THIS AGREEMENT entered into as of the First day of July, 2004, 2007 by and between the **HANOVER PARK REGIONAL HIGH SCHOOL DISTRICT BOARD OF EDUCATION**, East Hanover, New Jersey, hereinafter called the "**Board**," and the **HANOVER PARK REGIONAL EDUCATION ASSOCIATION, INC.**, hereinafter called the "Association."

WITNESSETH THAT:

IN CONSIDERATION OF THE MUTUAL COVENANTS HEREIN CONTAINED, IT IS AGREED AS FOLLOWS:

SECTION 1: TEACHING STAFF PROVISIONS

ARTICLE I

RECOGNITION

A. The Board hereby recognizes the Association as the exclusive representative for collective negotiations concerning the terms and conditions of employment as permitted by law of the employees of the Board employed in any of the following capacities:

Department coordinators, full and part-time certificated contract classroom teachers (including teachers performing functions as reading specialists, speech instructors, coordinators of cooperative industrial education, permanent substitutes), head and assistant librarians, guidance counselors, learning disability teacher-consultant, school nurses, social workers and psychologists.

Excluded from such representation are employees of the Board employed in the following capacities:

Assistant Superintendent, Principals and Assistant Principals, District Director of Student Personnel Services, District Supervisors, dieticians, secretarial and clerical workers, athletic trainers, instructional aides, custodial and maintenance personnel, bus drivers, transportation personnel, doctors, psychiatrist, part-time non-certificated personnel or personnel not under contract whether paid or

volunteer workers including but not limited to substitute teachers, per diem personnel or any other employee of a similar nature.

B. Unless otherwise indicated the term "teachers" when used hereinafter in this Agreement shall refer to all professional employees represented by the Association in the negotiating unit as above defined, and reference to male teachers shall also include female teachers.

ARTICLE II

RIGHTS AND PRIVILEGES

A. The Board reserves to itself sole jurisdiction and authority over matters of policy and retains the right, subject only to the limitations imposed by the language of this Agreement subject to the Laws of the State of New Jersey and applicable regulations there under (a) to direct employees of the school district; (b) to hire, promote, transfer, assign, and retain all employees in positions in the school district, and for just cause, to suspend, demote, discharge, or take other disciplinary action against all employees; (c) to relieve all employees from duty because of lack of work or for other legitimate reasons; (d) to maintain the efficiency of the school district operations entrusted to it; (e) to determine the methods, means and personnel by which such operations are to be conducted; and (f) to take whatever actions may be necessary to carry out the mission of the school district in situations of emergency.

B. It is understood by all parties that under the rulings of the Courts of New Jersey and the State Commissioner of Education, the Board of Education is forbidden to waive any rights or powers granted it by law.

C. Whenever any representative of the Association or any teacher participates during working hours in grievance proceedings, he shall suffer no loss in pay.

D. The Board shall provide up to five (5) regularly scheduled periods per week of released time to a faculty representative designated by the Association in each school to perform his functions as Association representative.

E. Pursuant to Chapter 303, Public Laws of 1968, the Board hereby agrees that every teacher shall have the right freely to organize, join and support the Association and its affiliates for the purpose of engaging in collective negotiations and other lawful concerted activities for mutual aid and protection. The Board undertakes and agrees that it shall not discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by Chapter 303, Public

Laws of 1968, or other laws of New Jersey or the Constitutions of New Jersey and the United States; that it shall not discriminate against any teacher with respect to hours, wages, or any terms or conditions of employment by reason of his membership in the Association and its affiliates, his participation in any lawful activities of the Association and, its affiliates, collective negotiations with the Board, or his institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

F. REPRESENTATION FEE:

1. Any employee, represented by the Association, who chooses not to join the HPREA and its affiliates shall pay a representation fee in accordance with the provisions of *N.J.S.A.* 34:13A-5.5.
2. The Board agrees to implement payroll deduction as is currently operative in the District for dues and will include the collection and transmittal of this fee pursuant to the present procedure in accordance with *N.J.S.A.* 52:14-15.9(e).
3. The Association represents and agrees that membership in the Association is available to all eligible employees represented by it on an equal basis and that the Association has established and will maintain a demand and return system which complies with the requirements of law.
4. The Association agrees to notify the Board of the amount of the Representation Fee to be collected for each listed non-member of the Association. Said fee shall be no more than the maximum permitted by law.
5. The Association agrees to indemnify and save the Board harmless against any liability which may arise by reason of any action taken by the Board in complying with the provisions of this Article provided that:
 - a. The Board gives to the Association timely notice in writing of any claim, demand, suit or other form of liability in regard to which it will seek to implement this paragraph; and
 - b. If the Association so requests in writing, the Board will surrender to it full Responsibility for the defense of such claim, demand, suit or other form of liability and will cooperate fully with the Association in gathering evidence, securing witnesses, and all other aspects of said defense.

6. It is expressly understood that Paragraph 5 above will not apply to any claim, demand, suit or other form of liability, which may arise solely as a result of the Board's failure to comply with its obligations under this Article.

G. No teacher shall be disciplined without just cause. When an Administrator receives a complaint about a member of the teaching staff that in his judgment would warrant investigation, and which does not involve an allegation of the commission of a criminal act, that investigation will begin with the teacher being notified of the specific allegations in the complaint, being given an opportunity to respond to the complaint, and being notified if further investigation will take place. Under no circumstances will punitive action be taken against any teacher without a hearing and without receiving prior disclosure of the identity of the complainant(s) and all evidence acquired during the investigation.

H. Whenever any teacher is required to appear before the Board or any committee or member thereof concerning any matter which could adversely affect the continuation of that teacher in his office, position or employment, or the salary or any increments pertaining thereto, then he shall be given prior written notice of the reasons for such meeting or interview and shall be entitled to have a reasonable number of representatives of the Association not to exceed three (3), or a person of his own choosing, present to advise him and represent him during such meeting or interview.

I. The teacher shall maintain the initial right and responsibility to determine grades within the grading policy of the Hanover Park Regional High School District. No grade shall be changed without consultation with the teacher.

J. The Association shall have the right to use school buildings at all reasonable hours for meetings, provided that same are not held during the school day and do not interfere with the conduct of the school, school-connected activities, or other meetings already scheduled involving use of the school building. The Principal of the building in question shall be notified in advance of the time and place of all such meetings.

K. The Association shall have the right to reasonable use of the existing inter-school mail facilities and school mailboxes for all lawful purposes and without liability on the part of the Board for any mis-delivery or non-delivery of any material forwarded through the said facilities or placed in the mailboxes.

L. The rights and privileges granted to the Association in this Agreement are granted only to the Association as the exclusive representative of the teachers and are not intended as a grant of any such rights and privileges to any other organization.

M. Subject to Board review, the Superintendent may provide in-service days as he deems necessary. The Association may submit suggested agenda items for such days and may request specific in-service days for specified reasons, which are of value to the total educational program of the district. The Superintendent's decision in granting or denying such requests for in-service days or the inclusion or denial of any agenda items for inclusion therein shall be final and shall not be subject to the grievance procedure.

N. The parties agree to follow all applicable procedures outlined in this Agreement for the resolution of any differences arising hereunder and to use no other channels to resolve any such difference until the procedures within this Agreement applicable for the resolution thereof are fully exhausted.

ARTICLE III

GRIEVANCE PROCEDURE

A. **Definition:**

1. A "grievance" shall mean a complaint in writing by a teacher or group of teachers or the Association that there has been to him or them a violation, misinterpretation, or inequitable application of Board policy affecting terms and conditions of employment, a violation, misinterpretation or inequitable application of this Agreement, or a violation, misinterpretation or inequitable application of an administrative decision affecting terms and conditions of employment. A decision to be considered under this procedure must be initiated by the aggrieved party within fifteen (15) calendar days of the time that the aggrieved party knows or should have known of its occurrence, otherwise the same shall be deemed to have been abandoned. The term "grievance" shall not include the following:

- (a) Matters wherein a specific method of review is prescribed by law or by any rule or regulation of the State Commissioner of Education or by the State Board of Education;
- (b) Matters which according to law are beyond the scope of Board authority;
- (c) Any matter the determination of which would require an act by the Board of Education, which it is without legal authority to do;
- (d) A complaint of a non-tenure teacher which arises by reason of his not being re-employed;

- (e) A complaint by any teacher occasioned by appointment to or lack of appointment to, retention in or lack of retention in, any position for which tenure is either not possible or not required.
- 2. As used in the above definition, the term "group of teachers" shall mean a group of teachers having a common grievance.
- 3. An aggrieved party is the person or persons or the Association claiming the grievance.

B. Procedure:

1. It is agreed by both parties that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

2. Failure at any step of this procedure to communicate the decision of a grievance within the specified time limits shall permit the aggrieved party to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step. Time periods contained in the grievance procedure may be extended by mutual agreement of the parties in writing.

3. It is understood that aggrieved parties shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board.

4. Since it is important that grievances be processed as rapidly as possible, every effort should be made to expedite the process. Any aggrieved party may be represented at all stages of the grievance procedure by himself, or, at his option, by a representative of his own choosing. Where an aggrieved party is not represented by the Association, the Association will be permitted to have one (1) of its members attend any formal hearing as an observer only and without participation in the hearing process.

5. If a common grievance affects both high schools it shall commence at Level Two.

C. Grievance Levels:

1. LEVEL ONE:

The aggrieved party shall set forth his grievance in writing to his Principal on the grievance forms provided within the time limits set forth in Paragraph A.1 above. Failure to do so shall be

deemed to be a waiver of or an abandonment of the grievance. The Principal shall communicate his decision to the aggrieved party in writing within seven (7) school days of receipt of the written grievance.

2. LEVEL TWO:

The aggrieved party, no later than ten (10) school days after receipt of the Principal's decision, may appeal the Principal's decision to the Superintendent of Schools. The appeal to the Superintendent must be made in writing reciting the matter submitted to the Principal as specified above and his reasons for dissatisfaction with the decisions previously rendered. A copy of the writing shall be furnished to the school Principal and to any other parties who may have a direct interest in the grievance. The Superintendent shall, within ten (10) school days of the time of the presentation of the written grievance, hold a hearing at which time all parties in interest shall have a right to be heard. Within ten (10) school days of the hearing by the Superintendent he shall in writing advise the aggrieved party of his determination and shall furnish a copy of same to the Principal and to any other parties who may have a direct interest.

