- A. Seniority is defined as continuous full-time employment with the City from date of hire. An employee's date of hire is the date that the employee is hired for full-time regular employment and is physically on the premises and available for work, and begins his probationary period. Seasonal, interim, and/or part-time employment is not counted as part of an employee's full-time probationary period and is not credited for the purposes of accruing benefits hereunder, including but not limited to vacations or sick leave.
- B. For purposes of promotions, the City shall utilize experience, ability, aptitude, qualification, and attendance as the criteria for promotion of employees to job classifications having a higher rate of pay. When all of the aforementioned items are substantially equal, Seniority shall be the determining factor. The selection of the employee to be promoted shall be made by the City and shall not be subject to review. However, should the City select an employee other than the most senior, the City agrees to meet with the Union in order for the Union to present any facts which it feels the City should consider in reaching its final decision.
- C. The following shall constitute a break in service; resignation, separation for just cause, retirement, absence without leave for two (2) consecutive working days, two (2) working days in one twelve month period, periods while on leave of absence without pay other than an approved leave under the Federal Family and Medical Leave Act or the New Jersey Family Leave Act, failure to report to work after leave or acceptance of other employment while on leave.
- D. Every person hired or appointed to a full time regular position shall be considered a probationary employee and on probation for the position to which he is hired or appointed for a period of ninety

(90) days. Prior to his completion of the probationary period, the employee shall be evaluated by the Mayor or his designee to determine whether he shall be granted regular status or terminated. At the end of such ninety (90) day period, the employee shall either be granted regular status in the title, resign or be terminated. Said decision shall be the exclusive right of management and shall not be subject to review. Management, in its sole discretion, may also extend the probationary period for an additional thirty (30) day period. The decision to extend the probationary period shall not be subject to review. In the event the extension is exercised by management, at the end of the additional thirty (30) days, the employee shall either be granted regular status in the title, resign or be terminated. Said decision shall be the exclusive right of management and shall not be subject to review.

- E. Every employee promoted to a new title shall be considered a probationary employee in that title for a period of ninety (90) days, or for one hundred twenty (120) days if the thirty (30) day extension described above is exercised. Prior to his/her completion of the probationary period, the employee shall be evaluated by the Mayor or his designee to determine whether he/she shall be granted regular status or returned to his/her prior position. Said decision shall be the exclusive right of management and not subject to review.

ARTICLE VIII

HOURS OF WORK

The basic work week shall be eight (8) hours per day, forty (40) hours per week, five (5) days per week, which may be scheduled Sunday through Saturday, inclusive. One hour of each eight (8) hour day shall be designated unpaid meal time. Therefore, full time employees are compensated based upon seven (7) work hours a day, thirty-five (35) hours per week. Hours worked in excess of 35 shall be paid pursuant to Article XIV, Overtime.

Employees employed as of June 19, 2013 who worked a Monday through Friday schedule shall not have their work week changed without prior negotiations with the Union.

Employees employed as of June 19, 2013 who worked a schedule other than the Monday through Friday schedule shall continue to work their current schedule and their work week will not change without prior negotiations with the Union.

New employees hired after June 19, 2013 may be scheduled to work any work week determined by the City. The new work week once established will not be changed without prior negotiations with the Union.

Employees shall receive a rest period of not more than fifteen (15) minutes, on the City's time, for each three and one-half (3 ½) hour work period. Rest periods shall be scheduled as near as possible to the midpoint of each three and one-half (3 ½) hour work period. No employee shall be required to work more than three (3) hours without a rest period. The fifteen (15) minute rest period shall include all time an employee is not actually working.

The City shall provide each employee with one (1) unpaid hour for a meal between the third and fifth hour of each shift. The employee may add the two (2) fifteen (15) minute rest breaks to the meal period with

the mutual agreement of the Employer. All rest breaks and lunch breaks shall be arranged by the employee at the discretion of his/her supervisor but in no event shall break time be longer than the time allotted in this Agreement.

All employees shall be scheduled to work a regular shift as determined by the City, which work shift shall have stated starting and quitting times. The regularly scheduled work week shall normally consist of five (5) consecutive work days for all employees.

Notwithstanding the above, the City reserves the right to change the normal work hours and days per week and to establish new work hours and work days per week in accordance with applicable Public Employment Relations Commission and judicial case law. Employees shall be given as much advance notice as possible of shift changes which affect them.

