The Board's failure to exercise any function hereby reserved to it, or its exercise of any function in a particular way shall not be deemed a waiver of its right to exercise such function or preclude the Board from exercising the same in some other way not in direct conflict with the express provisions of this Agreement and L. 1968, c. 303, as amended and supplemented.

ARTICLE III

DUES DEDUCTION

A. AUTHORIZATION

A pregnant employee may apply for a leave of

ARTICLE VIII (cont'd)

LEAVES OF ABSENCE

F. PREGNANCY LEAVES

1. Preliminary Provisions (cont'd)

absence based upon a claim of disability in accordance with provisions hereinafter set forth, in which instance such leaves of absence shall be chargeable to the sick leave account of said employee.

A pregnant employee may, in the alternative, apply for a leave of absence not based upon a claim of disability in accordance with the provisions hereinafter set forth, in which instance, said leave of absence shall be without pay and shall not be charged against sick leave.

All pregnant employees shall give written notification to the Superintendent of Schools through their Principals of the condition of pregnancy as soon as the condition of such pregnancy has been confirmed, but in no event later than the end of the fourth month of pregnancy.

2. Request for Pregnancy Leave Based on Claim of Disability

a. A pregnant employee who desires to continue in the performance of her duties during her period of pregnancy shall be permitted to do so provided she produces a statement of her physician stating that she is physically capable of continuing to perform her duties and further stating up to what date, in the opinion of said physician, the employee is capable of performing said duties.

ARTICLE VIII cont'd

LEAVES OF ABSENCE

b. In the event the physician of a pregnant employee shall be of the opinion that said employee is capable of performing her duties up to a specified date but the medical examiner of the Board of Education shall be of a contrary opinion, then the employee and the Board shall mutually agree upon the appointment of an impartial third physician whose medical opinion shall be conclusive and binding on the issue of medical capacity to continue in the performance of duties. In the event of the inability of the employee and the Board to agree upon the appointment of the third physician, such appointment shall be made by the Bergen County Medical Society. The expense of any examination by the impartial third physician shall be shared equally by the employee and the Board.

c. In no event shall the Board be obligated to permit a pregnant employee to continue in the performance of her duties where her performance has substantially declined from that performance demonstrated by her at the time immediately prior to her pregnancy.

d. All policies, practices, rules and regulations applicable to employees who are granted sick leave pursuant to the provisions of N.J.S.A. 18A:30-1 et seq. shall be applicable to pregnant employees applying for leave under Section F (1) of this Agreement. Such employees shall receive no lesser

ARTICLE VIII cont'd

LEAVES OF ABSENCE

consideration than any other employees nor shall they receive any greater consideration.

e. The employee requesting a pregnancy leave under the provisions of this Section F (1) shall specify in writing the date on which she wishes to commence her leave and the date on which she wishes to return to employment after birth. Such requests shall be consistent with the foregoing provisions.

f. The Board shall have the right to require any pregnant employee who desires to return to her duties by a fixed date to produce a certificate from her physician stating that she is capable of resuming her duties. In the event of a difference of opinion between the employee's physician and the Medical Examiner of the Board relative to the resumption of duties by said employee, the provisions of Paragraph F (2) (b) shall be applicable as to the method of resolving such a disagreement.

g. Whenever, in the opinion of the Board, the dates for the commencement of a pregnancy leave and/or the dates for the resumption of duties would substantially interfere with the administration of the school or with the education of the children, the requested dates may be changed by the Board.

h. Ordinarily, a pregnant employee shall be expected to resume her duties, subject to the provisions of

ARTICLE VIII cont'd

LEAVES OF ABSENCE

Paragraph F (2) (g) above, within (15) days of the date of the delivery of the child, provided, however, that such resumption of duties is not medically contraindicated.

i. Where pregnancy leaves have been approved, the commencement or termination dates thereof may be further extended or reduced for medical reasons upon the application by the employee to the Board. Such extensions or reductions shall be granted by the Board for additional periods of time provided, however, that the Board may alter the requested dates upon a finding that such extension or reduction would substantially interfere with the administration of the school and/or with the education of the pupils and, provided further, that such change by the Board is not medically contraindicated. All extensions of such leaves shall in any event be subject to the provisions of N.J.S.A. 18A:30-1 et seq. and specifically N.J.S.A. 18A:30-6 and 18A:30-7.

j. The provisions of this Agreement shall not be deemed to impose on the Board any obligation to grant or extend a leave of absence of any non-tenured employee beyond the end of the contract school year in which the leave is obtained.

k. Pregnant employees applying for leaves of absence under the provisions of this section may simultaneously

ARTICLE VIII cont'd

LEAVES OF ABSENCE

make application for a Child Rearing Leave in accordance with the provisions of the Agreement hereinafter set forth.

