Article II Grievance Procedures

A. Definitions

A “grievance” is a claim by an employee of the Association based upon the interpretation, application or violation of the Agreement, policies, or Administration decisions affecting terms and conditions of employment of an employee or a group of employees.

An “aggrieved person” is the person or persons or the Association making the claim.

A “party of interest” is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

“Working Days” when used hereafter shall mean the working days of the grievant when it refers to filing the grievance and appealing a decision to a higher step and working days of the Administrator when it refers to a response by the Administrator to the grievant.

B. Purpose

The Board and the Association agree to process all grievances in good faith and to expedite claims at the lowest possible level.

The purpose of the procedure is to secure, at the lowest possible level, solutions to the problems which may from time to time arise affecting member of the bargaining unit. Both parties agree that these proceedings will be kept confidential.

A grievance filed under this Article shall be initiated at Step 1 within (30) thirty calendar days of the date of its occurrence. Grievances filed after the expiration of thirty (30) calendar days shall be deemed untimely.

C. Procedures

Since it is important that grievances be processed as rapidly as possible, the number of days at each level should be considered as maximum and every effort should be made to expedite the process. The time limits specified, however, may be extended by mutual agreement.

In the event a grievance is filed at such time that it cannot be proceeded through all the steps in this grievance procedure by the end of the school year, and if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

It is understood that employees shall during and notwithstanding the pendency of any grievance continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.

D. Level One: Principal or Immediate Supervisor

Informal Step – an employee with a grievance shall first discuss it with his/her principal or immediate Supervisor, either directly or through the Association’s designated representative, with the objective of resolving the matter informally. A response to the grievance will be provided with two (2) working days.

Formal Level – If the grievant is dissatisfied with the response at the informal level, he/she and/or his/her designated Association representative shall within ten (10) working days present the grievance in writing to the immediate Supervisor. The written grievance shall contain:

- a. The nature of the grievance and the person, persons or Association filing the grievance.
- b. The appropriate date on which the alleged violation occurred.
- c. A description of the grievance, listing the specific provisions of the contract that are allegedly violated.
- d. The grievant’s dissatisfaction with decisions previously rendered
- e. The specific redress requested. The Principal or immediate Supervisor shall make a decision and communicate the decision in writing within five (5) working days from the date he/she initially received the written grievance.

E. Level Two: Superintendent

If the aggrieved person is not satisfied with the disposition of his grievance at Level One, or if no decision has been rendered in writing within five (5) working days, he/she may file the grievance in writing with the Association within ten (10) working days after receiving the written grievance. The Association may refer it to the Superintendent of Schools.

A hearing shall be held at this level before the Superintendent or his/her designee if requested by the grievant. This hearing will occur before a decision at this level is rendered. The Superintendent shall attempt to resolve the matter as quickly as possible but within a period not to exceed ten (10) working days. The Superintendent shall communicate his/her decision in writing to the employee, the Principal and the Board.

F. Level Three: Board of Education

If the aggrieved person is not satisfied with the disposition of the grievance at Level Two, or if no decision has been rendered within five (5) working days, he/she may file the grievance in writing with the Association within five (5)

working days. Within ten (10) working days after receiving the written grievance, the Association may refer it to the Board of Education. The full Board shall review the grievance and may hold a hearing with the employee. The Board shall render a decision in writing within thirty (30) calendar days of receipt of the grievance by the Board.

G. Level Four: Arbitration

If the aggrieved person is not satisfied with the disposition of the grievance at Level Three, or if no decision has been rendered within ten (10) working days after the grievance was delivered to the Board of Education, he may, within five (5) working days after a decision by the Board of Education or within fifteen (15) working days after the grievance was delivered to the Board of Education, whichever is sooner, request in writing that the Association submit the grievance to arbitration. If the Association determines that the grievance is meritorious, it may submit the grievance to arbitration within fifteen (15) working days after receipt of a request by the aggrieved person.

Within ten (10) working days after such written notice of submission to arbitration, the Board of Education and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator or, if the parties are unable to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the Public Employment Relations Commission by either party. The parties shall then be bound by the rules and procedures of the Public Employment Relations Commission in the selection of an arbitrator.

The arbitrator so selected shall confer with the representatives of the Board of Education and the Association and hold hearings promptly and shall issue his decision not later than twenty (20) days from the date of the close of the hearings or, twenty (20) days from the submission of the briefs. The arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which violates the terms of the Agreement. The arbitrator can add nothing nor subtract anything from the Agreement between parties or any policy of the Board of Education. The decision of the arbitrator shall be submitted to the Board and the Association only and shall be final and binding on the parties.

The cost of the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association.

H. Right of Employees to Representation

Any aggrieved person may be represented at all stages of the grievance procedure by himself, or at his option, by a representative selected or approved by the Association. When an employee is not represented by the Association, the Association shall have the right to be present and to state its view at all stages of the grievance procedure. The aggrieved person will bear all costs of representation.

No reprisals of any kind shall be taken by the Board or by any member of the Administration or by the Association or any of its officers or representatives against any party in interest, any representative or member of the Association, or any other employee by reason of his participation or nonparticipation in the grievance procedure.

Miscellaneous

Group Grievance – if, in the judgment of the Association, a grievance affects a group or class of employees, the Association may submit such grievance in writing to the Superintendent directly and the processing of such grievance shall be commenced at Level Two when the Administrator handling grievances at Level One of this procedure does not have the authority to resolve the grievance. The Association may process such a grievance through all levels of the grievance procedure even though the aggrieved person does not wish to do so.

If, in the judgment of the Association, a grievance arises out of an action taken by the Board or Administrator above the level of the immediate Supervisor, the Association may submit such grievance in writing to the Superintendent directly and the processing of such grievance shall be commenced at Level Two when the Administrator handling grievances at Level One of this procedure does not have the authority to resolve the grievance. The Association may process such a grievance through all levels of the grievance procedure even though the aggrieved person does not wish to do so.

Separate Grievance File – all documents, communication and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants. The Association and the employee have the right to inspect this grievance file.

Meetings and Hearings – all meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives, heretofore referred to in the Article.

Association Presence – the Association shall have the right to be present at all formal grievance levels even if the grievance was not filed through the Association.

Failure at any step to communicate a decision within the specified time limit shall permit the aggrieved to proceed to the next step. Failure at any step of the procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be an acceptance of the decision rendered at that step. Failure to raise a grievance within the time limits herein shall be deemed to be an abandonment of the grievance.

The time limits set forth herein may be extended in writing by mutual agreement of the parties.

Reprimand Clause- Any verbal reprimand of a BTEA member by an administrator shall be communicated in a manner so as to maintain confidentiality, to the extent appropriate, based upon the circumstances creating the need for the reprimand. I understand that the disbursing officer will discontinue such deductions only if I file such notice of withdrawal as of January 1 or July 1 as the next succeeding date on which notice of withdrawal is filed. I also agree that upon termination of employment, the disbursing officer shall deduct any remaining amount due for that current school year. I hereby waive all right and claim for said monies so deducted and relieve the governing board and all of its officers from any liability therefore. I designate the Brick Township Education Association, Inc., to receive dues and distribute dues to the United Teaching Profession.
