The Township retains all rights of management previously employed or exercised by the Township, including but not limited to the following:

- (1) To manage and administer the affairs and operations of the Township including the rights of management personnel to perform bargaining unit work.
- (2) To direct its work force and operations.
- (3) To hire, promote, transfer and assign employees.
- (4) To demote, suspend, discharge and otherwise take disciplinary action against employees for good and just cause according to law and this Agreement.
- (5) To take necessary action in emergencies.
- (6) To determine standards of selection for employment.
- (7) To determine standards of performance for employees.
- (8) To evaluate employee performance.

(9) To determine the methods, means and personnel by which the Township's operations are to be conducted.

(10) To determine the content of job classifications and descriptions subject to this Agreement.

(11) To promulgate rules and regulations, from time to time, which may affect the orderly and efficient administration of the Township.

Section C. Nothing contained in this Agreement shall operate to deny or restrict the Township in the exercise of its powers, rights, responsibilities and authority pursuant to the laws of this state and of the United States.

ARTICLE VII. GRIEVANCE PROCEDURE

Section A. This grievance procedure shall be in full effect for the period covered by this Agreement.

Section B. For the purposes of this grievance procedure the following terms shall have the meanings herein ascribed:

"Grievance" shall mean any dispute concerning the interpretation, application or any alleged violation of a specific written provision of this Agreement.

"Immediate Superior" shall mean the person to whom the aggrieved employee is directly responsible.

"Grievant" shall mean an employee of the Township who is a member of the Association.

Section C. The purpose of the grievance procedure is to secure an equitable solution to the problems affecting employees arising during the term of this Agreement.

Section D. The parties agree that disputes shall be resolved at the lowest possible level. Thus, the parties shall encourage the informal resolution of disputes by discussion of complaints between an individual and his/her immediate superior. In the event that such discussions fail to produce a satisfactory resolution of the complaint, it shall only then be reduced to writing and submitted as a grievance.

Section E. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement and shall be followed in its entirety unless any step is waived by mutual consent.

(1) Grievant must file his/her grievance in writing with his/her immediate supervisor within five (5) working days after the grievant has availed himself/herself of the procedure outlined in Section D above, or within five (5) working days of presumed knowledge of the occurrence giving rise to the grievance. Failure to act within the said time period shall constitute an abandonment of the grievance.

(2) Once the grievance is timely filed, the grievant shall discuss the grievance with his/her immediate superior. If the grievant is not satisfied with the resolution or if no resolution is made within three (3) working days by the immediate superior, the employee must present the grievance to the Department Head for further consideration, unless said immediate superior is the grievant's Department Head, in which case the grievance shall be presented to the Township Administrator and shall be treated as Step 3.

(3) In the event there is not a satisfactory resolution of the grievance by the Department Head at Step 2 or an answer is not given within three (3) working days, the aggrieved employee may present the grievance to the Township Administrator within five (5) working days thereafter. The Township Administrator will then render a decision within ten (10) working days.

(4) In the event there is not a satisfactory resolution of the grievance at Step 3 or a decision is not rendered by the Township Administrator within the time allowed, the aggrieved employee may appeal to the Township Council, in writing, within ten (10) working days thereafter. The aggrieved employee may at this time also request a hearing before the Township Council which hearing shall take place within thirty (30) days of the proper and timely presentation of the request. The Township Council shall make a determination within thirty (30) days from the receipt or hearing of the grievance and shall give written notification to the aggrieved employee of its determination. This time may be extended by mutual agreement of the parties. The decision of the Township Council is final and binding.

Section F. Failure on the part of the grievant to appeal the answer to the next higher step shall be deemed an acceptance of the Township's previous answer. The grievant shall waive his/her right to appeal the grievance to any other steps in the Grievance Procedure. Failure on the part of the Township to submit a written disposition within the prescribed time limits shall allow the grievant to proceed to the next step.

Section G. The time limits set forth in this provision may be extended in writing by mutual agreement of the Township and the association.

Section H. At the request of the aggrieved employee, the Association President or his/her designee may participate in the grievance procedure at Steps 3 and 4.