Decisions of the Superintendent in any matter excluded from the definition of a grievance heretofore shall not be the subject of an appeal to the Board under this grievance procedure nor submitted to arbitration. The parties expressly agree that consideration of such questions by the Superintendent is not intended and shall not be construed to be a waiver of the fact that such matters are not to be deemed grievances, nor a waiver by the aggrieved party of any right to appeal a non-grievance matter to the Commissioner of Education or other applicable tribunal, according to law.

3. LEVEL THREE:

If the grievance is not resolved to the aggrieved party's satisfaction, he, no later than five (5) school days after receipt of the Superintendent's decision, may request a review by the Board of Education. The request shall be submitted in writing through the Superintendent of Schools, who shall attach all related papers and forward the request within five (5) school days, to the Board of Education. The appeal request shall state the alleged dissatisfaction with the Superintendent's action. The Board may consider the appeal on the written record submitted to it, or the Board may, on its own election, conduct a hearing; and it may request the submission of additional written material. Where additional written materials are requested by the Board, copies thereof shall be served upon the adverse parties, who shall have the right to reply thereto. If the Board conducts a hearing it shall be held within twenty-one (21) calendar days of the receipt of the grievance appeal by the Board. The Board shall make a determination within thirty-five (35) calendar days from the receipt of the grievance appeal. Notwithstanding the

foregoing, if so requested at the time the appeal is made, the Board shall conduct a hearing where the grievance is caused by the action of a building administrator.

Decisions of the Board in any matter excluded from the definition of a grievance heretofore shall not be submitted to arbitration without the Board's written prior consent. The parties expressly agree that consideration of such questions by the Board is not intended and shall not be construed to be a waiver of the fact that such matters are not deemed grievances, nor a waiver by the aggrieved party of any right to appeal a non-grievance matter to the Commissioner of Education or other applicable tribunal, according to law.

No claim by an aggrieved party shall be processed beyond Level Three if such claim pertains in whole or in part to alleged misinterpretation, misapplication or violation of Board policy or alleged misinterpretation, misapplication or violation of an administrative decision.

4. LEVEL FOUR:

If the aggrieved party does not accept the disposition of his grievance at Level Three and wishes review by a third party and the claim pertains exclusively to misinterpretation, misapplication or a violation of any of the provisions of this Agreement, he shall notify the Board through the Superintendent within ten (10) school days of the receipt of the Board's decision. An aggrieved party in order to process his grievance beyond Level Three must have his request for such action accompanied by the written recommendation for such action by the Association.

The following procedure will be used to secure the services of an arbitrator:

(a) A request will be made to the Public Employment Relations Commission (PERC) to submit a roster of persons qualified to function as an arbitrator in the dispute in question. The parties shall then be bound by the Rules and Procedures of the Public Employment Relations Commission in the selection of an arbitrator.

(b) The decision of the arbitrator shall be in writing and shall set forth his findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by or violative of any law, or which is violative of the terms of this Agreement; and he shall have no power to add to or subtract from or modify any of the terms of this Agreement, nor shall he in any case have power to rule on any issue or dispute which is not a grievable matter under this Article III or so specified under the provisions of this Agreement or any decision provided by this Agreement to be made in the discretion of the Superintendent or the Board. The decision of

the arbitrator shall be final and binding. Only the Board and the aggrieved and his representative shall be given copies of the arbitrator's decision. This shall be accomplished within thirty (30) days of the completion of the arbitrator's hearings.

(c) Each party will bear the total cost incurred by itself. The fees and expenses of the arbitrator are the only costs which shall be shared by the two parties and they shall be shared equally.

(d). The Board may, at its election, institute a grievance against the Association for a claimed misinterpretation, misapplication or violation of this Agreement by the Association or its representatives. Prior to instituting such a grievance, the Board shall notify the Association in writing of its intention so to do, with reasons. The parties shall meet within ten (10) school days after the date of such notice in order to attempt to resolve the matter. If the grievance is not resolved within ten (10) school days after the first such meeting, the Board may then proceed with the filing of the grievance by following the procedures of Level Four of the grievance procedure.

ARTICLE IV

COMPENSATION

I. Regular Ten-Month Contracts:

A. 1. Salaries for all ten-month certificated employees shall be in accordance with official employment records on file in the Superintendent's office and as set forth on Schedules "A" annexed hereto.

2. An additional stipend shall be added to the attached Salary Guides for those employees who have attained Merit under applicable Board Policy. Proposals for modification of Board Policy concerning Merit shall be referred to the Merit Committee before submission to the Board.

3. Each teacher who has attained the requisite years of service shall receive, as an addition to his or her salary under the attached Salary Schedules "A", the longevity stipend specified on such Salary Schedule. Years of service for longevity stipend purposes is defined as the number of full years of service an individual has completed in the employ of the Hanover Park Regional High School District Board of Education as of June 30 preceding the

commencement of the school year in which the longevity stipend is to be paid. Time spent on sabbatical or other leaves of absence shall not count towards service for the longevity stipend.

4. All degree levels included in the attached Salary Guides are based upon an official transcript, or letter to be followed by an official transcript, from an approved college or university and the date of award for degree.

5. In order to qualify for the Bachelor's Degree + 15 credits, Bachelor's Degree + 30 credits, Master's Degree + 15 credits, and Master's Degree + 30 credits category the candidate must have earned the 15 or 30 graduate level credits after completion of the Bachelor's and Master's Degree respectively. Credits earned prior to the award of a degree are not considered in evaluating the next degree level category. Graduate credits must be in the teacher's assigned certification field, or be earned as part of a matriculated degree program leading to a degree in the teacher's assigned certification field. Credits outside of the teacher's assigned certification field may qualify as graduate level credits for placement on the Salary Guide if so recommended by the Superintendent and with the approval of and in the discretion of the Board. Undergraduate credit courses are not acceptable. Only courses taken in attendance at an accredited college or university as recognized by the New Jersey Department of Education, or approved Internet courses meeting the conditions described in Article IX, A. 3. b., shall qualify for salary level placement. All credits to be honored for salary level placement are to be approved by the Superintendent, but a dispute as to whether credits qualify as being in the teacher's assigned certification field shall be subject to the grievance procedure.

The following provisions shall apply only to teachers currently employed as of the execution of this Agreement:

(a) Graduate credits meeting the above criteria shall qualify for salary level placement irrespective of the field in which earned, provided such graduate credits were earned prior to July 1, 1973.

(b) Graduate credits and a Master's Degree meeting the above criteria shall qualify for salary level placement irrespective of the field in which earned, if such credits are part of a Master's Degree Program in which the teacher was matriculated as of July 1, 1973.

6. For salary consideration in any given school year, the candidate must present an official transcript, or letter to be followed by an official transcript, with proper evidence to substantiate the degree level requested, before September 1st of the school year for consideration September 1st, and before February 1st of the school year for consideration February 1st.

7. Increments, or raises for teachers at maximum, may be withheld in whole or in part for just cause.

II. Extra-pay Contracts for Certificated Employees:

A. Those employees accepting assignments as Department Coordinators and Head Librarians shall receive separate annual contracts with stipend as indicated on Schedules "C", annexed hereto.

B. 1. Additional compensation shall be provided to any employee accepting assignments under the Student Activities Program in accordance with the schedule of fees annexed hereto as Schedules "B" or "C" and subject to the conditions of a separate contract for each specific assignment.

2. Compensation for teachers serving as Sports Photographer or athletic contest ticket takers shall be as set forth in Schedule "D" annexed hereto.

3. Teaching staff members who are approved by the Building Principal to chaperone student activities on school premises during evenings (after 5:00 p.m.) of school days, or on non-school days, or to chaperone Junior or Senior Proms, and who are not otherwise required to attend these activities as part of their extra-pay assignment, shall be compensated as set forth in Schedule "D" annexed hereto.

4. Any assignment not carried through to completion for any reason may receive a pro-rata share of the amount specified above.

5. The elimination or suspension of any activity or position is at the discretion of the Board, and such action by the Board relieves it from any responsibility for the appointment of a teacher to that activity or position.

III. Curriculum Work:

1. The Board will determine curriculum to be developed and will further determine the stipend to be paid for such curriculum development. Curriculum development proposals will be posted and teachers will be allowed to bid on the offering. The Board will select the individual(s) to be assigned the project.

2. Each project will be assigned an Administrator as the Project Supervisor, whose responsibility it will be to define the nature of the project, monitor progress and evaluate results. The Project Supervisor will meet with the teacher(s) to establish a pre-work agreement on expectations: what will be accomplished in terms of substance and form, what support will be provided, where and when the work will be done, how long the project will take, and how the work will be monitored and evaluated.

3. A mid-point set of expectations will be established which, if accomplished to the satisfaction of the Administrator, will result in payment of one-half the agreed upon amount to the teacher. The balance shall be paid only upon completion of the project to the satisfaction of the Administrator.

ARTICLE V

EMPLOYMENT

A. Teachers shall be notified of their contract status for the ensuing year not later than May 15th or within thirty (30) days from the signing of an Agreement between the Board and the Association for the ensuing year, whichever is later.

B. 1. If an Agreement between the Board and the Association has not been reached by April 1st, non-tenured teachers shall be notified in writing by the earliest possible date not to exceed May 15th of the Board's intent to offer a contract for the ensuing year. Once an employment offer has been made, the teacher shall either accept or reject in writing that offer within ten (10) working days.

2. Any non-tenured teacher who receives a notice of non-employment may within five (5) working days thereafter request in writing a statement of reasons for such non-employment from the Superintendent, which statement shall be given to the teacher in writing within five (5) working days after receipt of such request.

C. 1. Contracts for extra-pay assignments shall be issued at the earliest practical date and no later than the commencement of an activity or assignment. Notification of non-renewal or doubt as to renewal of individual contracts for extra-pay assignments will be made no later than May 15th for all activities with the exception of Spring Sports Activities, for which such notification shall be made no later than June 15th.

2. Any vacancies in extra-pay positions shall be posted as soon as they are known to have occurred.

D. The Association shall be supplied with the name and address of each new teacher, unless the teacher objects to such disclosure.

E. Promotional positions are defined as positions on the administrator-supervisory levels of responsibility. All vacancies in promotional positions shall be publicized by the Superintendent in accordance with the following procedure:

1. When school is in session, a notice shall be posted in each school as soon as is practicable. A copy of said notice shall be given to the Association at the time of posting. Teachers who desire to apply for such vacancies shall submit their applications in writing to the Superintendent within the time limit specified in the notice.

2. When school is not in session, such notice shall be sent to the Association at an address furnished by the Association.

ARTICLE VI

TEMPORARY ABSENCES

A. Personal Illness:

1. Payment for absent time beyond that required by State Law and other than those stipulated elsewhere in this Agreement shall be left to the discretion of the Superintendent. A physician's report may be required for any absence due to personal illness.