3. Request For Pregnancy Leave Not Based on Claims of Disability:

a. A pregnant employee who desires to commence a leave of absence without regard to any claim of disability as set forth in Section 1, ante, shall be permitted to do so in accordance with the provisions hereinafter set forth, but such leaves of absence shall be without pay.

b. An employee requesting a pregnancy leave under the provisions of this Section (3) shall specify in writing the date on which she wishes to commence her leave and the date on which she wishes to return to employment after birth.

c. Should there be any question as to the medical condition of any employee who desires to resume her duties by a specified date, then the provisions of Paragraph (b) and (f) of Section (2) of this Agreement shall be applicable.

d. The provisions of Paragraph 2 (c), (g), (i), (j), and (h) are hereby made applicable to the provisions of this Section (3) of this Agreement and are incorporated herein by reference as though set forth at length.

G. CHILD REARING LEAVE

1. In the case of a birth of a child any teacher

LEAVES OF ABSENCE

shall have the right to apply for a leave without pay for child rearing purposes.

2. In cases where both husband and wife may be teachers in this school system, only one of said persons shall be entitled to such leave.

3. In the case of female teachers, the application for child rearing leave may be made to become effective immediately upon the termination of the pregnancy leave.

4. Child rearing leave may be granted for a period of up to the end of the school year in which the birth of the child occurs, but such leave may, at the option of the Board, upon the request of the teacher, be extended for one additional school year. Requests for extensions of such leaves must be made at least three (3) months prior to the expiration of the first period thereof.

5. Where the birth of a child is anticipated during the first month of a school year and a child rearing leave is being requested, the child rearing leave must commence at the start of the school year.

6. Where a child rearing leave is requested, the teacher requesting such leave shall not be permitted to return to the school system following such leave during the last month of the school year.

ARTICLE VII (cont'd)

LEAVES OF ABSENCE

7. Applications for child rearing leave shall be filed at least three (3) months before the anticipated birth of the child.

8. Where a teacher who has been granted a child rearing leave returns to the system at any time other than the start of the school year, such teacher may be assigned to any position decided upon by the Superintendent so long as such assignment is within the certification of such teacher, it being the purpose of such assignment not to interfere with or disrupt the instruction of the pupils particularly where such pupils may have commenced their instruction with a teacher who was assigned to such pupils at the start of the school year.

9. Anything to the contrary notwithstanding, a child rearing leave granted to a non-tenure teacher need not be extended beyond the end of the contract school year in which the leave is obtained.

10. The dates for the commencement and termination of child rearing leaves shall in all cases be subject to and based upon a finding and determination by the Board that such leaves will not substantially interfere with the administration of school or with the education of the pupils.

H. PATERNITY LEAVE

1. Paternity leave shall be granted with full pay to

ARTICLE VIII cont'd

LEAVES OF ABSENCE

male employees for a maximum of five (5) days per school year, within 2 weeks of the time of the child's expected or actual birthdate.

I. OTHER LEAVES OF ABSENCE

Leaves of absence with or without pay for reasons other than those covered in paragraphs A through H may be granted by the Board upon such conditions as the Board in its discretion may prescribe.

J. EXPLANATION FOR ABSENCE

Absences upon any of the aforesaid grounds shall at the request of the Principal be fully explained on an "Absentee Report", that shall be developed by the Administration with the advice of the Superintendent's Liaison Committee. Absences may also be required to be explained by further substantiating evidence at the request of the Principal. Refusal by the employee to explain his/her absence and/or to provide reasonable documentation to substantiate his/her explanation, shall be considered a violation of this Agreement, and may be considered a reasonable basis for loss of compensation for the absence in question. This provision shall not apply to leaves for personal business.