ARTICLE IX

- A. Days observed as legal holidays. The following days will be considered as legal holidays, with City offices closed and normal operations suspended:
1. New Year's Day
 2. Martin Luther King Jr.'s Birthday
 3. President's Day
 4. Good Friday
 5. Memorial Day
 6. Independence Day
 7. Labor Day
 8. Columbus Day
 9. Veteran's Day
 10. Election Day
 11. Thanksgiving Day
 12. Day after Thanksgiving if declared by Mayor/Council at their discretion.
 13. Christmas Day
- B. When any of these legal holidays fall on Sunday, the following Monday shall be the official holiday. When any of these legal holidays shall fall on a Saturday, the preceding Friday shall be designated the official holiday.
- C. Holiday pay shall not be allowed for an employee unless he is on the job and available for work his last full scheduled workday before and his first full scheduled workday after the holiday, even though

in different work weeks, except in the case of proven illness or injury substantiated by a medical certificate. For any other time off taken before a holiday (i.e., vacation, personal, comp., etc.) an employee must follow the proper notice provisions in requesting that time off. An employee shall not be able to “call in” and use accrued time off on the day before a holiday except for use of a sick day which is substantiated by a medical certificate.

- D. Should a designated holiday be observed on one of the employee’s regularly scheduled basic work days within his normal working period while he is on vacation, said holiday shall not be counted as a vacation day.
- E. When a full-time regular employee is required to work on the day any recognized holiday is observed in this Article, he/she shall be paid at the rate of one and one-half (1 2) the straight time rate for the actual hours worked on such holiday in addition to the day’s holiday pay. The payment will be made in cash or compensatory time at the discretion of the City. Further, no employee shall work on any of the recognized holidays unless he/she has been directed to do so by his/her Department Head.
- F. Holiday pay shall apply to full-time regular employees, but shall not apply to probationary employees or those holding temporary emergency or seasonal positions.
- G. When a part time employee is required to work on the day any recognized holiday is observed in this Article he/she shall be paid compensation for hours worked on such holiday at one and one-half (1 ½) times their hourly rate of pay.

ARTICLE X

VACATION LEAVE

- A. All employees covered by this Agreement shall be entitled to annual Vacation Leave as follows:
1. In the first (1st) year of employment, until the January following the employee's one year anniversary, one (1) day per month of employment, utilizable only after earned.
 2. Beginning January 1st in the year after the employee's one year anniversary; twelve (12) working days.
 3. Beginning in the sixth (6th) calendar year of service and through the completion of the tenth (10th) year of service; sixteen (16) working days per year.
 4. Beginning in the eleventh (11th) calendar year of service and through the completion of the fifteenth (15th) year of service; nineteen (19) working days per year.
 5. Beginning in the sixteenth (16th) year of service and through the completion of the nineteenth (19th) year of service; twenty two (22) working days per year;
 6. Beginning in the twentieth (20th) year of service and thereafter for each year; twenty five (25) working days per year.
- B. Beginning January 1st in the year after the employee's one year anniversary, all regular part-time employees covered by this Agreement who work fifteen (15) or more hours per week shall be entitled to twenty (20) hours of Vacation Leave during each calendar year of employment. Such Vacation Leave shall be taken in increments of the employee's normal work days.
- C. Vacation leave days indicated in Section A above shall be based upon the number of work hours in a standard work day.
- D. Initial year of hire vacation days must be earned before they can be used. Each year thereafter, each

employee shall become entitled to use his or her entire vacation period specified in Paragraph "A" above after January 1 of said year. In the event an employee terminates employment, the employee shall be entitled to vacation allowance for the current year prorated upon the number of months worked in the calendar year in which the termination becomes effective. If a greater amount of vacation has already been taken, the employee shall be charged back for the excess vacation. (See Subsection L below).

