AGREEMENT

This Agreement between Rutgers, The State University (hereinafter called the "University") and the Rutgers Faculty, represented by the RUTGERS COUNCIL OF THE AMERICAN ASSOCIATION OF UNIVERSITY PROFESSORS CHAPTERS (hereinafter called the "AAUP") is made and entered into on this 21st day of February, 1984.

I - PURPOSE

The parties recognize and declare that it is their mutual goal to maintain a harmonious relationship in determining conditions of employment. To this end they mutually enter into this agreement intended to state the employment relations between the University and the AAUP.

II - ACADEMIC FREEDOM

The parties hereto recognize the principles of academic freedom as adopted by the University's Board of Governors on January 13, 1967.

III - RECOGNITION

1. The University recognizes AAUP as the sole and exclusive bargaining representative of all Rutgers University faculty members, teaching assistants and graduate assistants as hereinafter defined. Groups of employees may be added or deleted by mutual consent of the parties.

2. The terms "faculty member" and "faculty members" shall include all of the following academic personnel currently employed or to be employed by Rutgers to discharge at least one-half (50%) of a full-time academic job assignment:

(a) All faculty members with the rank of professor, associate professor, assistant professor, instructor, assistant iustuctor, lecturer, research associate and adjunct faculty who are engaged in instruction, research, or other academic service; and

(b) Members of the research, library, general extension, and cooperative extension staffs and those others, who, by virtue of University regulations hold equivalent rank (see Appendix A) to the faculty categories enumerated in (a) above.

(c) Faculty members who are engaged in instruction and/or research for fifty percent or more of their time during the academic year and who hold the title of associate dean, assistant dean, assistant to dean or academic director.

3. The terms "graduate assistant" and "graduate assistants" and "teaching assistant" and "teaching assistants" shall include all University personnel holding the titles of graduate assistant and teaching assistant.

4. Excluded are all officers of administration including deans, associate deans, assistant deans, assistants to deans, academic directors who are not engaged in instruction or research for fifty percent or more of their time during the academic year, visiting professors, honorary professors, fellows, all members of the coadjutant staff, all those persons who administer or help to administer a major academic unit or program of the University, and all other employees of the University.

5. Teaching assistants and graduate assistants shall be covered by this Agreement except to the extent specifically provided for herein.

IV - NONDISCRIMINATION

In the application of provisions of this Agreement or University regulations and policies affecting terms and conditions of employment, there shall be no discrimination by the University or the AAUP against any member of the bargaining unit because of race, creed, color, sex, religion, nationality, marital status, age, handicap, status as a Vietnam-era or disabled veteran, sexual orientation, membership or non-membership in or activity on behalf of or in opposition to the AAUP.

Grievances in respect to this provision applicable to Article IX shall be heard as Category Two grievances.

V - DEDUCTION OF PROFESSIONAL DUES

The University agrees to deduct on a pro-rata basis from each bi-weekly pay check the annual AAUP professional dues of each member of the bargaining unit as defined herein, who furnishes a voluntary written authorization for such deduction, on a form acceptable to the University. Each member of the bargaining unit may cancel such written authorization by giving written notice of such cancellation to the University and AAUP only between December 14 and December 31 of any year to be effective January 1 of the ensuing year. The amount of AAUP professional dues shall be such amount as may be certified to the University by AAUP at least thirty (30) days prior to the date on which deduction of AAUP professional dues is to be made. The University shall remit to the AAUP all professional dues deducted pursuant hereto every two weeks together with a list of names of members of the bargaining unit from whose pay such deductions were made.

VI - REPRESENTATION FEE

1. Representation Fee Deduction

The parties agree that as of the effective date of this Agreement all employees in the bargaining unit who are not, and do not become, members of the Rutgers Council of AAUP Chapters, shall have deducted from their salaries and forwarded to the Rutgers Council of AAUP Chapters a representation fee in a manner and in an amount as provided below, provided that more than 50% of the faculty members of the bargaining unit are members of the Rutgers Council of AAUP Chapters. Thereafter, as of the second payroll date in July of each year of this Agreement, or any extension thereof, if more than 50% of the faculty members of the bargaining unit who receive paychecks on that date are members of the Rutgers Council of AAUP Chapters, then, for the twelve month period, commencing as of the first payroll date in September of the same year of this Agreement, representation fees shall be deducted from the salaries of members of the bargaining unit who are not members of the Rutgers Council of AAUP Chapters. Notwithstanding the above, in the last year of this Agreement representation fees shall be deducted for the approximate ten month period commencing as of the first payroll date in September and ending as of the last payroll date in June of the last year of this Agreement from the salaries of members of the bargaining unit who are not members of the Rutgers Council of AAUP Chapters. If on the second payroll date in July of any year of this Agreement, or any extension thereof, less than or equal to 50% of the faculty members of the bargaining unit are members of the Rutgers Council of AAUP Chapters, then, for the twelve month period commencing as of the first payroll date in September of the same year of the Agreement, no representation fees shall be deducted from the salary of any member of the bargaining unit.

Deduction of representation fees in accordance with the provisions of this Article shall continue during any extension of this Agreement. Each party reserves its rights concerning continuation and/or discontinuation of deduction of representation fees at the expiration of this Agreement, any extension of this Agreement, or during the interim period between Agreements.

2. Representation Fee Amount

At least thirty (30) days before the effective date of the representation fee, or any subsequent modification thereof, the AAUP shall notify the University of the representation fee sum to be deducted from non members' salaries. Any change in the representation fee shall be made upon written notification to the University.

3. The representation fee shall be deducted from non members' salaries in biweekly installments only in accordance with Section 1. above and as provided herein. Representation fee deductions from the salaries of all non member employees shall commence on or after but in no case

sooner than the thirtieth (30th) day following the beginning of an employee's employment in a bargaining unit position or the tenth (10th) day following reentry into the bargaining unit for employees who previously served in bargaining-unit positions and who continued in the employ of the University in a non-bargaining-unit position. For the purpose of this Article, academic year employees shall be considered to be in continuous employment.

If, during the course of the year, the non member becomes an AAUP member, the University shall cease deducting the representation fee and commence deducting the AAUP dues after written notification by AAUP of the change in status. Conversely, if, during the course of the year, the AAUP member directs the University to cease AAUP dues deductions in a manner appropriate under the terms of the dues checkoff agreement, the University shall commence deduction of the representation fee after written notification by the AAUP of the change in status. After deduction, representation fees shall be transmitted to the AAUP in the same manner and in the same time as AAUP dues.

4. Notice to Bargaining Unit Members

In November of each year of this Agreement, the AAUP shall provide to each member of its bargaining unit a letter concerning the provisions of Article V and Article VI of this Agreement. Such letter shall include the following statement:

"The obligation for paying representation fees to the AAUP is determined by the percentage of faculty who are dues-paying members of the AAUP. If more than 50% of the faculty are dues-paying members of the AAUP, then all faculty and Teaching and Graduate Assistants in the bargaining unit who are not dues-paying members must pay representation fees. An individual may become a dues-paying member of the AAUP at any time during the year, but they may withdraw from membership only between December 14 and December 31 of any year."

5. Indemnification

The AAUP shall indemnify and save harmless the University against any and all claims, demands, suits, judgments, settlements, or any other forms of liability including reasonable counsel fees and other costs of defense, that shall arise out of or by reason of action taken or not taken by the University for the purpose of complying with any of the provisions of this Article, including but not limited to, any actions in connection with defending the legality of this indemnification provision.

- a. The liability of the AAUP to indemnify the University for costs of defense shall not exceed in any year of this Agreement the following percentages of the total amount received as representation fees by the AAUP during said year: 6% for the period from July 1, 1983 through June 30, 1984; 12% for the

period from July 1, 1984 through June 30, 1985; 20% for the period from July 1, 1985 through June 30, 1986. This limitation of liability shall not apply to any orders, judgments, or settlements which require restitution of funds forwarded to the AAUP.