2. Unused personal illness days provided for by State Law shall be accumulated from year to year with no maximum limit.

3. Employees will be notified by September 30 of the accumulated sick days as of the end of the prior school year.

4. Compensation for Unused Sick Days:

(a) Upon retirement for service and age from a State administered retirement system, each teacher who has accumulated at least fifty (50) sick leave days shall be entitled to receive a lump sum retirement payment for earned and unused accumulated sick leave at the rate of \$40.00 per day, to a maximum payment of \$4,000.00.

An employee who elects a deferred retirement benefit shall not be eligible for retirement payment.

(b) Notice of intention to claim the benefits provided herein must be made in writing to the Board on or before November 1st prior to the year in which the retirement becomes effective. In the event an employee fails to give notice by November 1st for the reason that such employee has not at that time determined to retire, but subsequently, due to some unforeseen reason such employee is compelled to retire, the employee shall give notice of the condition

causing the retirement as soon as possible. In the event such employee demonstrates valid reason to waive the November 1st notice date, he or she will receive the benefit. The Board, however, may defer payment of all or part of the benefit to the year following the retirement.

B. Other Absence:

1. Absences permitted are for brief periods not chargeable to sick leave. The provisions for leave at full pay, stated below, shall be for one (1) school year and shall not be accumulative for use in another school year. The intent in providing personal leave days is to grant paid leave for substantial emergent matters. Where possible, every effort should be made by the employee to conduct personal affairs or business outside school hours so that the interruption to the continuity of education a student receives will be at a minimum.

(a) *Death in the Immediate Family* - An allowance for a reasonable length of time not to exceed five (5) days shall be granted upon request. 'Immediate family' shall be construed to mean the teacher's parent, spouse, sibling, child or spouse's parent. Also included shall be any other relative of the teacher who resided as a member of the teacher's immediate household. These days are provided for the sole purpose of arranging for and attending funeral services and providing for a reasonable mourning period in close proximity therewith.

(b) *Death of other relatives* - An allowance for a reasonable length of time not to exceed one (1) day shall be granted upon request for death of a grandparent or grandchild.

(c) *Serious illness in the Immediate Family* - An allowance for a reasonable length of time up to two (2) days shall be granted upon request to care for members of the immediate family as defined above.

(d) An allowance of up to a total of two (2) days under this Paragraph (d) shall be granted by the Superintendent or his designee in any school year for other reasons, including religious holidays.

2. Requests for personal leave under this Article shall be presented in writing to the respective Building Principal at least forty-eight (48) hours in advance of the desired absence. In cases of emergency, the request may be made by telephone to the Building Principal as soon as practicable.

3. For the protection of the employee and for proper payroll accounting and audit, every absence for a full day or more must be accounted for in writing and reported to the Superintendent for forwarding to the Board Secretary.

4. Except in cases of emergency, requests for personal leave under paragraph 1(d) shall not be granted on days preceding or following school vacation periods or a holiday, nor shall such request be granted during the period from the first pupil final examination day in June through the last day of school. Personal days may not be used during the mid-term examinations period, except for absence caused by inclement weather consistent with the District's practice.

5. Extensions to any temporary leaves of absence referred to in Sections (a), (b), (c) or (d) as outlined above may be made in the sole discretion of the Superintendent.

C. Continuing Professional Development:

1. The building administrator shall have the discretion to grant professional day absences from school for attendance at professional training sessions (whether seminars, conferences or other format) which he or she considers to be of general benefit to the teacher or the District, whether or not such attendance by the teacher is related to or part of a State requirement for such teacher's continuing professional education. The building administrator's decision may be appealed to the Superintendent, but otherwise shall not be grievable. Expense reimbursement, if any, for attendance at such sessions shall be pursuant to and in accordance with District policy.

2. Except as provided above for allowed professional days and expense reimbursement, the District shall not be required to grant professional day absences or pay expenses of any nature for attendance at any sessions (whether seminars, conferences or other format) where such attendance is related to or is part of a requirement of the State for the teacher's continuing professional education or to remain in good standing. Some examples of non-reimbursable expenses are costs of travel, registration, tuition charges and other fees.

ARTICLE VII

EXTENDED ABSENCES

A. Maternity Leave:

Maternity leave without pay shall be granted by the Board of Education in accordance with the following procedure:

(1) All initial applications for, and applications for extensions or reductions for maternity leave shall be made in writing to the Superintendent.

(2) All pregnant teachers may apply for pregnancy leave. As a condition to receiving such leave a pregnant teacher shall notify the Superintendent of Schools of the fact of her pregnancy as soon as practicable. She shall advise the Superintendent of the anticipated date of the delivery of the child and of any revisions in such date which may come to her knowledge.

No later than the fourth month of pregnancy the pregnant teacher shall specify the date when she wishes her leave to commence. The commencement date of the pregnancy leave shall be determined by taking into account the needs of the District and the physical ability of the teacher to continue teaching. It is expected that pregnancy leaves will commence no later than the start of the eighth month of pregnancy unless the teacher presents a statement from her physician stating that she is physically able to continue all of her duties beyond that time, in which event she shall be permitted to continue to the date certified by her physician; provided, however, that if such date is four (4) weeks or less before the scheduled birth the Board may require leave to commence any time prior to such date within such four (4) week pre-birth period irrespective of the physician's certification.

In the event of any question as to the condition of the pregnant teacher or as to the opinion of her physician the teacher may be required by the Board to submit to an examination by its designated physician and the teacher shall be required to submit to such examination. Any difference of opinion between the teacher's physician and the Board's designated physician as to the ability of the teacher to continue to perform her duties shall be resolved by a third physician appointed by the teacher and the Board, or by the Morris County Medical Society should the parties be unable to agree.

Nothing stated herein is intended to restrict the right of the Board to remove any pregnant teacher from her teaching duties if her teaching performance has substantially decreased from the time immediately prior to her pregnancy or for any other just cause.

(3) All pregnancy leaves shall be terminated no later than one (1) month following the date of the delivery of the child unless the teacher's physician shall certify that a further period of recuperation is required by the teacher, in which event said leave shall be continued for such additional period of time as shall be deemed necessary by the teacher's physician; subject, however, to the Board's right to question the condition of the pregnant teacher and the opinion of the teacher's physician and to have such question resolved in the same manner as provided for hereinabove in the case of a pregnant teacher seeking to continue working prior to commencing a pregnancy leave. In no event shall any teacher be permitted to return to duty following a pregnancy leave unless she produces a statement from her physician that she is physically able to return to duty, or the Board physician certifies she is able to do so. A teacher who has taken a pregnancy leave shall not return to duty during the last month of the academic school year unless

permitted to do so by the Board in its discretion.

(4) Any pregnancy leave of absence granted to a non-tenured teacher shall not extend beyond the end of the academic school year in which the leave is applied for and obtained, unless the Board in its sole discretion agrees to grant such extension.

(5) Any teacher shall, in the case of a birth of a child or adoption of an infant pre-school child, have the right to apply for a leave for child rearing purposes, provided that:

- (a) In cases where both husband and wife may be teachers in this School System only one of said persons shall receive such leave;
- (b) In the case of a female teacher the application for child rearing leave shall be made to become effective immediately upon the termination of her pregnancy leave;
- (c) All initial applications for, and applications for extensions or reductions for child rearing leave must be made in writing to the Superintendent and the initial application shall be filed at least three (3) months before the anticipated birth or adoption of the child, and in any event, if practicable, no later than March 1. In the event unforeseen circumstances occur within such application period, which necessitate a late application by a teacher for a child rearing leave, the specified application period shall be waived, provided the teacher makes the application for such leave immediately upon learning of the unforeseen occurrence.

(6) Child rearing leave shall be granted for a period of up to the end of the academic school year in which the child is born or adopted, and such leave shall, upon the request of the teacher, be extended for an additional academic school year. Request for extensions of such leaves must be made at least three (3) months prior to the commencement of such extended leave period, and, in any event, no later than March 1. In the event unforeseen circumstances occur within such application period which necessitate a late application by a teacher for extension of a child rearing leave, the specified application period shall be waived, provided the teacher makes application for such extension immediately upon learning of the unforeseen occurrence. Unless the child rearing leave is a continuation of a pregnancy leave, it is not anticipated that child rearing leave will be permitted to commence during the first two (2) months of the academic school year but that such leave, if requested to take effect at a time during such first two (2) months, will commence at the start of the academic school year. A teacher requesting child rearing leave will normally not be permitted to return to the School System following such leave during the last month of any academic school year.

(7) Where a teacher who has been granted a child rearing leave returns to the system, such teacher may be assigned to any position decided upon by the Superintendent so long as such assignment is within the certification of such teacher, it being the purpose of such assignment not to interfere with or disrupt the instruction of the pupils, particularly where such pupils may have commenced their instruction with a teacher who was assigned to such pupils at the start of the academic school year.

(8) The Board may set reasonable conditions for the granting of the child rearing leave, including requirement that the teacher receiving such leave not accept full time employment or any employment during all or part of the period of the child rearing leave which would interfere with the purpose of such leave. Per diem substitute teaching will be permitted.

(9) Any child rearing leave granted to a non-tenured teacher shall not extend beyond the end of the academic school year for which the pregnancy leave is granted, unless the Board in its sole discretion agrees to grant such extension.

(10) Any teacher who has applied for and received child rearing leave may reapply for permission to return to employment during the academic school year for which such leave was granted and such leave may thereupon be terminated by the Board in its sole discretion.

(11) All child rearing leaves of absence and pregnancy leaves commencing prior to physical disability shall be without benefit of experience increment credit, provided, however, that credit for a year's experience shall be granted if the leave commenced after March 1st of such year.

(12) The designation of a leave as pregnancy leave or child rearing leave shall not, solely by reason of such designation, determine the teacher's rights with respect to sick leave.

B. Other Extended Leaves of Absence:

Other extended leaves of absence for one (1) year will also be granted to full-time teachers for participation in the Foreign Exchange Teaching Program under the Fulbright Act, or any similar program. Such leave will be granted:

(1) With salary and an exchange teacher whose salary is paid by his/her own school authority. It is understood that the credentials of the exchange teacher will be submitted to the Superintendent for approval before an exchange arrangement is completed.

(2) Without salary to accept a United States Government grant to teach in a national school abroad. The Board will pay a salary to an exchange teacher whose credentials it approves. The salary to be agreed upon will be in accordance with the exchange teacher's education and experience and the applicable salary schedule.

(3) Without salary to permit him/her to accept a United States Government grant to teach in a national school abroad.

