Upon retirement of any employee hired on or after March 1, 2016, that employee shall not be entitled to any payment of any accumulated sick leave.

All sick time, vacation leave, holiday leave and training time off shall at time of retirement be prorated based on months of service in that current year.

No employee shall be paid for any accumulated sick time if the employee terminates their employment for any reason other than retirement.

ARTICLE VII
HOURS OF EMPLOYMENT

Section 7.1

(a) The hours of employment and the scheduling of those hours are in accordance with the Police Administration and the established Standard Operating Procedures and with Township Personnel Policies.

(b) The tours of duty times are listed in Schedule D and Schedule E to this Agreement involving schedules.

(c) Minimum staffing is the sole prerogative of the Chief of Police who has the authority and right to change staffing levels at any time.

(d) All compensated absences shall be credited to the officers in hours.

Section 7.2

Maximum number of officers permitted on leave:

(a) The maximum number of officers permitted off on a specific shift for various leave is up to a maximum of two (2) officers for Training Time Off (hereinafter referred to as TTO) – Compensatory Time Off (hereinafter referred to as CTO), flex hours or Union Leave.

(b) The use of a personal day will be permitted if minimum staffing levels are met or could be met with rescheduling or the use of voluntary overtime.

(c) This does not include any officer who has vacation leave that had been previously scheduled under the CBA block vacation time scheduling, providing minimum staffing is maintained or could be met by the use of overtime or rescheduling of personnel.

Section 7.3

Priority of Leave

(a) The concept of first submitted first approved by order of seniority will be followed.

(b) The order of priority in consideration to the maximum number of officers permitted off shall be in accordance with the following guide:

1. Personal Day
2. Compensatory Time Off – Training Time Off
3. Union Leave
4. Flex Hours

Section 7.4

(a) A superior officer shall be permitted to suspend current duties for a meal break. The TOWNSHIP shall make every reasonable effort to provide a meal break to officers during their shift. The meal break times for officers by shift is listed in Schedule D and Schedule E.

(b) The FOP acknowledges and agrees that emergencies and other exigencies of police work may, on occasion, prevent officers from receiving their meal breaks at their assigned times and, even, on occasion from receiving a meal break at all during a particular work day.

(c) In order to resolve potentially conflicting realities, the TOWNSHIP and the FOP agree that meal breaks are subject to the provisions of General Order #6.03, Issued by the Chief of Police dated January 8, 2013. This General Order details the procedures applicable to a superior officer's daily meal breaks in order to ensure that all officers receive their meal breaks.

(d) The FOP and the TOWNSHIP agree that in the event a superior officer does not receive his/her meal break for any given shift, that officer shall be compensated for the applicable meal break time at the superior officer's straight time hourly pay rate of pay. This

additional payment is intended to compensate the superior officer for having missed his/her meal break, and having worked that additional time. The payment at straight time for the meal break is not intended as a substitute for the efforts to provide the full meal break to superior officers.

(e) It is agreed between the FOP and the TOWNSHIP that officers will not be compensated if they miss only a portion of their meal break in the event that the superior officer's meal break is reduced to less than the applicable meal break time on a given work day due to the pressure of police work; nor will a superior officer be paid for a missed meal break because the superior officer could not take his/her meal break at what would otherwise have been his/her assigned time as set forth in the aforementioned General Order issued by the Chief of Police. Superior officers will only be compensated if they miss their entire meal break.

(f) The FOP and the TOWNSHIP agree that Section (e) does not authorize the TOWNSHIP to reduce superior officers' to less than the specified meal break in the Contract and the aforementioned General Order. The TOWNSHIP agrees to make every reasonable effort to afford superior officers their meal break and to allow that meal break at their assigned time.

(g) Superior officers who believe that they have been denied a substantial portion of their assigned meal break without good cause shall first call that matter to the attention of their supervisor through the chain of command. If either the FOP or the officer is not satisfied with the response, either the FOP and/or superior officer may file a grievance alleging that the superior officer did not receive his/her full meal break, and/or were not compensated for it if they missed their entire meal break.