- b. Neither the University nor the AAUP will challenge the legality of indemnification provisions of this Article. In the event this indemnification of the University by the AAUP is challenged in any forum by any person or entity, the University and the AAUP agree to defend the legality of the indemnification provision. In the event that this indemnification provision is deemed to be illegal or against public policy by any court or administrative agency or competent jurisdiction, then effective the date on which the AAUP no longer remits payments to the University as provided hereinabove, the AAUP agrees it will reduce by the following percentages the representation fee in effect at that time:
 - 6% during the period from July 1, 1983 through June 30, 1984;
 - 12% during the period from July 1, 1984 through June 30, 1985;
 - 20% during the period from July 1, 1985 through June 30, 1986.
- c. The University shall retain its right to determine its course of conduct, including but not limited to, the right to select counsel and determine strategy, in any action arising out of or by reason of the provisions of this Article.
- d. The University shall not challenge the legality of the representation fees provided for in this Article in any forum.
- e. A detailed statement of services rendered in connection with with counsel fees referred to hereinabove shall be provided to the AAUP on a quarterly basis. The AAUP shall remit payment to the University within thirty (30) days after receipt of each such statement.
- f. The indemnification provisions of this Article shall continue during any extension of this Agreement or during any period in which the AAUP is collecting representation fees in accordance with this Article.

VII - DESIGNATION OF AAUP REPRESENTATIVES AND THEIR PRIVILEGES

1. The University and AAUP agree to recognize the designated representatives of each for the purposes of collective negotiations, such designation to be made in writing by each party to the other. This designation shall not preclude others, in reasonable numbers, from attending collective negotiations at the invitation of either party for the purpose of providing factual knowledge or expertise with respect to a particular subject for collective negotiations.

2. The University agrees that up to five faculty members designated by the AAUP may devote a portion of their professional time to official AAUP business. The AAUP will provide the resources to permit the release of certain AAUP designees from a portion of their professional duties and such designees shall be released only from those professional duties for which up to the cost of one Teaching Assistant will provide adequate replacement funds.

The AAUP shall in writing notify the Vice President for University Personnel of those individuals who the AAUP wishes to designate for such release time as provided above. Such notice shall specify the duties from which the faculty member requests release and shall be provided in a timely manner which permits the University to determine whether the release is consonant with the needs of the academic program and, if so, to make adequate provision for covering those professional duties from which the faculty member requests release. Such requests for release may not be unreasonably denied, and a written statement for the reasons for denial shall be given to the AAUP upon request within 10 working days of that request.

The University shall provide to the AAUP a detailed statement specifying the replacement charges for which the AAUP is billed.

The AAUP shall each year in writing inform the Vice President for University Personnel of the identity and terms of office of the AAUP officers and the nature of their responsibilities. In addition, the Vice President for University Personnel shall in writing inform appropriate deans and other academic officers serving as superiors to the duly elected officers of the AAUP of the identity of these officers and the nature of their responsibilities.

3. Representatives of AAUP shall be permitted to transact official business on University property at all reasonable times, provided that this shall not interfere with or interrupt normal University operations.

4. AAUP and its representatives shall have the right to use University buildings at all reasonable hours for meetings provided they follow regular University procedures.

5. AAUP shall have the right to make reasonable use of the University facilities and equipment, including duplicating, computing and office equipment, and available audiovisual equipment, all in accordance with University procedures. AAUP shall pay reasonable costs for the use of facilities and equipment.

6. AAUP shall have the right to post bulletins and notices to the employees it represents, relevant to official AAUP business, without seeking permission or approval.

7. A packet of materials prepared by AAUP and provided to the administration in sufficient numbers shall be sent to each new bargaining unit member of the University as part of the total package sent by the University prior to employment.

Article IX - Grievance Procedure

- A. Grievances under this Procedure.

1. A grievance under this Article IX is defined as:

Category One:

An allegation that, with respect only to those provisions of this Agreement which affect terms and conditions of employment as that concept has been defined by law, there has been a violation of such a provision or provisions of this Agreement which has affected the terms and conditions of employment of a member or members of the bargaining unit.

or

Category Two:

An allegation that, with respect only to those University policies, agreements, administrative decisions or Regulations which affect terms

and conditions of employment as that concept has been defined by law, there has been a misrepresentation, misapplication or violation of such a University policy, agreement, administrative decision or Regulation which has affected the terms and conditions of employment of a member or members of the bargaining unit.

2. Excluded from this grievance procedure are:
 - a. All matters defined grievable under the terms of other grievance procedures between the University and the AAUP;
 - b. An allegation regarding the evaluation of a grievant for reappointment, promotion and/or tenure, as provided in Article X of this Agreement;
 - c. An allegation regarding a violation of the University Regulations or this Agreement or established policy or practice regarding reappointment of Teaching Assistants/Graduate Assistants, as provided in Article XI of this Agreement.
3. A grievance under this Article may be filed by a bargaining unit member or members, if more than one member has been affected, or by the AAUP. A grievance filed by a member or members of the bargaining unit may only be filed with the AAUP and will be promptly transmitted to the Vice President for University Personnel by the AAUP.
4. Any matter which is mandated by law to be a subject of a grievance procedure of the Agreement and which has not been provided for herein shall be deemed a Category Two grievance.

B. Requirements for Filing.

1. A grievance must be filed in writing within six months of the date on which the grievant should reasonably have known of its occurrence, or within 30 working days if the grievant is requesting an accelerated schedule. The written statement of the grievance shall specify whether the grievance is a Category One or a Category Two grievance or both; shall contain a statement of the facts surrounding the grievance; shall specify the provision or provisions of the Agreement, Regulations, policies, agreements or administrative decisions which allegedly have been violated, misapplied or misinterpreted; and shall specify the relief sought. In addition, where the substance of the grievance concerns a dispute between bargaining unit members, the grievance filing shall show evidence of an effort to resolve the matter with the appropriate dean. Such efforts at informal resolution of grievances shall not affect the timeliness requirements of this procedure.
2. Grievances submitted from New Brunswick shall be delivered to the New Brunswick office of the AAUP, in which case the delivery date will establish the timeliness of the filing. Grievances submitted from the Camden and Newark Campuses as well as other locations outside New Brunswick shall be sent by United States mail to the New Brunswick office of the AAUP, in which case the postmark date will establish the timeliness of filing.

3. Relevant information, material, and documents concerning a grievance shall be provided, if available, by either party upon written request of the other party within 15 working days.

C. STEP ONE

1. Within 45 working days of the receipt of the grievance by the Vice President for University Personnel, or within 15 working days if the parties agree that the problem requires an accelerated schedule, the Vice President for University Personnel or his/her designee shall render a written response.
2. The Vice President for University Personnel or his/her designee, simultaneously with submitting his or her written response to the grievant, shall also submit a copy of the response to the AAUP.
3. The Vice President for University Personnel or his/her designee(s) may conduct such investigation as he or she may require in order to render a written response, including meeting(s) with the grievant and other individuals who are determined by the Vice President for University Personnel or the AAUP to be concerned in or to have knowledge of the matter.
4. The grievant will have the opportunity to meet with the Vice President or his or her designee if the grievant requests such a meeting within 10 working days of the filing of the grievance. The meeting shall be scheduled within 10 working days of the request.
5. In instances when the parties agree that the problem requires an accelerated schedule, if a meeting is requested at the time the grievance is filed, it shall be scheduled within five working days of the receipt of the grievance.
6. Where the grievant alleges that the grievance concerns an immediate health or safety problem the grievance shall be heard on an accelerated schedule.
7. The grievant may be assisted by up to two representatives approved by the AAUP. The University shall have the right to assume that any representative who appears with the grievant is approved by the AAUP. The grievant's representatives shall be members of the bargaining unit and/or AAUP staff. Although the University may request members of the bargaining unit to participate in the investigation of, and meetings about, a grievance, a member of the bargaining unit may not be a designee of the Vice President for University Personnel or a formally designated representative of the University.