ARTICLE VIII. WORK SCHEDULES

Section A. The normal workweek for all Association members hired prior to January 1, 1995, shall consist of five consecutive days, Monday through Friday. Persons employed after December 31, 1994, shall work five (5) consecutive days, Monday through Friday or Tuesday through Saturday.

Section B. Association members shall work an eight (8) hour day;

Section C. The standard working hours for Association members shall be 6:30 a.m. to 3:30 p.m.

Section D. Persons employed after December 31, 1994, may be required to work hours other than those listed in Section C above, subject to the following limitations:

(1) No starting time may be established prior to 6:00 a.m. nor later than 6:00 p.m. without the consent of the affected employee(s).

(2) An employee's starting time shall not be varied, except in the case of an emergency, without the said employee receiving not fewer than ten (10) days' notice.

(3) No starting time shall be established for punitive reasons.

Section E. Department heads may establish other starting times in case of an emergency and for the extent of the emergency only.

Section F. Any employee of the Township who, during the term of the collective bargaining agreement in force prior to this one, was regularly working a shift which commenced and ended outside of the standard shifts as defined in Section C above shall be deemed to have consented to continue to work that shift irrespective of his/her date of employment with the Township.

Section G. All employees are entitled to a lunch break of one (1) hour, which period shall be scheduled to begin between the third and fifth hours of any work shift. Lunch breaks are to be scheduled to ensure that workstations are covered without interruption. However, employees are expected to take their lunch break and not work through the lunch break without the prior approval of the Township Administrator, Department Head or his/her designee.

Section H. All employees are to receive two (2) fifteen (15) minute breaks during the workday, one in the first half of the work period and the other in the second. Breaks are not to be combined with the lunch break and employees are expected to utilize their breaks.

ARTICLE IX. OVERTIME AND COMPENSATORY TIME

Section A. Overtime is defined as any work performed in excess of the number of hours in an employee's normal single workday, or the total hours in any workweek for the said employee as set forth in Article VIII.

Section B. Overtime requires the prior approval of the Township Administrator, except that in cases of emergency, supervisory personnel may authorize overtime for the duration of the emergency.

Section C. Except as provided elsewhere herein, all covered employees shall be paid at the rate of one and one-half (1-1/2) times their normal rate of pay for overtime worked in excess of the normal workday or normal workweek for that employee.

Section D. Association members are required to work overtime in emergent situations which are defined as snowfalls requiring salting, sanding or plowing operations; water and sewer main breaks, road cave-ins or any other event which poses a threat to the health, safety or welfare of residents of the Township.

(1) When required to work overtime in emergent situations on a Saturday, Sunday, a holiday or a preapproved vacation, covered employees shall be paid at the rate of two times (2x) their normal rate of pay. For the purposes of this paragraph, the Saturday, Sunday, holiday or preapproved vacation shall commence at 3:30 p.m. on the employee's last prior workday and shall end at 6:30 a.m. on his/her next regularly scheduled workday.

(2) In the event that a covered employee is on call for possible emergent situation work on a Saturday, Sunday, holiday or preapproved vacation, the covered employee shall be paid three hours of pay at the emergent situation rate for each such day on call, provided, however, that in the event such employee actually works on the day for which he or she is on call, there shall be no duplication of on call pay and pay for hours actually worked.

(3) Failure of an employee to work such emergent situation overtime shall subject the employee to disciplinary action, except that an employee may be relieved of such obligation on an incident-by-incident basis for health, family or other good and valid reason, properly documented. Such relief shall not be unreasonably withheld.

Section E. When an emergent condition requires the employees set forth in Section D above to work for more than five consecutive hours, such employees shall be provided with a meal break of not less than thirty (30) minutes and the said meal shall be provided by the Township at the municipal garage or such other location as the Superintendent of Public Works, or his designee, may direct. Such break shall not interrupt the continuity of overtime hours for the purposes of determining double time hours pursuant to Section F below.

Section F. At any time the employee works more than six (6) consecutive hours beyond his/her normal quitting time, or when an employee on call-out works for six (6) consecutive hours, he/she shall be paid double (2x) his/her normal rate of pay for all consecutive hours worked beyond six hours. The six (6) hours and any time additional thereto shall be considered consecutive regardless of the department to which the employee is assigned, so long as there is no interruption other than an authorized work or meal break.