- E. As it is the desire of the City that all employees receive the maximum benefits from their vacations, each employee is encouraged to take his/her vacation in blocks of at least five (5) continuous days. Vacation Leave request must be submitted, in writing to the direct supervisor. Requests for days off, less than five (5) in number must be submitted at least forty-eight (48) hours in advance. Requests for five (5) days off or more must be submitted at least two (2) weeks in advance and notice of approval or denial of a Vacation Leave of five (5) days or more shall be given within one (1) week of submission. Requests received after March 1st of the year shall be on a first come, first serve basis. Vacation Leave will be granted to employees subject to the employer's responsibility to maintain adequate staffing levels and efficiency of operations. Leave requests shall not be unreasonably denied.
- F. "Days" for the purpose of this calculation, shall be described as working days.
- G. If an official holiday occurs during an employee's authorized vacation he/she will be entitled to an additional day in lieu of the holiday.
- H. The authority for the approval of each employee's vacation schedule is vested in the Mayor or his designee. Unless a particular employee is required for a specific task, preference in the selection and assignment of vacation periods will be given to those employees longest in the service of the City, in

the order of their length of service. However, after March 1st, the “first come/first serve” rule will supersede seniority so that an employee with less seniority does not have their vacation cancelled due to a more senior person subsequently requesting the same day.

- I. Vacation allowance must be taken during the calendar year unless it cannot be taken because of the demands of City business and at the direction of the Mayor or his designee, vacation leave may be carried into the following year up to a maximum of five (5) days. If more than five (5) days are to be carried over, the Mayor or his designee must certify to the C.F.O. the reason, be it the demands of City business or otherwise. The C.F.O. must secure the permission of the Mayor in order to allow a carryover of more than five (5) days.
- J. The vacation period will commence on January 1 in any calendar year and, except as provided in Subsection I of this section, must be used by December 31 in said year.
- K. Beginning January 1st in the year after the employee’s one year anniversary, Vacation Leave for the year is available at the beginning of the year. However, vacation is earned on a pro-rated basis monthly.
- L. In computing an employee’s right to vacation time, his period of probation will be included in computing his/her period of service.
- M. If any employee shall sever employment with the City prior to taking accrued and earned vacation, the employee will be entitled to receive a prorated portion of the vacation days accrued but unused. Compensation for such unused vacation, which shall have been approved for carryover or shall have accrued in the manner provided in the applicable provisions of the Personnel Ordinance of the City of Northfield, shall be paid to such full time employee when such employee is separated from the employment of the City in good standing. If an employee severs employment with the City and has

used vacation time in excess of that which is earned the employee shall reimburse the City for any advanced leave taken. The City reserves the right to take appropriate action to recover monies uncollected. In the event an employee owes the City money for time credited, taken, but not actually earned, the City reserves the right to withhold from the employee's pay monies to be paid to the City as reimbursement to the City as a result of owed time. Where an employee is no longer in the employ of the City, the City reserves the right to apply all or part of the employee's wages from the employee's last paycheck by way of reimbursement of owed time. In the event an employee dies, the value of his/her accrued but unused vacation shall be paid to his/her Estate.

- N. An employee on authorized leave of absence will be eligible for the vacation to which he/she is entitled under this chapter after he/she return to work if his/her leave of absence has not exceeded six (6) months and if he/she has worked for the City during twelve (12) of the eighteen (18) months prior to the date when he/she returns to active employment. Such employee must actually return to and be at work before a vacation is granted. If an employee is granted a leave of absence as of January 1 or later, a vacation will be given at the beginning of the leave if he/she meets the vacation requirements.
- O. A vacation, once begun, will count as the employee's vacation even though illness occurs during the vacation.
- P. Temporary, emergency, or seasonal employees will not be entitled to Vacation Leave.
- Q. Employees shall have the option not to use up to five (5) vacation days each calendar year to which they are entitled with the agreement that the City shall buy back these vacation days at the employee's daily rate of pay. The buy back shall be paid to the employee in one lump sum on the first pay date of December.

ARTICLE XI

SICK LEAVE

A. Service Credit for Sick Leave.

1. All employees shall be entitled to sick leave with pay as specified hereunder.
2. Sick leave means the absence of an employee from duty because of illness, injury, maternity leave (during the period of actual incapacitation as shown by a physician's certificate), or exposure to contagious disease. Taking Sick Leave for any other purpose constitutes an abuse of Sick Leave.

B. Amount of Sick Leave.

1. Sick Leave with pay shall accrue to any full-time employee on the basis of one (1) working day per month during the first calendar year of employment after initial appointment until the January 1st following the employee's first anniversary.

Sick Leave with pay shall accrue to any part-time employee on the basis of two (2) working hours per month during the remainder of the first calendar year of employment after initial appointment.
2. Any amount of Sick Leave allowance not used in any calendar year shall accumulate to the employee's credit from year to year, to be used if and when needed for such purpose.
3. On the January 1st after their first full year of service, employees will be credited with fifteen (15) working days Sick Leave at the beginning of the calendar year in anticipation of continued employment for the full calendar year and may be permitted to use Sick Leave for the reasons defined above.