D. STEP TWO - ARBITRATION

1. If the AAUP is not satisfied with the disposition of the grievance at Step One, the AAUP--upon written notification to the Vice President for University Personnel and written request to the State Mediation Service for a list of arbitrators within 30 working days of receipt of the Step One decision or within 15 working days if the grievance has been heard

on an accelerated schedule at Step One--may appeal the grievance to arbitration. If the AAUP determines that either it or an individual bargaining unit member(s) cannot arrive at a decision on whether to proceed to Step Two within the 30 working days provided herein, it will so notify the Vice President for University Personnel during this period. This notice will extend the period for invoking Step Two for a period of 30 additional working days. Additional extensions may be agreed to by the parties, and if such an agreement is made it shall be set forth in writing. No extensions beyond the original 15 working days provided for filing of an appeal to Step Two shall be available in instances when the grievance has been heard on an accelerated schedule at Step One except by written mutual agreement of the parties. If no decision is rendered within the time limits specified in C.I. above, the AAUP may appeal the grievance to Step Two within six months of the last day on which the Step One decision would have been timely rendered.

2. Where a grievance concerning a health or safety problem has been heard on an accelerated schedule at Step One and has been timely appealed to Step Two, the AAUP and the University will each make an effort to obtain a prompt hearing of the grievance at Step Two.
3. The arbitrator shall conduct a hearing and:

- a. Binding Arbitration

In the case of Category One grievances, render a decision which shall be final and binding on the AAUP, the grievant(s) and the University;

or

- b. Advisory Arbitration

In the case of Category Two grievances, render a recommendation to the Office of the President. The President's decision will be final and binding for all internal University purposes. Such decision will be rendered within 15 working days of receipt of the arbitrator's report. If the President modifies or rejects the recommendations of the arbitrator, he/she will set forth the reasons for such modification or rejection.

4. The arbitrator's decision or recommendation shall be rendered in accordance with law. The arbitrator shall not have the authority to amend, alter, or in any way change a University policy, Regulation, established practice or provision of this Agreement.
5. Any party may request a stenographic record. If such transcript is agreed upon by the parties, or in appropriate cases determined by the neutral arbitrator, to be the official record of the proceeding, it must be made available to the arbitrator, and to the other party for inspection, at a time and place determined by the arbitrator. The total cost of such a record shall be shared equally by those parties that order copies. Either party may tape the arbitration proceeding, but the tape shall not constitute the official record. The tape may be

used only for the purpose of preparing the case and may not be used for any other purpose or in any other forum.

6. The arbitrator shall be selected from the lists of arbitrators supplied through the New Jersey State Mediation Service under the rules of that agency.
7. The costs and expenses incurred by each party shall be paid by the party incurring the costs, except that the fees of the neutral arbitrator and the fee, if any, of the administering agency shall be borne equally by the University and the AAUP.

F. Miscellaneous

1. "Working Days" are all days on which the administrative offices of the University are open for business as specified in the administrative calendar. "Months" are calendar months, and they are unaffected by any of the University's working calendars.
2. The time limits in this Article may be extended at any time by written agreement of the parties to this Agreement. Upon advance written notice to the AAUP and the University, a grievant who is on an academic year appointment may request that some or all of the period between Commencement and September 1 be excluded from the time limits in this procedure. Such requests shall not be made unreasonably and shall include the reasons for the request.

A contention by the AAUP that a University decision that a grievance is not timely filed is in error shall be expeditiously submitted to binding arbitration unless the parties to this Agreement mutually agree otherwise. Until the timeliness matter is resolved, the grievance filed shall remain in abeyance.

3. In order to assist AAUP in its determination as to whether or not the grievance should be pursued beyond Step One, the Vice President for University Personnel or his or her designee, upon request of AAUP, shall make available to the AAUP a copy of the written policy, Regulation, agreement or administrative decision affecting terms and conditions of employment as defined by law, cited in his or her written response as a basis of the answer to the grievance.
4. Whether or not pursued, this procedure shall constitute the sole and exclusive right and remedy of bargaining unit members and the AAUP for any and all claims cognizable under this procedure. A written response at Step One which is not appealed to Step Two, by written notification to the Vice President for University Personnel in accordance with Section D.1. above shall be considered a binding and final settlement of the grievance. If there is no written response at Step One and the AAUP does not timely appeal to Step Two the grievance shall be considered as having been withdrawn.
5. Exception as to Category Two Grievances. If the AAUP does not timely invoke Step Two in accordance with Section D.1. above, and the AAUP and/or the grievant(s) commence a Court proceeding pertaining to the

grievance within 45 working days of the last date upon which the AAUP could have timely invoked Step Two, the defenses of exhaustion of remedies or exclusivity of the grievance procedure will not be available to the University in such Court proceeding. Nothing contained herein shall be construed or implied as a recognition by the University that the AAUP and/or grievant has any enforceable right against the University with respect to any misinterpretation, misapplication or violation of University policy, agreement, administrative decision or Regulation.

6. The exclusivity of remedies and exhaustion of procedures provided for in this Article are not intended nor shall they apply to rights of individual bargaining unit members that arise from sources independent of this Agreement, University policies, agreements, administrative decisions or regulations.

X - FACULTY PERSONNEL GRIEVANCE PROCEDURE

I. Definitions of a Grievance and Grievant

- A. A grievance under Article X is an allegation that, in an evaluation which resulted in failure to award reappointment, promotion and/or tenure, there occurred a material procedural violation of 1) the Academic Reappointment/Promotion Instructions and/or their appendices applicable in the year in which the grievant was evaluated, and/or 2) this Agreement, and/or 3) a University Regulation or an established practice of the University related to reappointment or promotion. An established practice within the meaning of this Article is one which is not inconsistent with either a University Regulation or a provision of this Agreement.

A violation within the meaning of this Article also takes place when the action taken pursuant to 1), 2) or 3) above is arbitrary or capricious, based on personal prejudice against the grievant and/or based on discrimination against the grievant because of race, creed, color, sex, religion, natinnality, marital status, age, handicap, status as a Vietnam-era or disabled veteran, sexual orientation, membership or non-membership in or activity on behalf of or in opposition to the AAUP.

- B. A grievant within the meaning of this Article is a faculty member in the bargaining unit who files a grievance under this Article. A grievant shall retain the right to process a grievance to completion regardless of his/her employment status.
- C. The initial statement of grievance shall be presented on a form mutually acceptable to the AAUP and the University and must:
 1. identify the alleged violations in the evaluation of the grievant as specified in A. above;

2. identify the evaluator(s) and/or evaluating bodies who allegedly committed the violations specified in C.1.; and,
 3. explain what alleged actions were committed or omitted that led to the violations specified in C.1.
- D. A grievance may be resolved informally by the grievant and the University at any time. The informal resolution of a grievance shall not constitute precedent for the formal or informal resolution of any grievance or for any other purpose. A grievance filing shall normally provide evidence of an attempt to reach informal resolution.

11. Filing Procedures

- A. Grievances shall be filed with the Office of the Vice President for University Personnel according to the schedule specified in Section VII. Such grievances shall be logged in as to date of receipt and forwarded within one working day to the Reviewing Officer and to the AAUP.
- B. Such grievances shall be reviewed by the Reviewing Officer who shall determine if the grievance filing complies with Section I.A., B., and C. above and Section VII. below and forwarded by him/her as per provisions A. through E. below within ten working days of the date on which the grievance was filed.
- C. The Reviewing Officer shall forward to the appropriate Provost's office each grievance statement which meets the filing requirements. Notices of the acceptance of the grievance shall be sent to the grievant and to the AAUP within 15 working days of the filing.
- D. When the Reviewing Officer finds that a grievance statement does not meet the filing requirements, he/she shall return it to the grievant within 13 working days with a written statement specifying the defects leading to its rejection. A copy of such statement shall at the same time be sent to the AAUP. If the Reviewing Officer is unable to meet the deadlines specified herein, he/she shall so notify the AAUP in writing and an appropriate extension of time shall automatically be granted to the grievant.
- E. Unless the Reviewing Officer has held the grievance to be untimely, the grievant may resubmit a revised statement within ten working days of receipt of the letter rejecting the grievance. Such resubmission to the Reviewing Officer shall be handled according to the above procedure. Failure to resubmit a revised statement within ten working days or to appeal the Reviewing Officer's action as provided in II.G. below will constitute withdrawal of the grievance.
- F. If the Reviewing Officer finds the grievance to be untimely, the grievant may appeal this finding to the Filing Board, as provided in II.G. below.
- G. In the event the grievant does not accept the action taken by the Reviewing Officer:

1. The grievant may submit the issue to the Filing Board. Such submission must be made within five working days of receipt of the Reviewing Officer's action.
 2. The grievant may request a hearing before the Filing Board. Such hearing shall be held within seven working days of receipt of the issue. The grievant may be represented by an AAUP advisor at such hearing.
 3. The Filing Board shall review the submissions and render a decision in writing within ten working days of receipt.
 4. If the Filing Board sustains the claim that the grievance filing meets the filing requirements, or should be accepted as timely filed, it shall forward the grievance statement to the appropriate Provost's office with notice of acceptance to the grievant, the AAUP, and the Reviewing Officer.
 5. If the Filing Board rejects the claim that the grievance statement meets the filing requirements, it shall notify the grievant, the AAUP and the Reviewing Officer of its decision in writing. If the grievance has been rejected for reasons other than timeliness, the grievance may be resubmitted according to the provisions of C. above. The decision of the Filing Board shall explain the reasons for rejecting the grievant's claim. Copies of the decision shall be sent to the AAUP and the Reviewing Officer.
 6. The decision of the Filing Board shall be binding on the grievant, the University, and the AAUP.
- H. Within 15 working days after notification of acceptance of a grievance has been given pursuant to Sections II.C. or C.4. above, the grievant shall submit to the Vice President for University Personnel an expanded grievance statement. The expanded grievance statement shall clearly define the issues of the grievance that had been specified in the initial grievance statement and shall include a full explanation of the alleged violations as defined in I.A. above in the evaluation for reappointment, promotion and/or tenure. The expanded grievance statement shall identify to the extent possible documents and potential witnesses pertinent to the grievance and shall identify their relevance to the allegations. Within 25 working days of receipt of the expanded grievance statement, the University shall forward to the grievant and the AAUP a written response to the particulars of the grievance. The University's response shall address each allegation, shall identify to the extent possible documents and potential witnesses pertinent to the grievance and shall identify their relevance to the allegations. The Vice President for University Personnel shall, at the same time, forward both grievance statements and the University's response to the grievance committee.
- I. Prior to the start of the hearing, the University shall, insofar as it is possible for it to do so, make available to the grievant all relevant requested documents and other relevant information, other than outside confidential letters and the promotion packets of other faculty.

III. Hearing Before the Grievance Committee

A. Functions and Authority

1. The grievance committee shall meet to hear the grievance within ten working days of receipt of the material specified in Section II.H. above and may request at the time of scheduling that the grievant and/or the University be prepared at that meeting to present the testimony of witnesses on specific issues raised in the grievance statement, to further explain specific issues raised in the grievance statement, to present additional documentation, and/or to present their case.
2. The number of additional hearings, if any, of the grievance and the nature of the evidence and witnesses to be introduced at such hearings shall be consonant with the provision of an expeditious hearing that permits adequate opportunity for the presentation of relevant evidence.
3. In this regard, it is the understanding of the AAUP and the University that all parties to the grievance procedure, including the grievance committee, the grievant, the grievant's representatives, the University's representatives, and witnesses presented by the grievant and the University, are charged with the responsibility for cooperating in the scheduling and hearing of the grievance in an expeditious manner, so that the grievance committee is enabled to complete hearing of the grievance within 25 working days of the initial hearing.
4. Generally, all of the grievant's allegations shall have been specified in the initial and expanded grievance statements; however, where information relevant to an alleged violation becomes known during the hearing, a request for an amendment of the grievance statement may be made by the grievant during the grievance hearing(s). In such instances, the proposed amendment should be in writing in the form of a memorandum addressed to the grievance committee, with a copy to the University Representative, which provides full information about the new allegation in accordance with Section I.C. of this procedure, and which explains the reasons why the grievance statement is being amended at that time.

If the University Representative agrees that the new allegation is properly within the definition of a grievance in accordance with Section I of this procedure, the amendment shall be accepted.

If the University Representative does not accept the new allegation as appropriate to this procedure, the grievant may forward his/her proposed amendment to the Reviewing Officer immediately, and it will be processed in accordance with Section II of this procedure.

5. Within five working days of the final hearing session, the committee shall render a decision in writing. The decision shall address all allegations raised in the grievance. For each

allegation, the grievance committee will determine if 1) the alleged violation is material; 2) the alleged violation constitutes a violation as defined in Section I.A. of this procedure; 3) the alleged violation has been proven. The committee shall not make judgments as to whether the grievant should receive reappointment, promotion, and/or tenure. Further, the committee will address only those allegations set forth either in the expanded grievance statement or an amendment to it and pursued by the grievant. The committee's decision, recorded on a form agreed to by the AAUP and the Vice President for University Personnel, shall be binding on the University, the grievant, and the AAUP. Copies of the grievance committee's decision shall be sent to the grievant, the AAUP, the University Representative, the appropriate Provost and the Vice President for University Personnel.

6. The standard of proof shall be met when the preponderance of evidence about an alleged fact and/or alleged violation is sufficient to sustain the allegation.
7. If the grievance committee sustains the grievance, it shall order a remand, which is the sole and exclusive remedy under this procedure. If an evaluator or evaluating body has been found by the grievance committee in this evaluation to have acted on the basis of prejudice against the grievant or to have discriminated against the grievant as specified in I.A. above, the committee shall clearly and explicitly identify that evaluator or evaluating body in its decision and inform him/her or them in writing of the specifically sustained allegation.
8. When a remand is ordered by a grievance committee, the committee, the grievant and the appropriate officer of the University shall meet as soon as possible, but no later than within ten working days of receipt of the decision by the AAUP and the University, to discuss a procedure for the remanded evaluation. If agreement is reached, it will be reduced to writing and signed by the University and the grievant. Such remedy shall be implemented promptly and shall be fashioned to remedy identified defects.
9. If no agreement is reached within ten working days of the meeting referred to in Section III.A.8. above, the University shall issue instructions for the remanded evaluation to the appropriate reviewing body or bodies and shall forward copies of the instructions to the grievant and the AAUP. The instructions shall constitute the 30-day notice, pursuant to Article XIV of this agreement.
10. If the grievant alleges that the University's instructions for the remand procedure do not eliminate a violation that was found by the grievance committee, the grievant may ask the Permanent Panel on Procedures to provide an advisory opinion to the University as to whether the instructions eliminate the procedural violations found by the grievance committee. The remand procedure may not be challenged in any other way until it has been implemented by the University and a decision on the reevaluation has been made.

B. Hearing Procedures before the Grievance Committee

1. The University Representative shall be the person designated by the University to present its case. The University Representative shall be identified in the University's response. If the University changes its Representative, it will notify the AAUP.
2. The University Representative may be assisted by two advisors.
3. The grievant may be represented and assisted by two advisors, neither of whom shall be a member of the grievant's department. The grievant's advisors shall be named in the expanded grievance statement.
4. Ordinarily the University Representative, the University Representative's advisors, and the grievant's advisors shall not be attorneys. However, if either party chooses to be represented by an attorney, the other party may be so represented.
5. The grievant and the University Representative may cross-examine witnesses.
6. If the grievant or the University Representative offers testimony he or she is subject to cross-examination.
7. Observers of the hearing are permitted with the consent of the grievant and the University Representative. In addition, each evaluator or the chair of an evaluating body against whom allegations are brought may be present at the hearing or represented by an individual designated by the University, except when the grievant objects to the presence of such individuals.
8. Either party may tape record the proceedings of the hearings, but the tape shall not constitute an official record. The tape may be used only for the purpose of preparing the case and may not be used for any other purpose or in any other forum.
9. Outside confidential letters of recommendation are those letters received in response to solicitation pursuant to the Academic Reappointment/Promotion Instructions.