Section G. Compensatory time is defined as time off in lieu of payment for hours worked in excess of a normal workday or workweek. Employees are entitled to compensatory time equal to one and one-half (1.1/2) times the hours worked for all time worked in excess of the employee's standard workday or

workweek. If the employee chooses compensatory time for time for which he/she would be compensated at double rate pursuant to Section F hereof, such compensatory time shall be calculated at the rate of two times (2x) the actual hours worked.

Section H. Employees may bank compensatory time for future use at a mutually convenient time for the Township and the employee, but no more than one hundred twenty (120) hours of compensatory straight time equivalent may be carried forward from one year to the next.

Section I. Employees are expected to keep track of their compensatory time available and to use same in a timely fashion to avoid having an excess banked at the end of the year. In January of each year, the Township shall provide to each employee a report of the compensatory time available as of the prior December 31. If the employee disagrees with the time credited, he/she shall so inform the appropriate superintendent and the two shall rectify such difference.

Section J. Compensatory time which is not to be carried forward must be used prior to December 1 of the contract year.

Section K. Compensatory time in excess of one hundred (100) hours banked at the end of the year shall be compensated at the employee's regular hourly rate of pay for that year.

Section L. Any employee called to work outside of his/her normal working hours shall receive a minimum of two (2) hours pay at the rate of one and one-half (1-1/2) times his/her regular rate of pay, except that there shall be no minimum when the overtime is worked contiguous to the employee's normal work hours.

ARTICLE X. HOLIDAYS

All employees shall be entitled to the following days designated as official holidays with pay, which holidays will be celebrated on the days specified as follows:

New Years' Day	Memorial Day	Election Day
M. L. King Birthday*	Independence Day	Veteran's Day
Lincoln's Birthday	Labor Day	Thanksgiving Day

* Floating holiday, to be taken during the year at the mutual convenience of Employee and Township.

Section B. Employees who are required to work on the recognized holidays noted in this Article shall be entitled to receive the regular straight time pay to which such employees would be entitled had they not worked such holiday and shall, in addition, be paid at the rate of one and one-half (1-1/2) times their hourly rate for the actual hours worked on said holiday.

Section C. To be entitled to holiday pay, an employee must have worked his/her full scheduled work day immediately before and after the holiday unless his/her absence is authorized. Authorized leave with pay includes:

Vacation leave	Bereavement leave
Personal leave	Authorized sick leave*

* Requires a physician's certification of illness after the third such occurrence in any twelve-month period.

Section D. If a holiday falls on a Saturday, the holiday shall be celebrated on the preceding day. If the holiday falls on a Sunday, it shall be celebrated on the following Monday.

ARTICLE XI, VACATIONS

Section A. All non-probationary bargaining unit employees covered by this Agreement shall be granted vacation with pay, if eligible according to the schedule set forth hereafter.

Section B. The status of each employee with respect to annual vacation credits shall be determined on the anniversary date of each employee's appointment as a full-time employee of the Township.

Section C. All vacation schedules are to be established during the first quarter of each year, and scheduling shall be based on seniority. Eligible members must submit a written request for time off preferred no later than March 15 of each year.

Section D. Upon death, retirement or termination of employment for any reason, there shall be paid to the said employee or to his/her estate a sum equal to one (1) day of pay for each unused vacation day. Payment shall be made in one lump sum payment exclusive of pension benefits or payments.

Section E. If any official holiday as designated in Article X occurs during an employee's vacation, he/she will be entitled to an additional vacation day in lieu of said holiday.

Section F. Any employee hired prior to July 31 shall be entitled to five (5) vacation days in that year. Any employee hired after July 31 shall accumulate one (1) vacation day for each thirty (30) days worked up to December 31 of said calendar year. From January 1 to December 31 of the following year, employee shall be entitled to receive ten (10) vacation days.

Section G. Vacation pay will be computed on the basis of the employee's regular base rate of pay at the time of the vacation.

Section H. There shall be no accrual of vacation time from year to year in excess of fifteen (15) vacation days. Vacation time not taken in the contract year in which it is earned in excess of fifteen (15) days will be lost.

