**ARTICLE III**  
**GRIEVANCE PROCEDURE**

A. Definition

A "grievance" shall mean a complaint by an employee or by the Association that there has been a personal loss or injury because of a violation, misinterpretation or inequitable application of Board policy, this Agreement or an administrative decision concerning terms and conditions of employment. A grievance to be considered under this procedure must be initiated by the employee or the Association within thirty (30) school days from the time when the employee knew or should know of its occurrence.

B. Procedure

1. a. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved employee or the Association to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.

b. It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance has been fully determined.

2. Any employee or representative of the Association who has a grievance shall discuss it first with the member's principal (or immediate superior or department head, if applicable) in an attempt to resolve the matter informally at that level.

3. If, as a result of this discussion, the matter is not resolved to the satisfaction of the employee or the Association within ten (10) school days, the grievance shall be set forth in writing to the principal specifying:

a. The nature of the grievance.  
b. The nature and extent of the injury, loss or inconvenience.  
c. The results of previous discussions.  
d. The member's dissatisfaction with decisions previously rendered and the relief sought. The principal shall communicate his/her decision to the teacher and the Association in writing within ten (10) school days of receipt of the written grievance.

4. a. The employee or the Association, no later than ten (10) school days after receipt of the principal's decision may appeal the principal's decision to the Superintendent of Schools. The appeal to the Superintendent must be made in writing reciting the matter submitted to the principal, as specified below, and his or her dissatisfaction with decisions previously rendered. The Superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed ten (10) school days after receipt of the written appeal. The Superintendent shall communicate his/her decision in writing to the employee, the Association, and the principal. Beyond this level, a grievance will not be processed if it applies to:

- 1) Any matter for which a method of review is prescribed by law.
- 2) Any rule or regulation of the State Commissioner of Education.
- 3) Any matter which according to law is beyond the scope of Board authority; or
- 4) A complaint by any certificated personnel occasioned by appointment to, or lack of appointment to, retention in, or lack of retention in any position for which tenure is either not possible or not required.

b. A complaint of a non-tenured teacher which arises by reason of the member not being re-employed shall be grievable through the use of the grievance procedure, but shall not be arbitrable.

5. If the grievance is not resolved to the employee's or the Association's satisfaction no later than ten (10) school days after receipt of the Superintendent's decision, the member or the Association may request a review by the Board of Education. The request shall be submitted in writing through the Superintendent of Schools who shall attach all related papers and forward the request to the Board of Education. The Board, or a committee thereof, shall review the grievance and shall hold a hearing with the teacher and Association representative and render a decision in writing within thirty-five (35) calendar days of receipt of the grievance by the Board.

6. If the decision of the Board does not resolve the grievance to the satisfaction of the employee or the Association, the Association may request arbitration of the grievance by notifying the Board through the Superintendent within ten (10) school days of receipt of the Board's decision.

7. a. The following procedure will be used to secure the services of an Arbitrator:

1) A joint request will be made to PERC to submit a roster of persons qualified to function as an arbitrator in the dispute in question.

2) If the parties are unable to determine a mutually satisfactory arbitrator from the submitted list, they will request PERC to submit a second roster of names.

3) If the parties are unable to determine, within ten (10) school days of the initial request for arbitration, a mutually satisfactory arbitrator from the second submitted list, PERC may be requested by either party to designate an arbitrator.

b. The Arbitrator shall limit him/herself to the issues submitted and shall consider nothing else. He can add nothing to, nor subtract anything from the Agreement between the parties or any policy of the Board of Education. The recommendations of the Arbitrator shall be advisory. Only the Board and the aggrieved and his representative shall be given copies of the Arbitrator's report of findings and recommendations. This shall be accomplished within thirty (30) days of the completion of the arbitrator's hearings.

#### C. Rights of Employees to Representation

1. Any aggrieved member may be represented at all stages of the grievance procedure by him/herself, or at the member's option, by a representative selected or approved by the Association.

2. When an employee is not represented by the Association in the processing of a grievance, the Association shall at the time of submission of the grievance to the Superintendent or any later level, be notified that the grievance is in process, have the right to be present, and present its position in writing at all hearing sessions held concerning the grievance and shall receive a copy of all decisions rendered.

3. The Board and the Association shall assure the individual freedom from restraint, interference, coercion, discrimination, or reprisal in presenting an appeal with respect to the member's personal grievance.

4. A grievance which affects a number of employees may at the option of those employees be filed as a single grievance on their behalf.

D. Costs

1. Each party will bear the total cost incurred by themselves.

2. The fees and expenses of the arbitrator are the only costs which will be shared by the two parties, and such costs will be shared equally.

3. If time is lost by an employee due to arbitration proceedings necessitating the retention of a substitute, the Board of Education will pay only the cost of the substitute. The time lost by the employee must either be without pay or charged to personal time.

**ARTICLE IV**  
**EMPLOYEE RIGHTS**

A. No employee shall be disciplined without just cause. Any such action asserted by the Board, or any agent or representative thereof, shall be subject to the grievance procedure herein set forth.
