ARTICLE I

RECOGNITION

The Employer recognizes the Association as being the bargaining agent for the purpose of establishing salaries, wages, hours and other conditions of employment for all assistant prosecutors and law clerks in the Office of the Prosecutor and for such additional classifications as the parties may later agree in writing to include.

ARTICLE II

CHECK OFF

- A. The Employer agrees to deduct from the salaries of its employees, subject to this Agreement, dues for the Association. Such deductions shall be made in compliance with N.J.S.A. (R.S.)52:14-15.93, as amended.
- B. A check off shall commence for each employee who signs a properly dated authorization card, supplied by the Association and verified by the Treasurer of the Association during the month following the filing of such card with the Employer.
- C. The aggregate deductions from all employees shall be remitted to the Treasurer of the Association together with the list of names of all employees for whom the deductions were made by the fifteenth (15th) day of the succeeding month after such deductions were made.
- D. If during the life of this Agreement there shall be any changes in the rate of membership dues, the Association shall furnish the Employer written notice thirty (30) days prior to the effective date of such change and shall furnish to the Employer either new authorizations from its members showing the authorized deduction for each employee, or an official notification on the letterhead of the Union and signed by the President of the Association advising of such changed deduction.
- E. The association will provide the necessary "check off authorization" form and the Association will secure the signatures of its members on the forms and deliver the signed forms to the Employer.
- F. Any such individual written authorization may be withdrawn at anytime by the filing of notice of such withdrawal with the Employer. The filing of notice of withdrawal shall be effective to terminate deductions in accordance with N.J.S.A. 52:14-15.9e as amended.
- G. The Association shall indemnify, defend and save the Employer harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken by the Employer or in reliance upon information furnished by the Association or official notification on the letterhead of the Association and signed by the President of the Association.

ARTICLE III

WORKING HOURS

- A. Employees covered under this Agreement are professional employees and are expected to work more than the traditional forty (40) hours per week on the average without any additional compensation.
- B. Working hours for employees covered under this Agreement are generally from 8:30 a.m. to 4:30 p.m. However, with the prior consent of the Prosecutor, or his designee, employees may vary their work hours with the first consideration being the present needs of the Prosecutor's Office.

ARTICLE IV

The County and the Prosecutor agree to open negotiations with the Union for those Assistant Prosecutors between entry level and First Assistant salaries in the event the statutory raises become necessary. These negotiations will be subject to the budgetary situation at the time. The County and the Prosecutor will attempt to share in the cost of any settlement.
- D. In the event of the resignation, retirement, death or other termination of an assistant prosecutor or law clerk, the balance of their salary shall be used by the Prosecutor to fill the vacated position of the assistant prosecutor or law clerk or to hire additional assistant prosecutors or law clerks prior to the end of the last pay period of the calendar year the position is vacated. If no second opinion is submitted, the employer will only pay for fifty (50%) percent of the total cost of said surgery and all related treatment and services. Participants contemplating elective surgery which requires a second opinion must contact the Administrator of the Employer's Self insured benefits program to arrange for said second opinion, which shall be provided at no additional cost to the participant. The Administrator of the Employer's self-insurance benefits program will identify a panel of three specialists in the area of the surgery to be performed. The participant shall select the second opinion doctor from this panel. The panel of three specialists, provided by the Administrator of the Employer's self-insurance program, shall be available to the requesting employee no later than ten (10) days or the employee shall not be bound by this section and may receive the elective surgery without a second opinion. - (1) D & C (Dilation and Curettage)
- (2) Spinal and Vertebral Surgery

2. All of the elective (non-emergency) minor surgical procedures set forth below will be considered as covered benefits under the Employer's self-insured health benefits program only when performed on an out-patient basis unless the participant's doctor certifies in advance to the program's Administrator, and in writing that special medical circumstances require that the procedure be performed in a hospital.

3. When a participant is required by his/her doctor to undergo diagnostic tests prior to surgery being performed, to be considered a covered benefit under the Employer's self-insured health benefits program, such pre-admission testing must be performed on a outpatient basis unless the participant's doctor certifies in advance to the program's Administrator, and in writing, that special medical circumstances require that the procedure be performed in hospital.

4. There will be no benefits paid under the Employer's self-insured health benefits program for any treatment provided in a hospital emergency room except where the treating doctor certifies in writing that such treatment was necessitated by an accident or life saving emergency.