(h) Both the FOP and the TOWNSHIP will monitor the efforts to provide meal breaks for superior officers as outlined above. In the event that the FOP believes that the TOWNSHIP has not complied with the contract or the General Order on meal breaks issued by the Chief of Police, the FOP shall bring such alleged abuse to the attention of the TOWNSHIP in an appropriate manner including, if necessary, the filing of a grievance. In such grievance, the FOP may allege, among other violations, the TOWNSHIP has required superior officers to take meal

breaks of less than their assigned meal breaks without good cause. In the event of such an allegation, the fact the FOP has agreed that superior officers only be compensated if they miss their entire assigned meal break, shall not be used as evidence against the FOP and/or as an admission by the FOP that the Contract is violated only if superior officers are denied their entire assigned meal break.

(i) Superior officers shall be permitted to have their meal period at any residential location or public restaurant not serving alcohol within a three-mile radius of the Lawrence Township municipal border.

Section 7.5

The official of the TOWNSHIP having charge of the Department of Public Safety, Division of Police, may, in the case of an emergency as defined by the applicable statutes of the State of New Jersey, summon and keep on duty any and all members of the Division of Police as such emergency shall require. In such event, the official having such authority shall first make a formal declaration of the nature and extent of the emergency and all members of the Department of Public Safety, Division of Police, thus summoned or kept on duty shall be entitled to receive overtime pay as hereinafter set forth for all time worked over the normal hours of employment as above defined. During the aforesaid emergency the TOWNSHIP shall provide for employees working during the emergency.

Section 7.6

(a) Whenever a laid-off or retired member of the Department of Public Safety, Division of Police, as part of his/her sworn duties shall be required by order or Subpoena to appear before any Grand Jury, or Municipal, State Superior, State Supreme Court or any Federal Court proceeding, resulting from the police officer's services as a Lawrence Township police officer, then the laid-off or retired police officer shall be compensated for his or her time. Said compensation shall be at a flat rate of two hundred dollars (\$200.00) per day regardless of number of hours involved and shall not receive any additional compensation. A laid-off officer

would be entitled to such payment if applicable court attendance occurred while the individual was not being paid on duty by any other employer or receiving unemployment compensation.

(b) Whenever an active member of the Department of Public Safety, Division of Police, as part of his/her sworn duties shall be required by order of Subpoena to appear before a Grand Jury, or Municipal, or State, or any Federal Court proceeding, or in a job-related court matter, the time spent shall be considered an assignment to, and performance of his/her regular duty. Said time shall include all actual time spent away from headquarters, including travel to and return from, as well as actual time in court. This time shall not be less than four (4) hours and shall be included as part of his/her hours of employment for that pay period. The minimum overtime payment for court appearances shall be no less than the four-hour minimum, regardless of the actual time spent in court.

Section 7.7

Whenever a member of the Department of Public Safety, Division of Police, as part of his/her duties, shall be required to remain after his/her normal tour of duty, which does not include special duty, in order to complete a report, maintain traffic control at a scene of an emergency or disaster, or in order to complete an investigation or to perform any other duty required by the commanding officer or by the Rules and Regulations of the Department of Public Safety, Division of Police, any such additional time shall, if authorized, ordered or approved by such member's commanding officer, be included as part of his/her hours of employment for that pay period.

When a Superior Officer of the Department of Public Safety, Division of Police is required to attend a meeting of any group that does not occur during the normal work schedule or shift of said officer he/she may divide their work schedule for the day of that meeting. The officer, with the approval of the Chief of Police, may divide their hours worked between the execution of their regular assignment and hours to be attributed to the required attendance at a meeting as a representative of the Department. The total of the divided hours will equal the same number of hours required for a complete shift of the assigned officer.

Section 7.8

Whenever a member of the Department of Public Safety, Division of Police, as part of his/her duties, is summoned to return or report to duty, including special duty assignments, other than for his/her normal tour or assignment, whether for an emergency or otherwise, he/she shall, except when a continuation of a regular tour of duty, be paid for not less than four (4) hours (or more if he/she actually works longer) and such time shall be included as part of his/her hours of employment for that pay period.