Outside confidential letters of recommendation shall not be made available to the grievant or to his or her advisors, or to the University Representative for the purpose of the grievance, nor shall they be offered or admitted into evidence before the Grievance Committee, the Filing Board, or the Permanent Panel on Procedures.

In those cases in which the outside confidential letters of recommendation are a factor in a grievance, evidence respecting the contents of the letters may be introduced only through the following procedure:

Two (2) neutral tenured faculty members, each mutually acceptable to the grievant and to the University, shall be appointed by the Grievance Committee. The letters shall be turned over to the neutrals on a confidential basis. The neutrals shall examine the letters, answer the questions raised by the parties and the Committee, and issue their report(s) to the University Representative, the Grievance Committee and the grievant. The confidentiality of the contents and the identity of the writers shall be protected at all times.

10. There shall be no ex parte communication regarding the grievance with the Grievance Committee by the grievant, the University Representative, the AAUP or the University administration.
11. The confidentiality of the procedure appropriate to the maintenance of due process shall be adhered to by both parties. Claims by either party of breaches of such confidentiality shall be referred to the Permanent Panel on Procedures.

IV. Settlement of Procedural Questions Arising During Hearings of the Grievance Committee

- A. A question arising during the processing of a grievance under this procedure concerning the interpretation and/or application of this procedure may be raised by the grievant or the University Representative as a matter for determination by the Grievance Committee.
 1. In the event the Grievance Committee declines to determine the matter or the grievant or the University Representative is not satisfied with the soundness of the interpretation and/or application, that procedural issue shall be referred to the Permanent Panel on Procedures, in accordance with Section IV.C.1. below.
 2. If such issue is not settled by the Grievance Committee, the grievant and/or the University Representative may request that the hearings be suspended pending review by the Permanent Panel on Procedures.
 3. If suspension in accordance with Section IV.A.2. above is not requested, the hearing may proceed to consider matters on which no issue of interpretation or application of procedure has been raised.
 4. A ruling made by the Grievance Committee on the interpretation or application of this procedure that is not referred by the grievant or the University Representative to the Permanent Panel on Procedures at the time of such ruling shall be binding for this and only this case.
- B. A question concerning a matter of procedure not specifically addressed by this procedure shall be referred within two working days of the date the issue arose to the parties to this agreement (AAUP and the University) for a joint determination that shall amend the procedure on this question.

Should the AAUP and the University fail to reach such agreement within five working days of submission to them, the question may be submitted to the Permanent Panel on Procedures by either party for an ad hoc procedure to be implemented in the instant case as a reasonable solution to the issue at hand. Any such ad hoc procedures shall not be a precedent in any other case. The Permanent Panel on Procedures shall render a decision within seven working days of the date the matter was submitted to them.

- C. The Permanent Panel on Procedures shall have the authority to make binding decisions on the interpretation and/or the application of provisions of this procedure where such issues are referred to it under the provision of Section IV.A.1-2. Matters so referred shall be handled as follows:

1. The grievant and/or University Representative shall submit their respective claims in writing to the parties to the Agreement (AAUP and the University) within two working days of the date the issue arose. The parties shall each prepare a written position on the issue to be forwarded to the Permanent Panel on Procedures, with each party copying the other, within five working days of receipt of the statement of claim.
2. Either the AAUP or the University may request a hearing on the matter before the Permanent Panel on Procedures. Such request shall be made at the time of the party's submission of its position to the Permanent Panel on Procedures.

If no hearing is requested, the Permanent Panel on Procedures may request a meeting with the parties to this Agreement to discuss the matter.

Any hearing or meeting shall take place within five working days of the Permanent Panel on Procedures' receipt of the parties' submissions.

The Permanent Panel on Procedures shall render its decision on the matter within seven working days of the receipt of the parties' submissions. A ruling by the Permanent Panel on Procedures on the interpretation and/or application of this Agreement shall be binding on the grievant, the University and the AAUP.

The decision of the Permanent Panel on Procedures shall be rendered in accordance with law and shall be within the scope of its authority as provided in this procedure.

V. Composition and Selection of Boards, Panels and Grievance Committees

A. The Filing Board

The Filing Board shall be composed of one person appointed by the University, one person appointed by the AAUP, and a third person jointly appointed by the University and the AAUP. Such appointees shall be employees of the University but may not, for the term of

their service on this panel, also serve as members of the Permanent Panel on Procedures, as the Reviewing Officer, as a University Representative, as an advisor, as a member of a Grievance Committee, or as a participant in any grievance under this procedure.

B. Permanent Panel on Procedures

The Permanent Panel on Procedures shall be composed of one person appointed by the University, one person appointed by the AAUP, and a third person jointly appointed by the University and the AAUP.

Such appointees shall be employees of the University but may not, for the term of their service on this panel, also serve as members of the Filing Board, as the Reviewing Officer, as a University Representative, as an advisor, as a member of a Grievance Committee, or as a participant in any grievance under this procedure. Members of the panel shall be appointed March 1st of each year for one-year terms and may be reappointed according to the above requirements.

C. Grievance Committees

1. Except as provided in Section V.C.2. below, a Grievance Committee shall be composed of three tenured faculty members from the unit in which the grievance arises, to be constituted jointly by the AAUP and the University by random selection, subject to compatibility of schedules, from pools elected by each unit. The members of each committee shall select their chairperson.

The procedure for nominating and electing tenured faculty members to the unit pool shall be as follows: each department with 20 or fewer tenured faculty members shall nominate one tenured faculty member; each department with more than 20 but with no more than 40 tenured faculty members shall nominate two; each department with more than 40 shall nominate three. Additionally, nominations may be made by unit faculty members at large. In those units without department structure, all nominations will be made at large.

Elections for the subsequent academic year shall be held in the spring after the April Board of Governors meeting and before the last day of classes.

The number of tenured faculty members to be elected to each unit pool will be determined by the AAUP and the University, such determination to be based on the size of each unit and its grievance committee needs.

2. Grievances in which allegations concern solely the Promotional Review Committee shall be filed, reviewed, and otherwise administered according to this procedure except that these grievances shall all be heard by the Special Grievance Committee.

The Special Grievance Committee shall be composed of five Professors II annually and jointly selected by the AAUP and the University. The chair of the Special Grievance Committee shall be

chosen by its members. The AAUP and the University shall also annually and jointly select four alternate members of the Special Grievance Committee.

Individual members of the Special Grievance Committee may be excused from hearing a specific grievance for personal reasons, because they participated in the evaluation, because they are a member of the grievant's department or section, or for cause as specified in Section V.C.5. below. When a regular member has been excused for cause, an alternate member shall substitute for the excused regular member. In all other instances, an alternate member will substitute for each regular member excused from hearing a specific grievance whenever such substitution is possible. Alternate members shall be appointed in rotation by the Chair of the Special Grievance Committee. Members shall not be substituted on the Committee once hearings have commenced.

In no instance may the Special Grievance Committee be composed of fewer than three members at the commencement of any grievance. In instances when, because of a diminution of the Committee's membership there are two or four Committee members and there results a tie vote, the Committee shall find for the grievant.

The decision of the Special Grievance Committee shall be rendered in accordance with Section III.A.5. of this procedure, except that a copy of the Committee's decision shall also be sent to the Executive Vice President.

3. No person shall serve on a grievance committee for a case in which he/she has participated in the evaluation process.
4. The Provost or his/her designee will notify the grievant, the AAUP, and the University of the committee's membership.
5. The grievant may, in writing and stating the reason, challenge the participation of any grievance committee member for cause. If such challenge cannot be resolved informally, the matter shall be referred to the Permanent Panel on Procedures for a binding determination. At the request of either the grievant or the University, the Permanent Panel on Procedures shall hold a meeting and make a decision within five working days of receipt of the challenge.

VI. Miscellaneous

- A. Neither the Filing Board, the Permanent Panel on Procedures, nor the Grievance Committees shall have the authority to amend, alter, or in any way change a University Regulation, an established practice or a provision of this agreement or to substitute its judgment for the academic judgment of persons charged with the responsibility for making such judgment.
- B. No reprisals shall be taken against any grievant, advisor, witness, or member of a Grievance Committee for participation in the grievance

process. Claims of any such reprisals shall be grievable under Article IX, Category One.