Section I. All vacation time shall be calculated based on continuous years of service and on a calendar year basis. The vacation period for each year shall be as follows:

(1) January 1 following completion of two (2) years of service: Three (3) weeks

(2) January 1 following completion of five (5) years of service: Four (4) weeks

(3) For employees hired prior to January 1, 1995, on January 1 following the completion of ten (10) years of service: Five (5) weeks; provided, however, that in 2006 and only in 2006, Jeffrey McCormick shall be entitled to a sixth week of vacation and in 2007, and only in 2007, Paul Cancellieri shall be entitled to a sixth week of vacation.

Section J. No part of any employee's scheduled vacation may be charged to sick leave except that nothing herein shall be construed to affect employee's rights pursuant to his/her entitlement to benefits under any disability plan as set forth in article XIII.

ARTICLE XII. ABSENCE AND LEAVES OF ABSENCE

Absences from duty are classified as "illness," "vacation" or "other," and are to be noted on time reports. An authorized leave of absence will be reported as "illness" or "other" depending on its nature. Days off charged to "other" shall be left to the discretion of the Department Head. The reason for each absence listed on the time report as "other" will be noted thereon, with a statement as to whether it is approved by the Department Head.

Each employee must notify his/her Department Head of any absence from duty. If it is not possible to do so in advance of the working day, the report shall be made by telephone or otherwise at least one (1) hour prior to the employee's starting time or as early as possible on the day the employee is absent. If not possible to contact the Department Head, the employee shall notify the Township Administrator. Failure to notify the Department Head and/or Township Administrator may be cause for the denial of use of sick leave for that absence and can constitute cause for disciplinary action.

Section A. Sick Leave

(1) All employees shall be entitled to accumulate one (1) working day of sick leave (12 days per year) with pay for each completed month of service to be used only for illness which shall include time to care for a spouse or child who resides with the employee during the period of illness of said spouse or child.

(2) In cases of reported illness or disability, the Township reserves the right to have a physician designated by the Township examine the employee and report on the condition of the employee to the Township Administrator.

(3) When the absence on account of illness or disability does not exceed three (3) days, the employee's statement of the cause will be accepted without a supporting statement from his or her physician. The Township may, in cases of frequent illnesses, have an employee examined by a designated physician in order to determine the severity of illness of the employee. The Township Administrator has the right to waive such requirement, or may require an employee to be examined by a physician designated by the Township for the purpose of certifying the employee fit for duty before the employee returned to work.

(4) During prolonged periods of illness or disability, the Township Administrator may require periodic reports on the condition of an employee from an attending physician. When under medical care, during period of sick leave, employees are expected to conform to the instruction of the attending physician if they wish to qualify for sick leave benefits.

(5) Any sick leave payments exceeding accumulated sick leave of an employee requires the approval of the Township Council.

(6) Any employee certified by an accident report as being absent on account of disability due to an accident or illness directly caused in the line of his or her work shall not have such absence charged against his/her sick leave.

(7) Any employee on sick leave and receiving his/her normal compensation who in addition qualifies for payments under Worker's Compensation weekly benefits shall during the period he/she is receiving said benefits be entitled only to that portion of his/her regular salary which, with the Worker's Compensation payments, equals the employee's normal straight time salary.

(8) No employee, while on sick leave from the Township, shall be elsewhere or otherwise employed or engage in any outside work or employment.

(9) Each employee shall be required to establish and maintain a bank of not fewer than forty-five (45) accrued unused sick days. Once such bank has been established, an employee may thereafter redeem the unused sick days from his/her annual allotment thereof at one-half the then current straight time rate. In any case where an illness shall reduce the balance of banked sick days to fewer than forty-five (45), the member must return the bank to a minimum of forty-five (45) days before redeeming any additional days.

(10) In addition to redeeming days from the current year, a member may redeem up to ten (10) days from prior years' accruals at one-half straight time rate for the immediately prior year.

(11) Employees desiring to redeem unused accrued sick time shall notify the Township Administrator in writing by December 1 of each year of the number of days to be redeemed. Payment for such days will be

made not later than January 7 of the following year, or the last workday prior thereto if January 7 is a weekend or holiday.