(4) All applications for Extended Leaves of Absence in Paragraph B.(a), (b), and (c) above shall be submitted in writing to the Superintendent of Schools no later than February 1st of the year prior to the school year of leave. A decision in writing on the teacher's application shall be given to the teacher by the Superintendent of Schools no later than February 10. The teacher shall, in writing, indicate final acceptance of the terms of the extended leave no later than May 1st. The teacher's failure to indicate final acceptance by May 1st shall cancel the application for extended leave.

After each subsequent period of seven (7) or more years of service, a further leave for advanced study may be granted.

C. Sabbatical leaves are granted under the following conditions by the Board for such advanced study as will enhance the general efficiency of the Hanover Park Regional High School District:

(1) The individual requesting the leave shall be enrolled during such leave in or has been accepted for an advanced study program meeting the requirements of Paragraph (b). Special consideration will be given to an individual expecting to complete his advanced degree program during the term of the requested leave, but in all cases the needs of the District shall be paramount; and

(2) The advanced study is designed to promote professional competence in the individual's assigned field; or

The leave is designed to extend an individual's professional competence into a field where the competence in such field is determined by the Board to be beneficial to the needs of the District; and

(3) Advanced study shall mean an approved program or independent research for credit in an accredited institution of learning, and such approved program may include travel which is educationally oriented and substantiated by an itinerary.

D. Applications for such leave shall be made before February 1st prior to the school year for which such absence is requested. The application shall be made upon a regular form provided by the Board of Education, and shall indicate the advanced study program to be followed during the period of leave.

E. As a condition to such leave, the teacher shall enter into a contract to continue in the service of the Hanover Park Regional High School District for a period of at least one (1) year after the expiration of the leave of absence. Failing to so continue in service, the teacher shall repay on demand to the Board of Education the full salary received while on leave, unless such teacher is incapacitated, has been discharged, or has been released for good and sufficient reasons by the Board of Education from this obligation.

F. The salary granted to a teacher on leave shall be one-half of that salary which he or she would have been entitled to if not on leave. Salary payments shall be made in accordance with the schedule for payment of salaries in the school system, less the regular deductions required by law, the Teachers' Pension Fund or other deductions authorized by the employee.

G. Teachers on such leave may associate for compensation with any person, persons, or organization during the period of leave, with the Board's prior approval, which approval will not be unreasonably withheld.

H. No more than two (2) teachers shall be granted sabbatical leave for the same year. In granting such leaves of absence, due consideration shall be given to the reasonable and equitable distribution of the applicants among the various curriculum areas. If more than two (2) applications are submitted, selection shall be made in the discretion of the Board on the basis of benefits to the school system. At all times, the needs of the school system as a whole shall be paramount.

I. Teachers on such leave will be considered as in the employ of the Board of Education, and the time thus spent shall count as their regular service toward retirement and for consideration in regard to salary adjustments. Tenure rights shall be without prejudice. Teachers on such leave shall make regular written reports to the Superintendent as he may require.

J. Applicants shall agree to abide by all conditions determined upon by the Board of Education to govern such leaves of absence.

4. In order to receive reimbursement, applicant must be in the employ of the school at the time the claim is made and must present a receipt of payment from the college or university, together with an official transcript and claim form. - (d) A complaint of a non-tenured employee which arises by reason of not being re-employed.

2. As used in the above definition the term "group of employees" shall mean a group of employees having a common grievance.

3. An aggrieved party is the person or persons or the Association claiming the grievance.

B. Procedure:

1. It is agreed by both parties that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

2. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved party to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step. Time periods contained in the grievance procedure may be extended by mutual agreement of the parties in writing.

3. It is understood that aggrieved parties shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board.

4. Since it is important that grievances be processed as rapidly as possible, every effort should be made to expedite the process. Any aggrieved party may be represented at all stages of the grievance procedure by herself, or, at her option, by a representative of her own choosing. Where an aggrieved party is not represented by the Association, the Association will be permitted to have one (1) of its members attend any formal hearing as an observer only and without participation in the hearing process.

5. If a common grievance affects both high schools it shall commence at Level Two.

C. Grievance Levels:

1. LEVEL ONE:

The aggrieved party shall set forth her grievance in writing to her designated Administrative Supervisor. Subject to change by the Superintendent, the designated Administrative Supervisor for secretaries, athletic trainers, Child Study Team secretaries, and instructional aides is their building Principal. The employee shall file the grievance on the grievance forms provided within the time limits set forth in Paragraph A.1 above. Failure to do so shall be deemed to be a waiver of or an abandonment of the grievance. The Supervisor shall communicate his/her decision to the aggrieved party in writing within seven (7) working days of receipt of the written grievance.

2. LEVEL TWO:

The aggrieved party, no later than ten (10) working days after receipt of the Supervisor's decision, may appeal such decision to the Superintendent of Schools. The appeal to the Superintendent must be made in writing reciting the grievance submitted to the Supervisor as specified above and the employee's reasons for dissatisfaction with the decisions previously rendered. A copy of the writing shall be furnished to the Supervisor and to any other parties who may have a direct interest in the grievance. The Superintendent shall, within ten (10) working days of the time of the presentation of the written grievance, hold a hearing at which time all parties in interest shall have a right to be heard. Within ten (10) working days of such hearing, the Superintendent shall in writing advise the aggrieved party of the Superintendent's determination and shall furnish a copy of same to the grievant's Supervisor and to any other parties who may have a direct interest.

Decisions of the Superintendent in any matter excluded from the definition of a grievance heretofore shall not be the subject of an appeal to the Board under this grievance procedure nor submitted to arbitration. The parties expressly agree that consideration of such questions by the Superintendent is not intended and shall not be construed to be a waiver of the fact that such matters are not to be deemed grievances, nor a waiver by the aggrieved party of any right to

appeal a non-grievance matter to the Commissioner of Education or other applicable tribunal, according to law.

3. LEVEL THREE:

If the grievance is not resolved to the aggrieved party's satisfaction, then the grievant, no later than five (5) working days after receipt of the Superintendent's decision, may request a review by the Board of Education. The request shall be submitted in writing through the Superintendent of Schools, who shall attach all related papers and forward the request, within five (5) working days, to the Board Committee. The grievant shall state on the appeal request the alleged dissatisfaction with the Superintendent's action. The Board may consider the appeal on the written record submitted to it, or the Board may, on its own election, conduct a hearing; and it may request the submission of additional written material. Where additional written materials are requested by the Board, copies thereof shall be served upon the adverse parties, who shall have the right to reply thereto. If the Board conducts a hearing it shall be held within twenty-one (21) calendar days of the receipt of the grievance appeal by the Board. The Board shall make a determination within thirty-five (35) calendar days from receipt of the grievance appeal. Notwithstanding the foregoing, if so requested at the time the appeal is made, the Board shall conduct a hearing where the grievance is caused by the action of a Building Administrator.

Decisions of the Board in any matter excluded from the definition of a grievance heretofore shall not be submitted to arbitration without the Board's written prior consent. The parties expressly agree that consideration of such questions by the Board is not intended and shall not be construed to be a waiver of the fact that such matters are not deemed grievances, nor a waiver by the aggrieved party of any right to appeal a non-grievance matter to the Commissioner of Education or other applicable tribunal, according to law.

No claim by an aggrieved party shall be processed beyond Level Three if such claim pertains in whole or in part to alleged misinterpretation, misapplication or violation of Board policy or alleged misinterpretation, misapplication or violation of an administrative decision.

4. LEVEL FOUR:

If the aggrieved party does not accept the disposition of the grievance at Level Three and wishes review by a third party and the claim pertains exclusively to misinterpretation, misapplication or a violation of any of the provisions of this Agreement, she shall notify the Board through the Superintendent within ten (10) working days of the receipt of the Board's decision. An aggrieved party in order to process her grievance beyond Level Three must have

her request for such action accompanied by the written recommendation for such action by the Association.

The following procedure will be used to secure the services of an arbitrator:

(a) A request will be made to the Public Employment Relations Commission (PERC) to submit a roster of persons qualified to function as an arbitrator in the dispute in question. The parties shall then be bound by the Rules and Procedures of the Public Employment Relations Commission in the selection of an arbitrator.

(b) The decision of the arbitrator shall be in writing and shall set forth his findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by or violative of any law, or which is violative of the terms of this Agreement; and he shall have no power to add to or subtract from or modify any of the terms of this Agreement, nor shall he in any case have power to rule on any issue or dispute which is not a grievable matter under this Article XX or so specified under the provisions of this Agreement or any decision provided by this Agreement to be made in the discretion of the Superintendent or the Board. The decision of the arbitrator shall be final and binding. Only the Board and the aggrieved and her representative shall be given copies of the arbitrator's decision. This shall be accomplished within thirty (30) days of the completion of the arbitrator's hearings.

(c) Each party will bear the total cost incurred by itself. The fees and expenses of the arbitrator are the only costs which shall be shared by the two parties and they shall be shared equally.

D. The Board may, at its election, institute a grievance against the Association for a claimed misinterpretation, misapplication or violation of this Agreement by the Association or its representatives. Prior to instituting such a grievance, the Board shall notify the Association in writing of its intention so to do, with reasons. The parties shall meet within ten (10) working days after the date of such notice in order to attempt to resolve the matter. If the grievance is not resolved within ten (10) working days after the first such meeting, the Board may then proceed with the filing of the grievance by following the procedures of Level Four of the grievance procedure.

ARTICLE XXI

TEMPORARY LEAVES OF ABSENCE

- A. Sick Leave:

1. Employees shall be permitted annual sick leave as follows:
 - a. All steadily employed twelve-month secretaries are permitted sick leave with full pay for twelve (12) days each school year. All steadily employed ten-month secretaries are permitted sick leave with full pay for ten (10) days each school year.
 - b. All steadily employed athletic trainers are permitted sick leave with full pay for ten (10) days each school year.

- c. All steadily employed full-time instructional aides are permitted sick leave with full pay for ten (10) days each school year.
- d. Part-time instructional aides do not receive paid sick leave.

All unused sick leave days shall be accumulated. Sick leave is defined as absence from post of duty because of personal disability due to illness or injury, or because of exclusion from school by the medical authorities on account of a contagious disease, or being quarantined for such a disease in the immediate household. The Board may require a physician's certificate at any time following an employee's use of a sick day.

2. Where an employee entitled to paid sick leave can anticipate the occurrence of a specific future disabling event, such as surgery or pregnancy, she shall notify her principal or immediate superior as soon as she is aware of the pending condition. The employee shall specify in writing her best estimate of the dates of commencement and termination of disability. At the time of notification, the employee shall submit a physician's certificate attesting to the disabling condition and specifying the physician's best estimate of the dates of commencement and termination of the disability.