- C. If a remanded evaluation results in a negative personnel action, the grievant shall receive a twelve-month* extension of employment, dating from the date the grievant is informed of the negative decision. However, such employment will be extended to the end of the academic semester in which the twelve-month extension concludes. Extension of employment of a grievant shall be governed by the terms of the procedure under which the original grievance was brought. Members of the bargaining unit shall be entitled to extensions of employment pursuant to this Agreement only for grievances originally** brought under this procedure, subject only to renegotiation of this provision in a successor agreement.

*The provision of twelve months applies only to those grievants to whom, according to University Regulations, notice of twelve months is due. For grievants to whom notice of three months or six months is due by University Regulation, the extension shall be for three or six months, as appropriate to the Regulation, extended to the end of the academic semester in which the extension concludes.

**By original grievance is meant that grievance, including one resolved informally, which has led to subsequent instructions to remand an evaluation.

In accepting this extension of employment, the grievant, the AAUP, and the University agree that such employment will not constitute the basis of any claim to tenure based on length of service.

- D. A grievant shall not be evaluated while an Article X grievance is pending.

VII. Time Limits

1. An individual who intends to file a grievance under this procedure must so notify the Vice President for University Personnel within 30 working days of receipt of notice from the dean that his/her reappointment/promotion packet is available in the dean's office. Within 45 working days of the date of the letter of intent to file or on the second Monday in September, whichever is sooner, the initial grievance statement must be filed.
2. For the purpose of this procedure, "working days" are all days on which the administrative offices of the University are officially open for business as specified in the administrative calendar.
3. Grievances submitted from New Brunswick shall be delivered to the Office of the Vice President for University Personnel, in which case the delivery date will establish the timeliness of the filing. Grievances submitted from the Camden and Newark Campuses as well as other locations outside New Brunswick shall be sent by United States mail to the Vice President for University Personnel in which case the postmark date will establish the timeliness of filing.

4. Requests for extensions of any of the time limits specified in this grievance procedure may be granted only by mutual agreement of the University and the AAUP.

XI - TEACHING ASSISTANT/GRADUATE ASSISTANT
PERSONNEL GRIEVANCE PROCEDURE

1. A grievance under this Article XI is defined as any claimed violation of University Regulations or this Agreement or established policy or practice regarding reappointment of Teaching Assistants/Graduate Assistants, and excludes all other grievance procedures and the matters grievable under their terms.

2. At any step in the grievance procedure, the grievant may request participation of an AAUP-appointed representative. A maximum of two such representatives may be active at any one time.

3. This procedure is designed to expedite the resolution of problems which arise in connection with the reappointment of Graduate Assistants and Teaching Assistants at the University.

4. In each of the steps described below, the following conditions should be understood:

- a. The Teaching Assistant or Graduate Assistant, hereinafter referred to as "grievant," may be accompanied by an observer and may be assisted by a representative in presenting the case.
- b. The time limits prescribed for decision-making may be extended at any time as may be mutually agreed upon in writing by the parties.
- c. The substance of all proceedings will be confidential.

5. Step 1 - The grievant shall present the grievance to his or her supervisor within twenty (20) working days after knowledge of the occurrence of the event out of which the grievance arises. In the case of a Teaching Assistant, this usually will be the professor in charge of the course; for a Graduate Assistant, it will be the director of the research project on which he or she is working. Five (5) working days from initial presentation will be allowed for effective resolution.

Step 2 - If resolution is not achieved at step 1, the grievant shall address the matter to the chairperson of the department, or designee, within which he or she is employed. Five (5) working days from initial presentation will be allowed for effective resolution.

Step 3 - If resolution is not achieved at the earlier, informal steps, the grievant shall submit the appeal, in writing, to the dean or director of the academic unit. Concurrently, a copy of the appeal shall be sent to the AAUP and to the Director, Office of Employment Counsel. Ten (10) working days from receipt of the written appeal will be allowed for effective resolution.

Step 4 - If the grievant does not achieve resolution at the preceding step, his or her case then should be presented to an Appeals Committee (appointed for a one-year term) to be comprised of three University-employed graduate students selected by AAUP and three University representatives selected by the Vice President for Academic Affairs. The Committee should be allowed twenty (20) working days calculated from the date of its receipt of the case in dispute. Upon completion of its work, the Committee shall present its recommendation to the Vice President for University Personnel. The Vice President shall have twenty (20) working days following receipt of the Committee's report to accept, reject, or otherwise modify the recommendations. The Vice President for University Personnel shall be deemed to have accepted the recommendations of the Appeals Committee if he/she takes no action within the prescribed period.

XII - TEACHING ASSISTANTS/GRADUATE ASSISTANTS

1. Notice of Reappointment

All currently employed Teaching Assistants and Graduate Assistants shall be notified of their status for the coming academic year on or before March 31. Said notification shall be either 1) reappointment, 2) non-reappointment, 3) waiting list, with reappointment contingent upon the availability of funding or meeting other previously established and announced criteria. A Teaching Assistant or Graduate Assistant in his/her first or second reappointment consideration who is non-reappointed, as provided in 2) above, may request in writing, and the University shall provide, an explanation in writing of the reasons for non-reappointment. In all cases in which a Teaching Assistant or Graduate Assistant is placed on a waiting list, he/she shall be notified as to his/her status as soon as possible thereafter. Individual contract letters shall be issued to Teaching Assistants and Graduate Assistants upon appointment and reappointment.

2. Workload

Teaching Assistants and Graduate Assistants shall be notified on or before the first day of class of their assignment for the coming year. It is understood that unexpected course enrollment changes may require modification of the assignment.

A Teaching Assistant or Graduate Assistant with a standard appointment works normally at the maximum rate of fifteen clock hours per week, or a prorated portion thereof if the appointment is less than standard.

XIII - PROMOTION AND REAPPOINTMENT PACKET

The University will furnish to the AAUP each year, at least 10 working days prior to distribution, a copy of all material contained in the promotion and reappointment packet forms.

XIV - FACULTY REAPPOINTMENT/PROMOTION

1. a) Each faculty member who is to be considered for reappointment or promotion shall be notified by the department chairperson at least thirty (30) days in advance that said consideration shall take place.

b) A faculty member may request of the department chairperson that he/she be evaluated for promotion. The request shall be granted for tenured members of the faculty who have been at least six years in rank and have not been evaluated for promotion or for tenure for at least four years. Such evaluation shall be carried through each level of review, including the Promotion Review Committee, unless withdrawn by the candidate. Withdrawal after the candidate signs Form 2 constitutes an evaluation for the purpose of this paragraph 1.b.

c) The department chairperson shall provide the faculty member with a signed and completed Recommendation Information Form. Within five (5) days of its receipt, the faculty member will sign and return the Form to indicate concurrence with its content, or, if there is a dispute between the faculty member and the chairperson as to the content of the Form which they are unable to resolve, the faculty member shall so indicate by marking "dissent" next to his/her signature and attaching an explanation to the Form.

d) The faculty member may submit to the department chairperson any documents or materials he/she wishes to have considered. The faculty member shall provide at least two copies of such materials and as many additional copies of already published material as are necessary to enable simultaneous distribution of them to each department that comprises the section. A list, compiled by the faculty member, of the documents submitted to the chairperson shall be attached to the promotion packet. It shall be the responsibility of the chairperson to circulate that list and all documents or materials submitted by the candidate, together with any other relevant material, subject to i.e. below, to the appropriate reviewing bodies.

