GRIEVANCE PROCEDUREA. Definitions

1. A "grievance" is a claim based upon an event or condition which affects the welfare and/or terms and conditions of employment of a teacher or group of teachers and/or the interpretation, meaning or application of any of the provisions of this Agreement.

2. An "aggrieved person" is the person or persons making the claim.

3. A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

B. Purpose

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to a grievance. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

2. Nothing herein contained shall be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the administration, and having the grievance adjusted without intervention of the Association provided the adjustment is not inconsistent with terms of this Agreement.

C. Procedure

1. Grievance shall be processed as rapidly as possible. The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement. "In any case, a time limit of 30 working days" is to exist for the filing of a grievance. The 30 day limitation will commence at the time of the action or alleged action for creating the grievance or when the aggrieved person could reasonably have expected to become aware of the action, whichever is sooner. If the grievance is filed after 30 working days it will not be recognized.

2. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

3. Level One

An employee with a grievance shall first discuss it with the Superintendent, either directly or through the Association's designated Representative, with the objective of resolving the matter informally within twenty school days.

4. Level Two

If the aggrieved person is not satisfied with the disposition of his grievance at Level One, or if no decision has been rendered within five (5) school days after presentation of the grievance, he may file the grievance in writing with the Chairman of the Association's Committee on Professional Rights and Responsibilities (hereinafter referred to as the PR&R Committee) within five (5) school days after the decision at Level One or ten (10) school days after the grievance was presented whichever is sooner. Within five (5) days after receiving the written grievance, the Chairman of the PR&R Committee shall refer it to the Superintendent.

5. Level Three

(a) If the aggrieved person is not satisfied with the disposition of his grievance at Level Two, or if no decision has been rendered within ten (10) school days after the grievance was delivered to the Superintendent, he may within five (5) school days after a decision by the Superintendent or fifteen (15) school days after the grievance was delivered to the Superintendent, whichever is sooner, request in writing that the Chairman of the PR&R Committee submit his grievance to the grievance committee of the Board. If the PR&R Committee determines that the grievance is meritorious, it may submit the grievance to the grievance committee of the Board within fifteen (15) school days after receipt of a request by the aggrieved person.

(b) Within ten (10) school days after receipt of written notice of the grievance, the grievance committee of the Board shall meet with the PR&R Committee to attempt resolution of the grievance.

(c) Within ten (10) school days if no solution is rendered under the provisions of item "B", the PR&R Committee will meet with the entire Board.

(d) If no solution is reached under "C" the parties expressly agree that the resolution of the conflict shall be at the sole discretion of the Board.

If, in the judgment of the PR&R Committee, a grievance affects a group or class of teachers, the PR&R Committee may submit such grievance in writing to the Superintendent directly and the processing of such grievance shall be commenced at Level One. The PR&R Committee may process such a grievance through all levels of the grievance procedure.

2. Decisions rendered at Level One which are unsatisfactory to the aggrieved person and all decisions rendered at Levels Two and Three of the grievance procedure shall be in writing setting forth the decision and the reasons therefor; and shall be transmitted promptly to all parties in interest and to the Chairman of the PR&R Committee. Decisions rendered at Level Three shall be in accordance with the procedures set forth in this Article.
3. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.
4. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.