(12) Any employee with at least five (5) years of service who retires, is permanently separated or who voluntarily leaves the service of the Township shall be entitled to one-half (1/2) day's pay at his/her regular straight time rate for each day up to a maximum of two hundred (200) days of unused sick leave credited to him/her at the time of such separation from the Township payroll, except that in no case shall such payment exceed fifteen thousand (\$15,000).

(13) Notification must be made to the Township Administrator not fewer than thirty (30) days prior to such separation, unless circumstances render such notice impossible. Payment of this supplemental compensation shall be on a biweekly basis at the level of employee's last rate of pay until such benefit is exhausted.

Section B. Bereavement leave

(1) In the event of a death in the immediate family of an employee, the Township will grant an absence with pay to the employee from the date of death to and including the day after the funeral.

(2) Immediate family is defined to mean a parent, grandparent, spouse, child, sibling, parent-in-law or any other relative who resides in the household with the employee.

(3) In the event of a death in the family not mentioned in Paragraphs (1) and (2) above, the Township will provide one (1) personal day of bereavement leave to the employee to attend funeral services. In cases where such services are to be held beyond a two hundred (200) mile radius of East Hanover, the Township Administrator may grant special consideration for travel time where the employee has no vacation or compensatory time available.

Section C. Leave of Absence without Pay

A leave of absence without pay may be requested by an employee who shall submit in writing all facts bearing on the request to his/her Department Head, who will append his/her recommendation and forward the request to the Township Administrator for Township Council action. Each case will be considered on its merits and will not establish a precedent. Leaves of absence without pay shall be limited to a maximum of six (6) months.

Section D. Jury Duty

If any employee is legally selected for jury duty, every effort shall be made to enable such employee to serve as a juror. Each employee shall be paid for time served as a juror at his/her regular rate of pay providing that any compensation received as a juror shall be turned over to the Township immediately upon its receipt.

Section E. Military Leave

When a full-time employee who is a member of the reserve component of any United States Armed Force or the National Guard of any state including the Naval Militia and Air National Guard is required to engage in field training or is called for active duty, the employee will be granted a military leave of absence for the duration of the service. The first thirty (30) workdays of the leave shall be with full pay except that a member of the New Jersey National Guard shall receive full pay for the first ninety (90) days. Thereafter, the employee shall be paid the difference between military salary and the employee's regular salary. The paid leave will not be counted against any available time off including but not limited to sick, vacation or personal time. A full-time temporary employee who has served less than one year shall not be entitled to paid leave but shall be granted non-paid military leave without loss of time.

Employees on military service will also continue to receive paid health insurance coverage during the period of the paid leave plus an additional thirty (30) calendar days after the paid leave is exhausted. After this period has expired, employees may continue coverage for themselves or their dependents under the New Jersey State Health Benefits group plan by taking advantage of the COBRA provisions. Members of the state administered retirement systems (PERS and PFRS) will continue accruing service and salary credit in the system during the period of paid leave.

Pursuant to the Uniformed Services Employment and Reemployment Rights Act, any employee released from active duty under honorable circumstances shall return to work without loss of privileges or seniority within the following time limits:

- (1) For service less than thirty-one (31) calendar days, the employee must return to work on the beginning of the first regularly scheduled workday or eight hours after the end of military duty, with reasonable allowances for commuting.
- (2) For service of thirty-one (31) to one hundred eighty (180) calendar days, the employee must submit an application for reinstatement within fourteen (14) calendar days after completing military duty.
- (3) For service greater than one hundred eighty (180) calendar days, the employee must submit an application for reinstatement within ninety (90) calendar days after completing military duty.

Section F. Maternity.

Maternity leave and benefits are provided for under short-term disability (income replacement). Employees applying for maternity leave shall be covered under the income replacement program as set forth in Article XIII hereof. Nothing herein shall interfere with an Employee's rights under the federal Family and Medical Leave Act or the New Jersey Family Leave Act. Any provision herein to the contrary of those laws is preempted by the Employee's statutory rights.

Section G. Personal Days

Each employee is entitled to take one (1) personal day upon approval of his/her supervisor, which approval shall not be unreasonably withheld. If the personal day is not used in a year, it may be redeemed at one hundred percent (100%) of the employee's regular pay. Personal Days are not intended to be used to extend vacations or weekends, but for single day events not covered by other forms of leave. Payment for such unused days shall be made, upon proper notification, not later than January 7 of the following or the last prior workday if January 7 is a weekend or holiday.