Section 7.9

(a) Whenever a member of the Department of Public Safety, Division of Police, as part of his/her duties, is assigned and designated as a canine handler, then such officer shall be entitled to compensation for the off-duty care and sustenance of the canine that is assigned to that officer, including but not limited to the feeding, grooming, walking the dog and the transporting of the dog to the TOWNSHIP Veterinarian while off duty, if necessary. The assigned officer shall be paid three thousand dollars (\$3,000.00) per year, pro rata, in addition to his/her normal rate of pay and/or longevity pay. This amount shall not be paid in a lump sum, but shall be added to the regular pay of the officer, so that the officer receives the total amount over the course of the year.

(b) Whenever a designated canine handler is scheduled to be on holiday or vacation leave, the canine handler may request that the TOWNSHIP provide shelter for the canine while the officer is on leave. Such a request shall not be denied by the TOWNSHIP. If the canine handler chooses to keep the dog in his possession during such leave periods, than the handler shall not be entitled to any additional compensation other than the compensation listed in section (a) of this Article.

(c) The TOWNSHIP shall be responsible to pay for all food, equipment, supplies, cages and medical related items for the canine in accordance with applicable purchasing laws. The TOWNSHIP also agrees to supply the canine handler with an appropriate vehicle for the on duty use and transport to and from work for the dog and handler.

(d) Whenever the canine handler is called back to duty he/she will be compensated at a rate of time and one-half ($1 \frac{1}{2}$) of his/her regular pay rate for each hour worked. There shall be no minimum overtime earnings.

ARTICLE VIII
COMPENSATION FOR OVERTIME

Section 8.1

(a) Whenever any member of the Department of Public Safety, Division of Police, in any work/tour week shall be required, directed or authorized to work for any period in excess of the normal hours of employment as defined in Schedule D and E herein, he/she shall be paid at the rate of time and one-half (1 ½) of his/her regular pay rate.

(b) For each overtime hour worked by an employee, he/she shall have the choice of CTO time off or cash compensation. The use of TTO and CTO is to be compliant with the spirit of the Collective Bargaining Agreement (CBA) and Federal Labor Standards Act (FLSA). A superior officer may, with a seventy-two (72) hour minimum notice, request TTO or CTO off. Requests can be presented not more than thirty (30) days in advance. The Police Administration shall within forty-eight (48) hours of the filing of the request approve or deny such request. Once a request is granted it shall not be withdrawn. The Police Administration shall not deny the request solely on the basis of overtime. If a denial is given it shall have the rationale for the denial which may include overtime if no one is available to take the overtime and no rescheduling is possible due to CBA time limitations. No more than two individuals on the same shift shall be granted TTO or CTO. This does not include individuals on vacation or personal leave or if an individual calls in sick. The seventy-two (72) hour minimum notification request may be waived if manpower is in excess of the minimum staffing level.

(c) If an officer is on prescheduled vacation time and wishes to work overtime, the individual may do so as it can be a financial benefit to the individual and a benefit to other officers requesting leave time and the Township in providing public safety. However, an officer cannot self-generate overtime by creating an overtime situation by taking vacation or other leave knowing they would be called to fill the overtime slot. If this situation occurs the officer

would work the day at straight time and receive another day off. This does not apply to the vacation leave that is prescheduled per this Agreement.

(d) Personal leave days are given without the consideration of staffing or overtime costs. Therefore, if an individual has requested and is on personal leave the officer is not available for any overtime assignments during his/her normally scheduled shift. This does not apply if an emergency exists or if the Chief of Police deems that the individual may work overtime other than his/her normally scheduled shift or for good of public safety.

(e) CTO scheduling shall be made in accordance with Section 8.1 (b), but in any event, said time must be taken not later than the close of the calendar year next following the year in which the right to such compensatory time accrued. Any employee may carry over up to one hundred (100) hours of CTO time into the next calendar year. Any CTO over one hundred (100) hours will be paid at the current wage rate.

(f) Any CTO accumulated prior to January 1, 2000, shall be paid at the wage rate effective January 1, 2000. Thereafter, should employee cash in his/her compensatory time or be required to be paid for compensatory time because he/she has accumulated in excess of one hundred (100) hours, he/she shall be paid at the accrued rate of pay.

(g) An employee may request to cash in compensatory time provided he/she gives twenty (20) days' notice to the Finance Department. The TOWNSHIP shall pay the officer on the first pay day after the notice period.