ARTICLE IX
SABBATICAL LEAVE

A. ELIGIBILITY

Any full-time member of the teaching staff who shall have completed a minimum of 7 continuous years of service in the school district as of June 30 of the year in which the application for sabbatical leave is submitted shall be eligible to apply for such leave in accordance with the provisions of this ARTICLE. A teacher who receives sabbatical leave hereunder shall not again be eligible to apply for such leave until 10 years shall have elapsed.

B. LENGTH OF LEAVE

Such leaves may be for one full school year (September 1 - June 30), or for one half of the school year (September 1 - January 31, or February 1 - June 30).

Exceptions to this provision may be made by the Board.

C. NUMBER OF LEAVES

Only one employee may be on sabbatical leave at a given time. Two different teachers may be granted successive half-year leaves during the same school year.

D. PURPOSES OF LEAVE

Sabbatical leaves will ordinarily be granted only for purposes of professional study, research and travel. An employee whose objectives do not fall within any of these

ARTICLE IX cont'd

E. APPLICATIONS

1. The application for a sabbatical leave shall be in writing and shall be submitted prior to February 1 of the calendar year prior to the academic year for which the leave of absence is desired.

2. The written application should outline in detail the proposed professional improvement plan to be undertaken and how it is expected to improve the quality of instruction, and shall also contain any additional information which may be helpful in evaluating the request.

3. The application shall include:

(a) Travel - An itinerary of the trip, indicating specific ways in which such travel will contribute to the applicant's improvement as a classroom teacher in the particular field in which he/^{she}is engaged.

(b) Research - The subject, the objectives and the methods to be followed in completing the research as well as the

ARTICLE IX cont'd

SABBATICAL LEAVE

place or places where such research will be conducted. The applicant shall also state the nature of the work product which he/she intends or expects to create as a result of his/^{her}said research.

(c) Study - The courses and objectives of the program of study as well as the institution where such program will be pursued. The policy on reimbursement for tuition is not applicable in instances where sabbatical leave is granted.

F. EVALUATION OF APPLICATION

1. The Superintendent shall evaluate each request and shall submit his/her recommendation to the Board.

2. In arriving at his/her recommendation, the Superintendent shall give primary consideration to those plans which involve greatest self-improvement and greatest benefit to the school system. A secondary consideration shall be the seniority of the staff members applying for leave.

3. The Board may request the presence of the applicant at the meeting at which the application is to be considered.

ARTICLE IX cont'd

SABBATICAL LEAVE

G. CONDITION OF LEAVE

As a condition for the granting of sabbatical leave, the teacher, if so requested by the Board, shall enter into a contract with the Board to continue in service for a period of no less than 2 years after the expiration of the leave of absence. Upon failure to continue the teacher may be required to repay to the Board a sum bearing the same ratio to the amount of salary received while on sabbatical leave that the unfulfilled portion of the 2 subsequent years' service bears to the full 2 years. However, the teacher shall be released from such payment if his/her failure to serve the stipulated 2 years shall be due to his/her illness or disability, or if he/she is discharged from his/her position. In addition, no repayment shall be due from the employee's estate if he/she shall expire before the end of the 2 year period.

H. SALARY AND BENEFITS

1. An employee on sabbatical leave shall receive a salary equal to 50% of the salary he/she would have received had he/she continued to teach in the school system during the time of his/her leave.

2. Salary payments shall be made on the same basis as for regularly employed teachers.

ARTICLE IX cont'd

SABBATICAL LEAVE

3. Regular deductions shall be made from such compensation for the Teachers' Pension and Annuity Fund and such other purposes as may be authorized by the teacher.

4. The Board shall continue its normal contribution for major-medical insurance and other fringe benefits for the employee during such leave of absence.

5. During a sabbatical leave, the employee shall continue to accumulate sick leave.

6. The leave of absence shall be counted for purposes of seniority and advancement on the salary guide. A teacher returning from sabbatical leave shall be placed on that step of the appropriate guide which he/she would have attained had he/she taught the entire previous year in the school district.

1. NOTIFICATION TO TEACHER

Notification of the action taken by the Board on requests for sabbatical leaves shall normally be given in writing by April 1 following the submission of the application.