5. Effective the signing of this agreement, benefits for chiropractic care under the County's Self-Insured Health Benefits Program will be limited to a maximum of 12 visits per year unless a physician's order requires otherwise.
6. Effective the signing of this agreement, the County Self-Insured Health Benefits Program will change from a coordination of benefits program to a maintenance of benefits program. The new maintenance of benefits will apply when the self-insured plan is secondary for any dependent's medical claim or retiree's claim. Maintenance of benefits means that the self-insured plan pays the balance of the claim up to the amount that the self-insured plan would normally cover as if it were the primary plan.
7. Effective the signing of this agreement, mental health and substance abuse benefits under the County's Self-Insured Health Benefits Program will be covered at a rate of 90/10 co-insurance for both in-patient and out-patient treatment, with each type of treatment covered equally.
8. Effective the signing of this agreement, all hospitalizations of a non-emergency nature must be pre-certified to verify the necessity of, and authorize the length of, an overnight hospital stay before a participant enters the hospital. Participants or their attending physicians must contact the pre-certification. Denial decisions by the Pre-Certification Administrator may be appealed to the County Director of Insurance who shall be bound by the employee's doctor, which doctor will have the final say as to the necessity and length of hospital stay for the selected procedure. If any employee does not follow this procedure, the County's Self-Insured Plan will only pay fifty percent (50%) of the costs associated with the selected procedure.
9. Participants in the Employer's self-insured health benefit program are encouraged to carefully review all bills they receive for covered benefits under the program. If a participant discovers an error in a bill submitted to the Administrator for payment under the Program, which results in an overcharge to the Employer, the participant shall either advise the Administrator in writing of the error in question or contact the provider directly and have the bill corrected. Upon the submission of acceptable written documentation, the participant shall be entitled to a refund of fifty (50%) percent of the amount saved as a result of the correction of the error, up to a maximum of \$100.00 per bill.
10. Coverage in all plans for dependents will be up to age 19 if not in school and age 23 if in school. Dependents who are permanent dependents as a result of disability are covered for the life of the employee.

D. All employees will have the choice of enrolling in the Preferred Providers Program (PPO) pursuant to the plan description in effect January 1, 1999, or any of the HMOs. The traditional, self-insured indemnity plan will not be an option. The County agrees that in the event that a dependent or a retiree resides for at least more than one month of the year in a location that is not covered by the network, the County will enroll that dependent or retiree in the traditional, self-insured indemnity plan. A location that is not covered by the network is defined for purposes of this clause as one that is 20 or more miles away from a network physician and/or hospital.

E. If the employee, during the open enrollment period, enrolls in HMO or any other similar medical coverage offered, all premiums, for the employee and their dependents, shall be paid by the Employer, up to the premium paid for the Employer's plan.

F. Retirees

1. The Employer will provide for post retirement payment of Group Health Insurance and Major Medical (substantially similar to the plan that exists at the time of retirement) for those employees and eligible dependents having at least 25 years of service with the Employer. Employees who retire with less than 25 years of service, shall be provided with health and prescription benefits as outlined in paragraph 4.

2. All other employees having at least a combination of at least 25 years of creditable service in Law Enforcement in the State of New Jersey or a work-related disability pension, shall be entitled to the same benefits as those employees described in Paragraph F.1 at the following cost to the employee:

Single	\$15.55 per month
Husband and Wife	\$33.65 per month
Family	\$36.86 per month

The above shall remain constant (without change) for the remainder of the employee's life. Law enforcement is defined as a position in the State, a county or municipality having full police powers.

3. Should legislation be enacted that affects section F.1 or F.2 of this contract, the employee shall have the right to choose between the newly enacted legislation or the plan as written in Section F.1 or F.2.

G. Any employee covered by this Agreement may choose, in writing, during the open enrollment period, to participate in the "Optional Health Benefits Program." (Opt Out Program) Participation in this program is totally voluntary and is intended for those employees who are covered by health insurance through a working spouse or who choose not to maintain the County's health coverage.

1. If an employee chooses to participate in this program the incentive paid shall be increased to fifty (50%) percent of the actual premium cost for the employee's coverage.
2. Effective January 1, 2003, the opt out amounts will supercede paragraph 1.