(h) Unless regularly scheduled to work, if any employee is called into work for any reason on a designated holiday, he/she shall be paid at a double time rate for all hours worked, but in no event should the officer be paid less than for a period of four (4) hours at the double time rate.

Section 8.2

No employee shall be entitled to be paid overtime unless such overtime is ordered, authorized or approved by his/her commanding officer.

Section 8.3

Overtime wages shall be paid at the next immediate two (2) week pay period after such overtime is recorded as provided in Section 8.1 (a) and (b) above.

Section 8.4

The method of recording hours of employment and the administration of the records and other data necessary to effectuate the purpose of this Agreement shall be established by the Chief of Police or Municipal Manager of the TOWNSHIP. However, the computation shall be to the nearest one-quarter ($\frac{1}{4}$) hour.

Section 8.5

Whenever a member of the Department of Public Safety, Division of Police, as part of his/her sworn duties shall be required by order of Subpoena to appear before a Grand Jury, or Municipal, or State, or any Federal Court proceeding, or in a job-related court matter, the time spent shall be considered an assignment to, and performance of his/her regular duty. Said time shall include all actual time spent away from headquarters, including travel to and return from, as well as actual time in court. This time shall not be less than four (4) hours and shall be included as part of his/her hours of employment for that pay period. The minimum overtime payment for court appearances shall be no less than the four-hour minimum, regardless of the actual time spent in court."

ARTICLE IX

WAGES

Section 9.1

(a) The wages of employees covered by this Agreement shall be as set forth on Appendix "A."

ARTICLE X
JOB CLASSIFICATION DIFFERENTIAL

Section 10.1

When a member of the FOP is assigned by the Chief of Police, in writing, in an acting capacity to perform work of a higher rank, the employee so assigned in an acting capacity shall be paid at a higher rate of pay from the time he/she is so assigned in an acting capacity until the completion of his/her tour in that higher rank.

ARTICLE XI
DUES DEDUCTIONS

Section 11.1

The TOWNSHIP shall, upon receipt of written authorization from a member of the FOP, deduct the regular monthly dues of such member from his/her pay and remit such deduction by the succeeding month to the official designated by the FOP to receive such deductions. The FOP will notify the TOWNSHIP in writing of the exact amount of such regular membership dues to be deducted. The authorization shall remain in effect during the life of this Agreement. The FOP shall indemnify, defend and save the TOWNSHIP harmless against any and all claims, demands, suits or other forms of liability that shall rise out of reliance upon dues deduction authorization forms submitted.

Section 11.2

Union Security

An employee in the bargaining unit on the effective date of this Agreement who does not join the union within ninety (90) calendar days thereafter, any new employee who does not join within ninety (90) calendar days of initial employment within the unit, any previously employed person within the unit who does not join within ten (10) calendar days of re-entry into employment within the unit shall, as a condition of employment, pay a representation fee to the union by automatic payroll deduction. The representation fee shall be an amount up to 85% of the regular union membership dues pursuant to N.J.S.A. 34:13A-5.5 et seq. and as such fees and assessments as certified to the employer by the union. Section 15.2

Shift Selection Process

(a) Shift selections for the forthcoming calendar year shall begin on or about October 1st of the prior calendar year. The Chief of Police shall poll each employee for the primary shift which they desire to work, along with their alternate selections, should the first selection not be available. As first consideration, selection of the desired shift by an employee shall be by seniority. The Chief of Police reserves the right to assign any employee with less than five (5) years as a member of the Department to any shift in the 12 hour work schedule that is deemed necessary for the purpose of providing adequate levels of experience to each shift. For this, no explanation is required. When an employee with more than five (5) years of service with the Department is placed on a shift other than his/her first selection, the Chief of Police shall, upon request, provide a reasonable explanation of need demonstrating that no other employee of lesser experience could fill the level of experience needed on a specific shift. However, the Chief of Police shall make the final assignment. Vacation selection shall begin on or about November 1st of the current calendar year for the forthcoming calendar year only after shift preference selection has been completed. Vacation selection shall be selected by each employee according to rank and then by order of seniority within rank within the Police Department within their respective squads and platoons as designated by the Chief of Police and this Agreement.