3. Compensation for Unused Sick Days - Secretaries:

(a) Upon retirement for service and age from a State administered retirement system, each secretary who has accumulated at least fifty (50) sick leave days shall be entitled to receive a lump sum retirement payment for earned and unused accumulated sick leave not to exceed \$3,200.00 based on \$32.00 per day for each day of earned and unused accumulated sick leave. A secretary who elects a deferred retirement benefit shall not be eligible for the retirement payment.

(b) Notice of intention to claim the benefits provided herein must be made in writing to the Board on or before November 1st prior to the year in which the retirement becomes effective. In the event a secretary fails to give notice by November 1st for the reason that such secretary has not at that time determined to retire, but subsequently, due to some unforeseen reason such employee is compelled to retire, the secretary shall give notice of the condition causing the retirement as soon as possible. In the event such secretary demonstrates valid reason to waive the November 1st notice date, he or she will receive the benefit. The Board, however, may defer payment of all or part of the benefit to the year following the retirement.

(c) Athletic trainers and instructional aides do not receive the lump sum retirement payment for accumulated sick leave.

B. Other Absence – Secretaries, Athletic Trainers and Aides:

1. Absences permitted for secretaries, athletic trainers, and aides under this Article XXII B. are for brief periods not chargeable to sick leave. The provisions for leave at full pay, stated below, shall be for one (1) school year and shall not be accumulative for use in another school year. The intent in providing personal leave days is to grant paid leave for substantial emergent matters. Where possible, every effort should be made by the secretary or athletic trainer to conduct personal affairs or business outside working hours.

(a) *Death in the Immediate Family* - An allowance for a reasonable length of time not to exceed five (5) days shall be granted to secretaries, athletic trainers and aides upon request. "Immediate family" shall be construed to mean the parent, current spouse, child, of the secretary, trainer or aide, or any relative of the secretary, trainer or aide who resided as a member of his or her immediate household. These days are provided for the sole purpose of arranging for and attending funeral services and providing for a reasonable mourning period in close proximity therewith.

(b) *Death of other relatives* - An allowance for a reasonable length of time not to exceed one (1) day shall be granted to secretaries and athletic trainers upon request for death of a grandparent or grandchild.

(c) *Serious Illness in the Immediate Family* -An allowance for a reasonable length of time up to two (2) days shall be granted to secretaries and athletic trainers upon request to care for members of the immediate family as defined above. Such leave is granted for the purpose of permitting the person granted such leave to attend to the immediate needs of the ill person when such employee is unable to arrange for someone else to provide such care. Notwithstanding the foregoing, athletic trainers shall not be granted such leave for any day or evening in which they have been assigned or scheduled to perform their services in connection with a specific event such as a contest, scrimmage or inter-squad game.

(d) An allowance of up to a total of two (2) personal days without any stated reason shall be granted to secretaries and athletic trainers each school year. If these personal days have been exhausted a secretary or athletic trainer may, upon providing a stated reason and obtaining approval of the Principal or other appropriate superior, utilize vacation days for personal business which cannot be attended to outside of regular working hours. Notwithstanding the foregoing, an athletic trainer shall be granted a personal leave day or time only for a stated reason deemed valid by the appropriate administrator, for any day or evening in which he or she has been assigned or scheduled to perform his or her services in connection with a specific event such as a contest, scrimmage or inter-squad game.

2. Requests for personal leave under this Article shall be presented in writing to the respective Building Principal or immediate administrative superior at least forty-eight (48) hours in advance of the desired absence. In cases of emergency, the request may be made by telephone to the Building Principal or immediate administrative superior as soon as practicable.

3. For the protection of the employee and for proper payroll accounting and audit, every absence for a full day or more must be accounted for in writing and reported to the Superintendent for forwarding to the Board Secretary.

4. Requests for personal leave under Paragraph 1.(d) shall not be granted on days preceding or following school vacation periods or a holiday, except in cases of emergency.

5. Extensions to any temporary leaves of absence outlined above may be made in the sole discretion of the Superintendent.

6. The provisions for temporary leaves of absence contained in this Article XXII with the exception of Bereavement leave in part 1.a. of Article XXII do not apply to instructional aides.

ARTICLE XXIII

EXTENDED LEAVES OF ABSENCE

A. MATERNITY LEAVE OF ABSENCE:

Definition:

The term "maternity leave" does not refer to an involuntary absence from work arising from physical disability during or following pregnancy. Such an absence is governed by the sick leave provisions contained in Article XXII Section A.

The term "maternity leave" refers to a voluntary absence from work of a secretary, Athletic trainer or full-time instructional aide to prepare for the birth of a child or to care for the child after its birth. A pregnant secretary, athletic trainer or full-time instructional aide who wishes to request maternity leave may either:

- (a) Request a maternity leave beginning before the birth, while she is still physically

able to work, and ending after the birth. (By choosing to leave work before she is physically disabled, the employee forfeits the use of sick leave during the subsequent period of disability);
or

(b) Work until she becomes physically disabled, use her sick leave during the period of disability, and use maternity leave to care for the child after she has recovered from pregnancy related disability.

A secretary, trainer or full-time instructional aide shall be considered temporarily disabled for a period of four (4) weeks before the expected due date of the child and four (4) weeks following the delivery of the child. During this period, the employee may use all or any part of her annual and accumulated sick leave without having to produce a physician's certificate that she is disabled. The employee shall deliver to the Superintendent a physician's certificate stating the expected delivery date of the child.

Procedure:

Maternity leave without pay will be granted to a secretary, athletic trainer or full-time instructional aide for a period of up to the end of the school year in which the child is born, in accordance with the following procedure:

1. All initial applications for, and applications for extensions or reductions of, maternity leave shall be made in writing to the Superintendent.
2. Any secretarial employee, athletic trainer or full-time instructional aide intending to apply for maternity leave shall advise the Superintendent as soon as possible. The employee's request for maternity leave shall be in writing to the Superintendent at least ninety (90) days prior to the date she wishes her leave to commence. Such written request shall specify the date when the employee wishes her leave to commence and to terminate.
3. While an employee is working, the Board may require her during her pregnancy to produce a certificate from her physician stating that she may continue working effectively at the duty to which she has been assigned.
4. In the event of any question as to the condition of the pregnant employee, a conference shall be arranged between the Board's physician and the employee's attending physician. If the employee's physician and the Board's physician disagree as to the employee's fitness, then the two physicians shall select a third impartial physician, who shall examine the employee and whose medical opinion shall be conclusive and binding on the issue of the employee's fitness to continue in her assignment.

5. Nothing stated herein is intended to restrict the right of the Board to discipline any pregnant employee for any cause not related solely to the pregnancy.

6. Following the granting of maternity leave, the employee may request a reduction of such leave. Such request shall be in writing to the Superintendent. The Board may grant such proposed reduction. As a prerequisite to granting the reduction, the Board may require the employee to produce a certificate from her physician stating that she is physically able to work effectively at her assigned duties.

7. If a secretarial employee, athletic trainer or full-time instructional aide has been actively employed prior to childbirth and continues to be disabled beyond the four (4) week presumption of disability following childbirth, said employee may use any sick leave benefits to which she is entitled, provided that the employee's physician provides the Board with a certificate attesting to her inability, to resume employment. The Board reserves the right to verify the employee's disability. If the employee whose disability is caused by childbirth wishes to return to her duties prior to the expiration of the recuperative period, she must present medical certification of fitness to the Board. The Board reserves the right to verify her medical certification. If the Board of Education's physician and the employee's physician disagree as to the employee's fitness, then the two physicians shall select a third impartial physician, who shall examine the employee and whose medical opinion shall be conclusive and binding on the issue of the employee's fitness to return to her duties prior to the expiration of the recuperative period.

8. The Board may require that an employee receiving maternity leave not accept full-time employment or full-time study, during all or part of the period of the maternity leave, which would interfere with the purpose of such leave. If an employee on maternity leave desires to undertake part-time employment, the employee shall so notify the Board of Education and the Board shall have a right of first refusal to offer the employee such part-time work.

9. Time spent on maternity leaves of absence shall not count towards salary guide placement experience or sick leave accumulation.

10. If birth occurs after March 1 of any school year, the employee shall be entitled to maternity leave through August 31st of the year in which the child is born. The employee may request and receive, at the Board's sole discretion, additional maternity leave for all or part of the remaining school year, commencing September 1st of the year in which the child is born. A request for additional maternity leave under this paragraph must be made at the time the employee initially applies for maternity leave.

B. Paternity Leave:

The Board will grant any male secretary, trainer or full-time instructional aide an unpaid leave of absence to provide necessary care for his newborn child to the same extent and by the same procedure provided for maternity leaves above, provided, however, that if both parents are employees of the Board, only one parent may apply for and receive paternity or maternity leave.

C. Adoption Leave:

The Board will grant an unpaid child rearing leave of absence for a period of up to the end of the academic school year in which a secretary, athletic trainer or full-time instructional aide adopts an infant or pre-school age child. Such leave shall be granted to the same extent and by the same procedure provided for maternity leaves above, including extension of leave if adoption occurs after March 1, provided, however, that if both parents are employees of the Board, only one parent may apply for and receive adoption child rearing leave.

D. Non-applicability of Article:

The provisions of this Article XXIII do not apply to part-time instructional aides.

1. A "grievance" shall mean a complaint in writing by an employee or group of employees that there has been to him or them a violation, misinterpretation, or inequitable application of Board policy affecting terms and conditions of employment, a violation, misinterpretation or inequitable application of this Agreement or a violation, misinterpretation or inequitable application of any administrative decision affecting terms and conditions of employment. A grievance to be considered under this procedure must be initiated by the aggrieved party within fifteen (15) calendar days of the time that the aggrieved party knows or should have known of its occurrence, otherwise the same shall be deemed to have been abandoned. The term "grievance" shall not include the following:

(a) Matters which according to law are beyond the scope of Board authority or which are limited to unilateral action by the Board alone;

(b) Any matter the determination of which would require an act by the Board of Education which it is without legal authority to do.

2. As used in the above definition the term "group of employees" shall mean a group of employees having a common grievance.

B. Procedure:

1. It is agreed by both parties that these proceedings will be kept as informal and confidential as may be appropriate at any level of this procedure.

2. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved employee to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be a waiver of the grievance.

3. It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.

4. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. All time periods contained in this grievance procedure may be extended by mutual agreement of the parties in writing.

