed two (2) shall be excused from their normal duties for such periods of negotiations as may be agreed upon by the parties.