Vacation allowance must be taken during the current calendar year at such time as permitted or directed by the TOWNSHIP unless the said TOWNSHIP determines that it cannot be taken because of pressure of work. Any unused vacation time may, with the approval of and as scheduled by the Chief of Police, be carried forward into the succeeding year, pursuant to Civil Service Rule 4:1-17.11. An employee who has scheduled vacation canceled by the TOWNSHIP because of pressure of work will be allowed to take that vacation period at any time during the following year, and at a time the employee chooses.

If the employer and employee cannot agree on when the time is to be taken, the employee shall have the option of receiving time off but if this is not possible, then he/she shall receive a cash payment equivalent to the time owed.

Section 15.3

(a) Employees of the Department of Public Safety, Division of Police, shall have their holiday leave and vacation leave combined in such a way that there will be distinct periods of time off during each calendar year.

40 HOUR WORK SCHEDULE (including both the five eight (8) hour workday and the ten (10) hour workday)

(b) Employees can choose either two (2) distinct three-week periods: one (1) three (3) week period during the designated summer months of each calendar year; and one (1) three (3) week period during the designated winter months of each calendar; or take three (3) distinct vacation periods of two (2) weeks off, of which one (1) two (2) week period would be during the designated summer months for each calendar year and the other two (2) week period would be during the designated winter months during each calendar year. After the first selection round is completed, each officer, by seniority within his/her designated group pick shall select his/her remaining vacation/holiday leave in any "work week" he/she chooses.

12 HOUR WORK SCHEDULE

(c) During the first round of vacation leave selection, employees shall choose by rank and then by seniority within his/her platoon or squad as designated in Section 15.3, six (6) distinct vacation calendar weeks off, of which up to two (2) vacation calendar weeks may be during the designated summer months of each calendar year, with the other four (4) vacation calendar weeks during the designated winter months of each calendar year. Employees may not select a total of vacation calendar weeks that exceed the total annual leave available to the employee.

After the first round selection, each employee's remaining leave time will be recalculated due to employees selecting different ratios of 24 hour and 60 hour vacation calendar weeks. Each employee, by rank then by seniority within his/her platoon or squad as designated in Section 15.3, shall then select his/her remaining vacation/holiday time in any open vacation calendar week he/she chooses.

After the second round selection, employees will have the opportunity by rank then by seniority within his/her platoon or squad as designated in Section 15.3, to change any vacation calendar week to an available vacation calendar week, so long as the employee has enough leave time to take the available vacation calendar week. This will be done by filing a memorandum of request to the Chief of Police.

After an employee makes his/her leave selection if the employee has less than 36 hours of Vacation leave left, this time will be "Flex Time". An employee may only vacate Vacation leave to get up to 36 hours of "Flex Time".

If an employee selects a 24 hour vacation calendar week off, he/she must take both days off. If an employee selects a 60 hour vacation calendar week off, he/she must take all 5 days off. The only exception is if the employee vacates a day(s) to use it as "Flex Time".

If, after an employee selects his/her annual leave, the employee has less than 36 hours of "Flex Time" the employee may only vacate a day to get up to 36 hours of "Flex Time". If by vacating a day the employee goes over 36 hours of "Flex Time", the day may not be vacated.

If, after an employee selects his/her annual leave, the employee has more than 36 hours of "Flex Time" the employee may not vacate any additional days.

Employees shall use any residual Vacation Leave from the previous year as the first Vacation Leave of the current year.

(d) Selection of vacation shall be in accordance with the rules and regulations of the Lawrence Township Police Department procedures but are subject to the following:

(i) If an officer desires to change a previously scheduled vacation period (week) and no other officer has chosen that week during the period of initial vacation picks than it shall be approved.

(ii) If an officer desires to switch with another individual a week that has been picked during the initial vacation pick process, that individual must have every individual that is senior to the junior person in which the swap involves sign off that they would not want the week involved. This switch must be by mutual consent of all parties involved

(iii) If two officer wish to switch a single vacation day by mutual consent it is acceptable with the proper notification.