5. Any aggrieved party may be represented at all stages of the grievance procedure by himself and/or one representative.

C. 1. Any employee who has a grievance shall discuss it first with his/her immediate supervisor in an attempt to resolve the matter informally at that level, and if the discussion does not resolve the matter the employee shall initiate the grievance procedure by setting forth his/her grievance in writing to the Superintendent or his designee on the grievance forms provided. Failure to do so within the time limits set forth in Paragraph A(1) above shall be deemed to be a waiver of or an abandonment of the grievance. The Superintendent or his designee shall hold a hearing within ten (10) working days of the presentation of the written grievance and shall render his decision within seven (7) working days thereafter.

2. The aggrieved party, no later than five (5) school days after receipt of the decision of the Superintendent or his designee, may appeal the decision of the Superintendent or his designee to the Buildings, Grounds and Transportation Committee of the Board of Education or other standing committee designated by the Board. An appeal to the Board Committee must be made in writing and delivered to the Board Secretary within the time deadline specified above. Such a written appeal shall recite the matter submitted to the Superintendent or his designee and shall specify the party's reason for dissatisfaction with the rendered decision. Written copies of the appeal shall be furnished by the grievant to any other parties who may have a direct interest in the grievance.

The designated Board Committee shall, within twenty-one (21) calendar days from the receipt of the grievance appeal by the Board Secretary, conduct a hearing on the matter and may request the submission of additional written material. The Board Committee shall render its

determination in the matter within thirty-five (35) calendar days from the receipt of the grievance appeal. The decision of the Board Committee shall be final and shall be adhered to by both parties unless pursued by either party to another appropriate forum.

3. In the event the grievance is an appeal from a discharge of the employee and the grievance is not resolved to the employee's satisfaction after review by the Superintendent or his designee, the employee, no later than five (5) working days after receipt of the decision, may request a review by the Board of Education. Appeals which arise from discharge as a ground must be initiated within three (3) working days from the notification of discharge. The Board in a discharge case shall conduct a hearing within fifteen (15) working days of the receipt of the grievance appeal by the Board and shall make a determination within seven (7) working days from the date of the final hearing. The foregoing provision for appeal from a discharge of the employee shall not apply to discharge of a new employee at any time during and including the first ninety (90) calendar days of employment in the District.

D. Disciplinary Grievances:

If the Association does not accept the disposition of the grievance by the Board or its committee and wishes review by a neutral third party, and if the claim pertains exclusively to a dispute concerning the imposition of a reprimand or discipline within the meaning of N.J.S.A. 34:13A-22, the Association, no later than ten (10) working days after receipt of the decision, shall notify the Board through the Superintendent that it desires to submit the dispute to binding arbitration. The right to initiate arbitration rests solely with the Association, and not the employee. The discharge of a new employee within the probationary period of the first ninety (90) calendar days of employment shall not be reviewable by an arbitrator.

The following procedure will be used to secure the services of an arbitrator:

(a) A request will be made to the Public Employment Relations Commission (PERC) to submit a roster of persons qualified to function as an arbitrator in the dispute in question. The parties shall then be bound by the Rules and Procedures of the Public Employment Relations Commission in the selection of an arbitrator.

(b) The decision of the arbitrator shall be in writing and shall set forth his findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by or violative of any law, or which is violative of the terms of this Agreement; and he shall have no power to add to or subtract from or modify any of the terms of this Agreement, nor shall he in any case have power to rule on any issue or dispute which is not an arbitrable disciplinary dispute pursuant to N.J. S.A. 34:13A-22 *et seq.* The decision of the arbitrator shall be final and

binding and shall be issued within thirty (30) days of the completion of the arbitrator's hearings.

(c) Each party will bear the total cost incurred by itself. The fees and expenses of the arbitrator are the only costs which shall be shared by the two parties and they shall be shared equally.

In the event such employee demonstrates

valid reason to waive the November 1st notice date, he or she will receive the benefit provided for. The Board, however, may defer payment of all or part of the benefit to the year following the retirement.

Employees who are steadily employed shall be allowed sick leave with pay of one (1) working day for each month of service during the remainder of the first school year of service in the District, and ten (10) working days in each school year thereafter. The working day is defined as including only regularly scheduled runs. Sick leave days not utilized in any year shall accumulate to be used for additional sick leave as needed in subsequent years. Sick leave is hereby defined to mean a necessary absence from duty because of personal disability due to illness or injury. Any employee absent on sick leave shall submit acceptable medical evidence substantiating the illness, if requested by the Board.

B. Other Absence:

1. Absences permitted are for brief periods not chargeable to sick leave. The provisions for leave at full pay, stated below, shall be for one (1) school year and shall not be accumulative for use in another school year.

(a) *Death in the Immediate Family* - An allowance for a reasonable length of time not to exceed five (5) days shall be granted upon request. Immediate family shall be construed to mean the employee's parent, current spouse, sibling, child or spouse's parent. Also

(b) *Personal day* – For July 1, 2004-June 30, 2005 an allowance of one (1) day and effective July 1, 2005, an allowance of two (2) days shall be granted upon request for personal business which cannot be attended to outside of regular working hours. No reason need be stated for such personal day. C. Unauthorized Absences:

Drivers absent without authorization shall forfeit two (2) days of their regular assignments for every one (1) day of unauthorized absence. Employees may obtain authorization for short-term absences due to personal illness or legitimate family emergency upon notification to the Transportation Coordinator or designee prior to the absence. Employees desiring long-term absence (in excess of five (5) days) may apply to the Board for such leave.

ARTICLE XXXV

LICENSE EXPENSES

A. The Board will provide the services of the Board's physician for the medical examination required in order to acquire or renew the Bus Driver's License of any employee. In the event an employee desires to utilize his or her own physician the cost of such examination shall be borne by the employee.

B. A newly employed driver without the proper bus driver's license shall be reimbursed for the initial license fee upon completion of one (1) year of employment with the Board.

C. The Board will reimburse each driver having more than one year of service in the District for all fees charged by the State, including fingerprinting, to issue the Commercial Driver's License or any renewal thereof.

ARTICLE XXXVI

A. The Board shall continue to provide the existing health care insurance protection to all employees as now enjoyed under the State Plan, and shall pay the full premium for each employee and, in cases where applicable, for Family Plan Insurance coverage to the same extent as now being paid. It is expressly understood that any employee who is not regularly employed for twenty (20) hours or more per week presently is not receiving any insurance coverage and is not entitled to receive any such coverage under this provision.

B. Employees shall receive the same full-family Dental Insurance Plan provided to District teachers. Each employee shall pay fifteen (15%) percent of the dental insurance premium through a payroll deduction plan. All employees shall participate in the Dental Insurance Program.

ARTICLE XXXVII

SAFETY BONUS

A. The Board agrees to continue the existing practice of providing a safety bonus of \$50.00 and \$100.00 in accordance with any rules presently applicable thereto, or as may be adopted from time to time.

ARTICLE XXXVIII

FIELD AND ATHLETIC TRIPS AND SEASONAL LATE RUNS

A. During the school year all known field and athletic trips shall be posted and assigned as per the method specified in Appendix One.

B. During the school year, available seasonal late run assignments shall be posted and assigned as per the method specified in Appendix Two. "Seasonal late runs" are defined for this

Agreement as those late runs that operate only during a specific athletic or activity season. Appendix Two does not apply to "regular late runs", which are defined for this Agreement as late runs that are scheduled to operate on a regular daily basis when school is in session.

1. Any driver who is regularly assigned more than six (6) hours of daily work shall be ineligible to bid on and receive a seasonal late run assignment. He/she may, however, assume a position on the seasonal late run substitute list.
2. In order to bid on and receive a seasonal late run assignment, a driver must be available for both A.M. and P.M. regular assignment.

C. Drivers eligible, available and wishing to drive "seasonal late runs" but not initially assigned one shall be placed on a "seasonal late run substitute list" in order of their seniority. When a substitute is needed for a seasonal late run, the substitute shall be obtained from this list by availability and then by seniority. The list shall be rotating. An individual who is chosen and serves as a seasonal late run substitute will assume a position at the lowest end of the list and rotate upwards as other individuals get their turn.

1. If the dispatcher or coordinator is unable to obtain a substitute after trying the first two eligible persons on the list, he/she shall fill the route as he/she sees best.

D. In order to be eligible to bid on and receive a field and athletic trip(s) in any given month, a driver must have driven at least ten (10) hours per month of a home to school run or shuttle run or regular late run for the previous month. Drivers will be given credit towards this requirement for time spent on excused absence. Nothing in this eligibility provision shall prohibit the Board from assigning a field and athletic trip to an alternate driver in an emergency situation.

ARTICLE XXXIX

ASSIGNMENT TO ROUTE

A. Seniority:

"Seniority" is defined as the length of continuous service as a regular driver within the District. A regular driver shall accumulate one year's seniority credit for each school year in which such driver has carried out duly assigned home/school route(s) for at least four (4) consecutive months during such school year.

The Transportation Coordinator will revise the seniority list annually and post the list at the start of each year.

B. Seniority Status:

All substitute drivers who are hired as regular drivers effective January 1, 1991 and thereafter shall receive one (1) year's seniority credit as a regular driver for each seven (7) years of service as a substitute driver.

C. Use of Seniority in Route Assignment:

Seniority will be utilized by the Board as one of the factors to be considered in assigning runs at the start of the school year. It is expressly understood, however, that selection of driver and assignment of runs remains in the sole discretion of the Board. Further, it is expressly understood that the Board may assign runs in such a manner as to maximize, to the extent practicable, the number of members of the unit eligible to qualify for health benefits.

D. Limitation on Regular Assignments:

Every effort shall be made in the scheduling of regularly assigned runs so that no individual receives more than six and one-quarter (6.25) hours of regular daily assignment during the 2002-03 school year and no more than six (6) hours of regular daily assignment commencing with the 2003-04 school year. The terms "regularly assigned runs", "regularly assigned", "regular daily assignment", "regular route assignment" and similar terms are defined for this Agreement as including "regular late runs" and other runs scheduled to operate on a daily basis when school is in session and currently considered "regular runs", such as (by way of description and not limitation) morning and afternoon home-to-school runs, vocational runs, and shuttles.

E. Newly Created Regularly Assigned Routes and Other Vacancies Arising During the School Year in Regularly Assigned Routes:

Assignments to regularly assigned routes which are created or which become vacant after the start of school will be made by the Board in its sole discretion and will not be posted or bid.

F. Regular Route Assignment - Preferential Order:

1. Using availability and seniority as two of the factors in the assignment of runs at the start of the year, drivers will be assigned according to the following preferential order:

(a) Drivers with unlimited availability, by seniority;

(b) Drivers available for a.m./p.m. runs, by seniority;

(c) Drivers available for p.m. only, by seniority;

(d) Drivers available for a.m. only, by seniority.