From Family to no coverage	\$90
From Parent/Child to no coverage	55

From Family to Parent/Child	150
From Family to H/W	90
From Family to Single	220
From Parent/Child to Single	80
From H/W to Single	140

3. Employees who opt to participate in this program must do so for a minimum of one (1) year at a time. However, if an employee chooses to participate and then the spouse's coverage is terminated, upon proper verification of termination, the County will immediately and retroactively to the date of cessation of the spouse's coverage restore the employee, his or her spouse and/or dependents to coverage under the County's Self-Insured Health Benefits Plan for the remainder of that year. If the employee desires to reinstate HMO coverage he or she will be required to wait until the next open enrollment period. Where an employee participated in the program for less than one full year, the County shall be entitled, through payroll deductions, to recoup the pro-rated balance of the incentive paid. The employee shall authorize such payroll deductions, in writing, at the time the employee opts to participate in the program.
4. The incentive payments provided above shall be paid in equal monthly payments and appropriate deductions shall be made from the gross incentive amount.
5. The optional health benefits program (opt out) provided above shall be available to all new employees on their hire date and shall be available to all current and prospective retirees under the same terms and conditions applicable to active employees.

6. The optional health benefits program set forth above shall be extended to the County's self-funded prescription program and/or the dental plan.
7. The incentive shall begin to be paid to the employee no later than one month after the effective date of the option.
8. There is no opt out for spouses or relatives where one is a dependent if both are on the County payroll and would otherwise be eligible for benefits. The two employees must choose one type of coverage only.

H. The County of Camden will join or otherwise implement the terms of the New Jersey Temporary Disability Program for all employees.

Employees will be responsible for any extra costs incurred by the County if there is a change in their life status (divorce, death of spouse, etc.) that would affect their health and prescription benefits and they do not report it to the Insurance Division within 90 days of the event.

If an employee dies while in the employ of Camden County, his/her spouse and dependents shall be eligible for health and prescription coverage at the same retirement rates listed above.

K. The County will implement a Section 125 Premium Conversion Plan effective 2003.

ARTICLE VI

SICK LEAVE WITH PAY

- A. Sick leave is hereby defined to mean absence of any employee from duty because of personal illness which prevent his doing the usual duties of his position, exposure to contagious disease, or a short period of emergency attendance upon a member of his immediate family who is critically ill and requires the presence of the employee.
- B. The term "immediate family" is hereby defined to include the following: mother, father, mother-in-law, father-in-law, brother, sister, brother-in-law, sister-in-law, spouse, children or foster children of the employee, and grandmother and grandfather.
- C. Any employee who is absent for reasons that entitle him to sick leave shall notify his supervisor promptly, but no later than one and one-half (1½) hours before the employee's usual reporting time except in cases of extreme emergency where the employee is not able to do so. Failure to give such notice may constitute cause for disciplinary action.
- D. Sick leave shall accrue for regular full-time employees at the rate of one (1) day per month during the first calendar year of employment and one and one-quarter (1¼) days per month per year in every calendar year of employment thereafter, and shall accumulate from year to year. Part-time permanent employees shall be entitled to sick leave on a pro-rated basis. Sick leave must be earned before it may be utilized. Sick leave may be taken in one-half (½) day segments.
- E. If any employee is absent for five (5) consecutive work days (or after fifteen {15} days sick leave in any one {1} year for any reason set forth in the above rule), the Employer shall require acceptable evidence on the form prescribed. The nature of the illness and length of time the employee was absent shall be stated on a doctor's certificate.
- F. At the discretion of the Prosecutor, the employee seeking sick leave may be required to submit medical evidence to substantiate his request. Failure to provide adequate medical evidence may result in the denial of sick leave benefits, and the employee will suffer a loss of his pay for any unauthorized time period. In the event the employee has exhausted his accumulated sick leave and is sick, the absence may be charged to the employee's vacation, if any, provided that the employee agrees, and further provided that such use of vacation time will not be used to circumvent either the provisions or the intent of Article XIII, Maintenance of Operations.
- G. Abuse of sick leave will be cause of disciplinary action.
- H. Sick leave claimed by reason of quarantine or exposure to contagious disease may be approved upon the certification of the local Public Health Department.

- I. Full-time temporary employees in the Employer's service shall be entitled to sick leave in the same amount and for the same reasons as provided for permanent employees.
- J. Upon retirement, an employee with twenty-five (25) years of service and who has reached age fifty (50) may elect to sell one-half (1/2) of his or her earned and unused accumulated sick leave multiplied by his or her rate based upon the annual base pay received during the last year of employment with the Employer, provided, however, that no such lump sum payment shall exceed twenty-five thousand (\$25,000.00) dollars.