Section H. Terminal Leave

- (1) Any employee with at least twenty-five years of continuous service shall receive ninety (90) working days prior to the effective date of retirement and the employee shall not be required to report for or to perform any duties during this period.
- (2) Any employee applying for terminal leave must submit said notification in writing to the Township Administrator not fewer than ninety (90) days prior to the effective date of the retirement. Failure to do so may subject the employee to forfeiture of terminal leave benefits.
- (3) Payment of the terminal leave benefit shall be on a semimonthly basis.

ARTICLE XIII. HEALTH AND INSURANCE BENEFITS

When the appraisal program is in place, employees will be required to sign the appraisal as an indication that they have seen it. Signing does not indicate agreement. Any employee shall have the opportunity to provide a written rebuttal to all or part of his/her appraisal and the same shall be appended to the appraisal when the same is placed in the employee's personnel file. At the request of the employee, the supervisor shall sign a copy of the rebuttal for the employee's records. Such signature indicates only that the supervisor has seen and received the rebuttal and does not constitute approval or disapproval of the same.

Section D. The Township reserves the right to employ persons and place them on any step in the guide commensurate with their job title, education and experience. The Township shall notify the Association of all new hires in covered positions by providing to the Association a copy of the appointment letter signed by the Mayor.

Section G. All employees shall receive longevity pay at the rate of two percent (2%) of the current base pay for the completion of each five years of continuous employment up to and including a maximum of eight percent (8%), provided, however, that Employees who were previously entitled to earn up to 10 percent longevity shall retain such entitlement, but shall do so according to the schedule set forth in Schedule D attached to this contract and made a part hereof as if written fully herein.

Section H. Payments for longevity shall be based on the anniversary date of hire. Longevity accrued from hire dates prior to July 2 shall be retroactive to January 1 of the anniversary year. Anniversary years are as set forth in Schedule D, attached to this contract and made a part hereof as if written fully herein.

Section I. Longevity payments shall be included for the purposes of pension calculation, overtime, vacation pay, sick leave pay and terminal leave pay.

Section J. Association members who have earned licenses or certifications as set forth hereafter shall be entitled to a salary enhancement on January 1 of the following year. Such enhancement shall become a part of the employee's base pay and be subject to the same annual increase. Enhancement shall be in the amount of \$500 for each of the following: Commercial Driver License; Certified Pool Operator; Pesticide Applicator; T1, W1, C1; and in the amount of \$750 for each of the following: T2, W2 and C2.

Section K. Association members who hold any of the enhancement licenses or certifications as enumerated in Section J shall be reimbursed for the periodic renewal costs of maintaining same.

Section L. Annual salaries shall consist of the employee's base salary plus enhancements plus longevity which shall be calculated on the sum of the base and enhancements, and the total sum so calculated shall be divided by twenty-four (24) and paid in equal semimonthly installments through the year. Semimonthly payments shall be paid on the 15th and last days of the month; provided, however, that if such day is a weekend or holiday, payment shall be made on the last regularly scheduled workday prior thereto.

The Retroactive Pay shall be issued to each Employee within 30 days of the execution of the Agreement.

Days lost from work because of sickness or accident during the probationary period shall not be considered in computing the 90-day period.

Section B. During this probationary period, the Township reserves the right to terminate a probationary employee without notice for any reason.

Section C. An employee so terminated shall not have recourse through the grievance procedure set forth in this Agreement.

Section D. The probationary period may be extended by the Township for an additional thirty (30) calendar days upon notice to the Association prior to the extension.

When a member is transferred or promoted out of the unit and then returns to the unit, he/she shall receive service credit for the previous time within the unit. An employee who voluntarily leaves the employ of the Township and subsequently returns shall not receive service credit for the time previously worked. If a unit member who has been terminated through a reduction in force is subsequently re-employed by the Township in the same unit, he/she shall receive full seniority credit for all prior years in the unit.

Section C. The Township will make reasonable effort to fill vacancies which occur within the unit with qualified individuals from within the unit. The Township shall retain its sole and exclusive right to fill said vacancies and such decisions shall not be subject to the Grievance Procedure of this Agreement, except as to the procedure hereinafter set forth.

