The supervisor shall decide the grievance within two (2) working days after the grievance is first presented to him/her.

2. STEP TWO

If no agreement can be reached orally within two (2) working days of the initial discussion with the supervisor, it may be presented in writing within five working days to the Department Head or his/her designated representative. The written grievance at this step shall contain the relevant facts and a summary of the preceding oral discussion, the particular section of the contract violated if applicable and the remedy requested by the grievant. The Department Head or his/her designated representative will give the Union the opportunity to be heard and will answer the "grievance" or complaint in writing within eight (8) working days of the written "grievance" or complaint.

3. STEP THREE

If the Union or individual wishes to appeal the decision of the Department Head, it shall be presented in writing to the Township Manager or his/her delegated representative within ten (10) working days. This presentation shall include copies of all previous correspondence relating to the matter in dispute. The Township Manager or his/her authorized representative may give the Union the opportunity to be heard and will give his/her decision in writing within ten (10) working days of receipt of the written "grievance" or complaint.

4. STEP FOUR - ARBITRATION

(a) If no satisfactory resolution of the "grievance" is reached at Step three, then within five (5) working days the "grievance" shall be referred to the State Board of Mediation for the selection of an Arbitrator. Further, it is the intent of the parties that no matter in dispute that is subject to review and/or the decision of the Civil Service Commission of the State of New Jersey may be submitted to arbitration. The parties herein direct the Arbitration not to accept or to decide any matter in dispute that is subject to Civil Service Commission review and decision.

D. Any employee covered by this Agreement shall have the right to process his/her own "grievance" or complaint through Step Four Arbitration in accordance with the provisions of this Article. However, in the event the Union declines to pursue the matter to arbitration and the individual employee wishes to so proceed, such employee shall bear the expense of such arbitration equally with the Township.

E. The time limits expressed herein shall be strictly adhered to. If any "grievance" or complaint has not been initiated within the time limits specified, then it shall be deemed to have been abandoned. If any "grievance" or complaint is not processed to the next succeeding step in the Grievance Procedure within the time limits prescribed therefor, then the disposition at the last preceding step shall be deemed to be conclusive. If a decision is not rendered within the time limits prescribed for decision at any step in the Grievance Procedure, then it shall be deemed to have been denied. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits provided for processing the "grievance" or complaint at any step in the Grievance Procedure.

- D. The Township agrees to deduct the fair share fee from the earnings of those employees who elect not to become members of the Union and transmit the fee to the majority representative.
- E. The deduction shall commence for each employee who elects not to become a member of the Union, on the first of the month following thirty days written notice from the Group of the amount of the fair share assessment. A copy of the written notice of the amount of the fair share assessment must also be furnished to the New Jersey Public Employment Relations Commission. The deduction shall commence for each new employee on the first of the month of the following sixty days of employment.

- F. The fair share fee for service rendered by the Union, shall be in an amount equal to the regular membership dues, initiation fees and assessment of the Union, less the cost of benefits financed through the dues available only to members of the Union, but in no event shall the fee exceed eighty-five per cent (85%) of the regular membership dues, fees and assessments.
- G. The sum representing the fair share fee shall not reflect the cost of financial support of political causes or candidates, except to the extent that it is necessary for the Union to engage in lobbying activity designed to foster its police goals in collective negotiations and contract administration and to secure for the employees it represents advance in wages, hours and other conditions of employment which ordinarily cannot be secured through collective negotiations with the Township.
- H. The Union shall establish and maintain a procedure whereby any employee can challenge the assessment as computed by the Union. The appeal procedure shall in no way involve the Township or require the Township to take any action other than to hold the fee in escrow pending resolution of the appeal.
- I. The Union shall indemnify, defend and save the Township harmless against any claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken by the Township in reliance upon salary deduction authorization cards of the fair share assessment information as furnished by the Union to the Township or in reliance upon the official notification on the letterhead of the Union and signed by the President of the Union, advising of such changed deduction.
- J. Membership in the Union is separate, apart and distinct from the assumption by one of the equal obligations to the extent that he/she has received equal benefits. The Union is required under this Agreement to represent all of the employees in the bargaining unit fairly and equally, without regard to Union membership. The terms of this Agreement have been made for all employees in the bargaining unit, and not only for members in the Union and this Agreement has been executed by the Township after it had satisfied itself that the Union is a proper majority representative.

ARTICLE XXVII
