WHEREAS, the City of Orange Township (City) and FMBA Branch Local 10 ("FMBA") are parties to successive collective negotiations agreements (CNAs) and Memorandum of Agreements (MOAs), the most current of which expired on December 31, 2009;

WHEREAS, the parties were unable to resolve the terms of a successor agreement following expiration of the 2006-2009 MOA and the matter was ultimately submitted to interest arbitration before James W. Mastriani. On July 7, 2016, Mr. Mastriani issued his Award and the City subsequently filed an appeal of same;

WHEREAS, the parties have tentatively agreed upon the following terms and conditions of employment in lieu of the Award issued by Mr. Mastriani. Although this Agreement is subject to ratification by the City's Governing Body as well as the FMBA's membership, the signatories below agree to recommend this settlement to their respective bodies:

- 2. OTHER TERMS. Unless otherwise stipulated below, all terms set forth in prior CNAs and MOAs shall be incorporated and otherwise retained in the 2010-2020 MOA.

Agreement by both parties, the City shall tender a lump sum payment to each current FMBA member as well as each former member of the FMBA who, subsequent to December 31, 2009, retired from the Orange Fire Department as a FMBA member for the years 2010-2016. For current employees, the amount of said payment shall be a fixed percentage of the individual's base salary and longevity earned immediately prior to the full ratification of this agreement by both parties. The percentage shall be equal to the annual wage increases stated above for the years 2010 through 2016 for which the individual was employed by the City and a member of the FMBA. The fixed percentage shall be as little as 1.5% or as much as 12.5%, depending upon the duration of the individual's length of service for current members and date of retirement for former members. For example, a current member who has been employed by the City since 2010 shall receive 12.5% of his/her base salary and longevity referred to above. - 4. TERMINAL LEAVE. Effective January 1, 2017, the terminal leave allotment shall be reduced to a maximum of six month's leave.
- 5. LONGEVITY. Members hired after the date of the full ratification of this Agreement by both parties will receive longevity as follows:

- 6. PAYOUT FOR ANNUAL LEAVE TIME. During the last seven years of service, members shall have the right, as they choose to exercise in their sole discretion to receive payments up to 50% of their unused sick and vacation leave. Payments shall be based upon the member's current base pay at the time the payment request is made.
- 7. NON-ECONOMIC TERMS AND CONDITIONS OF EMPLOYMENT. The parties agree that this Memorandum of Agreement does not include agreed-upon terms and conditions of employment of Non-Economic Matters and that the parties have further agreed as a condition precedent to entering into this Memorandum of Agreement to engage in good faith negotiations on all Non-Economic Matters awarded by Arbitrator Mastriani, commencing within sixty (60) days after the ratification of this Memorandum of Agreement by the City and the FMBA. Unless an agreement is reached and reduced to an MOA, such negotiations shall terminate no later than thirty (30) days following the ratification of this Memorandum of Agreement by the City and the FMBA. Should the parties not reach an agreement on which Non-Economic matters are to be included in the Memorandum of Agreement by the City and the FMBA, the negotiations shall cease and the appeal of the Award of Arbitrator Mastriani shall continue.