J. SUBSTANTIAL INTERRUPTION AND TERMINATION OF LEAVE.

1. In the event of injury, illness or other reasons which cause the teacher to substantially interrupt or to terminate or frustrate the achievement of the objectives for

ARTICLE IX cont'd

SABBATICAL LEAVE

which the sabbatical leave was granted, he/she shall notify the Superintendent thereof forthwith.

2. Upon receipt of such notification, the Superintendent shall, in the case of injury or illness, notify the Secretary of the Board and the employee that the provisions of the sick leave policy will be applicable from the first day of the next pay period following receipt of such notification. In instances where the leave is terminated by illness or injury, the employee shall receive sick pay for a period of time equal to his/her accumulated sick leave. The employee shall have the medical reasons for interruption of the leave verified by a medical doctor and have a report forwarded to the Superintendent. Upon release by his/her private physician and the approval of the school physician, the employee shall thereafter return to regular duty for the remainder of the school year or at the option of the Board, shall be permitted to resume his/her leave. If the employee returns to duty for the balance of the academic year, he/she shall be assigned as needed, at the discretion of the Superintendent, within the area in which the teacher is certified. If his/her accumulated sick leave is exhausted and the employee is either unable to resume his/her sabbatical leave of absence or unable to resume his/her teaching duties, the Board shall

ARTICLE IX (cont'd)

SABBATICAL LEAVE

determine whether to grant the leave of absence for the balance of the academic year, and under what conditions.

3. In the event the purposes of the sabbatical leave are substantially interrupted, frustrated or terminated for reasons other than injury or illness, the Board shall determine whether the teacher shall return to teaching duties for the remainder of the school year and upon what terms or whether he/she shall be permitted to resume his/her sabbatical leave.

K. ADDITIONAL COMPENSATION

The successful applicant agrees not to accept other employment during the period of the leave unless it pertains directly to his/her objectives and then only with the prior approval of the Superintendent.

L. REPORTS

At the completion of the leave, the teacher shall submit a written evaluation of his/her experience in light of the objectives for which the leave was granted and in addition, an oral report may be requested by the Board. The teacher shall also report to the Superintendent from time to time during the period of the leave if requested to do so.

ARTICLE IX cont'd

SABBATICAL LEAVE

M. REVOCATION OF LEAVE

If the Superintendent is of the firm opinion that the teacher is not fulfilling the purposes for which the leave was granted, he/she shall report this fact to the Board. If the Board believes that grounds for the revocation of leave may exist, it shall provide the teacher with an opportunity to be heard thereon. After evaluating the merits of the case, the Board shall either continue the leave or revoke it and return the teacher to teaching duties.

EVALUATION PROCEDURES

The parties agree that any provision, sentence, clause or section of this Article which violates any statute or state administrative code regulation, shall be governed by the applicable statute or code provision.

A. PHILOSOPHY OF TEACHER SUPERVISION AND EVALUATION PROCESS.

We believe that the fundamental purposes of an evaluation process is to encourage effective teaching and to stimulate the professional growth of the teaching staff.

The primary function of the evaluation is, therefore, to be directed toward the identification and commendation of, effective performance as well as to define areas requiring attention and to make recommendations which shall assist the teacher in improving instruction and developing his or her maximum potential.

While any evaluation process must of necessity serve as the basis for the reaching of administrative decisions on such matters as rehiring, the granting of tenure, or the withholding of increment, we wish to emphasize the positive purposes of evaluation as being the improvement of the effectiveness of the individual practitioner, the inspiring of professional growth, and the shaping of a successful teaching career.

B. DESCRIPTION OF OBSERVATION EVALUATION CYCLE

1. Non-Tenured Classroom Teachers

Each non-tenured teaching staff member shall

ARTICLE XIV (cont'd)

EVALUATION PROCEDURES

be observed a minimum of three (3) times during each school year by a member of the administrative and supervisory staff of the district. At least one of these observations shall be preceded by a conference between the teacher and the administrator for the purpose of discussing and developing their expectations of the observation.

2. Tenured Classroom Teachers

Each tenured teaching staff member shall be formally observed at least once during each school year by a member of the administrative and supervisory staff of the district. Additional observations may be made should the administrator or supervisor deem them necessary. If the observation-evaluation is negative, the teacher may request that any additional observation, preceded by a pre-conference, be held and such request shall not be unreasonably denied.

3. Non-tenured Professional Support Personnel
(Member of Child Study Team, Nurse, Speech Therapist, Media Specialist, etc.)