2. It is expressly understood that a driver's regular route assignment is a full year commitment. If, for reasons of a change in availability or other such situation, a driver is unable to continue with any part of or the entire regular route assignment, the driver shall forfeit his/her entire original regular assignment and shall be assigned by the Board to the next available regular work route.

G. Seniority will be utilized by the Board as one of the factors to be considered in determining which drivers will be laid off in the event of a reduction in force. It is expressly understood, however, that selection of drivers to be laid off remains in the sole discretion of the Board.

2. Employees shall receive a clothing allowance of \$350.00 per year with receipts, to be paid in two (2) equal installments of \$175.00 each, with the first installment paid as soon as practicable after July 1 and the second installment paid as soon as practicable after January 1 of each contract year. As a condition to receiving the clothing allowance, each employee shall purchase and wear on the job: 1) suitable work shoes with steel safety toes, chemical- and slip-resistant soles, and adequate ankle support; and 2) a uniform consisting of a District-specified shirt and blue denim pants. Reimbursements are provided as long as receipts are provided.

eleven (11) allowable annual sick leave days, and such employee will accumulate eleven (11) sick leave days to be used as needed in subsequent years. Employees who used more than two (2) sick leave days during the current contract school year will be charged for all sick leave days used.

B. Compensation for Unused Sick Days:

1. Upon retirement for service and age from a State administered retirement system, each employee who has accumulated at least fifty (50) sick leave days shall be entitled to receive a lump sum retirement payment for earned and unused accumulated sick leave not to exceed \$2,800.00 based on \$28.00 per day for each day of earned and unused accumulated sick leave. An employee who elects a deferred retirement benefit shall not be eligible for the retirement payment.

2. Notice of intention to claim the benefits provided herein must be made in writing to the Board on or before November 1st prior to the year in which the retirement becomes effective. In the event an employee fails to give notice by November 1st for the reason that such employee has not at that time determined to retire, but subsequently, due to some unforeseen reason such employee is compelled to retire, the employee shall give notice of the condition causing the retirement as soon as possible. In the event such employee demonstrates valid reason to waive the November 1st notice date, he or she will receive the benefit provided for. The Board, however, may defer payment of all or part of the benefit to the year following the retirement.

C. Temporary Leaves of Absence:

1. Absences permitted are for brief periods not chargeable to sick leave. The provisions for leave at full pay, stated below, shall be for one (1) school year and shall not be accumulative for use in another school year. The intent in providing personal leave days is to grant paid leave for substantial emergent matters. Where possible, every effort should be made by the employee to conduct personal affairs or business outside school hours.

(a) *Death in the Immediate Family* – An allowance for a reasonable length of time not to exceed five (5) days shall be granted upon request. These days are provided for the sole purpose of arranging for and attending funeral services and providing for a reasonable mourning period in close proximity therewith. “Immediate family” shall be construed to mean the employee’s parent, legal guardian, spouse, sibling, child or spouse’s parent or legal guardian. Also included shall be any other relative of the employee who resided as a member of the employee’s immediate household.

(b) *Serious illness in the Immediate Family* – an allowance for a reasonable length of time up to two (2) days shall be granted upon request to care for members of the immediate family as defined above.

(c) An allowance of up to a total of two (2) days under this Paragraph (c) shall be granted by the Superintendent or his designee in any school year for other reasons, including religious holidays.

2. Requests for personal leave under this Article shall be presented in writing to the respective building principal or the employee's supervisor, whichever is applicable, at least forty-eight (48) hours in advance of the desired absence. In cases of emergency, the request may be made by telephone to the supervisor or building principal as soon as practicable.

3. For the protection of the employee and for proper payroll accounting and audit, every absence for a full day or more must be accounted for in writing and reported to the Superintendent for forwarding to the Board Secretary.

4. Except in cases of emergency, requests for personal leave under paragraph (c) shall not be granted on days preceding or following school vacation periods or a holiday.

5. Extensions to any temporary leaves of absence referred to in Sections (a), (b) or (c) as outlined above may be made in the sole discretion of the Superintendent.

ARTICLE XLVII

<u>After Completing Full Years of Service</u>	<u>Number of Weeks</u>
1 – 4	2
5 – 11	3

ARTICLE XLVIII

WORK WEEK

A. The District work week for all employees covered by this Agreement shall commence on Saturday and conclude on the following Friday. During such workweek, each employee shall work a 40-hour, 5-day regular work week. From September 1 through June 30, two (2) night custodians shall work at Hanover Park High School on each Saturday and two (2) night custodians shall work at Whippany Park High School on each Saturday. The District may in its discretion require only one (1) night custodian to perform Saturday duty at either High School. Other employees, including matrons, day employees, groundsmen and maintenance personnel shall work five (5) days from Monday to Friday. Sunday shall not be scheduled as a regular workday for any employee.

B. Saturday duty shall be rotated among all covered night custodians according to a regular schedule, provided that no custodian shall be required to work more frequently than every third Saturday. A schedule of anticipated assignments shall be prepared in August of each year for September through January, and in January for February through June. Confirmation of the tentative schedule for each month, including notice of any changes thereto, will be given during the last week of the preceding month. A custodian performing Saturday duty shall be entitled to be off on Sunday (unless called in for an emergency) and one other day during the week, except Friday, which shall not be available to employees as a day off under this Article. The employee may choose Monday as a day off if desired. The employee shall designate the additional day off at the beginning of each school year, and the day selected shall remain the employee's additional day off throughout the school year whenever Saturdays are worked, unless the Superintendent or his designee approves an employee's request to change the additional day off to a different day of the week. Custodians may trade assigned Saturdays by obtaining the approval of the Superintendent or his designee ten (10) days prior to the assigned Saturday, so long as such trade does not result in additional overtime cost to the District.

C. Shift hours for Saturday duty may be set by the District as any eight (8) hour period between the hours of 7:00 a.m. and 12:00 midnight. Confirmation of shift assignments shall be given at the same time as confirmation of the actual Saturday assignments under paragraph B. above; provided, however, that the designated shift hours may be changed when necessary upon two (2) weeks' notice or upon shorter notice if emergency circumstances necessitate the change.

D. Any employee working more than forty (40) hours in the work week defined in paragraph A. above shall be compensated at the rate of one and one-half (1-1/2) times his regular hourly wage rate for all hours worked in excess of forty (40) hours during such work week.

E. The provisions of this Article shall not preclude the District from assigning overtime work to employees if more than two custodians are required at a school on any Saturday.

F. *Overtime Rotation:*

The District shall establish and maintain an overtime rotation roster for each category of employee (custodians, maintenance and groundsmen). Subject to the employee's availability, and provided the employee is qualified to work the particular assignment, the District will assign available overtime work within the particular category according to the roster, such that the first overtime assignment will go to the employee at the top of the list. That employee's name will then move to the bottom of the list, and the second employee on the list will move to the top of the roster and receive the next overtime assignment for which the employee is available and qualified. In the event the District is unable to contact the employee, or the employee is otherwise not available for the assignment or declines the assignment, he shall move to the bottom of the list as though he had worked the assignment. In the event an employee is not qualified for the assignment, he shall remain in the top position on the list until he has received an assignment for which he is qualified. In the event of an emergency, the District retains the right to immediately assign overtime work to any employee without regard to the overtime rotation list.

G. *Routine Building Checks and Emergency Call-Ins*

1. The District will maintain a rotation roster for each school of employees eligible and wishing to perform routine weekend/holiday building checks and emergency call-ins. The list will be in effect for a period of six (6) months from date of preparation, at which time a new list will be prepared.

2. To be eligible to be placed on the rotation roster for routine checks/emergency calls, an employee must:

- (a) Hold a valid boiler license
- (b) Make himself available to both conduct routine building checks and respond to emergency calls during the period he is assigned.
- (c) Report to the building in question within forty-five (45) minutes after receiving an emergency call or page.

3. Employees originally placed on the rotation roster but who fail to be available or to respond within the required time limit on two or more occasions will be removed from the roster for the balance of the six-month roster list period.
 4. Routine weekend/holiday building check and emergency call-in duty shall be assigned on a monthly basis to the next employee on the rotation roster for the respective building. After serving for the month, the employee will move to the bottom of the roster to wait his/her next turn in the rotation.
 5. If during his assigned duty month an employee is temporarily unable to perform the routine check or respond to emergency call-ins, it shall be the responsibility of that employee to obtain another individual on the rotation roster to cover his duty for the period in question. Failure to find coverage will result in the originally assigned employee forfeiting his/her next turn in the rotation.
 6. Employees scheduled to perform routine building/holiday checks shall receive a minimum of two (2) hours' pay at the applicable rate for such checks.
 7. Employees called in for emergency call-ins after their regular work shift hours shall receive a minimum of one (1) hour's pay at the applicable rate for such emergency call-ins.
- H. At least one Maintenance employee shall be readily available at all times, including any break times.
- I. Effective July 1, 2005 custodians assigned to snow removal on paid holidays shall receive compensatory time off rather than overtime, for time worked up to 8 hours. Overtime shall be paid consistent with contract language contained in this Article.

APPENDIX ONE

METHOD OF ASSIGNING DRIVERS TO FIELD AND ATHLETIC TRIPS

1. Trip Eligibility

Drivers new to the District will not be assigned to road trips until they have successfully completed the ninety (90) day probationary period and have been evaluated by the Coordinator and Dispatcher as to their capabilities of making the trips safely.

2. Seniority Lists:

During the first two (2) weeks of each school year all drivers will indicate their interest in athletic and field trip assignments in writing to the Transportation Coordinator. A Field and Athletic Trip Seniority List will be made up from the names of drivers requesting trip assignments and seniority position will not change for the ensuing semester. New drivers approved for assignments to trips during the first semester will be added to the bottom of the list and will keep that position until the start of the next semester. Prior to the second semester the Seniority List will be up-dated by placing new drivers on the list in the correct seniority and removing those drivers who no longer want Field and Athletic Trips.

The Coordinator shall also establish a Rotating Assignment List consisting of the names of drivers requesting trip assignments in order of their seniority identical to the Field and Athletic Trip Seniority List. All rules applicable to the Field and Athletic Trip Seniority List shall apply to the Rotating Assignment List.

3. Trip Postings:

Field and athletic trips will be assigned to drivers on a rotating basis with more senior drivers getting their preference of available trips. Seniority prevails in all phases of choices and "bumping" except in situations of double appearances of seniority numbers on any week's Eligible Drivers List where the procedures in f. below will be followed.