Such sick Leave is earned at the rate of one and a quarter (1 1/4) days for each month of actual employment during the calendar year.

After their first year of service, part-time employees will be credited with twenty-four (24) working hours Sick Leave at the beginning of the calendar year in anticipation of continued employment for the full calendar year and may be permitted to use Sick Leave for the reasons defined above. Such sick Leave is earned at the rate of two (2) hours for each month of actual employment during the calendar year.

4. The employee must reimburse the City within one (1) year in cases where sick time is credited in advance, taken with pay, but not actually earned by the employee. The City reserves the right to take appropriate action to recover monies uncollected. In the event an employee owes the City money for time credited, taken, but not actually earned, the City reserves the right to withhold from the employee's pay monies to be paid to the City as reimbursement to the City as a result of owed time. Where an employee is no longer in the employ of the City, the City reserves the right to apply all or part of the employee's wages from the employee's last paycheck by way of reimbursement of owed time.
5. Full time employees with twenty-five years of service with the City of Northfield shall, upon legal retirement, be compensated for unused sick leave as set forth below. "Legal retirement" is defined as that time a person can retire under the State of New Jersey Public Employees Retirement System (PERS). However, an employee separated from service to the City for cause arising from any disciplinary action shall not be entitled to compensation for accumulated sick leave.

Upon legal retirement with 25 years of PERS pension credit with the City of Northfield or a disability retirement, an employee having a minimum accumulation of 150 unused sick days shall be eligible for reimbursement for 75 unused sick days and 15% of any remaining unused sick days based upon the rate of pay at time of retirement. (Example - an employee retires with 200 unused sick days accumulated. He would be paid for 75 days plus 15% of the remaining 125 days (18.75 days) for a total of 93.75 days.) If an employee does not have a minimum accumulation of 150 days of unused sick leave, he will only be compensated for any days accumulated at one-half (1/2) the employee's regular pay rate. (Example - an employee with 70 unused sick days at retirement will receive pay for 35 days). Employees shall provide notification to the City by November 1 of the year immediately preceding the year in which they may be eligible to or expect to retire. Such notice is not considered official notice of intent to retire. Failure to provide such notice in the event of retirement will delay such payment until the calendar year following the year of retirement.

Any employee hired on or after January 1, 2018 shall receive no compensation for unused sick leave.

6. The estate of any employee who dies and has completed twenty-five (25) years of service with the City of Northfield before retirement age shall be entitled to payment of the accumulated sick leave of the deceased employee at the rate of pay last earned by the employee before the date of his/her death in accordance with paragraph B(5) above.

Any employee hired on or after January 1, 2018 shall receive no compensation for unused sick leave.

7. An employee who is certified as absent on account of a disability or accident caused in the

usual course of his/her employment and directly in the line of duty shall not have such absence charged against his/her sick leave. All other provisions regarding absence on account of sickness or disability apply.⁸ Any employee on sick leave receiving his/her normal compensation and who, in addition, qualifies for and receives payments under applicable provisions of the Workers' Compensation Law of the State of New Jersey shall, during the period he/she is receiving such weekly benefits, not be entitled to any additional salary or sick leave benefits during that time. In addition, in the event that Workers' Compensation benefits shall be paid for a period during which salary had been paid to an employee whether regular salary or sick leave, the salary portion shall be reimbursable to the City.

9. The employee's seniority rights, and accumulation of credit towards raises shall continue during the time of the Employee's leave.
10. The parties agree that any new law enacted during the term of this Agreement which effects the City's obligation to compensate employees for unused sick leave shall be effective upon enactment and shall supersede any conflicting provision of this Agreement.

C. Reporting of Absence on Sick Leave.

1. If an employee is absent for reasons that entitle him to Sick Leave, whether of short or long duration, the employee is required to notify his/her Supervisor of the reason for absence one-half hour prior to the employee's normal starting time on the first day of absence. If the duration of absence exceeds two (2) days, it will be necessary to report on every third day unless the employee's supervisor requires more frequent reporting.
2. Failure to so notify his/her Supervisor may be cause for denial of the use of Sick Leave for

that absence and constitute cause for disciplinary action.