The Association agrees that such action would constitute a material breach of this Agreement. Any employee who violates this Article shall be subject to disciplinary action, up to and including termination.

Such affirmative action will include all reasonable steps to halt and cease the prohibited actions, including, but not limited to the Association sending notice to all employees directing the employees to cease with such activities immediately, within twenty-four (24) hours of a request by the Township.

Section D. Nothing contained in this Article shall be construed to limit or restrict the Township from seeking and obtaining such judicial relief as it may be entitled to have in law or in equity for injunction or damages or both in the event of such breach by the Association or its members.

ARTICLE XXI. ASSOCIATION DUES AND CHECKOFF

Section A. The Township agrees to deduct from the pay of those employees who are subject to this Agreement dues for the Association. Said deductions shall be in compliance with Chapter 310, P.L. 1967 (N.J.S. 52:14-15.9(e)) as amended. Said monies together with records of any corrections shall be transmitted to the Association treasurer after each semimonthly pay period. Such authorization shall continue in effect until it is formally revoked in writing to the Township Treasurer, and will be effective on the first day of the next January or July, following receipt by the Township.

Section B. If during the life of this Agreement there shall be any change in the rate of membership dues, the Association shall furnish to the Township written notice thirty (30) days prior to the effective date of such change.

Section C. The Association will provide to the Township Treasurer the necessary "check-off authorization" forms for employees who individually and voluntarily request in writing that such deductions be made on a form mutually agreeable between the Township and the Association and consistent with applicable law.

Section D. The Township agrees to deduct an agency fee in the amount of eighty-five percent (85%) of the Association's regular membership dues for each non-member employee subject to this Agreement, as stated in N.J.S. 34:13A-5.5(b) and 5.6 as amended, and any regulations promulgated thereafter.

Section E. The Association agrees to indemnify and hold harmless the Township from any cause of action, claims, loss or damages as a result of the aforementioned clause, including, but not limited to, any claims from any non-Association members for excessive or improper disbursement of agency shop fees or dues deducted from the salaries of non-members of the Association.

Section B. The Association shall be permitted to install and maintain in nonpublic areas one bulletin board each at 8 Melanie Lane and in the maintenance garage at Lurker Park. Such bulletin boards shall be for the exclusive use of the Association and all postings thereon shall be the responsibility of the Association.

B. All children of Association members who reside in East Hanover shall be eligible for a fifty percent (50%) reduction in tuition for the SAC and Summer SAC programs.

C. All children of Association members who reside in East Hanover shall be eligible for a fifty percent (50%) reduction in tuition for the summer camp program.

ARTICLE XXIV. SEPARABILITY AND SAVINGS

In the event that any provisions of this Agreement shall be declared invalid by legislative action or any court of competent jurisdiction or through government regulation or decree, such decision shall not invalidate the entire Agreement. It is the express intent of the parties that all provisions not declared invalid shall remain in full force and effect.

ARTICLE XXV. TOTAL AGREEMENT

Notwithstanding any other agreements previously in effect, the foregoing constitutes the entire Agreement between the parties and no verbal statements or other amendments, except an amendment mutually agreed upon between the parties in writing and annexed hereto and designed as an amendment to this Agreement, shall supersede or vary the provisions herein.

ARTICLE XXVI. TERM

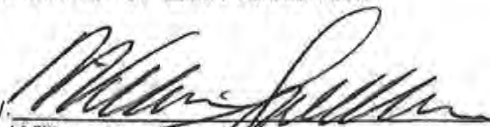

This Agreement shall be in full force and effect from January 1, 2005 through December 31, 2007, and all provisions herein shall be effective retroactive to January 1, 2005, unless otherwise specifically set forth herein. If either party wishes to terminate, amend or otherwise modify the terms and conditions set forth herein at the expiration of the Agreement, written notice may be given to the other party no sooner than one hundred fifty (150) days nor fewer than ninety (90) days prior to such expiration date. The party seeking to terminate, amend or otherwise modify this Agreement shall furnish to the other party within fifteen (15) days after such notification, a copy of its entire set of proposals for such changes.