The following "bid" system shall be utilized:

- a. A list of known available trips for the succeeding week will be posted by 6:00 a.m. every Thursday. This Available Trips List will remain posted until 2:00 p.m. that day.

b. At the same time, a list of seniority numbers from the F & A Trip Seniority List for Drivers who are next to bid and therefore eligible to drive one of the available trips shall be posted. This listing shall be called the Eligible Drivers List. The number of trips on the Available Trips list and the number of seniority numbers on the Eligible Drivers List shall coincide.

c. Every driver on the F & A Trip Seniority List will be expected to check the Available Trips List and the Eligible Drivers List posted each Thursday and/or Friday.

i. Each driver whose seniority number appears on the Eligible Drivers List will indicate his/her first and second choice for trips on the Available Trips List. All indications of trip preference shall be made in ink on the Trips List. Drivers will place their seniority number next to their first choice trip. Drivers will place their seniority number in a circle next to their second choice trip.

ii. Drivers making an error when indicating their choices on the Available Trips List or wishing to change their selection shall line out the incorrect entry and initial the deletion. No other procedure shall be accepted. Drivers shall not erase or block out entries on the Available Trips List.

iii. Drivers appearing on the Eligible Drivers List on Thursday are expected to make their trip selections as early in the day as possible.

d. Eligible drivers will be assigned only one trip from the list.

e. All trips received after the 6:00 a.m. posting on Thursday, but before 6:00 a.m. on Friday, and any trips not covered after Thursday's pick will be posted Friday 6:00 a.m. and the same procedure will be repeated. Drivers on Thursday's Eligible Drivers List who were "double bumped" and therefore have no trip, will be posted on Friday's version of the Eligible Drivers List. If necessary, the next seniority number(s) in rotation will be added to cover the number of open trips.

f. In the event the number of trips on the Available Trips List exceeds the total number of eligible drivers on the entire F & A Trip Seniority List, causing some numbers to appear more than once, a driver of greater seniority shall have the right to only one first choice bid even though his/her seniority number may appear more than once on the Eligible Drivers List. More senior drivers may be bumped by drivers of lesser seniority on the second appearance of their numbers.

i. In these instances, drivers shall indicate their bid preferences as above and identify those bids corresponding to the first appearance of their seniority number by adding (1)

to their entries on the Available Trips List. They will identify those bids corresponding to the second appearance of their number by adding (2). For example: 3(1), 3(2).

ii. In these instances, trip assignments will follow normal procedures utilizing the bids corresponding to the first appearance of any numbers that appear twice. That is, the most senior driver will be awarded his/her first bid. The second most senior driver will be awarded his/her first (or second if bumped) bid, then the third most senior, etc., until all drivers have bid on and received one trip or have been "double bumped" based on the first appearance of their seniority number on the Eligible Drivers List.

iii. On Friday, the open trips will be posted and the same procedure as noted in c. and e. above will prevail;

iv. If a driver's seniority number is posted two or more times, that driver must make his/her first choice in the a.m.

g. The Coordinator or Dispatcher will assign driver(s) using the Rotating Assignment List to: (a) any trip(s) left over after the second posting, or (b) if time will not allow for a second posting of the trips.

4. Trips Received Late for Posting:

All trips received after 6:00 a.m. on Friday will be covered using the Rotating Assignment List up to one hour before the scheduled departure of the trip if time permits. If time does not permit, the first available driver will be assigned by the dispatcher on an emergency basis. All trips assigned from the Rotating Assignment List will count as a trip on the Rotating List, but will not be charged against the driver as a pick on the F & A Seniority List. Emergency basis assignments will not be charged against the driver on either list.

5. Canceled or Postponed Trips:

If a trip is canceled or postponed the assigned driver will lose the trip and his turn on the respective list. If the trip should be re-scheduled within one day before or after its original date, the original driver will be afforded the trip. If the original driver cannot drive the re-scheduled trip, the trip will be covered by the next eligible driver on the Rotating Assignment List and the original driver forfeits his turn on the respective list.

6. Driver Inability to Fulfill Commitment:

Any driver assigned a trip who cannot fulfill his commitment due to illness or other emergency must notify the Coordinator or Dispatcher no later than 6:00 a.m. on the day of the trip.

Repeated failures to meet obligations will result in removal from F & A Trip Seniority List.

7. Late Cancellation of Trip:

The Coordinator or Dispatcher will notify the assigned driver of a canceled trip as soon as possible after confirmation of cancellation.

8. Qualifications:

The Coordinator or Dispatcher has the right to reassign drivers to trips where road or climate conditions may pose a problem. The Coordinator's decision is final in driver assignment to all trips.

APPENDIX TWO

SEASONAL LATE RUN ASSIGNMENTS

A. Initial Assignment:

Drivers interested in being assigned a seasonal late run will be given the opportunity to bid on a run at the beginning of the school year.

1. During the first two weeks of school the Transportation Coordinator shall post for five days a listing of available seasonal late run assignments for the year.
2. Drivers desiring a seasonal late run assignment shall place their seniority number on the listing next to the route they would like. Drivers shall indicate first and second choices with the understanding that each driver will receive one and only one seasonal late run assignment.
3. The Coordinator will then assign the routes by seniority numbers and preference. That is, the most senior driver will receive his first preference, the second most senior driver will receive his first preference provided it is not taken by the first driver in which case the second driver will get his second preference, etc.

4. Drivers bidding on but not receiving a seasonal late run assignment will be placed on the seasonal late run substitute list in order of their seniority. The Coordinator will use the seasonal late run substitute list and the availability listings to find substitutes for absent seasonal late run drivers on any particular day. Should he be unable to find a substitute from the list, the situation will be deemed an emergency and any driver assigned to cover the absence.

Drivers receiving a seasonal late run assignment must understand that they are making a five day a week, full year commitment for the period or periods during which the run is in effect. The only excuses for being absent from an assigned run are illness or emergency at home. Repeated failure of a driver to meet his seasonal late run responsibilities over a two week period of time may result in the driver being removed from the assignment, the run declared open and the driver disqualified from any further seasonal late run assignments for the remainder of the school year. Drivers will not be permitted to trade runs amongst themselves.

B. Assignments to Runs that Become Open During the Year:

Any time after the initial assignment of seasonal late runs in the fall a seasonal late run vacancy may occur due to the creation of a new seasonal late run, the resignation or promotion of an employee, the disciplinary removal of a driver from a seasonal late run, etc. Any vacancies in the seasonal late runs shall be filled as follows:

1. Within five days of the opening the Coordinator will post the vacancy and allow eligible drivers to bid on the assignment as outlined in A-2 above. To be eligible a driver's current availability sheet must indicate he is available to take the assignment.
2. After five days the posting will be removed and the Coordinator shall make the assignment to the most senior driver bidding as outlined in A-3 above.
3. Senior drivers who have a seasonal late run already assigned may bid on the vacancy and, if awarded the assignment, leave their original assignment for the new route. Their original route will then be declared open and the posting process repeated.
4. This process shall repeat itself as necessary until all open runs are filled.

C. Canceled Runs:

In the event a seasonal late run is canceled during the school year:

1. The driver involved shall go on call for reassignment to the run should the run be reinstated.

2. The driver involved shall assume the top position on the current seasonal late run substitute list and serve as a substitute until the canceled route is reinstated.

D. Seasonal Late Runs that are Collapsed and/or Combined During the School Year:

The Board of Education may collapse and/or combine seasonal late runs from one athletic season to the next during the course of the school year. In the event a seasonal late run is collapsed or combined into a "remaining" seasonal late run:

1. The driver who was assigned to the collapsed or combined run shall not have any "bumping" rights to any other seasonal late run.
2. The driver who was assigned to the collapsed or combined seasonal late run shall have first opportunity for reassignment to that run should it be reinstated later during the school year.
3. The driver who was assigned to the collapsed or combined run shall have first opportunity to substitute for the driver of the "remaining" seasonal late run when a substitute driver is required.
4. If the driver who was assigned to the collapsed or combined run is unavailable to substitute for the driver of the "remaining" seasonal late run on any given day, a substitute driver will be obtained following the established seasonal late run substitute list.

E. Change in Seasonal Late Run Time Schedule:

1. Should the time schedule of a seasonal late run be changed the original driver shall be given the opportunity to adjust his time and stay with the route.
2. If the original driver is unable to stay with the route, the route shall be declared open and filled by posting as outlined in B. above.

APPENDIX THREE

METHOD FOR DRIVERS TO RECEIVE TWICE MONTHLY PAY

Bus Driver Twice Monthly Pay Procedure, based upon a split net concept:

Hours = number of hours in assigned h/s daily work package

Rate = drivers hourly rate of pay

Assume 180 school days equally divided into ten months of 18 days each

- A. Calculate driver's monthly gross draw (Remains constant for year unless assignment is changed)
75% of (hours) *(rate) * 18
- B. In September, calculate gross draw less taxes, pension etc. to get net draw
Net draw is amount of payment to be made
Payment made 1/2 on Sept. 15; ½ on Sept 30
- C. Drivers submit full timesheet for their work during the month at end of month.
- D. Months of October thru June
Gross payroll to be paid individual driver =
 - monthly gross draw as above
 - Plus adjustment on draw from previous month
 - Plus all monies from trips for previous month

Taxes, pension, etc. deducted from total to get Net earnings for the month

Net earnings split in half...paid 1/2 on 15th of month, 1/2 on last day of month

- E. Adjustments on draw and trip earnings for June are payable in July. Payable in single check on or before July 15.

Example:

Assume a driver has 5.25 hours of daily work and rate of \$ 22.25 per hour

A. Calculate driver's monthly gross draw

75% of (hours) *(rate) * 18	
(0.75) (5.25) (22.25) (18) equals	\$1,576.97
Take out taxes, pension etc to get NET	\$1,261.58 (Estimated)
In September;	
Driver gets on the 15 th	\$630.79
Driver gets on the last day of the month	\$630.79

B. Driver turns in timesheet for September which shows:

Actual h/s earnings were	\$2,200.00
Actual trip earnings were	\$750.00

C. October payroll is calculated as follows:

monthly gross draw (see A. above)	\$1,576.97
adjustment to draw from previous month	
Actual H/S earnings less draw	
\$2,200.00 minus \$1,576.97	\$623.03
previous month actual trip earnings	\$750.00
Gross	\$2,950.00
Take out taxes, pension etc to get NET	\$2,360.00 (Estimated)
Driver gets check on the 15th for:	\$1,180.00
Driver gets check on last day of month for:	\$1,180.00