If the faculty member wishes to include a lengthy unpublished manuscript and requires copying services, he/she may contact the Associate Dean for Administration, Law School, Newark; the Associate Dean, Law School, Camden; or the Business Manager, Faculty of Arts and Sciences, New Brunswick at least 30 days prior to the date on which copies are needed. The faculty member will be charged the prevailing rate for services so provided. If the service cannot be provided, the candidate will be notified promptly.

e) If any document or documents, other than confidential outside letters of recommendation, the official reappointment/promotion forms, continuation pages added to these forms, reports of reading committees, supplements to confidential letters as provided in l.h. below, and materials submitted by the candidate, are added to the promotion packet by an evaluative body, a copy of said document(s) shall be transmitted immediately to the candidate; the candidate shall have the right to submit a response or rebuttal within five (5) working days. The response shall be directed to that level of the evaluation at which the added document was received and shall become a part of the promotion packet. Any documents that are (1) physically present during the evaluation and (2) specifically referred to during the deliberations of the evaluative body and (3) which a majority of the evaluative body agrees have a direct bearing on the evaluation must be added to the packet, in accordance with this procedure.

f) Subsequent to the commencement of the evaluation and prior to January 25, the department chairperson shall, upon request of the candidate, add to the packet evidence of a significant change in the status of materials originally submitted by the candidate if: 1) the chairperson concurs that a significant change has occurred; and 2) such change has occurred since the initiation of the evaluation. If there is a dispute between the candidate and the chairperson as to whether a significant change has occurred in the status of materials originally submitted by the candidate, the Office of the Provost shall make the final determination as to whether evidence of the change shall be added to the packet.

Such additions to the packet, as provided above, shall, in all instances, be submitted to the level of review at which the candidate is then being evaluated. However, if the addition occurs on or before December 1, the addition to the packet shall also be circulated to each earlier level of review so that each earlier level may revise its evaluation should it deem such revision warranted by the addition. If the addition occurs after December 1, but on or before January 25, it shall not be circulated to any earlier level of review, except the Dean and the Promotion Review Committee. The Dean and/or the Promotiou Review Committee may revise the evaluation made at that level should such revision be deemed by the Deau or the Promotiou Review Committee to be warranted by the addition.

Except as provided in l.e. and l.f. no other materials or documents may be introduced by the candidate after the review process has commenced.

g) With the exception of confidential outside letters of recommendation solicited in accordance with University Regulations and those documents which are generally public knowledge such as published student evaluations, published articles and other similar documents, only those materials in the official file (Article XVIII), or those materials added to the packet in l.e. and l.f. may be used in conducting the review.

h) Any model letters of solicitation for confidential outside letters of recommendation shall be consistent with the weighting of promotional criteria for the candidate. Outside letters of recommendation shall be held in confidence and their use restricted to evaluation of the faculty member.

Candidates may seek the advice of their department chairpersons before preparing the list of qualified persons from whom letters may be solicited. Chairpersons shall give such advice upon request.

The candidate may prepare a list of persons in his/her field from whom he/she prefers letters of evaluation not be solicited. The candidate shall provide a written explanation for the inclusion of each person on that list. If a letter of evaluation is solicited from an individual on the candidate's list, the candidate's written explanation shall be attached to the individual's letter of recommendation. A department chair or dean may, at his/her discretion, also attach an explanation for his/her decision to solicit a letter from the individual. Such attachments, whether prepared by the candidate, the department chairperson, or the dean, shall be held, like the letters to which they refer, in confidence.

2. The candidate shall be notified of the departmental decision by the departmental chairperson in writing within five (5) days from the date such decision is made. The candidate will be notified in writing by the Dean or his designee of the final decision in the particular personnel action within ten (10) days of receipt of the knowledge that the final decision by the appropriate person or committee has been made.
3. Each faculty member who is appointed or reappointed shall be given a written statement of the conditions for consideration for future reappointment, or a statement of non-reappointment. At the request of a faculty member a written explanation of the reasons for his/her non-reappointment or non-promotion shall be provided by the dean.
4. Faculty members who hold temporary titles may be considered for other appointments in accordance with regular University practices and policies.
5. For candidates in the first year of service requiring recommendation for reappointment, the departmental process shall be initiated no later than the last week of the first semester of service and shall be completed in time to conform to the appropriate date of notification as specified in University Regulations.
6. For candidates beyond the first year of service, the departmental recommendation shall be forwarded at least one month prior to the required date of notification.
7. The University shall make a good faith effort to transmit to the AAUP, within ten (10) working days of final decision, written notice of each denial of promotion, tenure, or reappointment of full-time faculty.
8. Upon request, a department chairperson will provide a member of the faculty with a copy of the current academic reappointment/promotion instructions.

XV - PROFESSIONAL DUTIES

The parties recognize that the University accomplishes a variety of academic and professional services including undergraduate, graduate, and professional instruction, research and community service. The professional duties required of the faculty shall be in accordance with the mission of the University.

Individual workload assignments of members of the bargaining unit shall be consistent with the practice of their department, program, or unit.

Claims of inconsistency with such practices by members of the bargaining unit shall be grievable as a Category Two grievance under the contract grievance procedure (Article IX).

XVI - INFANT CARE LEAVE AND DISABILITY RESULTING FROM PREGNANCY

A. Short-term disabilities caused or contributed to by pregnancy, miscarriage, abortion, childbirth, and recovery therefrom are, for all job-related purposes, treated like other short-term disabilities. After pregnancy, a member of the bargaining unit is entitled to a recuperative leave of up to three weeks, or a longer period if the bargaining unit member continues to be disabled. All employment policies and practices involving commencement and duration of leave, availability of extensions, accrual of seniority and other benefits and privileges, and reinstatement and payment, shall be applied to short-term disabilities due to the above causes as they are applied to other short-term disabilities of members of the bargaining unit.

The individual's department shall be responsible for closing ranks in accordance with normal practice.

B. Requests by a member of the bargaining unit for a leave of absence without pay for the purpose of caring for his/her child under one year of age may be made and granted in accordance with the provisions of Article XVII of this Agreement, with the following modifications:

1. A request for such leave shall specify that it is a leave under Article XVI and shall normally be made six months in advance.
2. The granting of such leaves shall be subject to the needs of the academic program and the necessary approvals as specified in Article XVII, except that a faculty member may appeal denial by the dean of a leave of absence without pay to the Vice President for University Personnel.

3. In the event that such a leave is taken for one semester, the faculty member may, at his/her option, have the entire year excluded from the probationary period. A written statement requesting exclusion of the entire year shall be submitted by the faculty member to the Dean or Director before termination of the leave period and shall be part of the personnel file. This provision is not applicable to faculty members in their terminal year.
4. Although such leave does not automatically extend the term of appointment of a member of the bargaining unit, the exercise of such leave shall not prejudice the opportunity for reappointment.

XVII - LEAVE OF ABSENCE WITHOUT PAY

- A. Leaves of absence without pay are for the purpose of professional development, personal convenience, or completion of a terminal degree. Such leaves may be for a period up to two (2) consecutive years.
- B. The granting of a leave of absence without pay to members of the faculty is subject to the needs of the academic program and requires the approval of the department chairperson and the dean. Such approval may not be unreasonably withheld, and a written statement of the reasons for withholding approval shall be given to the faculty member upon request within ten (10) working days of that request.
- C. A request for a leave of absence without pay shall normally be made one year in advance.
- D. A leave of absence without pay shall not count in the probationary period for tenure, nor shall it automatically extend the term of appointment. An extension of the appointment for a period no longer than the amount of the leave may be granted through the reappointment process.
- E. A faculty member who has been on a leave shall receive on return any salary improvements he/she would have received had he/she been serving at Rutgers during the leave period. Normal University policy regarding benefits during a period of leave without pay shall apply.