3. Absence without notice for two (2) consecutive days or two (2) days in one twelve month period shall constitute a resignation not in good standing.

D. Verification of Sick Leave.

- (a) An employee who has been absent on Sick Leave for five (5) or more consecutive working days may be required to submit acceptable medical evidence substantiating the illness to his/her immediate supervisor with a copy to the City Clerk.

In cases where an illness is of a chronic or recurring nature causing recurring absences of one day or less, only one submission of such proof shall be necessary for a period of six (6) months.
 2. The City may require proof of illness of an employee on Sick Leave, whenever such requirement appears reasonable and further may adopt such other Sick Leave verification procedures as it may deem appropriate. Abuse of Sick Leave shall be cause of disciplinary action.
- (b) In the case of leave of absence due to exposure to contagious disease, a certificate from the Board of Health shall be required prior to the employee's return to work.
- (c) The City may require an employee who has been absent because of personal illness, as a condition of his return to work, to be examined at the expense of the City by a physician or

other designated health care provider designated by the City. Such examination shall establish whether the employee is capable of performing his normal duties and that his return to work will not jeopardize the health or safety of other employees. All such examinations shall be on the employee's own time and will not be compensated by the employer. If an employee is absent due to illness for more than five (5) consecutive days for the same illness, the City will apply any time in excess of five (5) days against the employee's leave entitlement under the New Jersey and/or Federal Family and Medical Leave Act.

- (d) An employee who has exhausted all accrued leave time such as vacation, sick leave and compensatory time and who is not on an approved Leave of Absence shall be subject to disciplinary action, including possible discharge from employment. An employee who has been granted an approved Leave of Absence and who fails to return to duty upon the expiration of the approved Leave of Absence shall likewise be subject to disciplinary action, including possible discharge from employment.

The employee's limits shall be due, generally, to the employee's inability to be available due to circumstances beyond his/her control (i.e., due to medical restrictions) and not simply due to the employee's desire to have limited or reduced availability. The decision of a municipality to allow its employees to waive coverage and the amount of consideration to be paid are not subject to collective bargaining.

Consistent with the provisions of the applicable law, the City has agreed with the Union to adopt an Opt-Out Payment Plan as follows:

Commencing January 1, 2012, employees who can certify that they are covered under other health coverage may "opt-out" of the health benefits provided by the City of Northfield through the New Jersey State Health Benefits Program. Employees can certify that they are covered under other health coverage by completing the "Coverage Waiver" form provided by the State of New Jersey Division of Pensions and Benefits.

Employees electing to "opt-out" of health coverage will receive a payment representing no more than 25% or \$5,000, whichever is less, of the amount saved by the employer, per annum prorated for the period of time each year that coverage does not apply to the employee. Checks for opting out will be issued on or about December 1st of each year.

An employee who waives coverage shall be permitted to resume coverage by making an application for coverage during an open enrollment period in accordance with the provisions of the State Health Benefits Program.

Further, an employee who waives coverage shall be permitted to immediately resume coverage if the employee ceases to be eligible for other health care coverage for any reason, including, but not limited to, the retirement or death of the spouse or divorce. An employee who resumes coverage shall repay, on a pro rata basis, any amount received from the employer which represents an advance payment for a period of time during which coverage is resumed. An employee who wishes to resume coverage shall notify the employer in writing and file a declaration with the division, in such form as the director of the division shall prescribe, that the waiver is revoked.

F. Excise Tax

In the event the health insurance plans offered by the City are in excess of the maximum amount permitted under the Affordable Care Act without triggering the excise tax (which is presently scheduled to be \$10,200 for single coverage and \$27,500 for family coverage) the parties agree to meet eleven months prior to the implementation of the Excise Tax to discuss implementation of a new plan that will be below that maximum amount. If the parties are unable to agree to a new plan, the City shall be authorized to provide a new plan which will be below the maximum accounts permitted under the Affordable Care Act and such plan selected and provided by the City shall be deemed to satisfy the “substantially equivalent” contract provision regarding the provided coverage. The City may continue to offer its then current plan or another plan whose cost is in excess of the then maximum amount permitted under the Affordable Care Act. However, if an employee elects to be covered under such a plan, the employee will be responsible for an excise tax incurred by the employer as well as the amount of the premium cost in excess of the then maximum amount permitted under the Affordable Care Act and in addition to any other health care contributions already in effect under Chapter 78 or otherwise.