(e) A superior officer can hold up to thirty-six (36) hours, referred to as "flex hours" of their total vacation time allotment to be used during the year it is credited. The superior officer must request the vacation leave with a minimum of seventy two (72) hours notification. The request can be presented no more than thirty (30) days in advance. The Police Administration shall within forty eight (48) hours of the request filing notify the individual if approved or denied. Once the "flex hours" are approved it shall not be withdrawn by either party. The individual "flex hours" leave requests shall be approved or denied based on minimum staffing levels and/or the ability of Police Administration to reschedule individuals to cover the position. Flex hours are in addition to vacation hours but part of the total earned vacation leave.

(f) Any excess holiday leave or vacation leave will be given off during any time of the year that is mutually agreeable between said employee and the Chief of Police. The superior officer by mutual written consent and with the approval of the Chief of Police or his designee may swap work tour assignments. Neither of the requests shall be unreasonably denied.

(i) Vacation periods will be defined as follows for each calendar year:

"Winter" = January through the second Thursday in May and the last Friday in September through December 31st.

"Summer" = The second Friday in May through the last Thursday in September, except for the week of the FOP Convention.

(f) If upon retirement a superior officer waives the receipt of Health Benefits coverage, the TOWNSHIP will "buy back" said coverage in the amount of five-thousand dollars (\$5,000) annually for the duration of time the superior officer would have otherwise been eligible to receive said health benefits. If during the "buy back" period the superior officer can no longer waive coverage due to an event that meets the requirements of reinstatement of coverage, the superior officer would be eligible to receive health benefits for the remaining period of time of retirement eligibility. The five thousand dollars (\$5,000) will be paid in the amount of two thousand five hundred dollars (\$2,500) on July 1 of each year and two thousand five hundred dollars (\$2,500) on December 1st of each year. Section 21.2

If the parties to the Agreement reach a mutual agreement, the grievance procedure may be accelerated, i.e., steps can be skipped and time periods reduced by mutual agreement. Moreover, in grievances involving appeals of decisions rendered by the Chief of Police in matters of discipline relating to employees covered by this Agreement, the parties agree that all such grievances will automatically begin at Step #3 (TOWNSHIP Manager), thereby skipping Steps #1 and #2 of the Grievance Procedure in such cases.

This shall not preclude the employer from subsequently modifying, amending or changing the statute, rule or regulation under which the charges are brought. Also, at the commencement of any interrogation of such officer in connection with any such investigation, the officer shall be informed of the identity of all persons present during such interrogation. All questions asked in any such interrogation, whenever practicable, shall be asked by or through a single interrogator.

I am advising you that you are being questioned as part of an official investigation of the Police Division. You will be asked questions specifically directed and narrowly related to the performance of your official duties. You are entitled to all the rights and privileges guaranteed by the laws of the State of New Jersey, the Constitution of this State and the Constitution of the United States, including the right not to be compelled to incriminate yourself and the right to have legal counsel present at each and every state of this investigation.

I further advise you that if you refuse to testify or to answer questions relating to the performance of your official duties, you will be subject to Departmental charges which could result in your dismissal from the Police Division. If you do answer questions, neither your statements nor any information of evidence which is gained by reason of such statements can be used against you in any subsequent criminal proceeding. However, these statements may be used against you in relation to subsequent Departmental charges.

f. It is understood that the provisions of Paragraph Two above shall not preclude initial or preliminary inquiries by the employer and shall only apply upon the commencement of a formal investigation or the filing of a complaint.

3. All investigations against superior officers shall be conducted expeditiously. At least every two months after the commencement of such investigation, as determined by the date that the notification of complaint is served upon the officer, the officer, if he so requests, is to be informed of the status of the pending investigation. If charges are to be brought against the officer, they should be brought as promptly as possible to ensure that no unnecessary delay occurs which might prejudice the officer's defense and, unless unusual circumstances exist, no officer should be prosecuted by the Department for the alleged infraction of any rule if more than ninety (90) days transpire between the date the Chief of Police or appropriate superior officer had knowledge or should reasonably have had knowledge of the alleged infraction by virtue of information that is normally transmitted to him by routine administrative processes and the service of the preliminary notice of disciplinary action.

The superior officer may, on proper notice, inspect these materials at the discretion of the Chief of Police.

5.