XVIII - PERSONNEL FILES

1. The official personnel file for each faculty member shall be maintained in the office of the appropriate dean or director. The contents of this file shall include only:

- a. Documents submitted by the faculty member or placed in his/her file at his/her request.
 - b. Documents concerning the individual's employment history at the University and all records of personnel decisions affecting his or her compensation or employment status.
 - c. Materials assembled in accordance with University Regulations, practices and policies, or the terms of this Agreement concerning the evaluation, reappointment, promotion or tenure of each faculty member, with the exception of outside confidential letters of recommendation. Such materials shall be called Category C materials.
2. The University shall give notice to the faculty member within 15 days of addition of new material as defined in section c. to the official personnel file. Any member of the faculty may have access to all documents in his/her official personnel file, including internal evaluations related to the individual, and may add to those records such materials as the individual believes necessary to give a reasonable representation of the individual's record.
3. The personnel file described in section 1. above shall be available for examination by the faculty member who shall be entitled to review such personnel file at reasonable hours upon written request and to purchase copies of any or all materials contained therein.
4. When a personnel action has been initiated by a department or other appropriate body, access to the promotion forms related to that action will not be available to the faculty member until that personnel action has been completed.
5. No Category C material may be added to the official personnel file more than one year after its receipt by the academic officer to whom the material is originally directed except according to the procedure outlined below:
- a. The academic officer who wishes to add the material shall provide an accompanying written explanation for the addition of the material after the one year period.
 - b. The faculty member shall have the opportunity to contest the addition of this material with the Dean.
 - c. The faculty member may appeal the decision of the Dean to the appropriate Provost.
6. If a faculty member alleges that material belonging in his/her personnel file, defined above, exists elsewhere, the faculty member may apply in writing to his/her Provost, requesting access to the material. This request must specify, to the best of the faculty member's knowledge, the nature of the material and its location within the University.

Within fifteen (15) working days of such request, the Provost or his/her designee shall respond by either:

- a. Producing the material requested, or

- b. Certifying in writing that, to the best of his/her knowledge the alleged material does not exist, or that it exists but does not belong in the faculty member's personnel file. Such certification shall be placed in the personnel file and shall serve to preclude the use of such material in any personnel action.

XIX - MISCELLANEOUS

1. Agenda materials for the regular monthly public meeting of the Board of Governors will be forwarded to the AAUP at the time they are distributed to the members of the Board of Governors with the following exceptions:

- a. All items related to personnel actions;
- b. Items whose disclosure would be prejudicial to the interests of the University.

2. a. Before being presented to the Board of Governors proposed changes in University Regulations, policies and/or practices affecting the terms and conditions of employment of the members of the bargaining unit shall first be submitted to the AAUP for negotiation.

b. Section a. above shall be construed to require negotiations only as to those aspects of such proposed changes that constitute mandatory subjects of negotiation. Disputes concerning the application of section 2a. and b. shall be resolved by submission to the Public Employment Relations Commission under its scope-of-negotiation processes.

3. The AAUP agrees to pay one half of the printing and distributing costs of this Agreement. Said Agreement shall be printed in the University's Duplicating and Mailing facility and shall bear the AAUP logo on the cover of the contract.

4. The annual motor vehicle registration fee for employees wishing to register their vehicles for the use of surface campus parking facilities shall be 1/10 of 1% of the employee's annual salary.

XX - HEALTH AND SAFETY

A. The Senior Vice President and Treasurer or his/her designee together with the Vice President for University Personnel or his/her designee will meet with the AAUP quarterly to discuss employment-related health and safety problems. The Vice President's designees, if any, shall be administrative officers of the University.

- B. Bargaining unit members are responsible for reporting health and safety problems to their Dean or Director and to the Department of Radiation and Environmental Health and Safety. Such reports shall be filed on the Health and Safety Report Form. The University is responsible for promptly forwarding a copy of each Health and Safety Report Form filed by members of the bargaining unit to the AAUP. The University is responsible for maintaining a supply of Health and Safety Report Forms in every University department where bargaining unit members are employed.
- C. No bargaining unit member shall be required to work under conditions where there has been a determination, on a reasonable basis in fact, that those conditions pose an immediate danger to health and safety. It shall be the responsibility of the University to make such determinations as rapidly as possible.
- D. Information
1. The AAUP may request from the University information concerning health and safety matters affecting bargaining unit members and the University shall provide the information requested.
 2. In the event that the requested information is directly involved in pending litigation between the parties, the AAUP will not request the information under the procedure set forth in this Article, but may rely only on any rights it has pursuant to the pending litigation.
 3. In the event that the requested information is directly involved in pending litigation between the University and any other party, then the AAUP and the University agree to limit access to the information to a designated official of the AAUP. Such official may not be a party to, or involved in the pending litigation. The designated official of the AAUP shall not disclose such information, either directly or indirectly, except in discussions with appropriate University officials and in arbitration procedures arising under Article IX of the Agreement. In the event it becomes necessary for the AAUP to disclose such information in an arbitration proceeding, the parties agree such arbitration shall be closed and the record thereof sealed. This provision shall not prevent the AAUP from discussing the information with its counsel.
 4. When the AAUP requests health and safety information, it agrees to cooperate fully with the University in the acquisition of such information.
 5. The University and the AAUP agree that when such a request for information will require significant expenditure of time and/or funds, the parties shall bear such costs equally.

XXI - University Procedures

Rutgers and the AAUP agree that all members of the bargaining unit shall be entitled to enjoy, and shall be subject to, all terms and conditions of employment applicable to the bargaining unit provided for in the University Regulations and Procedures Manual and not provided for herein. During the life of the Agreement or any extension thereof, any change in the University Regulations and Procedures Manual that constitutes a change in terms and conditions of employment, as that concept has been defined by law, of members of the bargaining unit shall be negotiated.

Grievances arising under this Article, applicable to Article IX, shall be heard as Category Two grievances.

XXII - CONDITIONS OF EMPLOYMENT

Academic Year Appointments

Appointment for the academic year requires that the appointee be in attendance at the University from September 1 to Commencement, or an equivalent period, within each academic year unless excused by the appropriate academic officer.

Calendar Year Appointments

Appointees for the calendar year (July 1 - June 30) are expected to devote the entire year to their University duties with the exception of a vacation of one month.

Grievances arising under this Article, applicable to Article IX, shall be heard as Category Two grievances.

XXIII - OUT-OF-CYCLE SALARY ADJUSTMENTS

1. The University may, at its discretion, increase the salary of an individual member of the bargaining unit to respond to a bona fide outside offer or to provide immediate recognition for an unusual professional achievement. The University may also, at its discretion, increase the salary of a member of the bargaining unit when it believes that an outside offer is imminent because of recent distinguished professional achievements and other evidence.

When the University considers offering such an increase, the available tenured members of the individual's department shall be polled about the proposed increase and their recommendation shall be forwarded in writing to the dean.

When the University has determined to make such an increase, it shall inform the AAUP in writing and shall include a copy of the outside offer, or evidence of the imminence of an outside offer, or evidence of the unusual professional achievement. It shall also include the written recommendation from the department, with relevant documentation; the dean's recommendation, with relevant documentation; and the current and adjusted salary. The relevant documentation from the department shall include the results of the poll and any motion or report that accompanies the recommendation.

2. When the University wishes to increase the salary of a member or members of the bargaining unit in response to market conditions in a particular discipline or subdiscipline, it will provide the AAUP with documentation concerning the market conditions and the current salaries of all bargaining unit members in that discipline or subdiscipline. The AAUP and the University will negotiate the upper limit of the salary increase that may be available, at the discretion of the University, to a member or members of the discipline or subdiscipline. Subsequent to the conclusion of the negotiations, the University will inform the AAUP in writing of the name, rank, and adjusted salary of each individual for whom an increase is to be made.

3. No salary increase given pursuant to this article shall remove a bargaining unit member from the appropriate negotiated salary tables.

4. This article is in effect only during the period of this Agreement and any extension thereof.

XXIV - NOTICE OF CHANGE OF PROMOTIONAL CRITERIA AND STANDARDS

When the University changes the promotional criteria and standards as embodied in Appendix D ("Policy with Respect to Academic Appointments and Promotions") and Appendix E ("Weightings and their Assignment in Reappointment and Promotion Evaluation"), University Regulations, or written policies promulgated by the President or a Vice President of the University it shall notify the AAUP of the changes when they are promulgated.

XXV - TERM OF AGREEMENT

This agreement shall be effective from Feb. 21, 1984 to June 30, 1986.

The parties may by mutual agreement continue the terms of the existing agreement beyond June 30, 1986. In this event, either party may terminate such agreement by thirty (30) days written notice to the other.
