ARTICLE I. RECOGNITION AND BARGAINING UNIT

A. The Association recognizes the Board as the representative of the Government of the State of New Jersey charged with the responsibility under the law of operating public schools in the Borough of Audubon.

B. The Board hereby recognizes the Association as the exclusive and sole representative for collective negotiation concerning grievances and terms and conditions of employment for all employees employed or to be employed by the Board.

C. Unless otherwise indicated, the term "employee," will convey benefits on the unit as a whole. For particular terms and conditions of employment, employees included in the unit shall be subcategorized as follows:

Group A – Employees will consist of classroom teachers, guidance personnel, special teachers, librarians, nurses, basic skills improvement program teachers, child study team members, and summer school teachers.

Group B – Employees will consist of maintenance personnel and custodial personnel.

Group C – Employees will consist of secretaries and clerks.

Group D – Employees will consist of general aides, instructional aides, and special education aides.

D. Unless otherwise indicated, the term "employee," when used hereinafter in the Agreement, shall refer to all full time and part time employees represented by the Association in the negotiating unit as above defined, and references to male employees shall include female employees.

ARTICLE II. NEGOTIATION OF SUCCESSOR AGREEMENT

A. The parties agree to enter into collective negotiation for a successor Agreement in accordance with Chapter 123, Public Laws 1974 in good faith effort to reach agreement on all matters concerning the terms and conditions of employees employment. Such negotiations shall begin in accordance with the PERC timetable. Any agreement so negotiated shall be reduced to writing, signed by the Board and the Association, ratified by the Association and be adopted by the Board.

B. The Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

ARTICLE III. GRIEVANCE PROCEDURE

The Audubon Board of Education recognizes the mandates of the scope of negotiations law.

A. Definition

1. A "grievance" is a claim by an employee or the Association based on the interpretation, application, or violation of this Agreement, policies or administrative decisions affecting an employee or group of employees.
2. An "aggrieved person" is the person or persons or Association making the claim.
3. A "party in interest" is the person or persons or Association making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems that may from time to time arise affecting employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure

A grievance to be considered under the procedure must be initiated in writing within thirty (30) calendar days from the date of its occurrence.

An employee of the Audubon School District having a grievance shall follow the following procedure:

Level 1 - Principal or Immediate Supervisor

An employee with a grievance shall first discuss it with his Principal or immediate superior either directly or through the Association representative, with the objective of resolving the matter informally.

Level 2 - Superintendent

If the aggrieved person is not satisfied with the disposition of the grievance at Level 1 or if no decision has been rendered within five (5) school days after presentation of the grievance, he may file the grievance in writing through the Association within the following five (5) school days. Within seven (7) school days after receiving the written grievance, the Superintendent shall render a decision to the aggrieved person and/or his representative.

Level 3 - Grievance Meeting with Board of Education

- a. If a grievance is not resolved to the aggrieved person's satisfaction, he, not later than five (5) school days after receipt of the Superintendent's decision, may request a review by the Board. The request shall be submitted in writing through the Superintendent of Schools, who shall attach all related papers and forward the request to the Board.
- b. The Board, or committee thereof, shall review the grievance and render, a decision in writing thirty (30) calendar days from the receipt of the grievance. All parties involved and their representatives shall be present unless waived.

Level 4 - Arbitration

- a. If the decision of the Board does not resolve the grievance to the satisfaction of the aggrieved person and he wishes a review of a third party, and if the Association determines that the matter should be reviewed further, it shall so advise the Board through the Superintendent within twenty (20) school days in receipt of the Board's decision. However, the Board's decision shall be final and binding on the grievance concerning:
 1. Any matter for which a specified method of review is prescribed and expressly set forth by law or any rule or regulation of the State Commissioner of Education, or
 2. A complaint of any employee which arises by reason of not being re-employed, or
 3. A complaint by any employee occasioned by the lack of appointment to any bonus position for which tenure either is not possible or not required, or
 4. Any matter which, according to law, is either beyond the scope of the Board authority or limited to unilateral action by the Board alone.
- b. Within ten (10) school days after such written notice of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If both parties are unable to obtain such a commitment within the specified period, either party may make a request for a list of arbitrators to the American Arbitration Association. The parties shall then be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.
- c. The arbitrator so selected shall confer with the representatives of the Board and the Association and hold hearings promptly and shall issue a decision not later than twenty (20) days from the date of the close of the hearings or, if oral hearings have been waived, then from the date, that final statements and proofs on the issues are submitted. The arbitrator's decision shall be in writing and shall set forth the findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decisions, which require the commission of an act prohibited by law or which is in violation of the terms of this Agreement. The decision of the arbitrator shall be submitted to the Board and the Association, and shall be **advisory** for Groups A and D, and **binding** for Groups B and C. The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

D. Miscellaneous

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level are maximum. Failure at any step to appeal a grievance to the next step within the specified time limits should be deemed waiver of further appeal of the decision. The time limits may be extended by mutual agreement.
2. All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties of interest and their designated or selected representatives, heretofore referred to in this Article.
3. If, in the judgment of the Association, a grievance affects a group or class of employees, the Association may submit such grievance in writing to the Superintendent directly and the processing of such grievance shall be commenced at Step 2. The Association may process such grievance through all levels of the grievance procedure even though the aggrieved person does not wish to do so.