Each non-tenured member of the professional support staff shall be formally observed in the performance of his or her duties, as outlined in the job description for his or her position, at least three (3) times during each school year by members of the administrative and supervisory staff of the district.

ARTICLE XIV (cont'd)

EVALUATION PROCEDURES

At least one of these observations shall be preceded by a conference between the professional support person and the administrator for the purpose of discussing and developing their expectations of the observation.

4. Tenured Professional Support Personnel

Each tenured member of the professional support staff shall be formally observed in the performance of his/her duties, as outlined in the job description for his or her position, at least once by a member of the administrative or supervisory staff of the district. Additional observations may be conducted should the administrator or supervisor deem them necessary. If the evaluation report based upon this observation process is negative, the professional support person may request that an additional observation, preceded by a pre-conference, take place and such request shall not be unreasonably denied.

5. Observation Process

Each observation shall be followed within a reasonable period of time, but no longer than fifteen (15) school days, by a conference to indicate areas of strength and weakness and to make specific recommendations which shall assist the teacher in the improvement and/or correction of observed deficiencies. In addition, the administrative and supervisory staff person performing the observations shall discuss with the teacher any and all areas of the "Evaluation Criteria" for which there is

ARTICLE XIV (cont'd)

EVALUATION PROCEDURES

concern and about which the administration may have knowledge at the time of the observation. Following the conference, an observation/evaluation report shall be prepared in triplicate within a reasonable period of time, but no longer than fifteen (15) school days after the conference, which shall be signed by both the administrator and staff member. One copy shall be retained by the staff member, one copy shall be retained in the building administrator's office and one copy shall be maintained in the staff member's permanent folder in the District Office. The staff member shall have the right to make additional comments or explanations on the observation/evaluation form. The signature of the staff member shall not necessarily represent acceptance of the report but shall constitute an acknowledgement that he or she has read its contents.

C. SUMMATIVE EVALUATION

1. General

In addition to the observation evaluation report or reports, a summative evaluation of each professional staff member's total performance as an employee of the district shall be prepared by his or her administrator or supervisor. Said evaluation shall be based on the "Evaluation Criteria" developed for that purpose and adopted by the Board of Education. Professional support personnel shall be evaluated utilizing their approved job description.

ARTICLE XIV (cont'd)

EVALUATION PROCEDURES

Prior to the preparation of the summative evaluation report, the administrator or supervisor may request information on those individual criteria which he or she feels may require elaboration. Within a reasonable time thereafter, but not in excess of fifteen (15) school days, a conference shall be held for the purpose of discussing areas of strength and possible deficiency in the staff member's performance and to make recommendations for improvement.

Each professional staff member shall be responsible for identifying and striving to achieve professional job targets. The number of job targets and their areas of concentration shall be mutually developed between the staff member and the administrator. Proposed job targets for teachers working under their first contract in the district shall be mutually determined no earlier than May 15th. It is understood that the parties may mutually modify the target content and/or time frame for achievement.

The job target process shall be directly related to the year-end summative evaluation of each staff member's performance through criteria 7 and 8 established in Category VI, "Professional Competency and Practices."

2. Summative Evaluation

Each classroom teacher shall be evaluated in narrative form within each of the broad performance categories

ARTICLE XIV (cont'd)

EVALUATION PROCEDURES

Said evaluation shall be based upon all criteria contained within the category, but the administrative and supervisory staff of the district shall be required to address themselves in writing only to those criteria which they may select. Any criteria not addressed shall be deemed to be satisfactory or not applicable. Any criteria which are negatively assessed must be followed by specific recommendations which shall assist the teacher in improving areas of deficiency. Professional support persons shall be evaluated as above stated utilizing their approved job description.

At the conclusion of the summative evaluation report, the administrator shall make a written assessment as to whether he or she finds the total performance of the professional staff member satisfactory or unsatisfactory. Said assessment shall be based upon his or her perception of overall performance.

The summative evaluation report shall be prepared in triplicate and signed by both the administrator and the staff member. One copy shall be retained by the staff member, one copy shall be retained in the building administrator's office and one copy shall be maintained in the staff member's permanent personnel folder in the District Office. The staff member shall have the right to make additional comments or explanations on the form.
